ARTICLE I - REPRESENTATION

- 1. This Memorandum of Understanding (hereinafter "Agreement") is entered into by the City and County of San Francisco (hereinafter "City") through its designated representative acting on behalf of the Board of Supervisors and the Painters Local #4, District Council No. 8 (hereinafter "Union").

I.A. RECOGNITION

- 2. The Union is recognized as the employee representative for bargaining unit 1-S. That unit consists of the following classes:

7242	Painter Supervisor I - Unit 1-S
7278	Painter Supervisor II - Unit 1-S
7346	Painter - Unit 1-S

I.B. INTENT

- 3. This Agreement shall not be binding or effective until it has been formally approved and adopted by the City in accordance with provisions and procedures of the Charter applicable thereto. Moreover, it is the intent of the Mayor, acting on behalf of the City, to make a binding agreement only on those matters within the scope of representation to which the parties have expressly agreed and as are within the Mayor's jurisdiction, powers and authorities. The Mayor does not intend or attempt to bind any board, commission or officer to any provision of this agreement over which the Mayor does not have authority or jurisdiction.

I.C. NO STRIKE PROVISION

- 4. The City will not lock out the employees who are covered by this agreement. The Union and the employees shall not strike, cause, encourage or condone work stoppages, or organized, nor shall the Union or any person covered hereunder honor any picket line of any group of City employees who are obliged under a contractual no strike provision or any provision of the City Charter to refrain from strikes, slowdowns, or work stoppages against the City and County of San Francisco.

I.D. OBJECTIVE OF THE CITY

- 5. It is agreed that the delivery of municipal services in the most efficient, effective, and courteous manner is of paramount importance to the City and its employees. Such achievement is recognized to be a mutual obligation of the parties to this Agreement

Memorandum of Understanding/July 1,2001 – June 30, 2003
City and County of San Francisco
Painters District Council 8 for Local 4

within their respective roles and responsibilities.

6. The Union recognizes the City's right to establish and/or revise performance levels standards or norms notwithstanding the existence of prior performance levels, norms or standards. Such standards, developed by usual work measurement procedures, may be used to determine acceptable performance levels, prepare work schedules, and to measure the performance of each employee or group of employees. City shall not require unfair production quotas.
7. Employees who work at less than acceptable levels of performance may be subject to disciplinary measures in accordance with applicable Charter provisions and rules and regulations of the Civil Service Commission.

I.E. MANAGEMENT RIGHTS

8. The Union agrees that the City has complete authority for the policies and administration of all City departments which it shall exercise under the provisions of law and in fulfilling its responsibilities under this agreement. Said authority shall include the establishment of work rules and regulations not inconsistent with the terms of this agreement. Any matter involving the management of governmental operations vested by law in the City and not covered by this agreement is in the province of the City.

I.F. UNION SECURITY

Implementation

9. Upon request of the Union, the City shall arrange for the conducting of an election on the issue of implementing an agency shop within the classifications represented by the Union and covered by this Agreement; provided that the election requirement shall be waived upon a showing that two thirds (2/3) of such employees are dues paying members of the recognized employee organization.
10. If agency shop is approved by a majority of those eligible to vote or by showing of two-thirds (2/3) membership, the City agrees to establish an agency shop for non-supervisory classes within the represented unit.

I.G. AGENCY SHOP

11. Once agency shop has been established pursuant to the implementation procedures outlined above, the following shall prevail.

1. Application

12 Except as provided otherwise herein, these provisions shall apply to all non-supervisory employees of the City in all classifications represented by the Union in representation Unit 1-S when on paid status. These provisions shall not apply to individual employees of the City in representation Unit 1 who have been properly and finally determined to be management, confidential, or supervisory employees pursuant to Section 16.208 of the Employer-Employee Relations Ordinance.

13. The Employee Relations Director shall give the Union no less than ten working days prior notice of any such proposed designation. Except when an individual employee has filed a challenge to a management, confidential, or supervisory designation, the Employee Relations Director and the Union shall meet as necessary for the purpose of attempting to make such determinations by mutual agreement. Disputes regarding such designations shall promptly be resolved pursuant to Section 16.208(b) of the Ordinance.

