under this Agreement.

7-5 All such work, relating to employees, performed on behalf of the Union, shall be deemed time worked and shall be in complete satisfaction and fulfillment of all job requirements and duties with the County.

effect. It is understood that a disciplinary proceeding commenced during the term of
this Agreement or after its expiration date, but prior to execution of a new agreement,
may be processed after the stated expiration date as if the Agreement was still in
effect. The Award of the Arbitrator so made shall be final and binding on the parties.

10-9.5 For the purposes of this Disciplinary Review Procedure:
(a) The parties agree that each shall exercise its best efforts to ensure the prompt scheduling and disposition of disciplinary reviews.

13-1.2 The County shall have the right to hire persons from said list to be assigned only to those agencies under the jurisdiction of the Nassau County Medical Center.

13-1.3 Such hiring and employment is intended to be for the alleviation of nurse staffing shortages at those agencies under the jurisdiction of the Nassau County Medical Center created or caused by unanticipated absence and/or emergencies, which require immediate replacement or increase in the number of persons to be employed in the above titles. It is not the intent to replace full-time nurse employees or to reduce the number of full-time nurse employees in the titles of Registered Nurse I and Licensed Practical Nurse I.

13-1.4 The County shall not employ more than an average of ten (10) per diem nurses per shift within any period of thirty (30) consecutive days.

Effective 1/1/96, $128.67 per shift or $18.38 per hour.

Effective 1/1/98, and thereafter, the applicable rate shall be increased by the general percentage wage increases negotiated by the parties.

13-1.6 For purposes of this section, a shift is defined as an eight (8) hour workday, including a one (1) hour unpaid lunch period.

13-1.7 In the event an employee described herein is required to work and does work hours in addition to the one (1) shift, such employee shall receive time and one-half (1-1/2) for each hour in excess of the eight (8) hour day.

13-1.8 Employees hired pursuant to this section shall not be entitled to receive any compensation or benefits other than those set forth herein, unless otherwise required by law.

14-2 All persons in the labor and non-competitive class, who have been laid off, shall be re-hired in accordance with the plan set forth in Section 81 of the Civil Service Law, notwithstanding that such section does not apply to them as a matter of law, and further provided that the re-hiring rights under this section shall expire eighteen (18) months after the lay-off.
14-3 The County agrees that prior to any lay-offs of any employee covered by this Agreement
for economic reasons or reasons of re-organizations, it will discuss the same with the

This provision shall not be deemed to affect, in any way, the managerial rights of the
County.

15-2 An employee shall be permitted to review all of the employee's personnel files and work evaluations by appointment provided that the employee dates and initials such material as evidence of the employee's examination.

15-3 The employee shall be given a copy of any material the employee requests from any of the employee's personnel files, including work evaluations and may respond in writing to any items with which the employee disagrees. Such response shall become part of the
employee's personnel files.

15-4 No derogatory material may be added to an employee's personnel files without written notice to the employee, and all such material shall be removed from the personnel files three (3) years after its insertion unless such information relates to a matter which, if proved in a court of competent jurisdiction, would constitute a crime.

15-5 For the purposes of this Section, derogatory material shall not include attendance records, employee evaluations, disciplinary arbitration awards, nor any disciplinary notices beyond a reprimand.

a) In an actual emergency, declared only by the department head and/or the County Executive, work which is determined by the Civil Service Commission to be "out-of-title" work, after the first ten (10) work days worked without any additional compensation, shall be the subject of an "award" of a money remedy to be made by the County Executive. The measure of the award will be determined by computing the difference between an affected employee's pay in the employee's Civil Service title and the amount which would have been earned had the "out-of-title" work been a promotion. In no event shall an employee receive additional compensation during the first ten (10) days of "out-of-title" work.

b) Notwithstanding the foregoing, the County and the Union shall continue their
existing practice of processing "out-of-title" grievances through the grievance mediation procedure of this Agreement. However, for purposes of stipulations between the Office of Labor Relations and the Union, the Mediator shall act as an Arbitrator and shall "so order" such stipulations. Such stipulations shall be binding on both parties.

Sec. 17 HEALTH AND SAFETY.

17-1 The County agrees to endeavor to provide safety standards for the protection of employees' well-being, commensurate within this context, to provide and maintain safe and healthful working conditions and to initiate and maintain operating practices that will safeguard employees.

17-2 For reasons of health and safety of the employee, no employee shall be required to lift a body or person into or out of an ambulette, ambulance or invalid coach without assistance.

This shall in no way require the County to provide two (2) employees on any such vehicle.

17-3 All Department of Social Services employees in the Child Protective Services (CPS) and
Family Services Units, upon the employee's request and the department's approval, shall receive cell phones when performing field visits. However, these phones shall be programmed to contact "911" operators only.

18-2 No employee shall be required to work a shift which differs from the employee's assigned shift, without two (2) weeks written notice prior to the change, except in case of emergency.

18-3 No employee shall have the employee's shift and/or work schedule changed as a form of discipline.
Sec. 19 GROOMING - PERSONAL APPEARANCE.

