ARTICLE I – REPRESENTATION

1. This Memorandum of Understanding (hereinafter “MOU”) is entered into by the City and County of San Francisco (hereinafter “City”) through its designated representative acting on behalf of the Mayor and the California Federation of the Union of American Physicians and Dentists (hereinafter “Union”).

I.A. RECOGNITION

2. The City acknowledges that the Union has been certified by the Civil Service Commission as the recognized employee representative, pursuant to the provisions set forth in the City’s Employee Relations Ordinance for the following classifications:

2233 Supervising Physician Specialist – Unit 11-AA

I.B. INTENT

3. It is the intent of the parties signatory hereto that the provisions of this MOU shall not become binding until formally adopted or accepted by the Board of Supervisors in accordance with procedures, terms and provisions of the Charter applicable thereto. Moreover, it is the intent of the Mayor acting on behalf of the City to agree to wages, hours, and other terms and conditions of employment as are within the Mayor’s jurisdiction, powers, and authority to act as defined by the Charter, state law, California Constitution and other applicable bodies of the law. The Mayor does not intend nor attempt to bind any board, commission or officer to any provisions of this agreement over which the Mayor has no jurisdiction.

I.C. OBJECTIVE OF THE CITY

4. It is agreed that the delivery of municipal services in the most efficient, effective, and courteous manner is of paramount importance to the City and its employees. Such achievement is recognized to be a mutual obligation of the parties to this MOU within their respective roles and responsibilities. The Union recognizes the City’s right to establish and/or revise performance standards or norms notwithstanding the existence of prior performance levels, norms or standards. Such standards, developed by usual work measurement procedures, may be used to determine acceptable performance levels, prepare work schedules, and to measure the performance of each employee or group of employees. Employees who work at less than acceptable levels of performance may be subject to disciplinary measures in accordance with applicable Charter provisions and rules and regulations of the Civil Service Commission and this MOU. It is recognized that standards of performance which relate to medical practice are to be established or revised only by the medical staff as outlined in the peer review process of the Medical Staff Bylaws.
I.D. RESPONSIBILITIES OF THE CITY

5. It shall be the exclusive responsibility of the Appointing Officer to determine the mission, merit, necessity and organization of any service or activity within the Department, to set standards of service and to direct the work force in meeting those standards, as set forth in the Charter of the City and County of San Francisco, Meyers-Milias-Brown Act and various ordinances of the City and County of San Francisco. It shall be the responsibility of the Appointing Officer to determine and implement administrative policies consistent with the intent of the Charter and other appropriate Federal, State and City and County boards, commissions, and officers. The Appointing Officer shall also be responsible for taking disciplinary action, reducing the forces under his/her jurisdiction to conform to the needs of the work of the Department, and for determining the methods, means and personnel by which the Department’s operations are to be conducted. These rights will be exercised in accordance with the provisions of this MOU.

6. The Appointing Officer agrees to notify the Union by certified mail, return receipt requested when contracting out of an existing Department service staffed by covered employees is contemplated. However the Employer may at its sole discretion, enter into a contract, subcontract, partnership, or other business arrangement whereby one, some or all of the job functions or work presently performed under this Agreement at the Department of Public Health may be provided, in whole or in part, by another employer or entity that is not a party to this Agreement.

7. In the event an employee is laid off or terminated solely because the Employer has entered into a contract, subcontract, partnership, or other business arrangement whereby the job functions or work presently provided under this Agreement at the Department of Public Health are to be provided, in whole or in part, by another employer or entity not party to this Agreement, and the employee is not offered a position with the contractor, subcontractor, partnership, or other business arrangement, such employee shall receive severance pay in accordance with the following formula:

- Less than one (1) year of service: 0%
- One year to less than five (5) years of service: 4% of the highest annual salary within the last five (5) years.
- Five (5) years to less than ten (10) years service: 8% of the highest annual salary within the last five (5) years.
- Ten (10) years to less than twenty (20) years service: 12% of the highest annual salary within the last five (5) years.
- Twenty (20) years or more of service: 14% of the highest annual salary within the last five (5) years.
8. In the event an employee is laid off or terminated solely because the Employer has entered into a contract, subcontract, partnership, or other business arrangement whereby the job functions or work presently provided under this Agreement at the Department of Public Health are to be provided, in whole or in part by another employer or entity not party to this Agreement, and the employee is offered a position with the contractor, subcontractor, partnership, or other business arrangement, and the employee does not accept this offer of a position, such employee shall receive severance pay in accordance with the following formula:

- Less than one (1) year of service: 0%
- One (1) year to less than five (5) years of service: 2% of the highest annual salary within the last five (5) years.
- Five (5) years to less than ten (10) years service: 3% of the highest annual salary within the last five (5) years.
- Ten (10) years to less than twenty (20) years service: 4% of the highest annual salary within the last five (5) years.
- Twenty (20) years or more of service: 5% of the highest annual salary within the last five (5) years.

9. Such severance pay shall be in addition to any vacation pay, holiday pay, or other compensation which the employee has earned and is entitled to be paid under this Agreement, but which has not been paid.

10. If the Employer enters into a contract, subcontract, partnership, or other business arrangement as provided in this Section, the Employer’s sole obligation shall be as set forth in the severance pay provisions.

11. The employer may at its discretion consider contract services with any organization including an organization which may be formed by members covered by this Agreement.

I.E. NO STRIKE PROVISION

12. The City will not lock out the employees who are covered by this agreement. Neither the Union nor its represented employees will authorize or engage in any strike, engage in, or cause, encourage or condone work stoppages, or sympathy strikes or organized slowdowns during the term of this agreement.
I.F. GRIEVANCE PROCEDURE

Introduction

13. This section is intended to establish a procedural method by which grievances, as defined herein, may be resolved in an expeditious and orderly manner.