14. 2. Agency Shop Fee

All current and future employees of the City as described herein except as set forth below, shall, as a condition of continued employment, become and remain a member of the Union or, in lieu thereof, shall pay a service fee to the Union. Such service fee payment shall not exceed the standard initiation fee and the periodic dues of the Union. Service fees will be assessed as of the time the fees are set in accordance with applicable law, including: (1) the provision of sufficient financial information to gauge the propriety of the fees; (2) the provision of a reasonably prompt opportunity to challenge the amount of the fee before an impartial decision maker; and (3) provision for an escrow account of amounts reasonably in dispute during an appeal.

15. 3. Religious Exemptions

Any employee of the City in a classification described herein, who is a member of a bona fide religion, body or sect, which has historically held conscientious objections to joining or financially supporting a public employee organization and is recognized by the National Labor Relations Board to hold such objections to Union membership, shall, upon presentation of proof of membership and historical objection satisfactory to the City and the Union, be relieved of any obligation to pay the required service fee to the Union. In lieu thereof, the employee claiming the religious exemptions shall be required to pay a charity fee equal to the service fee to one of the following named organizations: American Cancer Society, American Heart Association and American Red Cross.

16. 4. Payroll Deductions
- The Union shall provide the Employee Relations Director and the City Controller with a current statement of membership fees. Said statement of membership fees shall be amended as necessary. The Controller may take up to 30 days to implement such changes.
17. The Controller shall make membership fee or service fee deductions, as appropriate, from the regular periodic payroll warrant of each City employee described herein.
18. Service fees from nonmembers shall be collected by payroll deduction pursuant to Administrative Code Section 16.90, provided, however, that an employee may elect to make said service fee payments personally to the Union. Failure of an employee to comply with this Section shall be grounds for termination, in accordance with applicable City procedures.
19. The Controller will promptly pay over to the Union all sums withheld for service fees, less the fee for making such deductions. The Controller shall also provide with each payment a list of the employees paying service fees. All such lists shall contain the employee's name, employee number, classification, department number, and amount deducted. A list of all employees in represented classes shall be provided to the Union quarterly, at a cost not to exceed the actual cost, as determined by the Controller.
20. Nothing in this Section shall be deemed to have altered the City's current obligation to make insurance program or political action deductions when requested by the employee.
21. 5. Revocation of the Agency Shop Fee
- The agency shop fee provision covering the bargaining unit herein may be rescinded as provided by state law. The Employee Relations Director shall consult with the Union and promulgate rules necessary for the conduct of said rescission elections.
22. 6. Financial Reporting
- The Union shall annually provide the Employee Relations Director with copies of the financial report required pursuant to the Labor-Management Disclosure Act of 1959.
23. 7. Indemnification
- The Union agrees to indemnify and hold the City harmless for any loss or damage arising from the operation of this provision.

24. 8. Hudson Compliance

The Union shall comply with the requirements set forth in Chicago Teachers Union v. Hudson, 475 U.S. 292 (1986) for the deduction of agency shop fees.

Annually, the Union shall certify in writing to the City that the Union has complied with the requirements set forth in this section and in Hudson, 475 U.S. 292.

I.H. UNION REPRESENTATIVES AND STEWARDS

25. 1. Union Representatives

The union may select as many as one employee member of such organization from the appropriate units represented by such organization, and one additional from such employee members for each 25 employees in such unit or major fraction thereof, in excess of 25 employees in such unit, to attend, during regular duty or work hours without loss of compensation, meetings scheduled with the Director of Employee Relations, the appointing officer or a board or commission when such meetings have been scheduled for the purpose of meeting and conferring on matters within the scope of representation affecting such appropriate unit, and to participate in the discussions, deliberations, and decisions at such meetings. The parties, by lot, shall alternately strike names from the list, and the name which remains shall be the arbitrator designated to hear the particular matter.
49. The parties may, by mutual agreement, agree to an alternate method of arbitrator selection and appointment, including, the expedited appointment of an arbitrator from a list provided by the State Mediation and Conciliation Service.