19-1 The County shall not make any unilateral rule or regulation which restricts any employee's right to choose personal wearing apparel or grooming style, except where such rule or regulation is necessary to protect the health or safety of employees, persons in their care or custody, or the public, or is directly related to the proper and efficient performance of the employee's assigned duties.

19-2 This section shall not restrict an agency or department head from requiring an employee to wear a prescribed uniform at work or from generally instructing employees to observe and conform to the accepted business standards of dress and deportment while on duty.

Sec. 23 CONTRACT GRIEVANCE PROCEDURES.

23-1  All employees have the right to present their grievances in accordance with the procedures described herein, with or without the assistance of a representative of the Union, and free from interference, coercion, restraint, discrimination, or reprisal. The Union shall have a right to have a representative present at each grievance step and to be notified of each decision. However, for grievances which first occur on or after January 1, 1995, no grievance shall be heard unless the employee has proceeded to Step 1 within four (4) calendar months after the occurrence of the event grieved or within four (4) calendar months after the employee should have known of its occurrence. However, the President may initiate a grievance at Step 3 within one (1) calendar year after the occurrence of the event grieved, provided it does not merely affect an individual.

23-1.1 Step 1. An employee who feels that the employee has been aggrieved may orally present the employee's grievance to the employee's immediate supervisor, not a member of the negotiating unit, who shall carefully consider the matter and, within five (5) days thereafter, make a determination and advise the employee and the Union of the decision.

23-1.2 Step 2. If the grievance is not satisfactorily adjusted at Step 1, an employee or the
employee's Union representative may present the matter to the employee's department head
within five (5) days after notification of the decision provided in Step 1, by filing
with the employee's department head a written notice of the specified grievance on the
current official form provided for that purpose. Within fifteen (15) days after it is
presented to him/her, the department head shall make a written determination and advise
the employee and the Union of the decision.

23-1.3 Step 3. If the grievance is not satisfactorily adjusted at Step 2, an employee or the
employee's Union representative may present the matter to the Director of the Office of
Labor Relations or his designated representative, within ten (10) days after the decision
provided at Step 2, by filing a written notice of the specified grievance with such
person; and may request that a representative of the Union present the matter on the
employee's behalf. Upon receipt of such written notice, the Director of the Office of
Labor Relations or his designated representative shall, at his option, either make a
summary written determination within thirty (30) days, or he may schedule a hearing
within
three (3) days, and within ten (10) days thereafter, shall make a written determination.
The Director shall in either event, advise the employee and the Union of the decision.
Both the employee and the Director shall be entitled to no more than two (2)
postponements
each, of no more than ten (10) days each, of the time limits of this step. Default will
be granted against the party requesting more than two (2) postponements.
23-1.4 Step 4. Within fifteen (15) days after notification of the decision reached at Step 3, an employee may proceed to an advisory appeal to either:

(a) The Nassau County Grievance Board in accordance with the rules and regulations of such Board; or

(b) Advisory Grievance Arbitration, if the employee has the Union's consent to do so and pursuant to the following provisions:

The County and the Union shall mutually agree on ten (10) people to serve as a panel of arbitrators. The parties may expand and/or revise the aforementioned panel upon mutual consent. Otherwise, the ten arbitrators shall serve for the term of the Agreement, except that both the County and the Union may each remove one arbitrator over the life of the Agreement.

All of the arbitrators so selected shall be listed alphabetically except as otherwise provided in sub-part (3), below.

(2) Advisory grievance arbitrators shall be selected in alphabetical order. If the arbitrator selected advises the parties that the arbitrator is unable to hear the grievance within thirty (30) days from the date the arbitrator is notified of selection, the next arbitrator on the list shall be designated.

(3) Names of arbitrators who have served and of those who have been unable to accept
an assignment shall be moved to the bottom of the panel list.

(4) Those selected as advisory grievance arbitrators under this Agreement, shall receive a fee of seven hundred dollars ($700) per day, to include all expenses, and to be borne equally by the parties.

(5) The advisory grievance arbitrator shall issue written findings of fact and recommendation for resolving the grievance to the parties within thirty (30) days after the hearing. The arbitrator shall make no binding determination with respect to the grievance.

23-1.5 Step 5. The County Executive shall consider the Step 4 recommendation. If the County Executive takes no action on a grievance within forty-five (45) days after receiving the recommendation of the Nassau County Grievance Board or the Advisory Grievance Arbitrator, recommendations which were in favor of the aggrieved shall become binding on the County.

23-2 For the purpose of this Grievance Procedure:

(a) The parties agree that each shall exercise its best efforts to ensure the prompt scheduling and disposition of contract grievances;

(b) Failure by the County, at any step of the procedure provided herein, to communicate a decision on a grievance within the specified time limits shall permit the employee to proceed to the next step;

(c) Failure by the employee or Union at any step of this procedure to appeal a
grievance to the next step within the specified time limits shall be deemed to be a waiver of the right to appeal to the next step;

(d) Unless there is no adequate remedy at law available, neither the Union nor the grievant will initiate any action in any court which is related to any matter which is within the definition of a grievance under this Agreement, until and unless such grievance has timely proceeded through each step hereinabove set forth, and has been finally determined at Step 5.