Definition

14. A grievance is defined as and is limited to an allegation by an employee, a group of employees, or the employee organization, which is the recognized employee organization for the grievant’s classification, as to any or all of the following:

15. a. That any Department with employees represented by this MOU has failed to implement a condition of employment as specifically set forth in an existing ordinance or resolution of the Board of Supervisors, or in a then-current ratified MOU between and for the Board of Supervisors and the employee organization, which is recognized for the grievant’s classification, provided that such condition of employment is within the scope of representation as defined in California Government Section 3504 and provided further that such condition of employment is within the Charter authority of the Board of Supervisors to or Mayor to so implement.

16. b. That any Department has failed to implement a condition of employment specifically set forth in this duly executed MOU, or an allegation that a Department has misinterpreted or misapplied a written department policy, rule or regulation provided that such written policy, rule or regulation concerns a condition of employment which is within the scope of representation as defined in California Government Code Section 3504.

17. c. Any problem or question of interpretation on issues within the definitions contained above.

Exclusion of Civil Service Matters

18. The Grievance Procedure herein established shall have no application to matters within the jurisdiction of the Civil Service Commission as set forth in the City Charter or to any rules adopted by the Commission pursuant to its Charter Authorities.

Definition of Working Day

19. A working day is any period of twenty-four hours excluding Saturdays, Sundays and holidays.
Filing of Grievances

20. All grievances shall be filed and processed as follows:

Informal Discussion

21. Any employee having a grievance shall first discuss it with his/her immediate supervisor in an effort to resolve the grievance in an informal manner.

STEP ONE – Immediate Supervisor

22. If a solution to the grievance, satisfactory to the employee and the immediate supervisor, is not accomplished by informal discussion, the grievant shall have the right to consult with, and be assisted by, a representative of the grievant’s own choice in this and all succeeding steps of the Grievance Procedure. If the grievant desires to pursue the grievance further, the grievant, or the grievant’s representative, shall within five working days of the informal discussion with immediate supervisor, submit the grievance in writing to his/her immediate supervisor with copies to parties specified in the City’s official Grievance Form. The immediate supervisor shall, within five working days of receipt of the written grievance, respond in writing to the grievance with his/her decision and specifying his/her reasons for concurring with or denying the grievance.

STEP TWO – Intermediate Supervisor

23. If the decision of the immediate supervisor is unsatisfactory to the grievant, the grievant, or the grievant’s representative, shall within five working days of receipt of the immediate supervisor’s decision submit the written grievance to the intermediate supervisor. The intermediate supervisor shall, within five working days of receipt of the written grievance, respond in writing to the grievance with his/her decision and specifying his/her reasons for concurring with or denying the grievance.

STEP THREE – Appointing Officer

24. If the decision of the intermediate supervisor is unsatisfactory to the grievant, the grievant or the grievant’s representative shall, within five working days of receipt of the intermediate supervisor’s decision, submit the written grievance to the Appointing Officer. The Appointing officer shall, within five working days of receipt of the written grievance, hold a hearing on the grievance unless such hearing is waived by both parties and shall respond thereafter, in writing to the grievance with his/her decision and specifying his/her reasons for concurring with or denying the grievance.

STEP FOUR – Director, Employee Relations/Hearing Officer

25. a. If the decision of the Appointing Officer is unsatisfactory, the grievant and/or his/her representative shall, within ten working days of receipt of the Appointing Officer’s decision submit the written grievance to the Employee Relations Director so that the grievance may be heard and resolved by a hearing officer. Prior to the selection of a hearing officer,
the Employee Relations Director shall informally review the grievance and attempt to resolve the grievance to the mutual satisfaction of the grievant and the Appointing Officer. The Director, Employee Relations shall have seven (7) working days after the receipt of the written grievance in which to review and seek resolution of the grievance.

26. b. If the Director, Employee Relations is unable to informally resolve the grievance to the mutual satisfaction of the grievant and the Appointing Officer, the grievance shall be submitted to a hearing officer. The hearing officer shall be selected by mutual agreement between the grievant, or the grievant’s representative and the Appointing Officer. If the grievant, or the grievant’s representative and the Appointing Officer are unable to agree on the selection of a hearing officer, they shall jointly request the State Conciliation Service to submit a list of five (5) hearing officers who have had considerable experience as a hearing officer in public employment disputes. The grievant, or the grievant’s representative and the Appointing Officer shall then alternately delete names from such list until only one (1) name remains; and that person shall serve as the hearing officer. Whether the employee, or his/her representative and the Appointing Officer deletes the first name in the alternating process of deleting names, shall be determined by lot.

27. c. Except when a statement of facts mutually agreeable to the grievant and the Appointing Officer is submitted to the hearing officer, it shall be the duty of the hearing officer to hear and consider facts submitted by the parties.

28. d. It shall be the duty of the hearing officer to hold said hearing within fifteen (15) calendar days of written acceptance of appointment as the hearing officer.

29. e. After said hearing, or review of mutually agreeable statement of facts, it shall be the duty of the hearing officer to render a written decision, including written finding of fact(s) upon which the decision is based, to the parties.

30. f. The decision of the hearing officer shall be final and binding upon the grievant and the Appointing Officer.

