PREAMBLE

THIS AGREEMENT made and entered into this 13th day of January, 2000, by and between the Board of Governors of the State System of Higher Education ("STATE SYSTEM") for and on behalf of itself, the State Universities and their respective Councils of Trustees, of the first part, and the Association of Pennsylvania State College and University Faculties ("APSCUF") of the second part.

PURPOSE

APSCUF has been certified to represent, for purposes of collective bargaining, department chairpersons, full-time teaching faculty (including librarians with faculty status), part-time teaching faculty and librarians without faculty status and faculty members of the UNIVERSITIES whose basic responsibilities lie outside of the classroom setting.

APSCUF and the STATE SYSTEM OF HIGHER EDUCATION, desiring to cooperate each with the other in mutual respect and harmony, have agreed to the provisions of this Agreement in consideration of the following:

1. The UNIVERSITIES exist for the common good of the citizens of the Commonwealth, particularly the students who attend such UNIVERSITIES. In a world of rapid change and recurring crises, all will be served best by an intellectual environment which encourages the search for truth.

2. APSCUF as the representative of the above named employees recognizes its obligation to permit all individuals and groups on each campus to be included in the consideration of matters relating to them.

3. The parties recognize that collective bargaining in good faith will further their common aim of offering the best possible educational opportunities at the UNIVERSITIES and assert their intention to abide by the terms of the Agreement.

4. For the purposes of this Agreement, the following definitions shall be applied:

"ACADEMIC FACULTY" -- The bargaining unit consisting of department chairpersons, full-time teaching faculty including librarians with faculty status, part-time teaching faculty, librarians without faculty status and faculty members whose basic responsibilities lie outside of the classroom setting who have, by certification of the Pennsylvania Labor Relations Board (PLRB), been designated as ACADEMIC FACULTY (PERA-R-775-C).

"ADMINISTRATIVE FACULTY" -- The bargaining unit consisting of faculty members whose basic responsibilities lie outside of the classroom who have not been designated as ACADEMIC FACULTY (PERA-R-1354-C).

"APSCUF" -- The Association of Pennsylvania State College and University Faculties, Inc.

"UNIVERSITIES" -- All institutions of the State System of Higher Education including

Bloomsburg University, California University, Cheyney University, Clarion University, East Stroudsburg University, Edinboro University, Indiana University of Pennsylvania, Kutztown University, Lock Haven University, Mansfield University, Millersville University, Shippensburg University, Slippery Rock University, and West Chester University; and their respective branch campuses.

"STATE SYSTEM OF HIGHER EDUCATION" -- That System created by Act 188 of 1982, the State System of Higher Education Act, hereinafter referred to as the STATE SYSTEM.

"COMMONWEALTH" -- The Executive Branch of the Commonwealth of Pennsylvania.

"FACULTY" or "FACULTY MEMBERS" -- All members of the bargaining units described in PLRB case numbers PERA-R-775-C and PERA-R-1354-C.

"REGULAR" -- A tenured or tenure track FACULTY MEMBER.

"PROBATIONARY NON-TENURED FACULTY MEMBER" -- A FACULTY MEMBER who is appointed to a tenure track position and who has not been granted tenure.

"NON-TENURE TRACK FACULTY" -- A FACULTY MEMBER who is appointed to service in a position in which service will not be credited toward tenure. Examples of such positions include Temporary Part-time and Temporary Full-time.

Article 1

RECOGNITION

The STATE SYSTEM and the UNIVERSITIES and each of them recognize APSCUF as the sole and exclusive bargaining agent for FACULTY MEMBERS in the bargaining units above described and certified by the Pennsylvania Labor Relations Board in case numbers PERA-R-775-C, and PERA-R-1354-C, with respect to the STATE SYSTEM'S obligations both to "negotiate" and to "meet and discuss," as those terms are used in Sections 701 and 702, respectively, of the Public Employee Relations Act ("Act 195").

Article 2

ACADEMIC FREEDOM

A. A FACULTY MEMBER is entitled to full freedom in research and in the publication of the results, subject to the adequate performance of his/her other academic or administrative duties.

B. A FACULTY MEMBER is entitled to freedom in the classroom in discussing his/her subject, but he/she should be careful not to introduce into his/her teaching controversial matter which has no relation to his/her subject.

C. A University FACULTY MEMBER is a citizen and a member of a learned profession. When he/she speaks or writes as a citizen, he/she should be free from University censorship or

discipline, but his/her special position in the community imposes special obligations. As a person of learning he/she should remember that the public may judge his/her profession and his/her University by his/her utterances. Hence, he/she should at all times be accurate, should exercise appropriate restraint, should show respect for the opinions of others, and should make every effort to indicate that he/she is not a spokesperson of the UNIVERSITIES. Acts which interfere with the activities of the UNIVERSITIES, acts which interfere with the freedom of movement on the campus, or acts which interfere with the freedom of all members of the academic community to pursue their rightful goals, are the antithesis of academic freedom and responsibility. So also are such acts which, in effect, deny freedom to speak, to be heard, to study, to teach, to administer and to pursue research.

- D. 1. FACULTY MEMBERS are entitled to freedom in the selection of textbooks, audio-visual aids and other teaching aids.
2. There shall be no censorship of library materials.
3. With respect to subsections 1. and 2. above, budgetary limitations may restrict the quantity of items to be purchased.

E. Since certain aspects of the information obtained by a FACULTY MEMBER in the course of his/her work can be considered privileged, no FACULTY MEMBER shall be required to disclose such information unless he/she deems it to be in the best interest of his/her student or his/her profession. The University will immediately advise the FACULTY MEMBER of any effort, by action of law or otherwise, to secure records or other information obtained by the FACULTY MEMBER. In no event shall the University exercise any disciplinary action against a FACULTY MEMBER because of his/her assertion of privilege with regard to information under his/her control.

F. The provisions of this Article shall not be construed so as to deprive the University or its designees of its right of access to and/or possession of files, records or materials maintained by FACULTY MEMBERS in behalf of the University, provided, however, that grade books shall remain in the possession of the FACULTY MEMBER so long as he/she remains on the campus.

Article 3

FAIR PRACTICES

A. Neither party hereto nor any FACULTY MEMBER shall discriminate against any other FACULTY MEMBER or candidate for employment on the basis of race, creed, color, sex (including discrimination by sexual harassment), handicap or disability, life style, family status, age, national origin, APSCUF membership or activity or lack thereof, political belief and/or affiliation, or on account of any other basis prohibited by law. Where existing laws against discrimination require accommodation, the STATE SYSTEM will accommodate to the extent required by law.

B. There shall be no discrimination by either of the parties hereto or any FACULTY MEMBER against members of the same family regarding concurrent employment at any University.

C. If any provision of this Agreement is in conflict with Federal Executive Orders 11246 and 11375, as amended, or the Civil Rights Act of 1964, as amended, or the laws and rules relating to the Pennsylvania State System of Higher Education Equity Plan, Excellence and Equity, hereinafter known as the STATE SYSTEM Equity Plan, the provisions of such orders, laws and rules shall prevail; provided that any rule not consistent with this Agreement adopted by the STATE SYSTEM subsequent to the signing of this Agreement shall not prevail against the terms of this Agreement. Before any rule relating to the STATE SYSTEM Equity Plan not consistent with this Agreement is applied to affect the rights of APSCUF or any FACULTY MEMBER, this Section shall be reopened for negotiation at the request of APSCUF.

D. The parties shall meet and discuss at the state level during the term of this Agreement on such aspects of this Article that are of mutual interest. The parties hereto specifically agree to support and work towards the goals set forth in the STATE SYSTEM Equity Plan.

Article 4

DUTIES AND RESPONSIBILITIES OF FACULTY MEMBERS

A. The concept of academic freedom must be accompanied by an equally demanding concept of academic responsibility. The concern of the UNIVERSITIES and its members for academic freedom safeguards must extend equally to requiring responsible service, consistent with the objectives of the UNIVERSITIES. The universal responsibility of the teaching FACULTY MEMBER is effective teaching.

B. A proper academic climate can be maintained only when members of the FACULTY meet their fundamental duties and responsibilities regularly. These duties and responsibilities include but are not limited to: reporting promptly, and in advance if possible, any changes in class hours or classrooms assigned; preparing for and meeting their assignments, which would include timely notification of the proper authority and making a reasonable effort to insure that assignments can be covered in case of absences; making a reasonable effort to notify students of any changes in class hours or classrooms assigned; keeping current in their academic disciplines through continuing scholarly activity; keeping office hours in accordance with Article 23, **WORKLOAD AND WORKLOAD EQUIVALENTS**, and conferring with and advising students and advisees; evaluating fairly and reporting promptly student achievement; rendering service to the University which would include participating in group deliberations which contribute to the growth and development of the students and the UNIVERSITIES; and reporting promptly, and in advance if possible, absence from any assigned duty in accordance with the provisions of Article 17, **SICK LEAVE**. All members of the FACULTY also have the responsibility to accept those reasonable duties assigned to them within their fields of competence. Additionally, **FACULTY MEMBERS** have the responsibility to perform other tasks characteristic of the academic profession as described in Article 12, **PERFORMANCE REVIEW AND EVALUATION OF FACULTY**, Section B.1. and to attempt honestly and in good conscience to preserve and defend the goals of the UNIVERSITIES, including the right to advocate change.

Article 5

GRIEVANCE PROCEDURE AND ARBITRATION

A. Intent

It is the declared objective of the STATE SYSTEM/UNIVERSITIES and APSCUF to encourage the just resolution of grievances. In order to effect a prompt resolution of grievances, the STATE SYSTEM/UNIVERSITIES, APSCUF and the FACULTY shall make available one to the other all known relevant facts so as to enable the parties to resolve grievances. The parties further agree that the orderly processes hereinafter set forth below shall be the sole method used for the resolution of grievances.

A grievance may be filed by a FACULTY MEMBER, a group of FACULTY MEMBERS, or APSCUF. APSCUF may present a policy grievance (one which affects more than one (1) person) at any step of the grievance procedure prior to arbitration. Decisions involving the non-renewal of probationary non-tenured FACULTY MEMBERS shall be governed exclusively by the provisions pertaining thereto as contained in Article 14, RENEWALS AND NON-RENEWALS.

B. Definition

A "grievance" is an allegation by APSCUF or a FACULTY MEMBER or group of FACULTY MEMBERS that there has been a specific violation, misinterpretation or improper application of an Article(s) and Section(s) of this Agreement by the STATE SYSTEM/UNIVERSITIES, and a statement of the remedy being requested. It is understood and agreed between the parties that APSCUF or a FACULTY MEMBER will be allowed to make amendments to the grievance up to the submission at Step Three. It is also understood that if such amendments are made to the grievance in the submission to Step Three, either party may resubmit the grievance to Step Two for reconsideration.

C. Procedure

Step One APSCUF, a FACULTY MEMBER or a group of FACULTY MEMBERS shall present a grievance orally or in writing at the lowest management level having authority to dispose of the grievance. The management representative shall investigate the grievance as he/she shall deem appropriate and respond to APSCUF and/or the grievant orally or in writing.

Step Two If the grievance has not been resolved at Step One, the grievant, group of grievants or APSCUF shall reduce the grievance to writing, stating the facts, and listing the Articles and Sections of this Agreement or the specific regulation(s) or procedure(s) upon which the grievance is based. Such written grievance(s) shall be submitted to the President or his/her designee within forty (40) calendar days of the occurrence giving rise to the grievance or within forty (40) calendar days of the date on which the grievant or grievants learned of such occurrence, with the exception that if the forty (40) days expire between May 1 and September 1 of any year, the grievance shall be submitted to the President or his/her designee by September 30 of such year or within forty (40) calendar days, whichever comes later. The President or his/her designee shall have twenty (20) calendar days following the receipt of such written grievance to investigate the matter as he/she shall deem appropriate, discuss the matter with the grievant, group of grievants and/or the local APSCUF grievance chairperson or his/her designee where appropriate,

and to submit a written response to the grievant, group of grievants and APSCUF.

If a grievance is amended before submission at Step Two or if either party resubmits an amended grievance to Step Two, the President or his/her designee shall have twenty (20) calendar days following the receipt of such amended grievance to investigate the matter as he/she shall deem appropriate, discuss the matter with the grievant, group of grievants and/or the local APSCUF Grievance Chairperson or his/her designee where appropriate, and to submit a written response to the amended grievance to the grievant, group of grievants and APSCUF.

Step Three If the grievance has not been resolved at Step Two, the grievant, group of grievants or APSCUF may, within fifteen (15) calendar days after the decision from the President at Step Two is due, submit a written appeal to the Chancellor of the STATE SYSTEM or his/her designee. The Chancellor of the STATE SYSTEM or his/her designee shall have thirty (30) calendar days following the receipt of such written appeal to submit a written response to the grievant, group of grievants and APSCUF.

Step Four - Binding Arbitration If the grievance has not been resolved at Step Three, APSCUF, but not an individual FACULTY MEMBER or group of FACULTY MEMBERS, has the sole right to refer a grievance to arbitration and to conduct the proceeding as a party, and shall within forty (40) calendar days of the receipt of the written response from Step Three submit a written notice to the Chancellor of the STATE SYSTEM or his/her designee of its intent to submit the grievance to binding arbitration. It is understood that only APSCUF, or counsel for APSCUF, may present the case in support of any grievance at arbitration.

D. The parties shall have the right mutually to agree upon the arbitrator, but in the event they cannot so agree within fifteen (15) calendar days of receipt of the above notice, the matter shall forthwith be submitted to the American Arbitration Association for the appointment of an arbitrator. In all cases, selection of the arbitrator and the arbitration proceedings shall be conducted in accordance with the Voluntary Labor Arbitration rules of the American Arbitration Association at the time obtaining. The arbitration proceeding shall be held at such time and place as is convenient to the parties, consistent with the circumstances of the case.