23-3 Conference and hearings held under the procedure provided herein shall be conducted at times and places which will afford a fair and reasonable opportunity for all persons entitled to be present at such conferences or hearings. When such conferences or hearings are held during working hours, all individuals necessary for the conferences or hearings will be excused without loss of pay for the purpose of attending such conferences or hearings.

23-4 The County Executive shall notify the Union in writing two (2) weeks prior to any appointment to, or removal from, the Nassau County Grievance Board.

23-5 The parties shall establish procedures whereby a mutually-selected mediator shall meet on a monthly basis with a selected representative of the Union and the Office of Labor Relations for the purpose of discussing pending grievances and/or issues involving contract interpretation with a view towards the amicable resolution of same. The
selected grievance mediator shall receive a fee of one thousand five hundred dollars per day, to include all expenses, which shall be borne equally by the parties.

Sec. 24 IMPASSE PROCEDURES.

24-1 The parties hereto wish to avail themselves of the right to agree to their own procedures as permitted under the law and, therefore, mutually agree upon the impasse procedures set forth herein. The parties agree to share the cost of any mediators or fact-finders, chosen by mutual agreement or coin toss, to aid in resolving any impasse that may arise in future negotiations.

24-2 An impasse shall not be deemed to exist merely because the parties fail to achieve an agreement sixty (60) days prior to the statutory or ordinance deadline. The parties hereby agree to continue with the negotiations into the sixty (60) day period before the statutory or ordinance deadlines. If one of the parties believes an impasse has occurred, it shall request the other to join in choosing a mediator by mutual agreement.

24-3 If the parties cannot agree on a mediator within two (2) days after such request, then, upon notification by either party, the PERB shall submit to the parties a list of seven (7) persons who are residents of the County. The parties shall determine, by tossing of a coin, who shall have the right to remove the first name from such list and the parties shall alternately remove names from such list until one (1) name is left.
This remaining person shall be the Mediator.

24-4 If the Mediator does not effect a settlement within ten (10) days of the Mediator's appointment, the dispute shall be submitted to a fact-finding board of three (3) members. One (1) member shall be chosen by the County, one (1) member by the Union and one (1) member by mutual agreement of the first two (2) fact-finders chosen. If the first two (2) cannot mutually agree upon the third fact-finder within three (3) days after their selection, then the PERB shall submit to these two (2) members a list of seven (7) qualified persons who are County residents, and the two (2) members shall, by the toss of a coin, determine who shall remove the first name from the list, and the parties shall alternately remove names from such list until one (1) name is left. Such last remaining named person shall be the third member and chairman of the Fact-Finding Board.

24-5 If the dispute is not resolved at least fifteen (15) days prior to the statutory or ordinance deadline, the Fact-Finding Board, acting by a majority of its members shall, before the third Monday in November, transmit its findings of fact and recommendations for resolving the dispute to the County Executive and to the Union President, and shall simultaneously make public such findings and recommendations.

24-6 The foregoing provisions may be changed by mutual agreement between the parties.

provided in Section 10 of this Agreement. This increment places the employee in Step 7.
A sixth increment is paid to any employee in Plan B who has served in the employee's grade

compensatory day to be taken within one year after the holiday in question.

Such compensatory day shall be granted in the same manner as vacation time.

(c) In the absence of the designation of a compensatory day off by the County Executive, and where the employee does not work on the holiday, the employee shall receive a compensatory day to be taken within one year after the holiday in question. Such compensatory day shall be granted in the same manner as vacation time.

27-4 When one of the holidays falls on an employee's regularly scheduled workday and said employee is not scheduled to work and does not work, the employee shall receive no compensation other than the employee's regular week's pay.

37-5.2 The County shall pay up to, but not more than one hundred, fifteen ($115.00) dollars towards an optical plan for all eligible full-time employees in the CSEA negotiating unit and for all employees retiring from the CSEA negotiating unit on or after January 1, 1999. The optical plan provision for such retiring employees shall be sunset on December 31, 2002 unless otherwise negotiated by the parties.

37-5.3 Nothing herein shall be construed to confer any obligation by the County to pay premiums for any optical plan for any employee who retired prior to January 1, 1999, or for more than one negotiating unit employee or retiree per covered family.

37-5.4 The County reserves the right, at any time, to change optical plan providers so long as
there is no decrease in the benefit levels. Before making such change, the County shall notify and accept comments from the Union.

37-5.5 In the event that another bargaining unit of County employees receives more, or additional, optical benefits in 1996 or 1997, the CSEA shall be permitted to reopen negotiations with respect to such optical coverage.

F. COBRA.

37-6 To the extent required by law, the various features of the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) are available to affected employees, spouses, former spouses and/or their dependents as the same are defined in the Act and implementing regulations. Affected employees, spouses, former spouses and/or their dependents are entitled to continue group health, dental and optical insurance coverage upon payment of the premiums for such coverage and the maximum administrative cost in accordance with the terms and provisions of COBRA and implementing regulations.

Sec. 38 UNEMPLOYMENT INSURANCE.

The County shall continue to provide employees with New York State unemployment insurance coverage.
Sec. 39 WORKERS' COMPENSATION.

