When the product of an employee's work is made available by the Company for profit to any enterprise other than the one in which they are employed (not including another division of the Company or co-operative arrangements with news services), the Company shall compensate said employee for such other use at a rate to be mutually agreed between the Company and the employee.

**TEMPORARY AND PART-TIME EMPLOYEES**

SECTION 27. (a) A temporary employee is one employed for a special project or for a specified time, in either case not to exceed three months, except by mutual agreement. The Union shall be notified in writing as to the nature of the employment and the duration of such employment. A part-time employee is one who is hired to work regularly less than 75 per cent of the work week provided for in this agreement.

(b) Part-time and temporary employees shall not be employed where, in effect, such employment would eliminate or displace a regular or full-time employee.

(c) Part-time employees shall be paid on an hourly basis equivalent to the weekly minimum salary provided for their classification and experience. All part-time employees hired prior to Nov. 1, 1979, shall advance on the schedule of minimum salaries according to length of employment and not the actual hours worked.

(d) In the event of a part-time or temporary employee becoming a full-time employee, he/she shall be credited at least with actual time previously served.

**VDT RADIATION TESTING**

SECTION 28. VDTs shall be checked annually by the Union to determine if the units are MPR II compliant. If the CRTs are not compliant, the Union shall so advise the Company. Any replacement of CRTs will ensure that non-compliant CRTs will be replaced first. Further, the Company agrees that every pregnant woman will have the option of being transferred to work which requires no more than four hours work on a VDT per shift during her pregnancy, at no loss of pay and with no other penalty.

**MATERNITY LEAVE**

SECTION 29. Maternity leave will be granted upon request and in conformity with the time periods specified in the Employment Insurance Act (Canada). However, no employee shall be required to take a leave of absence, nor shall an employee's job duties or working conditions be altered without her consent because of pregnancy; nor shall there be any penalty for pregnancy. An employee returning from leave shall be reinstated in her job at the wages she would have received had her employment with the Company been continuous. An employee returning from leave shall be reinstated in her job with full credit toward severance pay accrual and other length of service benefits. Failure to return at the end of maternity leave shall be termed a voluntary resignation. Two (2) weeks notice shall be given by the employee if possible at the commencement of maternity leave and two (2) weeks notice prior to returning.

**PARENTAL AND ADOPTION LEAVE**

SECTION 30. Two days parental leave or adoption leave without pay shall be granted upon the birth of a child to an employee's spouse or upon the legal adoption of a child. Additional travel time will be granted where necessary. (Adoption application — infant up to two (2) years of age).