The decision of the arbitrator shall be final and binding upon the parties, except where the decision would require an enactment of legislation in which case the decision shall be binding only if and when such legislation is enacted. The arbitrator shall have no authority to add to, subtract from, or modify this Agreement. Each case shall be considered on its merits and this collective bargaining agreement shall constitute the sole basis upon which the decision shall be rendered. If there is a question as to whether the arbitrator has jurisdiction to hear a case, this question must be heard and an immediate bench ruling issued by the arbitrator prior to his/her hearing and deciding the merits of the case. The arbitrator shall confine himself/herself to the precise issue the parties have agreed to submit for arbitration and shall have no authority to determine any other issues not so submitted to him/her. The arbitrator shall be requested to issue his/her decision within thirty (30) calendar days after the hearing or receipt of the transcript of the hearing.

The arbitrator's fees and expenses shall be shared equally by APSCUF and the STATE SYSTEM/UNIVERSITIES, but each party shall bear its own cost of preparing and presenting its case to the arbitrator. Where one of the parties to this Agreement requests a postponement of a

previously scheduled arbitration which results in a postponement charge, the postponing party shall pay such charge unless the postponement results in a settlement of the grievance, in which event the postponement charge shall be divided equally between the parties. A postponement charge resulting from a joint postponement request shall be shared equally by the parties. Either party to an arbitration may request that a transcript of the hearing be made. The requesting party shall pay the cost for the transcript and shall provide a copy free of charge to the arbitrator. In the event that the party who did not order a copy of the transcript at the hearing subsequently decides to order a copy of the transcript, that party shall share equally in the cost of the copy of the transcript provided to the arbitrator.

E. The failure of either party to demand compliance with or to comply with the time limits of Steps One to Three of Section C. of this Article shall not bar either party from requiring that the stated time limits at Step Four be met.

F. A FACULTY MEMBER may, in accordance with the provisions of Article 15, TENURE, appeal any discipline or discharge for just cause at the Third Step of this grievance procedure. Any such appeal must be presented in writing within fifteen (15) calendar days after the FACULTY MEMBER has received written notice of the disciplinary action. A copy of the said written notice shall be mailed to the local APSCUF grievance chairperson and State APSCUF on the day the written notice is mailed or delivered to the FACULTY MEMBER, whichever day is earlier.

G. Time of the Essence

1. The filing of a grievance or appeal from any step of this grievance procedure or the notice of any intent to arbitrate shall be accomplished within the time limits specified and, in the event such is not done, the Administration's decision at the prior step shall be final and binding upon the parties and shall not be subject to further appeal of any kind; provided, however, that the said time limits may be extended by written or oral mutual agreement for any reason, and reasonable requests for extensions shall not be arbitrarily denied; and, provided further, that a grievant shall not be penalized as to time if he/she has been misled by a representative of the STATE SYSTEM/UNIVERSITIES.

2. Failure to communicate a decision at any step of this grievance procedure within the specified time limits shall permit it to be advanced to the next step of the procedure, unless a longer period is established by mutual consent.

H. Rights of APSCUF

1. APSCUF's representative(s) shall be advised of the existence of a grievance as soon as the University Administration becomes aware of its existence. As early as possible and practical, copies of all transcripts, documents and correspondence filed with respect to a grievance shall be made available to APSCUF, and at APSCUF's request be provided to APSCUF. Costs of reproduction shall be borne by APSCUF should the STATE SYSTEM/UNIVERSITIES request such payment.

2. Any individual FACULTY MEMBER or group of FACULTY MEMBERS shall have the right at any time to present grievances to the STATE SYSTEM/UNIVERSITIES and have them adjusted without the intervention of APSCUF, as long as the adjustment is

not inconsistent with the terms of this Agreement; and provided further that APSCUF has been given the opportunity to be present at such adjustment.

3. APSCUF's representative(s) shall be permitted to represent the grievant when requested to do so by the grievant and, in any event, to represent and speak on behalf of APSCUF's particular point of interest in connection with that grievance. In this regard, it is understood that the grievant has the right to represent himself/herself and APSCUF shall not interfere with that right.

I. Disposition of Grievances

Any settlement, withdrawal or disposition of a grievance at any step below Step Three in Section C., above, shall not constitute a binding precedent for the settlement of similar grievances in the future. The parties shall endeavor to implement fully any settlement agreement(s) or arbitration award(s) within sixty (60) days of the receipt of said agreement or award.

These criteria shall reflect standards required of truly competent and distinguished individuals. Under no conditions shall distinguished visiting professors be hired until such time as the criteria has received final approval at State Meet and Discuss.

Presidents shall make such appointments upon the nomination of a department, secured by a secret ballot vote of the majority of the regular full-time FACULTY MEMBERS, for a specific visiting professor, and only upon the recommendation of a University-wide committee. The composition of the University-wide committee shall be agreed to at local meet and discuss.

4. The visiting professor must be appointed at the rank of Professor and shall be remunerated at a salary no lower than Professor Step A. Such individuals may be remunerated at a rate of pay higher than that provided for in this Agreement. The thirty percent (30%) rule for full professorships shall not include appointments made under this Article.

5. In cases where distinguished individuals wish to contribute their services for less than the stipulated minimum pay, the terms of this Agreement shall require the approval of APSCUF at local meet and discuss.

6. Visiting professors may be assigned regular classes or special assignments, but in no case shall they assume overload assignments. It is the expectation that the University will seek to utilize the talents of these individuals in creative and non-traditional ways.

7. Visiting professors shall not be subject to the evaluation procedures of this Agreement, unless they do so voluntarily nor shall they exercise the voting rights of regular FACULTY MEMBERS as provided for in this Agreement.

8. In no case shall a visiting professor be hired to teach regular University courses in an academic department where there is a qualified retrenchee available.

F. Managers

1. Managers who perform teaching duties shall be evaluated with respect to such teaching duties in the same manner as an ACADEMIC FACULTY MEMBER(S), in accordance with the provisions of Article 12, PERFORMANCE REVIEW AND EVALUATION OF FACULTY.

2. A manager who has held a tenured faculty position at his/her University may, within three (3) years of his/her appointment to a management level position, return with the approval of the department to his/her former status in a department which has a vacancy approved by the President. Such approval shall require a majority secret ballot of the regular full-time members of the department. A manager who returns to a former department on or after January 1, 1986 in accordance with this procedure shall be given service credit for all prior time spent in what is now the bargaining unit, but shall receive no service credit for the time spent as a manager. Managers who returned to a former department prior to January 1, 1986 shall continue to receive service credits in accordance with the previous Agreements between the STATE SYSTEM and APSCUF.

3. Any manager other than those provided for in Section F.2. above shall begin his/her service in the bargaining unit with no service credit.

4. Acting Managers

a. A FACULTY MEMBER serving as an acting manager is a member of the FACULTY bargaining unit. A President or the Chancellor may make an initial acting manager appointment for two (2) years without approval of local or State APSCUF. Extensions for up to a second year require the approval of the FACULTY MEMBER and local APSCUF or State APSCUF for an appointment in the Office of the Chancellor, if only a one (1) year appointment is made and there is a need for an additional year. Time spent as an acting manager will accrue service credits in the bargaining unit as defined in the Seniority Policy.

b. A FACULTY MEMBER serving as an acting manager may teach one (1) course per semester (fall, spring, summer) without approval of local APSCUF. Local APSCUF approval is required, if the FACULTY MEMBER serving as an acting manager is requested to teach a second course during the semester. If a course is taught, overload shall be paid. The annual salary used in calculating overload will not include the out-of-class assignment monies. In no case shall an acting manager be assigned to teach where there is a qualified retrenchee with preferential hiring rights in the STATE SYSTEM.

c. FACULTY MEMBERS on nine (9) month contracts appointed as acting managers for up to one (1) year will not be entitled to annual leave. A FACULTY MEMBER appointed initially to a two (2) year appointment as an acting manager will receive ten (10) days of annual leave in the first year and fifteen (15) days of

annual leave in the second year. Any annual leave not used will lapse at the end of the acting manager appointment. FACULTY MEMBERS on twelve (12) month contracts shall accrue and use annual leave pursuant to Article 21, FRINGE BENEFITS, Section E.

d. An acting manager may not participate in departmental meetings.

e. Time spent as an acting manager shall not count in computing the probationary period, but shall count when computing years of service for salary increments, promotion, and sabbatical leave.

f. A FACULTY MEMBER who is disciplined for conduct as an acting manager may not challenge the discipline pursuant to Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, unless disciplined for conduct related to the FACULTY MEMBER'S performance of duties and responsibilities as a FACULTY MEMBER.

G. Non-Bargaining Unit Employees

Non-bargaining unit employees, who in the opinion of the President have the requisite qualifications, may be assigned by the President to teach courses or perform other duties in an academic department provided the approval by secret ballot vote of the majority of the regular full-time FACULTY of the academic department and local APSCUF has been obtained prior to making the assignment. In no case shall such non-bargaining unit employees be assigned to teach or work in an area where there is a qualified retrenchee with preferential hiring rights in the STATE SYSTEM.

Article 11

APPOINTMENT OF FACULTY

A. 1. In the event the President approves the filling of a vacancy within a department, a candidate, who may be secured from any source, first must be recommended by the majority of the regular full-time department FACULTY in accordance with the procedure

developed by that department FACULTY. No FACULTY MEMBER shall participate in this vote, if a member of his/her immediate family or a person residing in his/her household is a candidate for appointment. Immediate family shall be defined as spouse, child, step-child, parent, step-parent, parent-in-law, brother, sister, brother-in-law, or sister-in-law.

2. When a FACULTY MEMBER must withdraw from participation in the appointment procedure in accordance with subsection 1. above, he/she shall not be included in the total number of regular full-time department FACULTY for the purpose of determining the majority vote necessary for the department recommendation for appointment.

3. The right of department FACULTY to recommend a candidate for hiring shall also include the right to recommend equivalencies in lieu of the qualifications specified in Act 182 (1963), as amended, for the purposes of hiring.

4. If a candidate is not recommended by the department FACULTY, he/she shall not be hired. If a candidate is recommended to the department by management and is rejected by the department, the reasons therefore shall be given in writing to the President or his/her designee within fourteen (14) calendar days of such rejection.

B. The recommendation of the department FACULTY in accordance with the provisions of Section A. above, then must be reviewed by the department chairperson. A department chairperson shall not be permitted to participate in the review of any candidate, if any candidate is a member of his/her immediate family as defined in Section A.1. above, or a person residing in his/her household. The department shall select another FACULTY MEMBER in the department acceptable to the department and management to substitute for the department chairperson.

C. After review by the department chairperson, the name of a candidate(s) recommended by the majority of regular full-time department FACULTY, irrespective of the recommendation of the department chairperson, shall be submitted to the President or his/her designee, together with the recommendations both of the majority of regular full-time department FACULTY and of the department chairperson. The President or his/her designee may accept or reject the recommendation of the department FACULTY, including the recommendation of the department chairperson, and that decision shall be final; provided, however, that if the recommendation is rejected, the reasons therefore shall be given to the department FACULTY, if requested; and provided further, that in the event of any such rejection, the procedure specified above shall be repeated until a candidate shall have been appointed to fill the vacancy.

D. If the President agrees with the majority of the regular full-time department FACULTY'S recommendation as to a candidate, he/she shall make the appointment of that candidate to such rank and at such salary as he/she shall deem appropriate.

E. In the event there is no agreement between the President and the majority of the regular full-time department FACULTY as to a mutually acceptable candidate for appointment to fill the approved vacancy, the President shall have the right to appoint a person to fill the vacancy on an interim basis for a period not to exceed nine (9) months or one (1) academic year, unless a longer period is mutually agreed upon. In no case may the President appoint a person more than once under the provisions of this subsection.

F. Regulations Regarding The Hiring Of Part-Time Temporary FACULTY MEMBERS

1. The number of part-time temporary FACULTY MEMBERS at any University shall not exceed seven percent (7%) of the regular full-time and regular part-time FACULTY MEMBERS (i.e. head count) employed at that University as of October 31 of the previous year.

2. The major exceptions to this provision are those part-time temporary FACULTY MEMBERS employed in the same department:

a. As replacements for regular FACULTY MEMBERS granted:

(1) approved leaves of absence; or

(2) workload equivalents pursuant to the provisions of Article 23, Section J.

b. As a result of failed searches. However, this exception is not applicable for more than two (2) years, even if the position announcement for the vacancy is changed. Exceptions beyond the second year require approval of State Meet & Discuss.

c. As a result of the death or late written notification of resignation or retirement of a regular FACULTY MEMBER. However, this exception is not applicable for more than two (2) years, even if the position announcement for the vacancy is changed. Exceptions beyond the second year require approval of State Meet & Discuss.

d. Appointed as part-time FACULTY MEMBERS under the provisions of Article 40, Section B. and Article 41, Section B. of this Agreement.

e. The only additional exceptions to these provisions are those part-time replacements mutually agreed to and approved at local and State Meet & Discuss prior to the employment of the part-time temporary FACULTY MEMBERS.

3. By November 15 of each year, each University will provide the local APSCUF President and the State APSCUF President with a list of the names of all regular full-time and regular part-time FACULTY MEMBERS (i.e. head count) by department employed at that University as of October 31 of that year

4. By November 15 of each year, each University will provide the local APSCUF President and the State APSCUF President with a list of the names of all temporary part-time FACULTY MEMBERS by department employed at that University as of October 31 of that year.

5. By March 15 of each year, each University will provide the local APSCUF President and the State APSCUF President with a list of the names of all temporary full-time and temporary part-time FACULTY MEMBERS by department employed at that

University as of February 28 of that year.