39-1 In case of injury to an employee covered by this Agreement for which Workers' Compensation benefits are paid, a copy of the decision of the Workers' Compensation Board shall be sent to the department head by the Office of the County Attorney. When the County receives a credit for either a pro-rata or full amount of the compensation paid to the employee, or former employee, covering such employee's period of disability, the employee, or former employee, shall be recredited with leave in proportion to the amount credited to the County. Leave recredited to a former employee after the employee's termination shall be subject to the provisions of this Agreement concerning accumulated vacation time and sick leave for termination purposes.

39-2 In the case of injury to an employee resulting from the direct actions of another individual for which Workers' Compensation benefits are paid, the employee shall receive full pay for a maximum of six (6) months commencing on the eleventh day from the date of such injury (except that, employees who are assigned to the Probation Department's Warrant Squad shall receive such full pay from the first day of injury). The foregoing provision shall not apply in the case of an injury caused by another County employee or an authorized passenger who is not a County employee or if the injury is caused by an automobile while the injured employee was a pedestrian.
39-3 Any employee who is both away from work and is receiving any Workers' Compensation benefits by virtue of employment with the County, shall receive paid coverage under the health, dental and optical benefit plans currently in effect, provided, however, that such benefits shall be maintained only for a period of one (1) year after the Workers' Compensation benefits have commenced. Such benefits shall be at County expense, and only on behalf of eligible employees. No duplication of such benefits shall occur.

39-4 Employees on Workers' Compensation for a period up to and including one (1) year from the time compensation benefits commenced shall not suffer any loss of seniority for purposes of layoffs or purposes of increments.

39-5.1 In addition to the foregoing, employees including but not limited to Deputy Sheriffs, Correction Personnel and employees assigned to the Nassau County Juvenile Detention Center shall receive additional leave for all days that such individuals are unable to work because of an injury inflicted directly upon them by a prisoner, including a detainee, provided that said prisoner/detainee-inflicted injury was the sole cause of the inability of such employee to perform the employee's duty as an employee of the County.

39-5.2 An employee claiming such additional leave shall be required to furnish whatever proof
may be requested by the department head and shall submit to a physical examination by
any physician selected by the County in order to verify said injury and the actual
cause thereof.

75-g of the Retirement and Social Security Law (the so-named "25 year - Age 55 Half-Pay Plan"), shall elect the additional benefits of the "Improved Career Retirement Plan" provided in Section 75-i of the Retirement and Social Security Law in place and instead of Section 75-g for those employees of the County who are employed by the County on or before June 30, 1973, to be effective beginning January 1, 1974.

40-2 Employees of the County who commenced employment on or after July 1, 1973 shall not receive the benefits provided by Sections 75-g or 75-i of the Retirement and Social Security Law. As provided in Article 11 of Chapter 382 of the Laws of 1973, all and any employees of the County who were not employees prior to July 1, 1973, and who commenced employment on or after July 1, 1973, and who join or rejoin the New York State Employee Retirement System, shall be afforded the opportunity to join the retirement plan provided for in Article 11 of such law, subject to all limitations and options either contained in said law or which may be enacted under the Laws of New York State or the Laws of the United States.

job, the estate of an employee shall receive the sum of ten thousand ($10,000) dollars
in addition to other normally due entitlements. However, if the employee has filed a
designation of beneficiary with contingent beneficiary for the New York State Retirement
System, such sum shall be paid to the proper beneficiary named therein.

shall be paid in cash, at the daily rate of pay for such employee, for all compensatory

No spouse shall be eligible to receive this benefit from the County for the employee's health insurance premiums if the employee is within the coverage of any similar plan held by some other individual or company and the person can voluntarily withdraw the employee's inclusion in a County plan.

41-4.2 Effective 1/1/00, the County shall pay the full cost of the County's health programs' insurance premiums for the eligible spouse and/or dependents of any County employee who dies while in active County service, for one year after death.

42-3 MAXIMUM ACCUMULATION OF VACATION TIME

(a) The maximum vacation time which may be accumulated by an employee is eighty (80) days. Effective 1/1/99, the maximum vacation time which may be accumulated shall be 90 days.

(b) For the purpose of the maximum vacation accumulation, the number of days shall be determined once a year as of the day immediately preceding the employee's anniversary date so that each employee will have the period of one year to use
all days in excess of the maximum days.

(c) Effective 1/1/99, and notwithstanding the foregoing ninety (90) day vacation limitation, an employee may continue to accumulate vacation days in excess of said maximum accumulation with such days to be utilized in the instance where such employee has experienced a catastrophic illness or injury and who has used all vacation time, sick leave, personal leave and any compensatory time and has no regular leave entitlement available and, in such instance, employee shall be able to utilize such excess leave as a consequence of such catastrophic illness or injury and such illness or injury shall be certified by a doctor.

(d) Effective 1/1/99, in the event an employee has less than ninety (90) days of such vacation leave to be utilized in the computation of termination pay, as the same is provided in §42-10 of this Agreement, but has had vacation leave in excess of the then applicable maximum limits transferred, from time to time, to such catastrophic leave accumulation described in the subdivision (c) above, then said employee may utilize such vacation leave so transferred up to the ninety (90) day limit herein provided.