31. g. The hearing officer’s authority pursuant to the provisions of this Grievance Procedure shall be limited to a decision, based on submitted facts and applicable law, of whether or not the Department has improperly acted or failed to act as provided in paragraphs 14-17 hereinabove. Further, the hearing officer shall have no power to amend or to recommend an amendment of a Board of Supervisor’s ratified MOU, ordinance or resolution or a written departmental policy, rule, regulation or this duly executed departmental MOU.
32. h. Each party (employee, group of employees, or employee organization and the Appointing Officer) to a hearing before a hearing officer shall bear its own expenses in connection therewith. All fees and expenses of the hearing officer, and a reporter, if any, shall be borne and paid in full by the losing party. In the event that the hearing officer renders a compromise decision, the party or parties who shall pay the fees and expenses of the hearing officer, and a reporter, if any, shall be determined on a proportional basis by the hearing officer.

The Effect of Failure of Timely Action

33. Failure of the grievant to submit an appeal within the required time limit at any step, or for informal discussion, shall constitute an abandonment of the grievance. Failure of the Department to respond within the time limit in any step shall result in an automatic advance of the grievance to the next step.

Timeliness of the Grievance

34. A grievance filed pursuant to Section I.F. paragraph 15, hereinabove shall be raised with the immediate supervisor within forty-five (45) calendar days from the date on which the Department has allegedly failed to implement a condition of employment, or within forty-five (45) calendar days from the time the grievant might reasonably have been expected to have learned of such alleged failure to implement a condition of employment. In no event shall any grievance include a claim for money relief for more than forty-five (45) calendar days plus such forty-five (45) calendar day reasonable discovery period.

35. A grievance filed pursuant to Section I.F. paragraph 16, hereinabove shall be raised within ten (10) calendar days of its being known or within ten (10) calendar days of when the grievant might reasonably have been expected to have learned of the grounds for the grievance.

36. A grievance filed pursuant to Section I.F. paragraph 17, hereinabove shall be submitted within the same time limits set forth in paragraphs 15 and 16, as appropriate to the subject matter of the question of interpretation. Time limits established herein may be extended by written mutual agreement between the parties.

37. The grievance may be advanced to a higher step or returned to a lower step of the procedure by written mutual agreement between the parties.

38. This procedure is the sole procedure for resolution of grievances as defined herein during the life of the MOU.
Rights of the Employee Organization Recognized to Represent the Grievant’s Classification.

39. An employee may pursue a grievance under this procedure with the assistance of his/her recognized employee organization or said employee may represent himself/herself with the assistance, if the employee so elects, of counsel or other representative. As used herein, counsel or other representative shall not include any other employee organization or the representative(s) or employee(s) of any other employee organization.

40. In those grievances in which the employee represents himself/herself, or arranges for representation by other than the recognized employee organization as set forth above, the Department shall make no resolution or award which shall be inconsistent with the terms and conditions of a ratified MOU which covers the grievant’s classification. In the event the recognized employee organization determines that such an inconsistent resolution or award has been made, the recognized employee organization, on its own behalf, may file a grievance at Step Three (3) for the purpose of amending such inconsistent resolution or award. In the event the grievant represents himself/herself, or elects a representative other than the recognized employee organization, the recognized employee organization may elect to be a full and equal party at Step Four (4) for the purpose of protecting the interest of its members in negotiated conditions of employment.

I.G. OFFICIAL REPRESENTATIVES AND STEWARDS

Representatives

41. The Union may elect as many as one (1) employee member of such organization from the appropriate unit represented by such organization, to attend, during regular duty or work hours without loss of compensation, meetings scheduled with the Employee Relations Director to meet and confer on matters within the scope of representation affecting such appropriate unit and to participate in the discussion, deliberation and decisions at such meetings. The selection of such employee members, or substitutions or replacements therefor, and their attendance at meetings during their regular duty or work hours, shall be subject to the following:

42. The organization duly authorized representative shall inform in writing the department head or officer under whom each selected employee member is employed that such employee has been selected.

43. No selected employee member shall leave duty or work station or assignment without specific approval of the employee’s department head of other authorized executive management official.
44. In scheduling meetings, due consideration shall be given to the operating needs and work schedules of the department, division, or section in which the employee members are employed.

Stewards

45. The Union shall furnish the City with an accurate list of shop stewards in designated units. The Union may submit amendments to this list at any time because of the permanent absence of a designated shop steward. If a shop steward is not officially designated in writing by the Union, none will be recognized for that area or shift.

46. The Union recognizes that it is the responsibility of the shop steward to assist in the resolution of grievances at the lowest possible level.

47. If, in the judgment of the supervisor, permission cannot be granted immediately to the shop steward to present a grievance during on duty time, such permission shall be granted by the supervisor no later than the next working day from the date the shop steward was denied permission.

48. In emergency situations, where immediate disciplinary action must be taken because of a violation of law or a City or departmental rule (intoxication, theft, etc.) the shop steward shall, if possible, be granted immediate permission to leave his/her post of duty to assist in the grievance procedure.

49. Shop stewards shall not interfere with the work of an employee.

50. Union agrees that a steward shall not log compensatory time or premium pay time for the time spent performing any function of a steward.

51. Except in cases of emergency, management will give at least two (2) calendar weeks notice if a shop steward is to be transferred to another work shift or location.

I.H. UNION SECURITY

52. Dues deductions shall be made only upon signed authorization from the employee on a form furnished by the City and shall continue until the authorization is revoked in writing by the employee. For the administrative convenience of the City and Union, an employee may only revoke a dues authorization by delivering the notice of revocation to the Controller during the month of January. The revocation notice shall be delivered to the office of the Controller on or before January 30 of the fiscal year covered by this MOU. The City shall deliver a copy of the notices of revocation of dues deduction authorizations to the Union not later than March 1.

53. The Union agrees to indemnify and hold harmless the City for any loss or damage arising from the operation of this section.
I.I. DISCIPLINE OF EXEMPT EMPLOYEES

54. This section applies only to those doctor employees who are exempt from the Civil Service provisions of the Charter of the City and County of San Francisco.