As a condition of appointment arbitrators shall be advised of this requirement and shall certify their willingness to abide by these time limits.
53. Any claim for monetary relief shall not extend more than twenty (20) days prior to the filing of a grievance, unless considerations of equity or bad faith justify a greater entitlement. The arbitrator shall be required to deduct from any monetary awards all income derived from any subsequent employment or unemployment compensation received by the employee.

103. h. In no event will the Human Resources Director approve a supervisory salary adjustment in excess of 2 full steps (approximately 10%) over the supervisor's current basic compensation. If in the following fiscal year a salary inequity continues to exist, the Human Resources Director may again review the circumstances and may grant an additional salary adjustment not to exceed 2 full steps (approximately 10%)
104. i. It is the responsibility of the appointing officer to immediately notify the Department of Human Resources of any change in the conditions or circumstances that were and are relevant to a request for salary adjustment under this section either acted upon by or pending.

Where the above requirements are satisfied but an employee does not receive acting assignment pay, the employee must file a grievance within thirty (30) days of written notice of the assignment. Premiums based on percent of salary shall be paid at a rate which includes the acting assignment pay.
109. 8. SKILLED NURSING FACILITY "PASS THROUGH" - In recognition of the fact that: the State of California has designated funds for the direct compensation of persons who provide health care services in Skilled Nursing Facilities; the monies involved derive directly from the State of California and not from the funds of the City and County of San Francisco; the State of California seeks to provide "pass through" compensation for health care employees who are assigned to skilled nursing facilities ("SNF") for which the City and County receives funds through the State of California pursuant to the provisions of Welfare and Institutions Code Section 14110.6; the State law requires an August 1 to July 31 window period for determining compliance with the "pass through;" and that the law requires the City to repay such monies plus a 10% penalty should the City fail to comply:

Those employees who work on a Friday which is observed as a holiday in lieu of a holiday falling on Saturday shall be allowed a day off in lieu thereof as scheduled by the appointing officer in the current fiscal year.

3. HOLIDAY COMPENSATION FOR TIME WORKED

5. HOLIDAY PAY FOR EMPLOYEES LAID OFF

129 An employee who is laid off at the close of business the day before a holiday who has worked not less than five previous consecutive work days shall be paid for the holiday.

6. EMPLOYEES NOT ELIGIBLE FOR HOLIDAY COMPENSATION

Employees (both full time and part-time) must complete six (6) months continuous service to establish initial eligibility for the floating holidays. Employees hired on an as-needed, intermittent or seasonal basis shall not receive the additional floating holidays. Floating holidays may not be carried forward from one fiscal year to the next except with the approval of the appointing officer, who shall not unreasonably withhold such approval. No compensation of any kind shall be earned or granted for floating holidays not taken.

139. a. The employee shall receive a salary step in the promotive class that is closest to an adjustment of 7.5% above the salary received in the class from which promoted. The proper step shall be determined in the bi-weekly salary grade table and shall not be above the maximum of the salary range of the promotive class.

140. b. For purpose of this Section, appointment of an employee to a position in any class with a higher salary grade shall be deemed promotive.

2. NON-PROMOTIVE APPOINTMENT

141. When an employee accepts a non-promotive appointment in a classification having the same salary grade, or a lower salary grade, the appointee shall enter the new position at that salary step which is the same as that received in the prior appointment. If the salary steps do not match, then the employee shall receive the salary step which is immediately in excess of that received in the prior appointment, provided that such salary shall not exceed the maximum of the salary grade.

3. APPOINTMENT ABOVE ENTRANCE RATE

142. Subject to the Controller's certification of available funds and procedures to be established by DHR, an Appointing Officer may make appointments at any step in the salary grade under any of the following conditions:

143. a. A former permanent City employee, following resignation with service satisfactory, is being reappointed to a permanent position in the appointee's former classification; or

144. b. Loss of compensation would result if the appointee accepts a position at the normal step; or

- 145. c. A severe, easily demonstrated and documented recruiting and retention problem exists, or
- 146. d. The appointee possesses special experience, qualifications and/or skills which, in the Appointing Officer's opinion, warrants an appointment above the entrance rate.