- G.
1. Effective with the Fall 1999 semester and each fall semester thereafter, a full-time, temporary FACULTY MEMBER, who has worked at a University for five (5) full, consecutive academic years in the same department, shall be placed in tenure-track status, if recommended by the majority of the regular department FACULTY in accordance with the procedure developed by that department FACULTY. Such FACULTY shall complete the tenure procedure as provided in Article 15. This Section shall not apply to FACULTY MEMBERS whose salaries are funded by a grant.
 2. Time spent in a temporary or regular full-time position at the UNIVERSITY may be counted toward the required probationary period in accordance with Article 15, Section B.
 3. FACULTY MEMBERS who are placed in a tenure-track position in accordance with this Section shall receive hospital and medical insurance benefits between their last temporary semester and their first tenure-track semester.
 4. No FACULTY MEMBER shall participate in a vote under the terms of Section G.1. above, if a member of his/her immediate family or a person residing in his/her household is being considered for tenure-track status. Immediate family shall be defined as spouse, child, step-child, parent, step-parent, parent-in-law, brother, sister, brother-in-law, or sister-in-law.
- H.
1. Effective with the Fall semester 1999 and each fall semester thereafter, each department shall survey its use of temporary FACULTY MEMBERS retroactive for three (3) years, in addition to the current year, and shall identify the courses and responsibilities within a disciplinary specialization which have been performed by temporary FACULTY MEMBERS. The department shall determine whether any group of such courses or responsibilities within a disciplinary specialization has constituted a full-time FACULTY position(s) over the eight (8) semesters and, if so, shall forward a recommendation to the President to create a regular position(s). Positions which are converted pursuant to this Section shall be filled in accordance with this Article. State Meet and Discuss shall develop guidelines to implement this provision at the local level.
 2. The President shall then decide whether to convert the position(s) into a regular full-time position(s).
 3. If the President denies the conversion of the position(s):
 - a. he/she shall explain the denial in writing to the department with a copy of the explanation provided to local APSCUF; and
 - b. the courses or responsibilities of the position(s) as determined by the department in Section H.1. above shall not be taught by temporary FACULTY MEMBER(S) for two (2) years from the denial of the conversion without the approval of local meet and discuss.

4. Exceptions to the provisions of this Section shall require the approval of the parties at State Meet and Discuss.
5. Replacements for FACULTY MEMBERS on sabbatical leaves, grant funded positions, or on approved leaves of absences shall not be subject to the provisions of this Section.

Article 12

PERFORMANCE REVIEW AND EVALUATION OF FACULTY

A. The process of FACULTY evaluation is perceived broadly as a means for extending opportunities for continuous professional development. The processes are intended to be supportive of a FACULTY MEMBER'S desire for continuing professional growth and academic excellence. With this orientation, FACULTY evaluation will be a contributor to the ongoing improvements of the academic programs of the UNIVERSITIES.

B. Categories for Performance Review and Evaluation

The following categories shall serve as the uniform system-wide basis for the evaluation of FACULTY MEMBERS at each University. The categories listed below shall be applied in the performance review and evaluation of temporary faculty, regular part-time faculty, probationary non-tenured faculty, tenured faculty and all applicants for promotion. Under each category are listed some examples of data upon which judgments can be made of the FACULTY MEMBER'S performance relative to a given category. When evaluating the data, the appropriate evaluator(s) shall give greater weight to the quality of the performance reflected in the data, than to the quantity of the data.

1. Effective teaching and fulfillment of professional responsibilities.
 - a. This will be indicated, when applicable, by such items as:

student evaluations, peer evaluations, classroom visitations, quality of syllabi, quality of student advisement, willingness to accept departmental work assignments, timely execution of work assignments, and any other data deemed appropriate and agreed to by the FACULTY and Administration at local meet and discuss.
 - b. Evaluation of teaching effectiveness and fulfillment of professional responsibilities will not be based on a single datum. A combination of all appropriate data will be used to give sufficient evidence for an overall judgment of teaching effectiveness and fulfillment of professional responsibilities.
 - c. For all FACULTY MEMBERS whose basic responsibilities lie outside the classroom, the duties and responsibilities of the position shall be the category instead of effective teaching.
 - d. For FACULTY MEMBERS with mixed work assignments, effective

teaching and the duties and responsibilities of the position shall be evaluated under the terms of this Article.

2. Continuing scholarly growth.

This will be indicated, when applicable, by such items as:

development of experimental programs (including distance education), papers delivered at national and regional meetings of professional societies; regional and national awards; offices held in professional organizations; invitational lectures given; participation in panels at regional and national meetings of professional organizations; grant acquisitions; editorships of professional journals; participation in juried shows; program-related projects; quality of musical or theatrical performances; participation in one-person or invitational shows; consultantships; research projects and publication record; additional graduate work; contribution to the scholarly growth of one's peers; and any other data agreed to by the FACULTY and Administration at local meet and discuss.

3. Service: contribution to the University and/or community.

This will be indicated, when applicable, by such items as:

quality of participation in program, department, college, and University committees; APSCUF activity contributing to the governance of the University; development of new course(s) or program(s); training or assisting other FACULTY MEMBERS in the use of distance education technology; participation in University-wide colloquia; voluntary membership in professionally oriented, community based organizations reasonably related to the FACULTY MEMBER'S discipline; lectures and consultations; consulting with local and area agencies and organizations; and any other data agreed to by the FACULTY and Administration at local meet and discuss.

C. General Evaluation Procedures for Regular FACULTY MEMBERS

The following evaluation procedure shall apply to all regular FACULTY MEMBERS at each University.

1. a. Each department shall select a committee to assist in the evaluation function. The department evaluation committee shall consist of at least three (3) members, and shall exclude the department chairperson. The manner of selection shall be determined by the FACULTY MEMBERS in each department. If necessary, or desirable, as determined by the department or President, individuals from the same or within related disciplines, mutually acceptable to the FACULTY MEMBER, department and University, who are from outside the department or the UNIVERSITIES may be used in any or all parts of the evaluation process. Where a mutually acceptable individual cannot be agreed upon, the President shall provide the FACULTY MEMBER and the department with a list containing the

names of at least three (3) individuals who have the qualifications for the position held by the FACULTY MEMBER being evaluated. The FACULTY MEMBER shall have three (3) working days in which to select one individual from this list. If the FACULTY MEMBER fails to make a selection within the three (3) day period, the President, in consultation with the department chairperson and the department, shall designate one individual from this list to serve on the department evaluation committee. No FACULTY MEMBER shall serve on his/her own evaluation committee or as a member of the department evaluation committee for a member of his/her immediate family (spouse, child, step-child, parent, step-parent, parent-in-law, brother, sister, brother-in-law, or sister-in-law) or a person residing in the same household as the FACULTY MEMBER. Each department shall determine the rules and procedures under which the department evaluation committee will operate. Such rules and procedures shall be announced by the department prior to the commencement of the performance review and evaluation process.

b. The department evaluation committee shall utilize the following materials in preparation of its written evaluation and recommendation:

(1) Student evaluations in all classes during the fall of the year of evaluation for tenured FACULTY, and twice each academic year in all classes for probationary non-tenured FACULTY. An instrument for student evaluation of FACULTY shall be developed by local APSCUF, the University management, and the appropriate student government body as designated by the President, and approved by local APSCUF and the University management at local meet and discuss. If, in any year, no approved procedure and/or instrument exists, the department chairperson shall administer a student evaluation. Reproduction and tabulation of the University-wide student evaluation instrument will be the responsibility of the University management.

(2) Peer evaluations by the department evaluation committee and the department chairperson, including evaluations of classroom visitation. There shall be at least two (2) such classroom visitations each semester by the department evaluation committee, and one (1) such classroom visitation each year by the department chairperson for all non-tenured FACULTY. For all tenured FACULTY in the year of evaluation, there shall be one (1) such classroom visitation each semester by the department evaluation committee and one (1) such classroom visitation during the year by the department chairperson. Prior to putting a classroom visitation evaluation in writing, there shall be a discussion of the observations with the FACULTY MEMBER. These evaluations shall not displace nor diminish the importance of other evidence of the degree to which the FACULTY MEMBER'S responsibilities have been met during the evaluation period. The department evaluation committee shall designate the manner in which peer evaluations will take place.

(3) An updated copy of the FACULTY MEMBER'S vita.

(4) Any other pertinent data the FACULTY MEMBER wishes to

submit (copies of articles published, letters from references, copies of grant applications, etc.).

(5) The evaluation process for FACULTY MEMBERS with work assignments outside of their department shall be conducted by the FACULTY in the unit where the work is performed and forwarded to the FACULTY MEMBER'S department for inclusion in his/her total evaluation.

(6) Other data which the department evaluation committee may deem pertinent.

c. (1) The department evaluation committee shall provide the FACULTY MEMBER with a reasonable opportunity to discuss its evaluation after which the committee shall submit its detailed written evaluation and recommendation along with the above mentioned supportive materials to the appropriate Academic Dean with a copy to the FACULTY MEMBER and the department chairperson. The FACULTY MEMBER may, if he/she disagrees with the committee's evaluation, send to the Dean a written response to the department evaluation committee's evaluation.

(2) The department chairperson shall provide the FACULTY MEMBER with a reasonable opportunity to discuss his/her evaluation after which the chairperson shall independently send a written evaluation with recommendations to the appropriate Academic Dean. The chairperson's evaluation shall be based on his/her knowledge and personal observation of the FACULTY MEMBER'S performance, the results of the department evaluation committee's evaluation and recommendations and the materials submitted by the FACULTY MEMBER. The chairperson shall provide copies of his/her evaluation and recommendations to the FACULTY MEMBER and the department evaluation committee. No department chairperson shall provide a chairperson evaluation of himself/herself, or an evaluation of a member of his/her immediate family or a person residing in his/her household. Immediate family shall be defined as spouse, child, step-child, parent, step-parent, parent-in-law, brother, sister, brother-in-law, or sister-in-law. The department shall select another FACULTY MEMBER in the department acceptable to the department and management to substitute for the department chairperson.

(3) The Dean shall provide a written performance review in accordance with this Article. The FACULTY MEMBER shall be provided with an opportunity by the Dean to discuss the performance review and such discussion shall be specific and detailed and clearly set forth those areas of performance, if any, which require improvement. A copy of the draft performance review by the Dean shall be provided to the FACULTY MEMBER prior to discussion with the Dean. This review shall be based on the data supplied by the department evaluation committee, department chairperson and any other relevant and substantiated data gathered by the Dean. The Dean shall provide a copy of his/her performance review to the

FACULTY MEMBER, the department chairperson, and the department evaluation committee. For FACULTY MEMBERS whose basic responsibilities lie outside the classroom, the appropriate management supervisor shall fulfill all responsibilities of the Dean listed in this Article. No Dean/management supervisor shall evaluate a member of his/her immediate family (spouse, child, step-child, parent, step-parent, parent-in-law, brother, sister, brother-in-law, or sister-in-law), or a person residing in his/her household. The President or his/her designee shall select another Dean/management supervisor as a substitute to provide the performance review.

2. The failure of a department, the department chairperson, or the department evaluation committee to carry out their duties and responsibilities shall not bar the President, the appropriate Academic Dean or other University management personnel from conducting, in good faith, the performance evaluation reviews nor from taking action to renew or non-renew a probationary non-tenured FACULTY MEMBER.

3. All evaluation reviews conducted by the President, appropriate Academic Dean, or other University management personnel shall be subject to the provisions of Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, but only to the extent that the evaluation review was conducted in an arbitrary or capricious fashion. Action or inaction by the department, department chairperson or department evaluation committee with regard to the provisions of this Article shall not be subject to the provisions of Article 5, GRIEVANCE PROCEDURE AND ARBITRATION.

D. Evaluation of FACULTY MEMBERS Whose Basic Areas of Responsibility Lie Outside the Classroom

1. The evaluation procedures for such FACULTY MEMBERS will be the same as that outlined in Section C. of this Article. The written performance review will be provided to such FACULTY MEMBERS by the appropriate management supervisor.

2. Categories for the evaluation of such FACULTY MEMBERS shall be the same as for teaching FACULTY as set forth in Section B. of this Article, except that performance of duties as described in the official position description will be used in lieu of effective teaching. If such FACULTY MEMBERS also teach courses, the category for effective teaching shall also be evaluated.

E. Evaluation of FACULTY MEMBERS with Mixed Workloads

The evaluation of such FACULTY MEMBERS shall include evaluations of both teaching duties and those responsibilities, which lie outside of the classroom, pursuant to the categories and procedures identified in this Article.

F. Evaluation of Probationary Non-Tenured FACULTY MEMBERS

1. A newly appointed tenure track FACULTY MEMBER will have probationary status for a period of five (5) years. Probationary FACULTY shall be made aware, by management in writing, at the time of their employment of the rules, regulations,

procedures and objectives they are required to meet as FACULTY MEMBERS of the University. A copy of each letter of appointment shall be sent to the local APSCUF President.

2. Performance review evaluations for probationers in the first, second, third, and fourth year of employment shall contain a recommendation concerning renewal or non-renewal and shall specify any improvements which may be necessary.

3. Fall Hires:

PERSONNEL FILES

A. 1. Each University shall maintain one (1) confidential complete official personnel file for each FACULTY MEMBER. No anonymous material shall be placed in the official personnel file. A FACULTY MEMBER upon his/her request shall have the right to receive a copy of material placed in the personnel file by management personnel.

2. In addition, there may be one (1) official pre-employment file which shall be confidential and shall contain letters of reference and recommendations and/or material related thereto secured from sources outside the University. At the time of the granting of tenure all letters of reference and recommendation shall be destroyed and academic credentials shall be transferred to the official personnel file, unless there is an Equal Employment Opportunity Commission action pending against the University. If there is an Equal Employment Opportunity Commission action pending, the pre-employment file should be forwarded to the Office of the Chief Counsel for the STATE SYSTEM for inclusion in that Office's litigation files or for destruction by that Office.

3. A FACULTY MEMBER shall have the right to make such additions or responses to the material contained in his/her official personnel file as he/she shall deem necessary. Only material which is directly related to the FACULTY MEMBER'S work performance shall be included in the confidential personnel file.

B. 1. A FACULTY MEMBER shall have access to his/her official personnel file during regular office hours, provided that there shall be no undue interference with the normal routine of the office. Under no circumstances shall the official personnel file be removed from the office by the FACULTY MEMBER, and his/her access to the file shall be only in the presence of someone in authority in the office.

2. In addition to the FACULTY MEMBER, only the Chancellor, President and their designees shall have access to the official personnel file without the express written approval of the FACULTY MEMBER. The President and his/her designee shall be responsible for the placement of material in, and the removal of material from, the official personnel file.
 3. The FACULTY MEMBER shall have no right of access to the official confidential pre-employment file.