55. The Appointing Officer may terminate the employment of, or otherwise discipline, exempt doctor employees. In the event that termination or other discipline of an exempt doctor employee is recommended to the Appointing Officer, the exempt doctor employee shall be entitled to the following due process prior to the execution of such discipline or termination:

56. a. The employee shall receive written notice of all charges and supporting documentation along with recommended discipline.

57. b. The employee shall be notified of his/her right to submit a written answer to the charges leveled, including the written statements of any individuals supporting the employee’s position. The written answer must be submitted within ten (10) working days of the notice of charges in order to be reviewed.

58. c. After the expiration of the period of time designated for the exempt physician to submit his/her statement, the Appointing Officer shall review all documents provided and shall notify the employee in writing of his decision.

59. d. When the Appointing Officer find a significant discrepancy in the reporting of relevant facts, the Appointing Officer shall appoint an impartial fact-finding panel of three (3) members, one of whom to be nominated by the Union, to perform in an advisory capacity to the Appointing Officer in termination or other disciplinary proceedings. The members of the fact-finding panel are required to be licensed medical doctors only for cases in which the charges for termination or other discipline pertain to a doctor’s professional practice of medicine. The panel is required to provide its findings and recommendation within five (5) working days. The procedures described in this section applies to clinical and non-clinical issues and is advisory only. The report of the fact-finding panel is not binding in any way upon the Appointing Officer.

60. For exempt doctor employees who are members of organized medical staffs with established Medical Staff Bylaws, termination or other discipline for reasons which pertain to the doctor’s licensed professional competency shall be subject to the due process set forth in the relevant sections of the Medical Staff Bylaws.

61. The Appointing Officer shall have the right to take whatever actions he deems appropriate in an emergency or when there is a danger to the public, the exempt doctor employee or his/her co-workers.
I.J. PERFORMANCE APPRAISAL

62. The City and UAPD encourage periodic informal performance evaluations and conferences between employees and their supervisors to discuss work performance, job satisfaction, and work-related problems. Such conferences shall be held in a private setting.

63. A represented employee has the right, upon request, to have his/her professional clinical practice evaluated by a licensed practitioner of the same profession. When a performance evaluation is conducted for an employee by the employee’s rater (immediate supervisor) and reviewer (next-line supervisor), and in the event either the employee’s rater or reviewer is not a licensed practitioner, the employee shall be given an opportunity, upon request, to have that aspect of performance which pertains to his/her professional clinical practice be evaluated by a licensed practitioner of the same profession in a supervisory or management position selected by the Department.

I.K. ORGANIZED MEDICAL STAFFS

64. The City and Union agree that represented employees have the right to establish medical staff organizations with a set of Medical Staff Bylaws approved by the Health Commission for the purpose of self-governance. Such organized medical staffs may be established at Laguna Honda Hospital, San Francisco General Hospital and non-hospital based programs.

I.L. GENERAL INFORMATION MEETING

65. The Director of Public Health shall conduct a general information meeting, upon request by the Union but not more than once each calendar year, with physician and dentist employees of the Department for purposes of presenting relevant issues facing the Department. The presentation shall be followed by a question-and-answer period.

I.M. BULLETIN BOARDS AND DISTRIBUTION OF MATERIALS

Bulletin Boards

66. Reasonable space will be allowed on existing bulletin boards for use by the Union to communicate with employees. Materials should be posted upon the bulletin board space designated by the Department, and not upon walls, doors, windows or any other place. Posted material shall not be obscene, or of a partisan political nature, nor shall it pertain to public issues which do not involve the City or its relations with employees. All posted material shall be dated, shall bear the identity of the sponsor, shall be neatly displayed for more than two (2) weeks. The Appointing Officer may withdraw the authority to use bulletin board space if material is posted on other than authorized bulletin boards, or is not in compliance with this section.
Dissemination of Union Information

67. Distribution of official Union literature and materials by a Union member, shop steward, business agent or other Union representative will be permitted provided:
   1) the employee distributes such literature outside his regular working hours;
   2) the distribution of literature to employees on duty will be accomplished during their breaks (rest periods) or before or after their work shifts;
   3) the above right shall not interfere with patient care or with the operations of the Department.

68. The City agrees to provide to the employee, at the time of an employee’s sign-up, a Union Information Pack supplied by the Union.

I.N. BARGAINING UNIT LIST

69. Within two (2) months after signing this agreement, the Department with represented employees, shall furnish the Union with a list of all employees working in classifications covered by this MOU. This list shall include the classification, name of each employee and budget section under which they are employed, and place of employment.

70. The Department shall furnish an update of this document to the union every three (3) months upon request.

73. When the official personnel file is in a location remote from the employee’s work location, an employee will reserve the right to inspect his/her personnel file at the Official Personnel Office during his/her normal working hours without loss of pay. An employee shall request and receive approval from the immediate supervisor in advance for release time and such release time shall not be unreasonably denied.

79. The City and Union agree that no person employed or applying for employment shall in any way be discriminated against because of race, color, creed, religion, sex, national origin, physical or mental disability, age, political affiliation or opinion, marital status, or sexual preference, nor shall a person be the subject of sexual harassment.

80. In the event more than one administrative remedy may be available within the City and county governmental system of San Francisco, the Union shall elect one. An individual employee shall be bound by the procedure the Union elects. The Union shall not finance more than the proceeding it elects.

II.C. USE OF DEPARTMENTAL FACILITIES

81. Departmental facilities will be made available for use by the Union or its representatives for the purpose of holding Union meetings to discuss City/employee issues during off duty time periods subject to the availability of such facilities. The Union will provide timely advance notice of such meetings to the designated Departmental representative.