4. EXEMPT APPOINTIVE POSITION

147 An employee who holds an exempt appointive position whose services are terminated, through lack of funds or reduction in force, and is thereupon appointed to another exempt appointive position with the same or lesser salary grade, shall receive a salary in the second position based upon the relationship of the duties and responsibilities and length of prior continuous service as determined by the Department of Human Resources.

5. REAPPOINTMENT WITHIN SIX MONTHS

148 A permanent employee who resigns and is subsequently reappointed to a position in the same classification within six (6) months of the effective date of resignation shall be reappointed to the same salary step that the employee received at the time of resignation.

6. COMPENSATION ADJUSTMENTS

149 a. Prior Fiscal Year - When an employee promoted to a higher class during a prior fiscal year receives a lesser salary than if promoted in the same class and from the same schedule step during the current fiscal year his/her salary shall be adjusted on July 1, to the rate he/she would have received had he/she been promoted in the current fiscal year.

150 The Department of Human Resources is hereby authorized to adjust the salary and anniversary increment date of any employee promoted from one class to a higher classification who would receive a lesser salary than an employee promoted at a later date to the same classification from the same salary step in the same base class from which the promotional examination was held.

Memorandum of Understanding/July 1, 2001 – June 30, 2003
 City and County of San Francisco
 Painters District Council 8 for Local 4

higher than the salary grade of the classification to which it was formerly promotive, the Department of Human Resources shall authorize a rate of pay to an employee who was promoted from such lower class equivalent to the salary he/she would have received had he/she remained in such lower class, provided that such employee must file with the Department of Human Resources an approved request for reinstatement in accordance with the provisions of the Civil Service Commission rule governing reinstatements to the first vacancy in his/her former classification, and provided further that the increased payment shall be discontinued if the employee waives an offer to promotion from his/her current classification or refuses an exempt appointment to a higher classification. This provision shall not apply to offers of appointment which would involve a change of residence.

152 The special rate of pay herein provided shall be discontinued if the employee fails to file and compete in any promotional examination for which he/she is otherwise qualified, and which has a compensation grade higher than the protected salary of the employee.

153 c. Flat Rate Converted to Salary Range - An employee serving in a class in the prior fiscal year at a flat rate which is changed to a compensation grade number during the current fiscal year, shall be paid on the effective date of such change the step in the current salary grade closest to, but not below, the prior flat rate and shall retain the original anniversary date for future increments, when applicable.

7. COMPENSATION UPON TRANSFER OR RE-EMPLOYMENT

a. Transfer

154 An employee transferred in accordance with Civil Service Commission rules from one Department to another, but in the same classification, shall transfer at his/her current salary, and if he/she is not at the maximum salary for the class, further increments shall be allowed following the completion of the required service based upon the seniority increment anniversary date in the former Department.

b. Reemployment in Same Class Following Layoff

same class after such layoff shall be paid the salary step attained prior to layoff.

c. Reemployment in an Intermediate Class

156 An employee who has completed the probationary period in a promotive appointment that is two or more steps higher in an occupational series than the permanent position from which promoted and who is subsequently laid off and returned to a position in an intermediate ranking classification shall receive a salary based upon actual permanent service in the higher classification, unless such salary is less than the employee would have been entitled to if promoted directly to the intermediate classification. Further increments shall be based upon the increment anniversary date that would have applied in the higher classification.

157. d. An employee who has completed the probationary period in an entrance appointment who is laid off and is returned to a classification formerly held on a permanent basis shall receive a salary based upon the original appointment date in the classification to which the employee is returned. An employee who is returned to a classification not formerly held on a permanent basis shall receive a salary in accordance with III R.3(b) of this Agreement.

III.J. SENIORITY INCREMENTS

1. ENTRY AT THE FIRST STEP

158. Full-time employees shall advance to the second step upon completion of six months service and to each successive step upon completion of the one year required service.