Article 14

RENEWALS AND NON-RENEWALS

- A. Procedure
1. Probationary non-tenured FACULTY appointments are for one (1) year at a time and are subject to renewal or non-renewal. The total period of unbroken full-time service in a probationary non-tenured FACULTY position at the same University prior to applying for tenure will be four and one-half (4 1/2) years, except as provided in Article 15, TENURE, Section B.
 2. In the case of each probationary non-tenured FACULTY MEMBER, a determination must be made each year whether to renew the appointment of the probationer or non-renew the probationary non-tenured FACULTY MEMBER'S appointment. A probationary non-tenured FACULTY MEMBER in his/her fifth year of probationary employment may apply for tenure by December 31 (May 1 for FACULTY MEMBERS with January anniversary dates). Failure to apply for tenure shall result in the sixth year being the terminal year of employment.
 3. The evaluation procedures for probationary non-tenured FACULTY MEMBERS are delineated in Article 12, PERFORMANCE REVIEW AND EVALUATION OF FACULTY.

4. Notice of Renewal and Non-Renewal

a. Probationers appointed at the start of the academic year

(1) Probationers in their first year:

No later than April 1, first year probationers will be notified, in writing, by the President of renewal or non-renewal. The non-renewal will be effective at the end of that academic year. Reasons for non-renewal shall be supplied to the FACULTY MEMBER, in writing, if requested.

(2) Probationers in their second through fourth year:

Notice of renewal or non-renewal of second, third, and fourth year probationers will be sent by the President no later than January 30 of the second, third, or fourth year of probationary employment. Non-renewals will be effective at the end of the academic year in which the non-renewal notice is sent. Reasons for non-renewal shall be supplied to the FACULTY MEMBER, in writing, if requested.

(3) Probationers in their fifth year:

Notice of renewal or non-renewal of fifth year probationers will be in accordance with the provisions of Article 15, TENURE.

b. Probationers appointed at mid-year (January)

(1) For probationers in their first year of probationary employment, notice of renewal or non-renewal for mid-year appointees shall be sent by the President no later than November 15 of their first year of probationary employment, and such non-renewal shall be effective at the end of that semester.

(2) For probationers in their second, third, and fourth year of probationary employment, notice of renewal or non-renewal for mid-year appointees shall be sent by the President no later than December 15 of the second, third, or fourth year of probationary employment. Such a non-renewal notice shall be effective at the end of the spring semester of the third, fourth or fifth year of probationary employment.

(3) Notice of renewal or non-renewal of fifth year mid-year appointees shall be in accordance with the provisions of Article 15, TENURE.

5. An individual probationary non-tenured FACULTY MEMBER in the first and second year of probationary employment shall have the right to grieve, in accordance with Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, non-renewal only as to himself/herself and then only with respect to failure to observe the time limits set forth in Section A.4. of this Article. Action or inaction by FACULTY MEMBERS of the bargaining unit relating to renewals and non-renewals shall not be grievable and shall not

bar the President from taking actions which he/she deems to be either appropriate or required.

6. Should the University President decide not to renew a probationary non-tenured FACULTY MEMBER in the third or fourth year of probationary employment, who has been recommended by the department chairperson and the department evaluation committee, the FACULTY MEMBER shall have the right to grieve the non-renewal in accordance with Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, of this Agreement.

7. Should either a department chairperson or the department evaluation committee not recommend renewal for a probationary non-tenured FACULTY MEMBER in the third or fourth year of probationary employment, the non-renewal shall be sent to the University-wide tenure committee by the President for its recommendation. If, and only if, two (2) of the three (3) recommendations (department evaluation committee, department chairperson, University-wide tenure committee) favor renewal and the President fails to renew, the FACULTY MEMBER shall have the right to grieve the non-renewal in accordance with Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, of this Agreement.

8. An individual probationary non-tenured FACULTY MEMBER in the third or fourth year of probationary appointment who does not secure at least two (2) positive recommendations shall have the right to grieve in accordance with Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, of this Agreement only with respect to failure to observe the time limits set in Section A.4. of this Article. Action or inaction by FACULTY MEMBERS of the bargaining unit relating to renewals and non-renewals shall not be grievable and shall not bar the President from taking actions which he/she deems to be either appropriate or required.

9. The burden of proof in grievances and arbitrations filed under Sections A.6., A.7., and A.8. of this Article shall be upon the FACULTY MEMBER to show why he/she should be renewed.

B. Resignation

Any FACULTY MEMBER who does not intend to return for the following academic year shall so notify the President at the earliest possible time, but not later than March 31 of the then current year.

The STATE SYSTEM/UNIVERSITIES shall have no obligation to provide letters of reference to any FACULTY MEMBER who fails to comply with the provisions of this Section.

Article 15

TENURE

A. Definition

Tenure shall mean the right of a FACULTY MEMBER to hold his/her position and not to be removed therefrom except for just cause as hereinafter set forth in this Article or except as provided elsewhere in this Agreement.

B. There shall be a probationary period of five (5) full academic years at the University (from the most recent date of appointment) for each FACULTY MEMBER. During the probationary period, the FACULTY MEMBER shall be observed and evaluated in accordance with the provisions of Article 12, PERFORMANCE REVIEW AND EVALUATION OF FACULTY. Only full-time employment at the University in a non-temporary position shall be counted in computing the probationary period, except that time spent in a temporary or regular part-time, temporary full-time or regular full-time position at any UNIVERSITY may, on the recommendation of the department and the approval of the President, be counted toward the required probationary period. Any semester a probationary FACULTY MEMBER is on full leave from the University, with or without pay, will not be counted toward the required probationary period. No FACULTY MEMBER will be granted tenure unless he/she has met the minimum qualifications for the rank of assistant professor as set forth in applicable laws.

C. 1. Each University President shall, by October 1 (February 1 for FACULTY MEMBERS with January anniversary dates), send a notice to all fifth year probationers with copies to the appropriate department chairperson, notifying the fifth year probationer that he/she has until December 31 (May 1 for FACULTY MEMBERS with January anniversary dates) of that year to apply for tenure. By December 31 (May 1 for FACULTY MEMBERS with January anniversary dates) of the fifth year of the probationary period, a FACULTY MEMBER may apply for tenure. The request for tenure shall be submitted to the President, with a copy to the appropriate department. This request shall include a statement of the reasons why the FACULTY MEMBER believes he/she should be granted tenure. By May 31 (December 31 for FACULTY MEMBERS with January anniversary dates) of the fifth year of probationary employment, the President shall either grant tenure to the probationer or the probationer's sixth year of employment shall be a terminal year of employment.

2. If a fifth year probationary FACULTY MEMBER fails to apply for tenure, that probationer's sixth year of employment shall be a terminal year.

D. All present FACULTY MEMBERS who hold tenure as the result of procedures established at their respective UNIVERSITIES shall continue in that status.

E. The procedure for granting tenure shall be:

1. A department committee, which shall include tenured FACULTY MEMBERS, if available, shall recommend to the University-wide tenure committee, elected by and from the FACULTY, the names of those eligible fifth-year probationary non-tenured FACULTY MEMBERS of the department who have applied for tenure and whom they consider to be qualified for tenure; provided, however, that the department chairperson shall make an independent recommendation to the University-wide tenure committee regarding those other than himself/herself who have applied for tenure. No FACULTY MEMBER shall serve on a departmental or University-wide tenure committee when he/she, or a member of his/her immediate family, or a person residing in his/her household is an applicant for tenure. No department chairperson shall make a recommendation

regarding tenure for himself/herself, or a member of his/her immediate family, or a person residing in his/her household. Immediate family shall be defined as spouse, child, step-child, parent, step-parent, parent-in-law, brother, sister, brother-in-law, or sister-in-law. A department chairperson shall not be permitted to participate in the review of any applicants, if he/she is an applicant, or if any applicant is a member of his/her immediate family or a person residing in his/her household. The department shall select another FACULTY MEMBER in the department acceptable to the department and management to substitute for the department chairperson.

2. The recommendation of the department committee and of the department chairperson shall be completed no later than February 15 (October 1 for FACULTY MEMBERS with January anniversary dates), and by that date, the department chairperson shall submit the full list provided by the department committee together with his/her recommendation, in writing, with respect to each applicant, to the University-wide tenure committee, and a copy of the full list shall be forwarded to the President. If the department committee or department chairperson fails to submit a recommendation to the University-wide tenure committee by the appropriate date, the applicant may submit the application and the supporting material directly to the University-wide tenure committee.

3. The University-wide tenure committee, which shall consist of tenured FACULTY MEMBERS, shall review all tenure applications and recommendations received pursuant to this Article and shall, by April 1 (November 1 for FACULTY MEMBERS with January anniversary dates), submit its recommendations (positive and negative), together with the data upon which those recommendations are based, to the President or his/her designee. Each applicant for tenure shall have the right to request and make an appearance before the University-wide tenure committee to speak on his/her own behalf, before the committee submits its recommendations to the President or his/her designee.

4. The President shall grant tenure effective as of the beginning of the next academic term to those FACULTY MEMBERS whom he/she approves and such decisions shall not be subject to the provisions of Article 5, GRIEVANCE PROCEDURE AND ARBITRATION. However, if at least two (2) of the three (3) recommendations (department committee, University-wide committee, department chairperson) are positive with respect to the granting of tenure and the President denies tenure, the FACULTY MEMBER shall have the right to grieve the denial of tenure in accordance with the terms of Article 5, GRIEVANCE PROCEDURE AND ARBITRATION.

5. The President shall notify in writing each eligible FACULTY MEMBER, who applied for tenure in accordance with the above, of either the positive or the negative decision made with respect to the granting of tenure. The President shall make his/her decision by May 31 (December 31 for FACULTY MEMBERS with January anniversary dates). In the event that the President does not grant tenure to a FACULTY MEMBER who has been so recommended by the University-wide tenure committee, the reasons therefore shall be given to such committee and the affected FACULTY MEMBER(S), if requested in writing.

6. The President shall act independently if the committee(s) fails to act within the time limits specified. Action or inaction by FACULTY MEMBERS of the bargaining unit relating to tenure is not grievable and will not bar the President from taking actions he/she

deems to be either appropriate or required.

7. Representatives of local APSCUF shall have the right to meet with the department and University-wide tenure committees for the purpose of explaining the duties and responsibilities of committee members.

F. 1. A tenured FACULTY MEMBER may be terminated, suspended without pay for a period not to exceed sixty (60) days, or otherwise disciplined only for just cause. In the event the President believes such just cause exists, he/she shall give written notice, specifying the reasons, to the affected FACULTY MEMBER and APSCUF, and that FACULTY MEMBER shall have the right to grieve solely by means of and in compliance with all provisions of the procedure provided for in Article 5, GRIEVANCE PROCEDURE AND ARBITRATION.

2. A probationary non-tenured FACULTY MEMBER may be terminated, suspended without pay for a period not to exceed sixty (60) days, or otherwise disciplined at any time prior to the expiration of his/her five (5) year probationary period. The President shall give written notice to the affected non-tenured probationary FACULTY MEMBER and APSCUF, specifying the reasons for the discipline, and that non-tenured probationary FACULTY MEMBER shall have the right to grieve where the non-tenured probationary FACULTY MEMBER asserts that the discipline is discriminatory or arbitrary and capricious, but such assertions shall be processed solely by means of and in compliance with all provisions of the procedure provided for in Section C. of Article 5, GRIEVANCE PROCEDURE AND ARBITRATION. This subsection does not apply to non-renewal actions.

G. 1. If a FACULTY MEMBER is terminated and a grievance is filed contesting the termination, all pay and benefits shall continue for a period of ninety (90) days from the effective date of termination, which date shall be determined solely by the President in his/her discretion. At the end of this ninety (90) day period all pay shall cease; all benefits likewise shall cease, with the exception of life insurance, hospital and medical coverage, and health and welfare benefits, which shall continue until the date the grievance is resolved or the date the arbitration decision is issued on the grievance, whichever occurs first.

2. The President, in his/her sole discretion, may extend the termination date of a FACULTY MEMBER and may assign the FACULTY MEMBER the same or other academic or administrative duties if the President in his/her sole discretion determines that such assignment will not be detrimental to the operation of the University. The FACULTY MEMBER may, at the President's sole discretion, be offered these same or other duties and may continue on the payroll of the University.

3. If a terminated FACULTY MEMBER contests his/her termination by filing a grievance, such grievance will be handled in an expeditious fashion in the steps of the grievance procedure. If the grievance is not resolved by the third step of the grievance procedure and APSCUF requests that the grievance be submitted to arbitration, the parties will make a good faith effort to schedule the grievance for hearing before an arbitrator within ninety (90) days, or sooner if possible, of the date the request for arbitration is received by the STATE SYSTEM/UNIVERSITIES.

H. If a FACULTY MEMBER is suspended pursuant to this Article, all benefits, including but not limited to hospital and medical insurance, life insurance, and health and welfare benefits, shall be continued for the duration of the suspension.

Article 16

PROMOTIONS

A. Qualifications and Categories for Evaluation

1. The minimum qualifications for ranks shall be as specified in the applicable laws.
2. In addition to the required minimum qualifications, categories for FACULTY promotions shall include, but not be limited to, the categories identified in Article 12, Section B., PERFORMANCE REVIEW AND EVALUATION OF FACULTY.
3. Effective July 1, 2000, each University shall provide written job descriptions for all FACULTY MEMBERS whose basic responsibilities lie outside the classroom and for the nonclassroom responsibilities of FACULTY MEMBERS with mixed workloads. This official job description shall be the basis of the evaluation of these FACULTY MEMBERS in lieu of effective teaching. A copy of the job description or any subsequent revision shall be placed in the FACULTY MEMBER'S official personnel file and a copy shall be sent to local APSCUF for informational purposes.