II.D. LAYOFF

82. The Union agrees that budget reductions and program changes may cause, from time to time, layoffs and reduction in hours among represented employee classifications. The Union also agrees that, in accordance with Charter Section 3.501, the Department Head may reduce the forces under his/her jurisdiction to conform to the needs of the work for which he/she is responsible. SECTION 1: GENERAL REQUIREMENTS

Leaves of Absence - General Requirements

Requests for leave shall be subject to the approval of the appointing officer or designee. The decision of the appointing officer or designee is final unless provision for appeal is specifically granted in this provision. Such requests for appeal shall be processed in accordance with the appeal procedure provided in this provision. Requests for military, maternity, or witness or jury duty leave shall be granted as provided herein.

Except for vacation leave, witness or jury duty leave, compulsory sick leave, disability leave or unpaid administrative leave, an employee requesting a leave for more than five working days shall submit such request to the appointing officer or designee on the form prescribed by the Human Resources Director. Requests for sick leave in excess of five continuous working days shall be certified by a licensed medical doctor, doctor of dental surgery, doctor of podiatric medicine, licensed clinical psychologist, Christian Science Practitioner or licensed doctor of chiropractic. Verification of sick leave with pay for less than five working days (seven calendar days in the case of part-time employees) as provided elsewhere in this provision shall be required on an individual basis only and shall be based upon an evaluation of the individual attendance record of an employee.

Except as otherwise provided in this provision, leave granted for the period stated on the prescribed form may be extended or abridged only with the approval of the appointing officer or designee. An employee who does not return to work on the approved date shall be deemed as away without official leave and shall be subject to automatic resignation.

Except when an employee requesting sick leave has accumulated unused sick leave with pay credits and except for employees eligible for military leave with pay, witness or jury duty leave, disability leave or leave due to battery as provided elsewhere in this provision, or for authorized holiday or vacation, leaves shall be without pay.

An authorized leave granted under this provision shall not be considered as a break in the continuous service of an employee.
SECTION 2: SICK LEAVE - GENERAL PROVISIONS

Eligibility for Sick Leave

Subject to the provisions herein, employees and officers (hereinafter called "employees") who are absent from their duties because of illness or disability are eligible for sick leave.

Verification of Sick Leave

The appointing officer or designee to whom application for sick leave is made may make such independent investigation as to the necessity for sick leave as is deemed proper and may require certification for any period of sick leave, provided that the employee has been previously notified in writing that such certification for absence of less than five working days shall be required.

The Human Resources Director may at any time make such independent investigation as may be deemed proper regarding the illness of any person on sick leave.

Retirement Automatically Terminates Sick Leave

Sick leave shall automatically terminate on the effective date of an employee's retirement.

Abridgment of Sick Leave

Sick leaves granted in excess of five working days may be abridged if the employee presents to the appointing officer or designee medical evidence of capability to resume all the duties of the position.

Types of Sick Leave

Sick Leave - Medical Reasons

Sick Leave - Quarantine

Absence because of the death of the employee's spouse or domestic partner, parents, step parents, grandparents, parents-in-law or parents of a domestic partner, sibling, child, step child, adopted child, a child for whom the employee has parenting responsibilities, aunt or uncle, legal guardian, or any person who is permanently residing in the household of the employee. Such leave shall not exceed three working days and shall be taken within 30 calendar days after the date of death; however, two additional working days shall be granted in conjunction with the bereavement leave if travel outside the State of California is required as a result of the death.

Absence because of the illness, injury, or medical or dental appointment of a biological or adoptive child, or child for whom the employee has parenting or child rearing responsibilities.

**Sick Leave - Compulsory**

SECTION 3: SICK LEAVE WITH PAY

Sick Leave with Pay Eligibility

Sick leave with pay may be granted to employees who have earned sick leave with pay credits and who have served a total of six continuous months of regularly scheduled paid service except that supplemental disability credits may be used to supplement disability indemnity payments as provided elsewhere in this section regardless of length of service and except that an authorized leave of absence with or without pay granted under this section shall not be considered as a break in the continuous service of an employee.

A break in service of more than six continuous months by any employee other than an employee designated as a "holdover" will cause prior accumulated sick leave with pay credits to be canceled and eligibility for sick leave with pay must be re-established.

Sick leave with pay credits will continue to accrue at the normal rate while an employee is on either furlough or voluntary unpaid time off in accordance with this provision, for a maximum of up to ten days per fiscal year for imposed furlough or 20 days per fiscal year for voluntary unpaid time off.

Sick Leave with Pay - Maximum Accumulation of Credits

Sick leave with pay credits shall be cumulative but the accumulated balance of unused sick leave with pay credits shall not exceed the equivalent of six months which is the hourly equivalent of 130 working days based on the regular daily work schedule as defined, provided that in no case may the total accumulated unused sick leave with pay credit balance exceed 1040 hours for any employee. Maximum accumulated sick leave with pay credits shall be reduced proportionately for employees entering a class or position where the regular work schedule is less than the class exiting if such employees have accumulated unused sick leave with pay credits in excess of the maximum allowable for the new class or position. Such employees shall have all such credits restored upon return to a class or position with an increased regular work schedule.

Sick Leave with Pay - Restrictions

An appointing officer or designee may require proof of incapacitation before granting sick leave with pay for any period of time and may withhold pay for failure to submit such proof provided that the employee had been previously notified in writing that such proof would be required for absences of less than five working days.