42-4 GRANTING OF, OR CHARGING TO, VACATION TIME.

(a) Vacation time may be granted in consecutive days, single days, or minimum units of one-quarter (1/4) days. However, vacation time shall be granted only in accordance with the administrative needs of the department.
(b) An employee who has accumulated the maximum vacation time and is prevented by the administrative needs of the department from using the employee's yearly vacation entitlements, as accrued prior to the employee's anniversary date, shall be paid straight time for the vacation time over the maximum so lost, and in addition, straight time for the time worked.

(c) Any employee who has exhausted all of the employee's sick leave and who is absent due to illness may elect to use vacation leave, personal leave and compensatory time before being placed in a "leave without pay" status.

(d) Tardiness. For absence due to tardiness, a department head shall accumulate such tardiness and shall charge such tardiness against vacation leave, sick leave, personal leave, or compensatory time, in that order, in increments of one-quarter (1/4) days. Such accumulations shall be for a period of not more than one year.

42-5 SICK LEAVE

(a) Basic Sick Leave. An employee shall earn sick leave at the rate of one-half (1/2) day per bi-weekly pay period of service, but not to exceed ten (10) days in each of the first three (3) years of actual completed service.

(b) Upon completion of three (3) years of actual completed service, employees shall earn sick leave at a rate of one-half day per bi-weekly pay period of service. The maximum sick leave which may be accumulated by an employee is one hundred and ninety (190) days. Effective 1/1/99, the maximum sick leave which may be
accumulated by an employee is two hundred (200) days.

(c) SICK LEAVE ABUSE (EFFECTIVE JANUARY 1, 1995)

(1) If an employee utilizes sick leave abusively (Example: inadequately justified, excessive and/or patterned absence), the employee shall be ineligible for voluntary overtime until he or she completes three (3) pay periods without utilizing sick leave.

(2) In addition, if an employee has a "no pay day" within a pay period, the employee shall be ineligible for voluntary overtime for the balance of the pay period, and the following pay period.

(3) If an employee feels aggrieved by implementation of this provision, the employee shall complain to the union which shall promptly meet with the Office of Labor Relations in an effort to resolve the matter.

(4) It is not the intent of this paragraph to deny voluntary overtime opportunities as a result of absence due to legitimate illness or on-the-job injury.

(5) Ineligibility shall not establish, in and of itself, grounds for discipline. Discipline shall be determined as set forth by the provisions of Section 10 herein.

42-6 (Intentionally Omitted)

42-7 EXCESS SICK LEAVE ACCRUAL
a) Notwithstanding the foregoing maximum sick leave limitation, an employee may continue to accumulate sick days in excess of the said maximum accumulation with such days to be utilized only in the instance where such employee has sustained a catastrophic illness or injury and who has used all vacation time, sick leave, personal leave and any compensatory time standing to the employee's credit and has no regular leave entitlement available and, in such instance, such employee shall be able to utilize such excess leave as a consequence of such catastrophic illness or injury and such illness or injury shall be certified to by a doctor.

b) Effective January 1, 1999, in the event an employee has less than the maximum sick days to be utilized in any compensation for termination pay purposes as provided in Section 42-10 of this agreement, but has had sick leave in excess of the applicable maximum limits transferred, from time to time, to such catastrophic leave accumulation described in subsection (a) above, then said employee may utilize such sick leave so transferred up to the maximum day limitation herein provided.

42-8 CHARGES AGAINST SICK LEAVE

(a) The minimum charge against sick leave shall be one-quarter (1/4) day.

(b) Any employee who has exhausted all the employee's sick leave and who is absent due to illness may elect to use vacation leave, personal leave and compensatory time before being placed in a "leave without pay" status.
42-8.1 Sick Leave may be used for personal illness, pregnancy, medical, dental or optometrical examination. Sick Leave shall not be used as additional vacation or personal leave.

42-8.2

A.1) When an employee is absent on sick leave for three or more consecutive work days that employee shall be required to furnish a physician's certificate before being permitted to return to work. This requirement may be waived by the Department Head or his or her designee for good cause (e.g., in circumstances where the employee's medical condition is known to the Department Head or designee and/or when visiting a medical professional would delay the employee's ability to return to work.) Such physician's certificate shall certify that the employee was seen by a medical professional and shall include the general nature of the employee's illness, that the employee may return to work and perform regular duties and that the employee will not jeopardize the health or safety of other employees by returning to work.

2) If an employee feels aggrieved by a Department Head's failure to waive, the employee shall complain to the union, which shall promptly meet with the Office of Labor Relations in an effort to resolve the matter. The determination of the Office of Labor Relations shall not be grievable.