B. Promotion Policies and Procedures

The following promotion procedure shall be used at each University:

1. Promotions at each University shall be granted by the President only in accordance with the approved and published Statement of Promotion Policies and Procedures for each University.
2. The University-wide promotion committee shall be elected by and from the FACULTY and shall include no more than one (1) member from any department.
3. Any FACULTY MEMBER with the required minimum qualifications may submit an application for promotion, together with written substantiation of the above-mentioned criteria, not later than November 1.
4. Applications should be submitted to the appropriate department chairperson who shall immediately notify the departmental committee. In all cases an application must receive consideration first at the department level.
5. No FACULTY MEMBER shall serve on a departmental or University-wide committee when he/she or a member of his/her immediate family or a person residing in his/her household is an applicant for promotion. No department chairperson shall evaluate his/her own application for promotion or the application of a member of his/her immediate

family or a person residing in his/her household. Immediate family shall be defined as spouse, child, step-child, parent, step-parent, parent-in-law, brother, sister, brother-in-law or sister-in-law. A department chairperson shall not be permitted to participate in the review of any applicants, if he/she or a member of his/her immediate family or a person residing in his/her household is an applicant. The department shall select another FACULTY MEMBER in the department acceptable to the department and management to substitute for the department chairperson.

6. The appropriate department committee and department chairperson shall submit the full list of applicants, together with a detailed recommendation in accordance with the University Statement on Promotion Policies and Procedures with respect to each applicant, in writing, to the University-wide promotion committee no later than February 1, with a copy of the list of applicants being forwarded to the appropriate Dean or other appropriate management personnel. In addition, all data and materials upon which the recommendation of the department committee is based shall be forwarded to the President or his/her designee by February 1. If the committee or chairperson fails to submit a recommendation to the University-wide promotion committee by the appropriate date, the applicant may submit the application and the supporting material directly to the University-wide promotion committee.

7. The University-wide promotion committee shall review all applications received from the departments. The University-wide promotion committee shall then forward the full list, together with its recommendations that are in accord with the University Statement on Promotion Policies and Procedures as to each applicant to the President or his/her designee not later than April 15.

8. The University-wide promotion committee shall have the right to consult with the appropriate department committee, department chairperson or individuals submitting requests for promotion.

9. Each applicant for promotion shall have the right to request and make an appearance before the University-wide promotion committee to speak on his/her own behalf before the committee submits its recommendations to the President or his/her designee.

10. In the event the President or his/her designee rejects a recommendation of the University-wide promotion committee, that committee shall be notified in writing and shall be given an opportunity to discuss the matter with the President or his/her designee. Promotions shall be made by the President effective as of the beginning of the next academic semester and announced to the FACULTY not later than July 15 (January 15 for mid-year promotions, if applicable).

11. An individual FACULTY MEMBER shall have the right to grieve, in accordance with Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, promotion decisions only as to himself/herself and then only with respect to failure by management to observe the procedures set forth above or insofar as other provisions of this Agreement may have been violated. Action or inaction by members of the bargaining units with regard to promotions shall not be grievable. Representatives of local APSCUF shall have the right to meet with the department and University-wide promotion committees to explain the

duties and responsibilities of such committees.

C. Amending Local Promotion Policies

University Statements on Promotion Policies and Procedures shall be amended by agreement at local meet and discuss and any amendments will be reviewed for approval by State Meet and Discuss for the sole purpose of insuring their compliance with this Agreement and the "Guidelines for the Preparation of a Statement of Promotion Policies and Procedures."

 - d. Part-time temporary FACULTY MEMBERS shall accrue one (1) day of sick leave per semester.
2. Sick leave shall be cumulative from year to year.
3. Sick leave with full pay to the total amount accumulated, but not to exceed the maximum allowed by law in a calendar year, may be granted to a FACULTY MEMBER for his/her personal illness or accident.
4. The provisions of this Article shall not preclude the granting of additional sick leave by administrative action in accordance with applicable law.
5. A FACULTY MEMBER shall be credited with paid sick leave while on sabbatical in accordance with the following schedule:
 - a. 7 1/2 days shall be credited for a sabbatical leave with half pay for a full academic year or a sabbatical leave with full pay for one semester.
 - b. 15 days shall be credited for a sabbatical leave with full pay for the entire

academic year.

B. Usage

1. Sick leave to the maximum permitted by law (in any one (1) calendar year) shall be granted by management to a FACULTY MEMBER, and shall be charged to the FACULTY MEMBER for any absence related to the FACULTY MEMBER'S own personal illness or accident which occurs while the FACULTY MEMBER is in an active pay status. Sick leave usage shall be charged for each day of absence in a week during which the FACULTY MEMBER is in an active pay status on the basis of a five (5) day week, regardless of a FACULTY MEMBER'S work schedule in that week except for part-time FACULTY MEMBERS as identified in subsection 2 below. Sundays, holidays and vacation periods shall not be charged to sick leave.

2. A full-time FACULTY MEMBER who is absent for a partial day shall be charged one-half (1/2) day of sick leave. A part-time FACULTY MEMBER shall be charged one-half (1/2) day of sick leave for absences on days where he/she is scheduled to teach one (1) class and a full day of sick leave for absences when two (2) or more classes are scheduled to be taught.

3. No sick leave shall be used if the reason for the requested sick leave is an accidental injury which occurred while the FACULTY MEMBER was engaged in remunerative work unrelated to University duties.

4. A physician's statement may be required for absences of three (3) or more consecutive days because of illness, or in situations where, in the opinion of the FACULTY MEMBER'S appropriate Dean or other appropriate management personnel, sick leave is being abused.

5. FACULTY MEMBERS may use accumulated sick leave while working on a summer school contract in accordance with the following policy:

a. A FACULTY MEMBER who becomes ill after beginning summer classes may use accumulated sick leave if he or she has not yet used more than the maximum number of days allowed by law in the current calendar year.

b. A FACULTY MEMBER who is contracted to teach summer school and cannot report for work in accordance with the terms of the contract because of illness shall be permitted to use accumulated sick leave for the duration of the contracted session; provided that the FACULTY MEMBER submits proof of illness or disability in the form of a physician's certificate which shall be submitted prior to the start of the summer session if possible, and which shall state a prognosis and expected date of return; and provided further that the University may require the FACULTY MEMBER to be examined by a physician of the University's choice. If the physician chosen by the University determines that the illness or disability will not prevent the FACULTY MEMBER from fulfilling his/her contract duties and responsibilities, no sick leave shall be granted.

c. A regular FACULTY MEMBER who notifies the appropriate supervisor of a reasonable delay in reporting for the beginning of summer employment may be granted paid sick leave for the period of absence.

d. Temporary faculty appointed for summer school are not entitled to receive pay for periods of absence due to illness.

6. Sick leave of one (1) week or less for ACADEMIC FACULTY MEMBERS may, at the discretion of the President or his/her designee, require that classes be covered by colleagues of the FACULTY MEMBER. For a sick leave period of more than one (1) week, the affected classes shall be covered, at the discretion of the President or his/her designee, either by hiring a temporary FACULTY MEMBER or by assigning classes to another FACULTY MEMBER. In this latter situation, overload, in accordance with Article 25, OVERLOAD, shall be paid to the extent the assignment exceeds the maximum teaching load provided in this Agreement.

7. In accordance with Act 182, whenever a FACULTY MEMBER shall be absent from duty because of a death in the immediate family of said FACULTY MEMBER, there shall be no deduction in salary of said FACULTY MEMBER for an absence not in excess of three (3) days. Members of the immediate family shall be defined as father, mother, brother, sister, son, daughter, husband, wife, or parent-in-law. Also included shall be any near relative who resides in the same household or any person with whom the FACULTY MEMBER has made his/her home. In addition, a FACULTY MEMBER may use up to two (2) days of sick leave for this purpose. The actual days to be granted shall be such as will accommodate the reasonable needs of the FACULTY MEMBER involved, and it is expected that his/her classes or other responsibilities will be covered by his/her colleagues.

8. Where sickness in the immediate family requires the FACULTY MEMBER'S absence from work, FACULTY MEMBERS may use not more than five (5) days of sick leave entitlement in each calendar year for that purpose. Unless granted an exception by the President or his/her designee, immediate family is defined as the husband, wife, child, or parent, of the FACULTY MEMBER. The STATE SYSTEM/UNIVERSITIES may require proof of such family sickness in accordance with Section B.4. of this Article.

C. Sick Leave Bank

1. A sick leave bank shall be established at each University. All FACULTY MEMBERS who have earned a minimum of 315 days of sick leave shall be required to contribute one (1) day of sick leave each year to a sick leave bank. Should the sick leave bank be depleted, FACULTY MEMBERS may contribute unused sick leave on a voluntary basis.

2. FACULTY MEMBERS who have exhausted all accumulated, paid leave and personal days may submit a request to local APSCUF to use days from the University sick leave bank up to the maximum allowed by law in one (1) calendar year.

3. The sick leave bank will be administered by local APSCUF.

4. Local APSCUF shall notify the University of any FACULTY MEMBER who has received approval to withdraw paid sick leave from the bank and the number of days approved. Local APSCUF shall provide the University with a report of all sick leave bank activity at the end of each academic year.

D. Reporting Sick Leave

1. Except for emergencies, all requests for sick leave which can be anticipated (hospitalizations, surgical procedures, etc.) shall be submitted in advance. The request shall be on a signed leave form which identifies the FACULTY MEMBER and the period of absence. The request shall be submitted to the appropriate Dean, or other appropriate management personnel, who shall indicate his/her approval or disapproval and return a signed copy of the request to the FACULTY MEMBER.

2. When a FACULTY MEMBER experiences an emergency illness, it is incumbent on the FACULTY MEMBER to notify the appropriate Dean or other appropriate management personnel in a timely fashion.

3. The University personnel office shall maintain the official leave record of FACULTY MEMBERS in accordance with the provisions of Article 13, PERSONNEL FILES, and shall make periodic adjustments as appropriate to insure credit/usage records.

E. Payment for Sick Leave on Retirement

1. A FACULTY MEMBER who retires shall be paid for his/her unused sick leave, in accordance with the schedule set forth in subsection 2. below.

2. Upon retirement from the STATE SYSTEM/UNIVERSITIES, the following payment schedule shall apply:

DAYS ACCUMULATED	DAYS PAID
10 to 74 days	10
75 to 149 days	20

a. Retirement at age sixty (60) or above with five (5) years of COMMONWEALTH/STATE SYSTEM service as a FACULTY MEMBER.

b. Disability retirement under the State Employees' Retirement System. For purposes of this subsection, a retirement under TIAA-CREF shall be considered disability retirement if the retiree meets the same disability retirement standards used by the State Employees' Retirement System in accordance with the procedures provided for in Appendix E.

- c. Retirement under age sixty (60) with at least twenty-five (25) years of COMMONWEALTH/STATE SYSTEM service. The twenty-five (25) years of service need not all be as a FACULTY MEMBER but may include periods of COMMONWEALTH/STATE SYSTEM service in other than FACULTY positions.
4. Such a FACULTY MEMBER shall not be paid for part days of accumulated sick leave.
5. If a FACULTY MEMBER dies while in active service, unused sick leave shall be paid in accordance with Section E.2. above to the designated beneficiaries of the deceased FACULTY MEMBER provided the FACULTY MEMBER would have been eligible under Section 3.a. above or the FACULTY MEMBER had seven (7) full years of COMMONWEALTH/STATE SYSTEM service. In the event of a work-related death, fifty (50) days of unused sick leave shall be paid to the designated beneficiaries, regardless of the age or number of years of service of the FACULTY MEMBER.
6. No payment herein shall be construed to add to the credited service of the retiring FACULTY MEMBER or to the retirement covered compensation of the member.
7. Payment for unused sick leave as provided for in this Section shall be at the rate of pay of the FACULTY MEMBER on the date of retirement or death.

Article 18

LEAVES OF ABSENCE

A. Sabbatical Leaves

1. A leave of absence for a period not to exceed eighteen (18) University calendar weeks with full pay in accordance with current scheduling practice, or a leave of absence for a period not to exceed thirty-six (36) University calendar weeks with half pay, in accordance with current scheduling practice, for restoration of health, study, travel, or other appropriate purposes, may be requested by a FACULTY MEMBER and may, at the discretion of the President, be granted to any FACULTY MEMBER of any University who has submitted a request for consideration for a sabbatical leave and who has completed seven (7) or more years of satisfactory service as a FACULTY MEMBER of one (1) or more of the UNIVERSITIES, as specified below. Library FACULTY MEMBERS who were granted ACADEMIC FACULTY rank shall accrue credits towards sabbatical leave only from the date the ACADEMIC FACULTY rank was granted. Sabbatical leaves granted after the March 20, 1997 will be based primarily upon merit. Unused sabbatical leave credit may be considered in the selection process.
2. At least five (5) consecutive years of such service shall have been rendered to the University from which the leave is sought. A FACULTY MEMBER who has been granted an approved leave without pay shall not be deemed to have had his/her consecutive service interrupted; provided, however, that time spent on such leave shall not count as service toward a sabbatical leave nor towards the accumulation of sick leave.

3. If the University operates on a system of units other than semesters, the FACULTY MEMBER may, at his/her option, be granted a sabbatical leave corresponding to one (1) or more of these units so long as the restriction set forth in subsection 1. above, concerning total weeks of sabbatical leave which can be granted in each such leave, is met.

4. One (1) sabbatical leave may be requested, considered and granted in accordance with the procedures set forth in this Article for each additional seven (7) years of service. Leaves shall be accumulated so that no one shall lose entitlement to consideration for a sabbatical leave because of failure to use leave due to scheduling practices at a particular University, but no one shall be entitled to be considered for or use more than thirty-six (36) weeks of the accumulated leave as part of any one (1) sabbatical leave.

5. No FACULTY MEMBER who resigns, or who is retrenched, terminated, or for any other reason leaves employment with the STATE SYSTEM/UNIVERSITIES shall be entitled to request or be considered for the grant of a sabbatical leave. No sabbatical leave shall be granted unless the FACULTY MEMBER shall agree in writing to return to his/her employment with the University for a period of not less than one (1) year immediately following the expiration of such leave of absence. Where a FACULTY MEMBER has requested, been considered for, been granted and scheduled for a sabbatical leave in accordance with provisions of Section F.1. of Article 29, RETRENCHMENT, and that FACULTY MEMBER thereafter receives a notice of retrenchment in accordance with the terms of that same Article, the FACULTY MEMBER will be entitled to be returned to his/her former position but only for that period of time which precedes the effective date of the retrenchment. Nothing in this Agreement shall prevent the STATE SYSTEM/UNIVERSITIES from providing FACULTY MEMBERS who are on approved sabbatical leaves with notice of retrenchment in accordance with Article 29, RETRENCHMENT.