2. ENTRY AT OTHER THAN THE FIRST STEP

159. Employees who enter a classification at a rate of pay at other than the first step shall advance one step upon completion of the one year required service. Further increment shall accrue following completion of the required service at this step and at each successive step.

3. DATE INCREMENT DUE

160. Increments shall accrue and become due and payable on the next day following completion of required service in the class, unless otherwise provided herein.

4. EXCEPTIONS

161. a. An employee shall not receive a salary adjustment based upon service as herein provided if he/she has been absent by reason of suspension or on any type of leave without pay (excluding a military, educational, or industrial accident leave) for more than one-sixth of the required service in the anniversary year, provided that such employee shall receive a salary increment when the aggregate time worked since his/her previous increment equals or exceeds the service required for the increment, and such increment date shall be his/her new anniversary date; provided that time spent on approved military leave or in an appointive or promotive position shall be counted as actual service when calculating salary increment due dates.

162. b. When records of service required for advancement in the step increments within a compensation schedule are established and maintained by electronic data processing, then the following shall apply:

163. (1) An employee at the beginning step of the compensation grade plan, unless otherwise specifically provided for in this M.O.U. Employees shall receive salary adjustments through the steps of the compensation grade plan by completion of actual paid service in total scheduled hours equivalent to one year or six months, whichever is applicable.

164. (2) Paid service for this purpose is herein defined as exclusive of any type of overtime but shall include military or educational leave without pay.

165. (3) Advancement through the increment steps of the compensation grades shall accrue and become due and payable on the next day following completion of required service in the class; provided that the above procedure for advancement to the compensation grade increment steps is modified as follows:

166. (a) An employee who during that portion of his/her anniversary is absent without pay for a period less than one-sixth of the time required to earn the next

increment will have such absence credited as if it were paid service for the purposes of calculating the date of the increment due.

167. (b) An employee who during that portion of his/her anniversary year is absent without pay for a period in excess of one-sixth of the time required to earn the next prior increment will be credited with actual paid service.

168. (4) An employee who (1) has completed probation in a permanent position, (2) is "Laid Off" from said position, (3) is immediately and continuously employed in another classification with the City either permanent or temporary, and (4) is thereafter employed in his/her permanent position without a break in service, shall, for the purposes of determining salary increments, receive credit for the time served while laid off from his/her permanent position.

III.K. WORKER'S COMPENSATION

169. An employee who is absent because of an occupational or non-occupational disability and who is receiving Temporary Disability, Vocational Rehabilitation Maintenance Allowance, State Disability Insurance, may request that the amount of disability indemnity payment be supplemented with salary to be charged against the employee's accumulated unused sick leave with pay credit balance at the time of disability, compensatory time off, or vacation, so as to equal the normal salary the employee would have earned for the regular work schedule. Use of compensatory time requires the employee's appointing officer's approval.

170. An employee who wishes not to supplement, or who wishes to supplement with compensatory time or vacation, must submit a written request to the appointing officer or designee within seven (7) calendar days following the first date of absence. Disability indemnity payments will be automatically supplemented with sick pay credits (if the employee has sick pay credits and is eligible to use them) to provide up to the employee's normal salary unless the employee makes an alternative election as provided in this section.

171. Employee supplementation of workers compensation payment to equal the full salary the employee would have earned for the regular work schedule in effect at the commencement of the workers compensation leave shall be drawn only from an employee's paid leave credits including vacation, sick leave balance, or other paid leave as available. An employee returning from disability leave will accrue sick leave at the regular rate and not an accelerated rate.

173 . Sick leave with pay, vacation, or compensatory time credits shall be used to supplement disability indemnity pay at the minimum rate of one (1) hour units.