B.1) If an employee uses sick leave in a way which reasonably suggests that it is unacceptable (example: inadequately justified, excessive and/or patterned
absence) the employee may be placed on the "Medical Review List" and thereafter (for future absences) may be required by the Department Head to furnish a medical certificate before returning to work regardless of the duration of the absence. If the employee fails or refuses to supply a medical certificate the employee shall be listed as absent without pay for the day or days in question. An employee who is placed on the Medical Review List shall have five (5) days to appeal such designation and such appeal shall be heard by an arbitrator within thirty (30) days. Employees shall remain on the list for a minimum of one (1) year. If an employee has acceptable attendance during this one-year period, he/she shall be removed from the List at the end of one year. If not removed by the Department after such year, the employee may appeal to the arbitrator to be removed from the List. Such appeal shall be heard by the arbitrator within thirty (30) days. During pendency of the appeal(s) the employee will be required to furnish a medical certificate for all absences.

2) An employee who has been removed from the list by the arbitrator may not be returned to the List sooner than ninety (90) days unless ordered by the arbitrator.

42-8.3 An employee absent on sick leave shall notify the supervisor on duty of such absence,

the reason therefore, and the length of such absence, at least one (1) hour before the start of the shift on which such employee will be absent. Where such notification is not practicable because the employee's department is not open one (1) hour before the
start of the work day, the employee shall notify the employee's supervisor at the
beginning of the first shift/day of such absence. If the employee will be absent for a
longer period than originally indicated, the employee shall so notify the employee's
supervisor via the procedures hereinabove described.

If such notification is not given, the department may deem the employee to be absent
without pay, except when such notification is not made because of emergency conditions.

42-8.4 When an employee's service is terminated, other than for cause, and such
employee is
subsequently re-employed within one (1) year after such termination, all unused
accumulated sick leave not used in the computation of a cash payment at the time of the
employee's termination, shall be restored.

42-9 SUPPLEMENTAL LEAVE AT HALF PAY / DONATION OF TIME

42-9.1 Supplemental Leave at Half Pay shall be granted, at the request of the employee
and in
the discretion of a department head, which discretion shall be based on the employee's
job performance, past attendance record including previous use of sick leave and the
department's need to fill the position, to an employee who has used up all the employee's
sick leave, vacation time, personal leave and compensatory time, and is still too ill or
disabled to work (including illness or disability due to pregnancy and/or childbirth),
as evidenced by a certificate of a doctor.
42-9.2 An employee granted supplemental leave at half pay shall receive one-half (1/2) the pay the employee would have received had the employee continued to serve in the position the employee had at the time such leave was authorized.

42-9.3 The amount of supplemental leave at half pay shall not exceed a period equal to two (2) bi-weekly pay periods for each year of actual completed service.

42-9.4 In addition, in cases of catastrophic illness, the department head may elect to extend supplemental leave at half pay for additional consecutive periods, each up to a maximum of six (6) calendar months. The department head's decision shall not be challenged.

42-9.5 Donation of Time.

At the discretion of a department head, employees may volunteer to transfer vacation leave, sick leave, personal leave, compensatory time or catastrophic sick leave accrual, in order to provide leave benefits to any County employee who has exhausted all leave entitlements, and has been deemed to be in an extreme "hardship" situation as certified by such employee's physician. Any such leave which is transferred but not utilized by said employee shall be returned to the employee who voluntarily initiated the transfer. During the course of use of this transferred leave time, the employee who received the
transferred leave shall not accrue leave benefits until said employee returns to duty.

42-10 TERMINATION PAY.

42-10.1 Unless discharged for cause, upon termination of service, including death, an employee or estate, shall be entitled to receive cash payment for accumulated leave to be computed by adding:

(a) The number of unused vacation days not to exceed the maximum accumulation of days; plus

(b) Compensatory time earned pursuant to §27-12 and/or §28-2.2 and not used by the employee before separation from service; plus

(c) 1. For employees with less than ten (10) years of actual completed service, 50% of the number of unused sick leave days; or

2. For employees with ten (10) or more years of actual completed service, 100% of unused sick leave days not to exceed the maximum accumulation of days.

In the event legislation is passed providing for an Early Retirement Incentive Program and an employee participates in such a program, the employee shall receive unused sick leave termination monies pursuant to the following formula:

For employees with less than sixteen (16) years of actual completed service, 50% of the number of unused sick leave days; and for employees with sixteen or more years of actual service, 50% plus 2% per year of actual completed service greater than fifteen (15) years to a maximum of 80% of the number of unused sick
leave days.

(d) All termination monies shall be paid by the County in three (3) equal installments of accumulated days, the first such installment of days to be payable in the first January following separation from service; the second payable in the second January following separation from service; and the final installment in the third January following separation from service. Payments shall be made for such days at the rate of pay applicable to the value of such number of days as are being paid at each installment, based on the value of such days as of the date of separation from County service increased thereafter to the date of payment by the cumulative applicable base wage increase contained in the collective bargaining agreement. (Notwithstanding the foregoing, the County may determine to pay severance checks of $5,000.00 or less in a single initial installment).

42-10.2 Where termination takes place on a date other than the employee's anniversary date, then

in computing the number of vacation days accumulated, the employee shall receive credit for a pro-rated number of the additional vacation days the employee would have received on the employee's next anniversary date.

42-11 PERSONAL LEAVE.
Each employee shall receive annualized personal leave days, to be credited on the anniversary date of their employment, as follows:

<table>
<thead>
<tr>
<th>Actual Completed Service</th>
<th>Number of Personal Days to be Credited</th>
</tr>
</thead>
<tbody>
<tr>

42-11.1 Minimum charge against personal leave shall be one-quarter (1/4) day.