6. No sabbatical leave of absence shall be considered a termination or breach of the contract of employment and the FACULTY MEMBER on sabbatical leave shall be returned to the same position he/she occupied prior thereto.

7. If a FACULTY MEMBER is granted a sabbatical leave during two (2) summer periods the FACULTY MEMBER shall receive five (5) bi-weekly checks for each of the two (2) summer periods. However, a FACULTY MEMBER granted such a sabbatical leave shall not be eligible for a summer school contract.

8. Every FACULTY MEMBER while on sabbatical leave of absence shall be considered to be in regular full-time daily attendance in the position from which the leave is being taken during the period of said leave, for the purpose of determining the FACULTY MEMBER'S length of service and the right to receive increments as provided by law or contract.

9. Every FACULTY MEMBER on sabbatical leave shall retain the right to make contributions as a member of the State Employees' Retirement System, the Public School Employees' Retirement System, or TIAA-CREF and continue his/her membership therein.

10. Nothing in this Section shall be construed to prevent any FACULTY MEMBER on sabbatical leave from receiving a grant for further study from any institution of learning

other than the University, which employs him/her.

11. Each University may grant sabbatical leaves of absence in any one (1) year to up to seven percent (7%) of its FACULTY.

12. a. A committee chosen by and from the FACULTY at each University shall receive applications for sabbatical leaves at a time and in a manner which it shall determine and announce. No FACULTY MEMBER shall serve on a departmental or University-wide committee when he/she or a member of his/her immediate family or a person residing in his/her household is an applicant for sabbatical leave. No department chairperson shall make a recommendation regarding sabbatical leave if he/she or a member of his/her immediate family or a person residing in his/her household is an applicant for sabbatical leave. Immediate family shall be defined as spouse, child, step-child, parent, step-parent, parent-in-law, brother, sister, brother-in-law or sister-in-law. A department chairperson shall not be permitted to participate in the review of any applicants, when he/she or a member of his/her immediate family or a person residing in his/her household is an applicant for sabbatical leave. The department shall select another FACULTY MEMBER in the department acceptable to the department and management to substitute for the department chairperson.

b. The committee shall review applications and forward the full list of applicants, with such recommendations, in priority order, to the President or his/her designee at least eight (8) months before the leave is to commence.

c. Should the President or his/her designee reject in whole or in part the recommendations of the committee, the committee shall be notified in writing and shall be given an opportunity to discuss the matter with the President or his/her designee, but the President shall make and announce his/her decision with respect to the granting of sabbatical leaves not later than six (6) months prior to the beginning of the time when the leave will commence.

d. As authorized by law, the President of each University shall have the right to consider requests for and make the determination concerning the granting of sabbatical leaves as he/she in his/her sole discretion deems appropriate and to make such regulations as he/she may deem necessary to make sure that a FACULTY MEMBER on sabbatical leave utilizes such leave properly for the purpose for which it was granted, including requiring reports from the FACULTY MEMBER in such manner as the President may deem necessary.

e. (1) An individual FACULTY MEMBER shall have the right to grieve, in accordance with the procedures of Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, sabbatical leave decisions but only as to himself/herself and then only with respect to failure to observe the specific procedures set forth above.

(2) APSCUF shall have the right to grieve in accordance with the procedures of said Article 5, with regard to a substantial change in the pattern of granting sabbatical leaves at a specific University.

B. Military Leaves

FACULTY MEMBERS shall be eligible for military leave in accordance with applicable law.

C. Civil Leave

Evidence of such required court attendance in the form of a subpoena or other written notification shall be presented to the FACULTY MEMBER'S Dean or other appropriate management representative as far in advance as is practicable. The University shall have the right to request the appropriate authorities to relieve such FACULTY MEMBER of jury duty or the court appearance in any manner permitted by law and the FACULTY MEMBER is expected to report for regular University duty when his/her attendance at court is not required either for the aforementioned jury duty or as a subpoenaed witness. The term court as used in this subsection is intended to mean only the following courts: Minor Judiciary Court, Courts of Common Pleas, Commonwealth Court and the United States District Court.

2. FACULTY MEMBERS who are subpoenaed as witnesses in the following administrative hearings shall be granted leave with pay while attending such hearings: Unemployment Compensation Board of Review Referee, Workers' Compensation Judge, Workers' Compensation Appeal Board, State Civil Service Commission, Pennsylvania Human Relations Commission, and Pennsylvania Labor Relations Board.

Such leaves may be renewed or extended by the written mutual consent of APSCUF and the UNIVERSITIES. In no event shall more than three (3)

FACULTY MEMBERS from the UNIVERSITIES be on such leave at any one time.

Upon the request of the FACULTY MEMBER and at the discretion of the President, parental leave may be extended or renewed for a period not to exceed six (6) months. In no case shall the total amount of parental leave exceed twelve (12) months. FACULTY MEMBERS may, at the discretion of the President, be granted parental leave on an intermittent or reduced time basis. In such cases, FACULTY MEMBERS who are absent for a partial day will be charged one-half (1/2) day of leave against the days of entitlement. Leave entitlement will be pro-rated for part-time FACULTY MEMBERS.

b. In no case shall a pregnant FACULTY MEMBER be required to leave prior to the childbirth unless she can no longer satisfactorily perform the duties of her position.

c. While a FACULTY MEMBER is on parental leave, the duties of the position shall either be performed by remaining FACULTY MEMBERS and the position kept vacant, or they shall be performed by a substitute employee.

3. Resumption of Duties

a. Every FACULTY MEMBER shall have the right to return to the same

position held before going on parental leave, or to an equivalent position for which he/she qualifies.

b. A FACULTY MEMBER'S anniversary date shall be extended in the same manner as is done with respect to leaves without pay.

4. Disability Leave Due to Pregnancy

All other periods of leave related to parental leave shall be leave without pay. Unused leave shall be carried over until her return. A FACULTY MEMBER shall not earn personal or sick leave while on parental leave without pay. An ADMINISTRATIVE FACULTY MEMBER shall not earn annual leave while on parental leave without pay.

Article 19

WORK-RELATED INJURIES

A. A FACULTY MEMBER who sustains a work-related injury during the period of this Agreement, as the result of which the employee is disabled, if so determined by a decision issued under the operation of the Workers' Compensation Insurance program, shall be entitled to work-related disability leave. Work-related disability leave is a leave of absence for which the FACULTY MEMBER will be paid full pay reduced by an amount that yields a net pay, including Workers' Compensation and Social Security Disability Benefits, that is equal to the FACULTY MEMBER'S net pay immediately prior to the injury. Net pay prior to injury is defined as gross base pay minus federal, state, and local withholding and Social Security and retirement contributions. Work-related disability leave shall be payable for an aggregate of twelve (12) months or for the duration of the disability, whichever is the lesser. In no case, however, will the aggregate of twelve (12) months extend beyond three (3) calendar years from the date the injury occurred.

A FACULTY MEMBER who sustained a work-related injury prior to July 1, 1981 will continue to receive benefits in accordance with the previous Agreement between the STATE SYSTEM and APSCUF.

B. There shall be no reduction in credited service under the State Employees' Retirement Code during the period of time that the FACULTY MEMBER is on work-related disability leave.

C. A FACULTY MEMBER who qualifies for work-related disability leave shall not be entitled to use sick, annual or personal leave during the period of eligibility. If the disability continues, sick leave accumulation may be taken at the expiration of the eligibility period to the

extent of such accumulation, or the maximum allowed by law in a calendar year whichever is less. Effective July 1, 1981, sick leave and annual leave shall be earned on thirty-four percent (34%) of the work-related disability leave hours used. Personal leave shall not be earned during work-related disability leave.

D. A FACULTY MEMBER is required to refund to the Employer the amount of overpayment of pay if an overpayment results because a claim denial is issued under the operation of the Workers' Compensation Insurance program. In no case shall a FACULTY MEMBER be entitled to full pay and Workers' Compensation and/or Social Security for the period of eligibility. The Employer shall recover any amount in excess of the FACULTY MEMBER'S work-related disability leave amount. Failure to apply for or report Social Security or other applicable disability benefits to the Employer will result in the termination of work-related disability leave.

E. STATE SYSTEM paid coverage for life insurance and for hospital and medical insurance as provided in Article 21, FRINGE BENEFITS, will continue for the period of time that the employee is on work-related disability leave.

F. A FACULTY MEMBER has the right to return to a position in the same department and at the same rank held before being disabled for a period of up to three (3) years from the date the injury occurred, provided the FACULTY MEMBER is fully capable of performing the duties of that position, subject to the provisions of Article 29, RETRENCHMENT. This guarantee expires if the disability ceases prior to the expiration of the three (3) year period and the FACULTY MEMBER does not return to work immediately or if the FACULTY MEMBER retires or otherwise terminates employment. During the period of time between the end of the work-related disability leave and the end of the guarantee in this Section, the FACULTY MEMBER will be on leave without pay unless the employee is using sick leave in accordance with Section C of this Article.

G. The compensation for disability retirement arising out of work-related injuries shall be seventy percent (70%) of the final average salary less Workers' Compensation and Federal Social Security benefits.

H. A FACULTY MEMBER who sustains a work-related injury during the period of this Agreement, if so determined by a decision issued under the operation of the Workers' Compensation Insurance program, may be absent from work with pay on ten (10) occasions without use of sick, annual, or personal leave for the purpose of continued medical treatment of the work-related injury for a period of three (3) years from the date the injury occurred. Each absence shall not exceed one (1) work day or the minimum amount of time necessary to obtain the medical treatment, whichever is less, and must be substantiated by a doctor's certificate verifying that the medical services were necessary and related to the work injury. FACULTY MEMBERS shall make reasonable efforts to schedule medical appointments during non-work hours. Verification of the length of the medical appointment may be required. This Section is not applicable to any absence for which Workers' Compensation is payable.

Article 20

RETIREMENT

A. FACULTY MEMBERS shall have the option to elect retirement under the State Employees' Retirement System, the Public School Employees' Retirement System, or TIAA-CREF in accordance with COMMONWEALTH rules and regulations then obtaining. In addition, they shall continue to enjoy those other retirement benefits that are currently provided under applicable laws. The amount to be contributed by the STATE SYSTEM (in the event of a selection of TIAA-CREF) shall be calculated at the rate actuarially determined exclusively by the State Employees' Retirement Board to be payable to the State Employees' Retirement Fund for each such FACULTY MEMBER.

B. The parties shall meet and discuss during the term of the Agreement aspects of the COMMONWEALTH'S retirement program that are of mutual interest.

C. The provisions of this Article shall not be subject to the provisions of Article 5, GRIEVANCE PROCEDURE AND ARBITRATION.

Article 21

5. Eligible FACULTY MEMBERS shall be provided a choice between enrollment in the indemnity plan, a Health Maintenance Organization (HMO), the Point-of-Service Plan or other health plans with which the STATE SYSTEM has made contractual arrangements. Eligible FACULTY MEMBERS shall be those determined by the health plans in accordance with the eligibility provisions of the STATE SYSTEM OF HIGHER EDUCATION Group Health Program (SSHEGHP). The choice among plans shall be operated as follows:

 - b. The amount and kind of benefits available to the FACULTY MEMBERS shall be those offered by the plan and contracted for by the STATE SYSTEM.
 - c. The Health and Welfare Fund contribution rate will not be affected as a result of offering the plan options.
 - d. The option to elect coverage under a plan shall be available during annual open enrollment periods designated by the STATE SYSTEM and the plans. FACULTY MEMBERS who are newly hired or newly transferred into a plan's service area may elect that plan or the indemnity plan option at that time. FACULTY MEMBERS who leave the service area or who are dissatisfied with an HMO or other health plan may elect coverage in the indemnity plan.
 - e. The STATE SYSTEM shall contribute to the HMO or other health plan for each FACULTY MEMBER subscriber an amount not to exceed that which he/she would pay under Section A.1. above based on the regular indemnity plan individual or multi-party rate component appropriate for the geographic area in which the HMO or other health plan is located. Additional costs, if any, of the HMO, Point-of-Service Plan, or other health plan shall be paid for by the FACULTY MEMBER

through payroll deductions.

f. If FACULTY MEMBER payroll deductions are required and FACULTY MEMBERS are placed on sick or parental leave without pay, benefits shall be continued for up to six (6) months or twelve (12) weeks for family care leave without pay, only if the FACULTY MEMBERS continue to pay their share of the premium. If the FACULTY MEMBERS do not pay their share of the premium, their coverage under the HMO or other health plan will be canceled and they will be permitted to continue coverage under COBRA provisions or on a direct pay basis.

6. The STATE SYSTEM shall provide eligible part-time FACULTY MEMBERS, who are expected to be in an active pay status at least fifty percent (50%) of the time every pay period of the academic year or full year, as appropriate, for each FACULTY MEMBER'S position, with fifty percent (50%) STATE SYSTEM paid coverage under the indemnity plan as provided for in Section A.1. In addition, it shall provide fifty percent (50%) STATE SYSTEM paid dependency coverage where the dependents of the FACULTY MEMBER qualify under such plan.

7. a. Eligible FACULTY MEMBERS who are granted leave without pay due to sickness or parental leave will continue to receive hospital and medical benefits under the SSHEGHP for up to six (6) months. Regular FACULTY MEMBERS who are granted family care leave may continue to receive hospital and medical benefits for up to twelve (12) weeks.

b. Eligible FACULTY MEMBERS who are granted leave without pay for any reason other than for sickness, parental, or family care leave for longer than one (1) full pay period, or who are on leave without pay due to sickness or parental leave longer than six (6) months, or family care leave longer than twelve (12) weeks will be permitted to continue coverage under COBRA provisions or on a direct pay basis.

c. The STATE SYSTEM shall continue to pay the contribution as stated in Sections A.1. and A.5.e. for eligible FACULTY MEMBERS for the period of time for which they are entitled to benefits under Section A.7.a. above, except as provided in Section A.5.f.