Return to Work

174 . The City will make a good faith effort to return employees who have sustained an occupational injury or illness to temporary modified duty within the employee's medical restriction. Duties of the modified assignment may differ from the employee's regular job duties and/or from job duties regularly assigned to employees in the injured employee's class. Where appropriate modified duty is not available within the employee's classification, on the employee's regular shift, and in the employee's department, the employee may be temporarily assigned pursuant to this section to work in another classification, on a different shift, and /or in another department. The employee will receive the base wage rate of their regular class during the temporary assignment but not including additional compensation (premiums), out of class pay, or acting assignment pay as listed in this Agreement. The decision to provide modified duty and/or the impact of such decisions shall not be subject to grievance or arbitration. Modified duty assignments may not exceed three (3) months.

5. CONTRIBUTIONS WHILE ON UNPAID LEAVE

181. As set forth in Administrative Code section 16.701(b), covered employees who are not in active service for more than twelve (12) weeks, shall be required to pay the Health Service System for the full premium cost of membership in the Health Service System, unless the employee shall be on sick leave, workers' compensation, mandatory administrative leave, approved personal leave following family care leave, disciplinary suspensions or on a layoff holdover list where the employee verifies they have no alternative coverage..

The aforesaid contributions shall not be considered as part of an employee's compensation for the purpose of computing straight time earnings, compensation for overtime worked, premium pay, or retirement benefits, nor shall such contributions be taken into account in determining the level of any other benefit which is a function of or percentage of salary.

185. The parties acknowledge that the San Francisco Charter establishes the levels, terms and conditions of retirement benefits for members of the San Francisco Employees Retirement System (SFERS). The fact that a MOU does not specify that a certain item of compensation is excluded from retirement benefits should not be construed to mean that the item is included by the Retirement Board when calculating retirement benefits.

RETIREMENT SEMINAR RELEASE

186. Subject to development, availability and scheduling by SFERS and PERS, employees shall be allowed not more than one day during the life of this MOU to attend a pre-retirement planning seminar sponsored by SFERS or PERS.

187. Employees must provide at least two-weeks advance notice of their desire to attend a retirement planning seminar to the appropriate supervisor. An employee shall be released from work to attend the seminar unless staffing requirements or other Department exigencies require the employee's attendance at work on the day or days such seminar is scheduled. 192. Represented employees shall be granted paid release time to attend parent- teacher conferences of up to four (4) hours per fiscal year (for children in kindergarten or grades 1 to 12).
193. In addition, an employee who is a parent or who has child-rearing responsibilities (including domestic partners but excluding paid child-care workers) of one or more children in kindergarten or grades 1 to 12 shall be granted unpaid release time of up to forty (40) hours each fiscal year, not exceeding eight (8) hours in any calendar month of the fiscal year, to participate in the activities of the school of any child of the employee, providing the employee, prior to taking the time off, gives reasonable notice of the planned absence. The employee may use vacation, floating holiday hours, or compensatory time off during the planned absence.

III.R. PILOT WELLNESS INCENTIVE PROGRAM

194. The City hereby establishes a pilot "wellness incentive program" to promote workforce attendance.
195. Effective July 1, 2002, any full-time employee leaving the employment of the City upon service or disability retirement may receive payment of a portion of accrued sick leave credits at the time of separation.
196. The amount of this payment shall be equal to two-and-one-half percent (2.5%) of accrued sick leave credits at the time of separation times the number of whole years of continuous employment times an employee's salary rate, exclusive of premiums or supplements, at the time of separation. Vested sick leave credits, as set forth under Civil Service Commission Rules, shall not be included in this computation.
197. Example of Calculation
- Employee A retires with 20 years of service.
Employee A has a sick leave balance of 500 hours.
Employee A has a base salary rate of \$25.00 per hour at the time of separation.
- Wellness Incentive = 2.5% for each year of service x 20 years of service = 50%
50% x 500 hours = 250 hours.
250 hours x \$25.00 (base salary at time of separation) = \$6,250.00
198. The number of hours for which an employee may receive cash payments shall not exceed one thousand forty (1040) hours, including any vested sick leave.
199. A wellness incentive bonus payment shall not be considered as part of an employee's compensation for the purpose of computing retirement benefits.