42-11.2 Personal leave may be used only for religious observance, (to be granted on the days and hours required insofar as the proper conduct of government functions are not unduly interfered with) personal business, or personal emergencies.

42-ll.3 An employee must request personal leave at least seven (7) workdays in advance. Such personal leave shall be granted (except in case of a departmental emergency). Leave shall be presumed granted if not denied within two (2) workdays after the request.

42-11.4 An employee may request personal leave less than seven (7) workdays in advance. Such
leave shall then be granted (except in case of a departmental emergency) only upon the employee demonstrating good cause for the failure to request the personal leave at least seven (7) workdays in advance.

42-11.5 Personal leave which is unused at the end of an employee's anniversary year, shall be converted and added to vacation leave for the next ensuing anniversary year.

42-11.6 In the event of completion of an anniversary year during which an employee used no sick leave and has a full personal leave day remaining in that year, two (2) days shall be added to the personal leave in the next subsequent anniversary year.

42-12 AUTHORIZED ABSENCE WITH PAY.

42-12.1 An employee may be excused in the discretion of the department head, without charge to vacation time, sick leave, personal leave or any other leave, upon submission of satisfactory evidence to the department head of one of the following reasons:

of the General Municipal Law and Section 22-2.3 of the Nassau County Administrative Code.

(g) Absence by a unit president to engage in the County-wide negotiation, and/or the employee's departmental administration, of the Collective Bargaining Agreement, up to a combined total maximum (of all unit presidents) of one (1) business day per week per one thousand (1,000) full-time bargaining unit personnel. Such time shall be requested by the President of Nassau Local 830 on behalf of the unit president.

(3) Said compensatory time shall be granted on January 1 of each calendar year and shall not be accumulative from year to year.

(i) Absence for an employee to attend a scheduled prostate examination sponsored by the Nassau County Medical Center. Such employee shall be granted excused leave
without loss of time or pay for travel and examination only.

(j) Absence for an employee to attend a scheduled mammography examination sponsored by the Nassau County Medical Center. Such employee shall be granted excused leave without loss of time or pay for travel and examination only.

42-12.3 Each employee shall be granted a maximum of three (3) days leave, without loss of pay, to be used for continuing education as mandated for State certification or professional licenses for continued County employment.

42-12.4 JURY DUTY LEAVE.

(a) Jury Duty and all court time on County business shall be paid on the basis of a regular shift of work.

(b) The County shall, at the request of the employee, alter an employee's work schedule so that it will coincide with the employee's jury duty obligation.
(c) For the purposes of this Section, there shall be no obligation on the part of a
department head to grant authorized absence for jury duty unless official

Effective 1/1/99, all maintenance personnel who perform work at the prison ward at the medical center shall also be entitled to the

general base wage increase negotiated by the parties.

49-6 Effective 4/13/99, the previously non-unionized employees who have been added
to the
CSEA bargaining unit by Nassau County PERB shall be placed on the salary step which

Proposal of December, 1998, for illustrative examples.) The union and the County shall
continue to discuss/negotiate (without impasse resolution procedures) any additional
salary changes sought by the union for this group.

49-7 The County and the CSEA recognize that, by separate agreement, it is
contemplated that
the Nassau Health Care Corporation (NHCC) will purchase certain health related
facilities
from the County and that substantially all County employees now employed at such
facilities will continue to be employed at the same facilities following the purchase.
All employees hired after the transfer of operations to the NHCC shall receive the full benefits of this collective bargaining agreement, excepting that said employees shall be subject to a further reduction of ten (10%) percent after applying said benefits. The intent of this provision is to reduce the cost to the NHCC for each new employee by ten (10%) percent relative to the cost of each new employee under this (or the then applicable) collective bargaining agreement. Said ten percent reduction shall be for a period of five years only from the date of hire of said employee after which the employee shall prospectively enjoy the full benefits of the applicable collective bargaining agreement. Said reduction shall be retroactive to September 29, 1999. This ten percent reduction shall not apply to residential doctors.

The parties to this agreement shall endeavor to reach agreement on how to effectuate the reduced costs of each employee. If the parties fail to reach an agreement, the parties agree that the ten percent reduction shall be implemented by arbitration and the parties further agree that the mediator to this successor agreement, having full understanding and intent of this provision, shall be the binding arbitrator. The arbitration process shall be immediately initiated upon request by either party.

This agreement contemplates that transfer from the County payroll to the NHCC payroll, on the transfer date of the facilities to the Public Benefit Corporation, will not be deemed a separation from or break in service for any collective bargaining agreement purpose.
Sec. 50 CORRECTIONAL CENTER

50-1 Effective January 1, 1995, members of the Correctional Center's "CERT Team" shall receive an additional stipend of FIFTY dollars ($50.00) per shift for each occasion on which they are actually activated to respond to an actual emergency (i.e., riot, escape, and/or inmate insurrection).