8. a. The STATE SYSTEM shall allow each FACULTY MEMBER who was eligible as an active FACULTY MEMBER under the SSHEGHP to elect coverage upon retirement under the present indemnity plan or another approved plan, if available, under the Annuitant Health Care Program (AHCP). Hospital and medical insurance benefits explicitly provided for retirees in this Agreement in addition to those in the AHCP shall be available. In addition, dependency coverage shall be allowed where the dependents of the annuitant qualify under such Plan. The STATE SYSTEM shall contribute to the HMO or other health care plan for each annuitant subscriber an amount not to exceed that which would have been contributed to the indemnity plan for the appropriate geographic area in which the HMO or other health care plan is located. Additional costs, if any, shall be paid by the annuitant.

b. FACULTY MEMBERS who retire and are covered under the AHCP will be required to enroll in Medicare Part B in order to continue comprehensive medical coverage. The STATE SYSTEM shall continue to provide the Blue Shield 65-Special Supplement.

c. The STATE SYSTEM shall pay the entire cost of coverage it paid under the SSHEGHP for annuitants who retire under the provisions of paragraphs (1), (2), or (3) below and who have elected coverage under subsection 8.a. above. For purposes of this Section, "credited service" for all FACULTY MEMBERS who begin employment in the fall semester 1997 and after, shall only include actual service with the STATE SYSTEM or COMMONWEALTH and shall not include other types of service purchasable for retirement credit.

(1) Retirement at or after superannuation age with at least ten (10) years of credited service in the State and/or Public School Employees' Retirement Systems, except that a FACULTY MEMBER who leaves STATE SYSTEM employment through resignation or discharge prior to superannuation age, vests retirement benefits and does not retire until at or after superannuation age must have had on the date of resignation or discharge, twenty-five (25) years of credited service in the State and/or Public School Employees' Retirement Systems. A FACULTY MEMBER, who is retrenched prior to superannuation age, vests his/her retirement benefits and subsequently retires at or after superannuation age during the furlough period must have ten (10) or more years of credited service in the State and/or Public School Employees' Retirement Systems. For purposes of this subsection, superannuation under TIAA-CREF shall be sixty (60) years of age with at least ten (10) years of COMMONWEALTH, STATE SYSTEM and/or public school service. For purposes of this paragraph, for all FACULTY MEMBERS who begin employment in the fall semester 1997 and after, the service requirement shall be fifteen (15) years; rather than ten (10) years.

(2) Disability Retirement, which requires at least five (5) years of credited service in the State or Public School Employees' Retirement Systems. For purposes of this subsection, retirement under TIAA-CREF shall be considered disability retirement if the retiree meets the same disability retirement standards used by the State Employees' Retirement System in accordance with the procedures provided for in Appendix E.

(3) Other retirement, including retirement under TIAA-CREF with at least twenty-five (25) years of credited service in the State and/or Public School Employees' Retirement Systems, and who have elected coverage under the AHCP. Hospital and medical insurance benefits explicitly provided for retirees in this Agreement in addition to those in the AHCP shall be available.

For purposes of this paragraph, TIAA-CREF members who begin employment before the end of the 1996-97 academic year may receive retirement credits equal to the retirement credit which they would be entitled to purchase under the rules of the State Employees' Retirement System

(SERS) for military service, for service in other public colleges and universities, and for other permissible service credit purchases. Such retirement credit must be certified as eligible by SERS as creditable under its rules. In addition, a one time cash payment must be made to the FACULTY MEMBER'S TIAA-CREF account, which payment shall be calculated by SERS under its rules and practices. The FACULTY MEMBER shall cause TIAA-CREF to certify that the payment has been made. This provision shall be effective only for those FACULTY MEMBERS who retire on or after July 1, 1990 and who began employment before the end of the 1996-97 academic year.

9. It is understood and agreed that the references to the indemnity plan and HMO Plans in this Article shall not restrict the Employer's right after consultation with APSCUF to replace Blue Cross and Blue Shield or an HMO with other insurers/administrators, provided equivalent coverage, benefits and employer contributions are maintained.

10. In no event shall Hospital and Medical coverage and benefits for eligible FACULTY MEMBERS and their dependents and eligible annuitants and their dependents be less than for other employees of the STATE SYSTEM covered by collective bargaining agreements.

B. Life Insurance

1. The STATE SYSTEM/UNIVERSITIES shall assume the entire costs of life insurance coverage as described in this Section. The eligibility of FACULTY MEMBERS for life insurance will be as set forth in the currently existing life insurance plan. The amount of life insurance will be based on the FACULTY MEMBER'S annual pay rate in effect on the preceding January 1, rounded to the nearest \$1,000, but not to exceed \$50,000.

2. The STATE SYSTEM/UNIVERSITIES shall continue to provide each FACULTY MEMBER who is covered under the currently existing life insurance plan with fully paid accidental death benefits for work-related accidental deaths in addition to the life insurance coverage provided in subsection 1. above. The amount of coverage is \$20,000.

3. FACULTY MEMBERS eligible for life insurance pursuant to this Article, who are granted sick leave without pay or parental leave without pay will continue to receive one hundred percent (100%) State System paid coverage under the current life insurance plan for up to six (6) months. FACULTY MEMBERS, who are on sick leave or parental leave without pay for longer than six (6) months, may remain in the program for an additional six (6)-month period by paying the entire premium. An ADMINISTRATIVE FACULTY MEMBER who earns a minor holiday and subsequently terminates employment prior to taking the rescheduled day off with pay shall be compensated for such holiday. In the event the earning of a minor holiday(s) is anticipated and an ADMINISTRATIVE FACULTY MEMBER terminates employment prior to actually earning the anticipated holiday(s), such ADMINISTRATIVE FACULTY MEMBER shall reimburse the STATE SYSTEM/UNIVERSITIES for the holiday(s) taken but not earned. If a holiday is observed while an eligible ADMINISTRATIVE FACULTY MEMBER on a twelve (12) month contract is on sick, annual, or other paid leave status, the ADMINISTRATIVE FACULTY MEMBER will receive pay for the holiday and the day will not be charged against other paid leave.

D. Personal Leave Days

A FACULTY MEMBER entitled to five (5) personal leave days must have thirty (30) days service in compensable pay status in each one-fifth calendar year to earn the personal leave entitlement under Section D.2. above.

4. Personal leave shall be scheduled and granted for periods of time requested by the FACULTY MEMBER subject to management's responsibility to maintain efficient operations. Requests for personal leave by an ACADEMIC FACULTY MEMBER shall be submitted in writing by the ACADEMIC FACULTY MEMBER and shall be answered by management within seven (7) days. Such requests for personal leave by an ACADEMIC FACULTY MEMBER must be accompanied by evidence that the classes of the ACADEMIC FACULTY MEMBER are covered by a qualified colleague of the ACADEMIC FACULTY MEMBER and, in addition, such leave shall not result in overload costs to the STATE SYSTEM/UNIVERSITIES. If the nature of the work makes it necessary to limit the number of FACULTY MEMBERS on personal leave at the same time, the FACULTY MEMBER with the greatest seniority as it relates to total years of continuous service at the University shall be given his/her choice of personal leave in the event of any conflict in selection.

5. Personal leave to which a FACULTY MEMBER may become entitled shall be granted before it is earned subject to management's responsibility to maintain efficient operations. A FACULTY MEMBER who is permitted to anticipate such leave and who subsequently terminates employment shall reimburse the University for those days of personal leave used but not earned.

6. Personal leave days shall be noncumulative from calendar year to calendar year. If a FACULTY MEMBER is required to work on his/her requested personal leave day and is unable to schedule his/her personal day during the calendar year due to the demands of his/her work, the calendar year shall be extended for ninety (90) days for scheduling purposes.

7. A FACULTY MEMBER who becomes ill while on personal leave will not be charged personal leave for the period of illness provided he/she furnishes a satisfactory proof of such illness to the University upon his/her return to work.

8. In the event that a FACULTY MEMBER is unable to find a qualified colleague to replace him/her while he/she is on personal leave, such FACULTY MEMBER shall advise his/her department chairperson of this problem. The chairperson and the Dean shall assist the FACULTY MEMBER in attempting to find a qualified colleague to cover the FACULTY MEMBER'S classes.

E. Vacations

1. An ADMINISTRATIVE FACULTY MEMBER on a twelve (12) month contract shall be eligible for annual leave after thirty (30) days of service with the University. ADMINISTRATIVE FACULTY MEMBERS shall earn leave credits as of their date of hire. Leave shall be earned according to the following schedule:

ADMINISTRATIVE FACULTY MEMBERS shall earn annual leave credits for each month in which they are in compensable status ten (10) or more working days.

2. Vacation pay shall be the ADMINISTRATIVE FACULTY MEMBER'S regular rate of pay in effect for the payday immediately preceding the ADMINISTRATIVE FACULTY MEMBER'S vacation period.

3. Vacations shall be scheduled and granted for periods of time requested by the ADMINISTRATIVE FACULTY MEMBER subject to management's responsibility to maintain efficient operations. If the nature of the work makes it necessary to limit the number of ADMINISTRATIVE FACULTY MEMBERS on vacation at the same time, the ADMINISTRATIVE FACULTY MEMBER with the greatest seniority as it relates to total years of continuous service with the University shall be given his/her choice of vacation periods in the event of any conflict in selection.

4. If a holiday occurs during the work week in which vacation is taken by an ADMINISTRATIVE FACULTY MEMBER, the holiday shall not be charged to annual leave.

5. An ADMINISTRATIVE FACULTY MEMBER who becomes ill during his/her vacation will not be charged annual leave for the period of illness provided he/she furnishes satisfactory proof of such illness to the University upon his/her return to work.

7. Any ADMINISTRATIVE FACULTY MEMBER separated from the service of the University for any reason prior to taking his/her vacation shall be compensated in a lump sum for the unused vacation he/she has accumulated up to the time of separation.

8. Unused annual leave shall be carried over from one (1) calendar year to the next provided that in no case shall the amount thus carried over exceed forty-five (45) days.

9. ADMINISTRATIVE FACULTY MEMBERS who have one (1) or more years of service since their last date of hire may anticipate annual leave to which they become entitled during the then current calendar year unless the President has reason to believe that they have been abusing their leave privileges. ADMINISTRATIVE FACULTY MEMBERS with less than one (1) year of service since their last date of hire may not anticipate annual leave. Annual leave may only be anticipated within the current calendar year.

10. An ADMINISTRATIVE FACULTY MEMBER who is retrenched and is not employed in another position within fourteen (14) calendar days of the effective date of retrenchment will receive a lump sum payment for all earned, unused annual leave unless the ADMINISTRATIVE FACULTY MEMBER requests in writing before the end of the fourteen (14) calendar days to freeze all earned, unused annual leave. An ADMINISTRATIVE FACULTY MEMBER may subsequently change a decision to freeze the earned, unused annual leave by submitting a written request for a lump sum payment for the annual leave. Payment will be made within thirty-five (35) days of the date on which the request is received by the University and will be at the rate of pay in effect on the last day of employment prior to the date of retrenchment. If the ADMINISTRATIVE FACULTY MEMBER is reemployed during the recall period, annual leave, which was frozen, will be reinstated. If the ADMINISTRATIVE FACULTY MEMBER is not reemployed prior to the expiration of the recall period, the ADMINISTRATIVE FACULTY MEMBER shall be paid off in lump sum for all frozen earned, unused annual leave at the rate of pay in effect on the last date of employment prior to the date of retrenchment.

2. Total waiver of University tuition for FACULTY MEMBER'S children at the University where the FACULTY MEMBER is employed. This waiver of tuition at the FACULTY MEMBER'S University shall be applicable to the FACULTY MEMBER'S children until the children obtain their first undergraduate degree or until they reach the age of twenty-five (25), whichever comes first. This waiver of tuition shall continue to the limits stated above if the FACULTY MEMBER should, after ten (10) or more years of service, become permanently disabled or die.

3. Fifty percent (50%) waiver of University tuition for FACULTY MEMBER'S children at UNIVERSITIES other than the University where the FACULTY MEMBER is employed. This waiver of tuition shall be applicable until the children obtain their first undergraduate degree or until they reach the age of twenty-five (25), whichever comes first.

Article 23

WORKLOAD AND WORKLOAD EQUIVALENTS

A. ACADEMIC FACULTY

1. Teaching FACULTY

a. Workload Hours

For all ACADEMIC FACULTY MEMBERS, the full workload for the academic year shall not exceed twenty-four (24) workload hours (with twelve (12) workload hours as standard for a term). In no event shall more than fifteen (15) workload hours be assigned in any one (1) academic term unless overload as provided for in this Agreement is paid. Laboratories, studios, clinics, and field and activity courses shall be equated on the basis of three (3) contact hours being equal to two (2) workload hours for that period of time which is actually spent in such work. Where such types of courses also include lecture hours, each hour of scheduled lecture is to be considered a workload hour.

However, each contact hour in laboratories in chemistry, biology, physics, allied health science and earth science shall be assigned one (1) workload hour.

b. Preparations

No more than three (3) preparations per academic term shall be assigned unless such additional preparations are compensated in accordance with the formula contained in Article 25, Section B. Preparations shall be defined and assigned in accordance with the definition of preparation contained in Article 25, Section B. However, where an overload course(s) is assigned in accordance with subsection 1.a. above, the additional courses(s) assigned may carry an additional preparation(s).

c. Office Hours

Teaching FACULTY MEMBERS shall maintain a minimum of five (5) office hours per week on no fewer than three (3) different days at such times as will accommodate the needs of the students. The schedule of office hours for each FACULTY MEMBER shall be posted in such manner so as to be easily observed by the students.

d. Graduate Teaching

A FACULTY MEMBER who teaches graduate courses shall have the following considered a maximum full workload in any academic term beyond which overload shall be paid:

- (1) Nine (9) workload hours if only graduate courses are taught; or

(2) Twelve (12) workload hours for any combination of graduate and undergraduate courses involving less than nine (9) workload hours of graduate courses.

Supervision of three (3) Master's theses or one (1) Doctoral dissertation shall be equated with one (1) graduate workload hour. Graduate workload for such supervision shall be cumulative until it reaches three (3) graduate workload hours and then it shall be counted toward the FACULTY MEMBER'S workload. However, if the three (3) workload hours are not accumulated within two (2) years, the FACULTY MEMBER shall be granted the workload equivalent or the compensation for the workload hours which he/she has earned within that period.

e. Internships/Cooperative Education

(1) A University supervisor of student interns or cooperative education students shall supervise a maximum of seventy-two (72) students during a year.