ARTICLE IV - WORKING CONDITIONS

WORK CLOTHING

- 200 . A. The City agrees to provide up to four (4) shirts and four (4) overalls to employees in classes 7346, 7242 and 7278 during each fiscal year covered by this agreement.
- 201 . The overalls and shirts shall be the property of the City. Before a replacement for a worn out shirt or overall is authorized, the worn out garment must be returned to the department for appropriate disposal.
- 202 . B. As an alternative to providing work clothing as set forth in (A) above, individual departments may, at their discretion, and after consultation with the Union, agree to allow employees to purchase up to a value of \$130/year appropriate work clothing as determined by the department after consultation with the employee. The employee shall receive reimbursement upon presentation of purchase receipts.
- 203 . C. Employees who have elected option "B" above and who perform a work assignment which causes them to come into contact with raw sewage shall be paid a work clothing maintenance allowance of \$3.00 per day for each day during which they spend at least six (6) hours on such assignment.
- 204 . D. All eligible employees in a department must be under the same work clothing option (i.e. either A or B). For purposes of applying this subsection, both S.F. General Hospital and Laguna Honda Hospital shall be considered a department.
- 205 . E. The City agrees to provide all required safety equipment (i.e., protective eyewear, protective footwear) in compliance with Cal-OSHA regulations.

ARTICLE V - SCOPE

206 The parties recognize that recodifications may have rendered the references to specific Civil Service Rules and Charter sections contained herein, incorrect. Therefore, the parties agree that such terms will be read as if they accurately referenced the same sections in their newly codified form as of July 1, 2001.

V.A. SAVINGS CLAUSE

207 Nothing herein shall be construed to prejudice the rights of any employees, covered by the terms of this agreement, to pursue any legal remedy provided by the laws of the State of California and the United States.

208 Should any part hereof or any provision herein be declared invalid by reason of conflicting with a Charter provision or existing ordinances or resolutions which the Board of Supervisors had not agreed to alter, change or modify, or by any decree of a court, such invalidation of such part or portion of this Agreement shall not invalidate the remaining portions hereof and the remaining portions hereof shall remain in full force and effect for the duration of the Agreement.

209 It is recognized by the parties that references in this agreement to other ordinances or rules may change during the life of this agreement. If these references should change, it is mutually agreed that such changes as are necessary may be made to this Agreement only for the purpose of updating and correcting of said references.

V.B. ZIPPER CLAUSE

210 This Agreement sets forth the full and entire understanding of the parties regarding the matters herein. This Agreement may be modified, but only in writing, upon the mutual consent of the parties.

PAST PRACTICE

211. Any past practices and other understandings between the parties not expressly memorialized and incorporated into this Agreement shall no longer be enforceable.

212. Nothing in this Agreement shall alter the Civil Service Rules excluded from arbitration pursuant to Charter Section A8.409-3. In addition, such excluded Civil Service Rules

may be amended during the term of this Agreement and such changes shall not be subject to any grievance and arbitration procedure but shall be subject to meet and confer negotiations, subject to applicable law. The parties agree that, unless specifically addressed herein, those terms and conditions of employment that are currently set forth in the Civil Service Rules and the Administrative Code, are otherwise consistent with this Agreement, and are not excluded from arbitration under Charter Section A8.409-3 shall continue to apply to employees covered by this contract. No later than January 1, 1998, except that this date may be extended for up to an additional three months if requested by either party, such Civil Service Rules and Administrative Code provisions shall be appended to this Agreement and approved pursuant to the provisions of Charter Section A8.409, including submission for approval by the Board of Supervisors. As required by Charter Section A8.409-3, the Civil Service Commission retains sole authority to interpret and to administer all Civil Service Rules. Disputes between the parties regarding whether a Civil Service Rule or a component thereof is excluded from arbitration shall be submitted initially for resolution to the Civil Service Commission. All such disputes shall not be subject to the grievance and arbitration process of the Agreement. After such Civil Service rules and Administrative Code sections are appended to this Agreement, alleged violations of the appended provisions will be subject to the grievance and arbitration procedure of this Agreement.

213. The City and the individual unions agree to use all reasonable efforts to meet and confer promptly regarding proposed changes to the Civil Service Commission Rules.