50-2 Correction Officers assigned to the closed Psychiatric Ward and/or to the Prison Ward at the NCMC during times that there are court-ordered inmates under psychiatric care are being held therein shall be entitled to the compensation of Section 49-5.

50-3 All employees with Correctional Center, or Deputy Sheriff titles shall receive an annual equipment allowance of five hundred and twenty-five dollars ($525.00) payable in one lump sum on or about December 1 of each year.

50-4 Bullet-proof vests shall be made available to members of the Transportation Unit, and to others as needed.

Sec. 51 SECURITY GUARDS.
The County shall distribute the aggregate sum of up to ten thousand dollars ($10,000.00) annually upon each November 1st, as directed by the CSEA President, to security guard personnel for the purpose of reimbursing such personnel for expenses directly incurred to ensure required compliance with the Security Guard Act of 1993.

Sec. 52 HOLD HARMLESS.

The County, at its own cost and expense, shall defend every employee who is made a party defendant to a lawsuit arising out of an event which took place while the said employee was acting within the scope of the employee's employment, and shall hold the said employee harmless from any and all loss or damage occasioned by such lawsuit, except to the extent that said employee is otherwise covered by the employee's own insurance.

Sec. 53 LEGALITY.

Notwithstanding anything to the contrary contained herein, if one or more of the provisions of this contract are found to be illegal, all other provisions are to remain in full force and effect. The provision or provisions found to be illegal are to be replaced by provisions of the last prior contract, if any such provision was in
existence.

Sec. 54 DEFERRED COMPENSATION.

All employees covered by this Agreement are hereby eligible to participate in any such Deferred Compensation Plan as the County may arrange to provide pursuant to Section 5 of the New York State Finance Law.

Sec. 55 FLEXIBLE BENEFITS.

For all employees covered by this Agreement who are eligible for participation under the County's Flexible Benefits Plan previously established under IRS Sec. 125, the County may continue to provide such plan (or one comparable thereto). The County may unilaterally discontinue such plan upon thirty (30) day's written notice to the Union.

Sec. 56 DRUG AND ALCOHOL TESTING (EFFECTIVE 1/1/95)

A. The County may require an employee to immediately submit to a urine and/or blood test where there is reasonable, individualized suspicion of improper drug or
alcohol use. Upon request, the County shall provide an employee who is ordered to submit to any such test with a written statement of the basis for the County's reasonable suspicion within seventy-two (72) hours of the request. Prior to ordering any such testing, the County shall provide the Union with reasonable notice of such order, and, wherever practicable, an opportunity to consult with the employee prior thereto.

B. The County shall use either a hospital, or accredited testing lab, as chosen by the County, for such testing. Additionally, the County shall be responsible for maintaining the identity and integrity of the sample. The passing of urine will not be directly witnessed by an opposite-sex member. Any and all such witnessing shall be done by a party who is the same gender as the employee being tested. Any test showing a positive result will be confirmed by the gas chromatography/mass spectrometry (GC/MS) or any other similarly recognized method before any administrative action is commenced.

1. Upon request, the County shall provide an employee with a copy of any test results which the County receives with respect to such employee along with such other information as is required to assure the tests were properly conducted.

2. A portion of the test sample, if positive, shall be retained by the hospital/accredited testing lab for fourteen (14) days so that the
employee may arrange for another confirmatory test (GC/MS) to be conducted by a laboratory and/or hospital certified by the State of New York to perform drug and/or alcohol testing of the employee's choosing and at the employee's own expense. The Union will be advised of passed or failed tests to the extent that the releasing of such data is not inconsistent with Federal or State Laws regarding the privacy of said test or if the individual involved does not want this test released to the Union.

C. Use of illegal drugs or alcohol or abuse of prescribed drugs, at any time, or refusal to submit to such testing shall be cause for discipline, including termination, subject to the relevant grievance procedures set forth in Section 10 of this Agreement. All issues relating to the drug and alcohol testing process (i.e., whether there is reasonable suspicion, whether a proper chain of custody has been maintained, et cetera) shall be subject to the grievance procedures of this Agreement.

D. While the "reasonable suspicion" standard does not lend itself to precise definition or mechanical application, vague or unparticularized or unspecified or rudimentary hunches or intuitive feelings do not meet the standard.

I. Reasonable suspicion is the quantum of knowledge sufficient to induce an ordinarily prudent and cautious person to act under the circumstances.
Reasonable suspicion must be directed at a specified person and be based on specific and articulable facts and the logical inferences and deductions that can be drawn from those facts.

2. Reasonable suspicion may be based upon, among other matters: observable phenomena, such as direct observation of use and/or the physical symptoms of using or being under the influence of illegal controlled substances such as, but not limited to, slurred speech; disorientation; a pattern of abnormal conduct or erratic behavior; conduct or behavior which warrants employer inquiry because of a direct bearing of the mental faculties of the employee on the health and safety of others; action(s) inconsistent with normal conduct or behavior; or information provided either by reliable and credible sources or which is independently corroborated.

E. This provision shall not impair the right of the County to require medical and/or drug testing of employees as permitted or required by State or Federal Law or regulation.

F. Counseling services are available through the County's Employee Assistance Program to employees and their families upon request. Such services are confidential.