The rate of earning and accumulating sick leave with pay credits and authorization for its use under this provision shall in no way inhibit or restrict the right of an appointing officer to establish standards of attendance.
**Prohibition Against Employment While on Sick Leave with Pay**

Employees are prohibited from working in any other employment while on sick leave with pay unless, after considering the medical reason for the sick leave with pay, the appointing officer with the approval of the Human Resources Director, grants permission for the employee to engage in a secondary employment subject to the provisions of the Civil Service Rules governing such employment.

Violators of this section are subject to disciplinary action as provided in the Charter.

**Calculation of Sick Leave with Pay Credits**

Sick leave with pay credits shall be earned at the rate of .05 hours for each hour of regularly scheduled paid service excluding, overtime exceeding 40 hours per week and holiday pay, except that an employee on disability leave shall earn sick leave with pay credits at the normal rate.

**Disbursement of Sick Leave with Pay Credits**

Sick leave with pay credits shall be used and deducted at the minimum rate in units of one hour for those employees whose credits are calculated in hours.

**Conversion of Sick Leave with Pay Credits from Days to Hours**

Sick leave with pay credit balances shall be converted from days to hours based on the equivalent number of hours in such employee's sick leave with pay credit balances.

**Employees Injured by Battery**

Sick leave with pay under this section shall be known as "leave due to battery" and shall be subject to approval by the Human Resources Director. The Human Resources Director shall make such investigation as is deemed appropriate and may include medical examinations by a physician(s) designated by the Human Resources Director.

Authorized sick leave under this section shall not be charged against earned sick leave with pay credits.

**Denial of Sick Leave with Pay**

Denial of sick leave with pay to an appointee who is eligible and qualified for such leave is subject to the grievance procedure.

Reimbursement for the vested and unused accumulated sick leave with pay credit balance shall be further subject to the following:

1. The Human Resources Director shall administer the provisions of this section.

2. Deduction shall be made from the unused accumulated sick leave with pay credit balance which existed on December 5, 1978, in an amount proportional to any credits used of that balance. Reimbursement shall be made only for the adjusted amount with all credits from the December 5, 1978, balance subsequently used being deducted.

3. Reimbursement for the vested and unused accumulated sick leave with pay credit balance shall be payable at the time of retirement, separation caused by industrial accident or death, or at a later date when so selected by the employee, but within one year of such retirement, separation or death.

4. Reimbursement is to be computed at the base rate of pay of an employee's permanent class, at the base rate of pay of the class of a temporary or provisional employee with no permanent status, or at the base rate of pay in a temporary or provisional appointment of an employee with permanent status in another class who has held such temporary or provisional appointment continuously for one or more years at the time of separation.

5. No reimbursement shall be made for unused sick leave with pay credits earned on or after December 6, 1978.

6. The enactment of this section is not intended to constitute additional compensation, nor be a part of the rate of pay of the employee, but is reimbursement for the vested and unused accumulated sick leave with pay credit balance to which an employee would have been entitled if the employee had not retired, separated due to industrial injury or died.
SECTION 4: SICK LEAVE WITHOUT PAY

Sick Leave without Pay - Eligibility

Subject to the provisions of this section, sick leave without pay may be granted to employees who are not eligible for sick leave with pay or, subject to the approval of the appointing officer or designee, employees may choose not to use their sick leave with pay credits.

Sick Leave without Pay - Temporary and Provisional Employees

Sick leave without pay may be granted to temporary or provisional employees. Such leave shall be renewed monthly and shall not be extended beyond three calendar months except for sick leave - maternity.

Sick Leave without Pay - Permanent Employees

Sick leave without pay may be approved for permanent employees for the period of the illness provided that requests for prolonged leave shall be renewed every three months and provided further that such leave shall not be extended beyond a period of one continuous year.

Prohibition Against Employment While on Sick Leave Without Pay

Employees are prohibited from working in any other employment when on sick leave without pay unless, after considering the medical reason for the sick leave without pay, the appointing officer with the approval of the Human Resources Director, grants permission for the employee to engage in outside employment.

Violators of this section are subject to disciplinary action.
SECTION 5: COMPULSORY SICK LEAVE

Compulsory Sick Leave

An appointing officer or designee who has reason to believe that an employee is not medically or physically competent to perform assigned duties, and if allowed to continue in employment or return from leave may represent a risk to co-workers, the public and the employee, may require the employee to present a medical report from a physician designated by the Human Resources Director certifying the employee's medical or physical competency to perform the required duties.

If the employee refuses to obtain such physician's certificate or if as a result of a medical evaluation, the employee is found not to be medically or physically competent, the appointing officer or designee may place the employee on compulsory sick leave and shall immediately report such action to the Human Resources Director.

An employee shall remain on compulsory sick leave until such time as the employee is found to be competent to return to duty by a physician designated by the Human Resources Director, but such leave shall not exceed the maximum period of sick leave provided in this provision.

An employee placed on compulsory sick leave may appeal the imposition of compulsory sick leave to the Human Resources Director within fifteen (15) calendar days of the effective date of the leave. The Human Resources Director shall appoint a medical specialist not in the City and County service who practices in the City and County of San Francisco, to conduct an evaluation and to report the findings. This evaluation shall be conducted at the cost of the City and County. The decision of the medical specialist shall be final and no further appeal shall be allowed. If the medical specialist confirms the compulsory sick leave, the specialist shall specify the duration of the leave.
SECTION 6: DISABILITY LEAVE

Use of Sick Leave with Pay Credits to Supplement State Disability Insurance

Sick leave with pay credits shall be used to supplement State Disability Insurance (SDI) at the minimum rate in units of one hour.

SDI payments to an employee who qualifies and who has accumulated and is eligible to use sick leave with pay credits shall be supplemented with sick leave with pay credits so that the total of SDI and sick leave with pay calculated in units of one-hour provides up to, but does not exceed, the regular gross salary the employee would have received for the normal work schedule excluding overtime.

An employee who wishes not to supplement, or who wishes to supplement with compensatory time or vacation, must submit a written request on a form prescribed by the Human Resources Director to the appointing officer or designee within seven calendar days following the first date of absence.

Employees who are supplementing SDI earn sick leave with pay credits at the normal rate only for those hours of sick leave with pay credits used.
SECTION 7: MILITARY, WAR EFFORT AND SEA DUTY LEAVES

Military Leave

Military leave is governed by the provisions of applicable Federal and State laws, by Charter provision and by this provision.

Military Leave - Time of War

Leaves of absence shall be granted to officers and employees for service in the armed forces of the United States or the State of California or for service on ships operated by or for the United States government in time of war and for a period not to exceed three months after the conclusion of such service, but not later than one year after the cessation of hostilities, except in case of disability incurred while in active service with the armed forces or the merchant marines when such disability shall extend beyond such period.

Military Leave - Time of Peace

Whenever any officer or employee shall, by order of the government of the United States or by lawful order of any of its departments or officers, or by lawful order of the State of California, or any of its departments or officers, be directed in time of peace to report and serve in the armed forces of the United States, or in the armed forces of the State of California, said officer or employee shall be entitled to a leave of absence from the employee's office or position during the time of such service and for a period not to exceed three months after the expiration thereof.

Military Leave - Permanent Appointees

Any officer or employee on military leave, who prior to such leave has been appointed to a permanent position in the City and County service, shall be entitled to resume such position at the expiration of the leave, and in determining and fixing rights, seniority, salary and otherwise which have accrued and shall inure to the benefit of such officer or employee, the term of military leave shall be considered and accounted as part of the employee's service to the City and County.

Military Leave - Salary While on Temporary Leave

Employees who have been employed by the City and County or any other public agency or have been on military duty for a period of not less than one year continuously prior to the date upon which temporary military leave not exceeding 180 calendar days begins shall, as required by the State of California Military and Veterans' Code (Section 395), receive their regular salary or compensation for a period not to exceed 30 calendar days of such military leave in any fiscal year or more than 30 calendar days during any period of continuous military leave.

SECTION 8: UNPAID ADMINISTRATIVE LEAVE OR FURLOUGH

General Provisions

Notwithstanding the layoff and involuntary leave provisions or any other provisions of this agreement, an appointing officer is authorized to impose unpaid administrative leave (furlough) on any employee within that appointing officer's jurisdiction as provided in this section. The imposition of furloughs shall be subject to receipt of a Projected Deficit Notice (PDN) from the Controller stating that the department's budget will be insufficient to support the department's level of spending through the end of the fiscal year.

The authority of the appointing officer to impose furloughs shall be limited to those furloughs necessary to correct the projected deficit identified by the Controller.

No provision of Layoff and Involuntary Leave, including but not limited to any provision regarding the order of layoff, displacement of less senior employees, or reinstatement, shall be applicable to any employees furloughed hereunder.

Voluntary Unpaid Time Off

Prior to imposing a furlough on any employee, an appointing officer shall attempt to determine, to the extent feasible and with due consideration for the time constraints which may exist for eliminating the projected deficit, the interest of employees within the appointing officer's jurisdiction in taking unpaid personal time off on a voluntary basis.

The appointing officer shall have full discretion to approve or deny requests for voluntary unpaid time off based on the operational needs of the department and any court decrees or orders pertinent thereto. The decision of the appointing officer shall be final except in cases where requests for voluntary unpaid time off in excess of ten working days are denied. In such cases, an employee may appeal in accordance with the procedures provided below for appealing imposition of furlough.

An employee shall be entitled to take up to ten unpaid days per fiscal year at the rate of no more than five days in a three month period, at the employee's discretion, upon at least 15 calendar days prior written notice to the employee's appointing officer. Such request shall not be denied except for the reason of a requirement that such position be filled on an overtime or premium pay basis, for essential operational needs or the requirements of a court decree or order.

Furloughs

Appointing officers are encouraged to furlough entire operational units within departments rather than individual employees; or stagger work hours within an operational unit on a reduced hours basis. The decision of the appointing officer to impose furloughs under this subsection, and the appointing officer's determination of what constitutes an operational unit, shall be final.
Where, in the discretion of the appointing officer, furlough of an operational unit as prescribed above is not feasible, individual employees within an operational unit may be furloughed.

To the extent practicable, furlough shall be equitably distributed among all of the employees in the affected department or operational unit to which the Projected Deficit Notice (PDN) has application; and, all of the employees in the affected class(es).

In determining which employees to furlough, an appointing officer shall consider citywide seniority within a class as well as considering the operational needs of the department.

In no event shall furlough be imposed upon an employee for more than four days in any three month period or ten days in any fiscal year. Voluntary time off not to exceed a total of five days per quarter or ten days per year, approved pursuant to this section, shall be credited toward the maximum number of furlough days which may be imposed pursuant to this provision.

Employees placed on furlough pursuant to this section shall be notified in writing at least 15 calendar days in advance of the effective date for the furlough.

The decision to furlough an individual employee within an operational unit shall be final except that an employee given notice of a furlough, which taken together with an employee's prior furloughs in the same fiscal year would exceed five working days within any six month period, may file an appeal. Such appeals must be in writing and filed within three calendar days of the date of the notice of furlough with the Human Resources Director with a copy to the appointing officer. Within three calendar days after receiving the appeal, the Department of Human Resources shall refer the written appeal and the appointing officer's written comments, if any, for determination to the Human Resources Director, the Mayor and the Controller, or their designees, who shall meet on no less than 24 hours public notice. The determination regarding the appeal shall be rendered within seven calendar days of the date of the appeal. This decision is final and shall not be reconsidered by the Civil Service Commission. The Human Resources Director shall notify the employee and the appointing officer of the decision prior to the effective date of the furlough.

**Restrictions on Use of Paid Time Off While on Voluntary Unpaid Time Off or Furlough**

All voluntary unpaid time off or furlough imposed or granted pursuant to this section shall be without pay.

Employees granted voluntary unpaid time off or placed on furlough are precluded from using sick leave with pay credits, vacation credits, compensatory time off credits, floating holidays, training days or any other form of pay for the time period involved.
Imposition of Furlough - Fair Labor Standards Act (FLSA) Restrictions

Furlough for employees who are non-exempt under the Fair Labor Standards Act (FLSA) shall be imposed in minimum increments of one hour.

Furlough for employees who are exempt under the Fair Labor Standards Act (FLSA) shall be imposed in minimum increments of one day.

Vacation and Sick Leave with Pay Accruals While on Voluntary Unpaid Time Off or Furlough

Subject to passage of necessary ordinances by the Board of Supervisors, vacation and sick leave with pay accruals shall continue during a maximum of ten days of furlough in any fiscal year, or a maximum of 20 days for approved voluntary unpaid time off taken pursuant to this Section in any fiscal year.

Duration and Revocation of Voluntary Unpaid Time Off or Furlough

Furlough imposed upon an employee shall remain in force for the period specified in the written notice unless sooner revoked by written notice from the appointing officer. Approved voluntary unpaid time off taken pursuant to this section may not be changed by the appointing officer without the employee's consent.

Resolution of Disputes

Except as provided elsewhere in this section, the Human Resources Director shall act on all disputes arising out of the application or implementation of the provisions of this section. The decision of the Human Resources Director shall be final.
SECTION 9: OTHER LEAVES OF ABSENCE

Leave to Accept Other City and County Position

Denial of such leave by the appointing officer is appealable as provided elsewhere in this section.

As soon as records are available, the employee shall periodically present to the appointing officer a record of completed educational work. These records shall be maintained in such a manner as to be readily available for audit by Department of Human Resources staff. Failure to submit an acceptable record of completed educational work shall subject the employee to disciplinary action.

Leave for Civilian Service in the National Interest

Such leave may be approved for permanent appointees for a period of up to one year. Requests for such leave of longer than one year must be renewed each year.

Denial of such leave is appealable as provided elsewhere in this provision.
Family Care Leave

Permanent employees who have one or more years of continuous service in any status may be granted up to one year of unpaid family care leave for the following reasons:

1. The birth of a biological child of the employee;

2. The assumption by the employee of parenting or child rearing responsibilities. Family care leave does not apply to an employee who temporarily cares for a child for compensation, such as a paid child care worker;

3. The serious illness or health condition of a family member of the employee, the employee's spouse or domestic partner, a parent of the employee or the employee's spouse or domestic partner, the biological or adoptive child of the employee, or a child for whom the employee has parenting or child rearing responsibilities; or

4. The mental or physical impairment of a family member of the employee, the employee's spouse or domestic partner, a parent of the employee or the employee's spouse or domestic partner, the biological or adoptive child of the employee, or a child for whom the employee has parenting or child rearing responsibilities, which impairment renders that person incapable of self-care.

Family care leave is unpaid leave. Such leave may be granted in addition to accumulated compensatory time off, vacation time, floating holiday time or sick leave as specified under Sick Leave - Illness or Medical Appointment of Child.

Denial of family care leave is appealable as provided elsewhere in this section.

Witness or Jury Duty Leave

An employee who is summoned as a witness on behalf of the City and County or juror for a judicial proceeding shall be entitled to leave with pay less the amount of juror or witness fee paid for the period required for such service. An employee who is summoned to serve as a witness in cases which involve outside employment or personal business affairs shall be placed on leave without pay unless vacation leave or compensatory time is requested and granted.

Paid witness or jury duty leave shall be only from an employee's scheduled duty time and shall not include hours outside of scheduled hours of work or on days off.

Such employees shall notify the appointing officer immediately upon receiving notice of jury duty.
An employee who takes vacation leave while on witness or jury duty leave shall receive regular salary.

**Vacation Leave**

Vacation leave shall be as provided in the Charter and by ordinance of the Board of Supervisors.

**Involuntary Leave of Absence**

Whenever it becomes necessary to effect a reduction in force due to lack of work or lack of funds which shall result in the displacement of a permanent or probationary appointee from the City and County service, an appointing officer, notwithstanding other provisions of these Rules governing leaves of absence, shall place such employees on a leave of absence of an involuntary nature unless the employee elects to be laid off.

Such reductions in force shall be effected by the provisions of this section governing seniority and order of layoff.

Leaves of absence imposed under the provisions of this section shall expire upon the return to duty of the holdover, upon the expiration of holdover status, or upon written request of the employee to elect to be laid off while on involuntary leave.

**Religious Leave**

Religious leave shall be without pay unless the employee elects to use accumulated compensatory time off, vacation time, or floating holiday time.

Denial of religious leave is appealable as provided elsewhere in this section.

**Personal Leave**

Personal leave for permanent employees may be approved for a period of up to 12 months within any two-year period. Personal leave for temporary or provisional employees may be approved only if replacement of the employee is not required and for a maximum of one month.

On the request of an appointing officer, the Human Resources Director, may for reasons deemed to be in the best interest of the service approve extension of personal leave for permanent employees beyond a 12 month period.

Appeal Procedures

Appeals concerning furloughs or voluntary unpaid time off are excluded from appeal under this section and are appealable as provided elsewhere in this Agreement.