(2) When an ACADEMIC FACULTY MEMBER carries a mixed load of teaching and supervision of student interns/cooperative education students, the ACADEMIC FACULTY MEMBER'S workload shall be calculated on the basis of each student intern/cooperative education student being equivalent to one-third (1/3) of a workload hour.

(3) No workload hour equivalent shall be granted unless the internship program/cooperative education program has been approved by the Curriculum Committee and the President.

f. Supervisors of Student Teachers

(1) A University supervisor of student teachers shall supervise up to a maximum of forty (40) student teachers during a two (2) semester academic year, and be responsible for practicum, where applicable. The maximum shall not exceed twenty (20) student teachers during any one (1) semester of the academic year. In making an actual assignment, the President or his/her designee shall, in consultation with the student teacher supervisors, take into consideration the number of schools involved and the distances required to be traveled from one school to another by the student teacher supervisor.

A student teacher supervisor's actual schedule of days to be worked during the academic year shall be determined by the President or his/her designee. It is contemplated that such days shall not necessarily be limited by the University calendar, but rather, the President shall take into consideration the needs of student teachers being supervised and of the school district(s) involved.

(2) Workload for student teacher supervisors when carrying a mixed load of teaching and supervision of student teachers shall be calculated on the basis that each student teacher assigned shall be equivalent to .600000 workload hour.

(3) FACULTY MEMBERS assigned full-time to supervision of student teachers shall be available for office consultations for five (5) hours per week. The place of the office consultation may be the school where the student is assigned, provided that this arrangement is approved by the appropriate Dean prior to each academic semester assignment.

(4) A student teacher supervisor shall be provided with a vehicle when available in accordance with STATE SYSTEM/UNIVERSITIES regulations. When a STATE SYSTEM/University vehicle is not available, he/she must use his/her own vehicle, and he/she shall be reimbursed pursuant to Article 32, TRAVEL EXPENSES.

(5) A student teacher supervisor who is customarily and regularly required by the STATE SYSTEM/University to travel fifteen (15) miles or more from his/her regular campus or work site, and whose work assignment requires that he/she remain away therefrom during his/her normal lunch period, shall be reimbursed for actual out-of-pocket lunch expenses not to exceed, including sales tax, two dollars and thirty-five cents (\$2.35).

2. Library FACULTY

a. Subject to the provisions hereof, all members of the professional library staff shall enjoy full FACULTY status with all the rights, privileges and responsibilities pertaining thereto. For administrative purposes, the professional librarians shall constitute a department.

b. Library FACULTY in the performance of their duties shall be scheduled for no more than thirty-five (35) hours per week, and Library FACULTY also shall be expected, as are other FACULTY MEMBERS, to assume committee assignments and other campus responsibilities.

c. A Library FACULTY MEMBER'S schedule shall be based on library needs as determined by the President or his/her designee in consultation with members of the Library FACULTY.

d. APSCUF shall conduct an election among all of the members of the Library FACULTY to designate a chairperson who shall act in a representational role for the department. The chairperson shall reflect the view of the members of the Library FACULTY in their consultations with the President or his/her designee on matters of appointment of FACULTY, renewal and non-renewal of FACULTY, FACULTY development and evaluation, promotion, tenure and Library FACULTY MEMBER'S schedules.

The library Department Chairperson shall receive a stipend in accordance with the following schedule:

DEPARTMENT SIZE	STIPEND
1-5	\$500.00
6-10	\$700.00
11-15	\$900.00
16-20	\$1,200.00
21-25	\$1,400.00
26 or more	\$1,600.00

This chairperson shall not be subject to provisions of Article 6, Sections B.1.a., C., and D.

3. Laboratory School FACULTY

a. Laboratory school FACULTY shall have FACULTY status and rank in the same manner as any other FACULTY MEMBER.

b. Laboratory school FACULTY'S workload and academic year assignments shall be made by the President or his/her designee in consultation with the laboratory school FACULTY and shall be consistent with the needs of the students in the laboratory school and the requirements of the school district(s) involved. Laboratory school FACULTY shall be expected, as are other FACULTY MEMBERS, to assume committee assignments and other campus responsibilities.

c. Laboratory school FACULTY shall have a lunch period of at least one-half (1/2) hour, which shall be free of all other duties.

d. By mutual consent, evidenced by a written document duly executed by the parties to this Agreement, the provisions of this Section may be modified or changed at local meet and discuss.

4. ACADEMIC FACULTY MEMBERS whose basic responsibilities lie outside of the classroom setting shall have their weekly workload equated to the workload hour provisions of Section A.1.a. of this Article. Any teaching performed by these FACULTY MEMBERS shall be prorated on that basis and they shall be paid overload in accordance with Article 25, OVERLOAD, or their nonclassroom responsibilities shall be proportionately reduced.

B. ADMINISTRATIVE FACULTY

1. ADMINISTRATIVE FACULTY who are on academic-year contracts shall not have to be present on campus during periods when the UNIVERSITIES are not in session unless they have specific assigned professional responsibilities. The assignment of such responsibilities shall be based on the needs of the University as determined by the President or his/her designee in consultation with the ADMINISTRATIVE FACULTY MEMBERS.

2. The President shall make appropriate workload reduction for those ADMINISTRATIVE FACULTY MEMBERS who are assigned to teach a course in accordance with Article 7, PERFORMANCE OF BARGAINING UNIT WORK. ADMINISTRATIVE FACULTY MEMBERS may also be assigned overload pursuant to Section C. of this Article and Article 25, OVERLOAD, Section A., for teaching courses outside of their regularly scheduled work day.

3. ADMINISTRATIVE FACULTY MEMBERS in this unit shall not be subject to any workload or overtime compensation provisions contained in this Agreement, except as provided in the last sentence of Section B.2. above.

C. Mixed Workloads

The workload for FACULTY who perform mixed work assignments shall be calculated on a proportional basis, using the appropriate workload definitions for the type of work performed. Any workload equivalents granted in this Agreement will be equated to workload hours for load purposes.

D. Coaching and Athletic Administration

3. As of fall 1985, the existing workload equivalents of the Athletic Director and the Assistant/Associate Director(s) of Athletics at the various UNIVERSITIES shall be considered minimums, but the President or his/her designee at each University shall have the right to increase these workload equivalents pursuant to Section I of this Article.

4. Should the President or his/her designee decide, based on comparability of sport, and/or based on the existence of an inequitable opportunity for participation in the intercollegiate sport program, as defined by the Title IX Implementing Regulations, that there is a need for an assistant coach in any intercollegiate sport sponsored by the University, he/she shall assign an Assistant Coach to the sport and the Assistant Coach shall receive a workload equivalent of at least three (3) workload hours, which may be assigned in any proportions during the academic year.

E. Directing Music Activities

In developing a plan for granting workload equivalents for directing music activities, a distinction is to be made between a music school in which a given activity is part of the regular instructional program in the music curriculum, and a non-music school in which the activity is actually extracurricular or outside the curriculum.

1. If the activity is recognized as part of the regular curriculum, the director shall be granted workload equivalents under the plan adopted for determining teaching workloads for classroom or laboratory instruction.

2. If a music activity is actually extracurricular, the following workload equivalents shall be granted:

	Minimum Yearly Allowance	Minimum Per Contact Hour For Average Weekly Assignment
Band - Concert or Marching	25%	6 1/4%

G. With respect to Sections E.2. and F. above, the President or his/her designee shall determine the amount of time to be spent on the activity by the FACULTY MEMBER each week, and the FACULTY MEMBER shall have the right to choose between the workload equivalent alternatives.

H. Instead of offering a workload equivalent to the FACULTY MEMBER for any of the above, the President or his/her designee shall have the right, in consultation with the FACULTY MEMBER and APSCUF, to assign the work on an overload basis.

I. The President or his/her designee shall have the right to increase, in writing, the workload equivalents listed in Sections D., E., and F. of this Article. These increases shall be presented for informational purposes at local meet and discuss.

J. Workload equivalents not identified in the Collective Bargaining Agreement may be granted, in writing, by the President of the University and shall be presented for informational purposes at local meet and discuss. Such workload equivalents will be equated to workload hours for load purposes. The acceptance of such assignments shall be voluntary.

K. Calendar

If a calendar system other than the two (2) academic term systems of fifteen (15) teaching weeks each is established by appropriate means during the term of this Agreement, a mathematical equivalent shall be established for the above workload requirement.

L. The State President and the Vice-President of APSCUF shall each receive up to a 100% workload reduction. APSCUF shall reimburse the STATE SYSTEM/UNIVERSITIES for all salary, benefits and related costs arising from this arrangement.

M. The parties shall Meet and Discuss during the term of this Agreement at the state level aspects of this Article that are of mutual interest.

Article 24

If a contingency contract is offered by May 1 and accepted by the FACULTY MEMBER by May 15, the following conditions shall apply:

1. The University may cancel the contract at any time before the second class meeting if the number of students is insufficient to cover the direct and indirect costs to the University.

2. The FACULTY MEMBER may cancel the contract if the FACULTY MEMBER provides notice to the University three (3) weeks before the course is scheduled to begin.

B. Subject to the approval of the President or his/her designee, summer assignments shall be made by the chairpersons of the departments, giving prior consideration to members of the department who have the qualifications and experience to do the work planned.

C. 1. Compensation for 2000, 2001, and 2002 summer employment shall be paid based

upon the Fall 1999 salary schedule, excluding any chairperson stipend, applied to the FACULTY MEMBER'S current rank and step. If FACULTY MEMBERS advance in rank and step, summer compensation shall be adjusted accordingly.

2. Compensation for 2002 summer employment shall be based upon the Fall 1999 salary schedule to be adjusted to be consistent with the Fall 2001 salary structure pursuant to Article 22, SALARIES.

3. Workload hours for summer employment shall be calculated in the same manner as during the academic year. For example, each contact hour in chemistry, biology, physics, allied health science, and earth science assigned one (1) workload hour during the academic year shall also be assigned one (1) workload hour during the summer, if the course is taught during the summer.

When the above requirements have been met, payment for independent study and individualized instruction shall be paid at the rate of \$158.62 per independent study or individualized instruction workload hour (rounded to next highest dollar).

Article 27

1. Continuing education courses will not be considered a part of the FACULTY MEMBER'S regular workload as defined in Article 23, WORKLOAD AND WORKLOAD EQUIVALENTS.
 2. FACULTY MEMBERS shall teach continuing education courses on a voluntary basis.
- B. In instances in which credit bearing courses are offered through continuing education, the following shall apply:

1. Continuing education courses will continue to be offered and FACULTY MEMBERS will continue to be compensated according to local meet and discuss agreements with the exception that the compensation shall be no greater than one twenty-fourth (1/24) of the FACULTY MEMBER'S academic year salary for each workload hour.

2. In addition to the payment as designated in Section B.1. of this Article, the STATE SYSTEM/UNIVERSITIES will pay travel expenses and all other contributions as prescribed by law.

C. In instances in which non-credit bearing courses are offered through continuing education, the following shall apply:

2. The academic department(s) or local APSCUF, as appropriate, shall respond within three (3) University calendar days, indicating which FACULTY MEMBERS, if any, are qualified and willing to teach the course;

3. After receiving the department(s) or local APSCUF's response, the President or his/her designee shall assign the course to one of the FACULTY MEMBERS recommended by the department(s) or identified by local APSCUF if deemed qualified by the President or his/her designee. The provisions of this subsection shall not be subject to the provisions of Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, of this Agreement;

4. If no FACULTY MEMBERS from within the department(s) or University are willing to teach the course, the President or his/her designee may appoint a faculty member from outside the University to teach the course; and

Article 28

MAINTENANCE OF MEMBERSHIP AND CHECK-OFF

A. Maintenance of Membership

All FACULTY MEMBERS who are members of APSCUF as of the date of ratification of

this Agreement or who, thereafter, during its term become members of APSCUF, shall, as a condition of continued employment, maintain their membership in APSCUF for the term of this Agreement; provided, however, that any such FACULTY MEMBER may resign from membership in APSCUF during the period of fifteen days prior to the expiration of the Agreement (June 16, 2002 through June 30, 2002) by sending a certified letter (return receipt requested) to APSCUF headquarters, Harrisburg, Pennsylvania, and a copy to his/her personnel office. The letter shall be postmarked between June 16 and June 30, inclusive, and shall state that the employee is resigning his/her membership and, where applicable, is revoking his/her check-off authorization. The payment of dues and assessments while he/she is a member shall be the only requisite employment condition.

B. Check-off

1. The STATE SYSTEM/UNIVERSITIES agree to deduct in bi-weekly installments the regular annual dues of APSCUF from the pay of those FACULTY who individually request in writing that such deductions be made. The amount(s) to be deducted shall be certified in writing by APSCUF to the STATE SYSTEM/UNIVERSITIES and the aggregate deductions from all FACULTY MEMBERS shall be remitted monthly to APSCUF, together with an itemized statement containing the names of the FACULTY MEMBERS from whom the deductions have been made and the amount so deducted from each one. The aforesaid remittance shall be made by the last day of the month following the month in which such deductions have been made. Each FACULTY MEMBER'S written authorization shall be irrevocable for the term of this Agreement but may be revoked at the expiration thereof, as provided in Section A. above.

2. The STATE SYSTEM/UNIVERSITIES and APSCUF hereby agree that all non-members of APSCUF shall be subject to a fair share fee as provided for in Act 84 of 1988 (S.B. 291) and any amendments thereto.

3. The STATE SYSTEM/UNIVERSITIES further agree to deduct a fair share fee bi-weekly from all FACULTY MEMBER(S) in the bargaining unit who are not members of APSCUF.

Authorization from non-members to deduct fair share fees shall not be required. The amounts to be deducted shall be certified to the STATE SYSTEM/UNIVERSITIES by APSCUF, and the aggregate deductions of all employees shall be remitted together with an itemized statement to APSCUF by the last day of the month following the month in which such deductions have been made.

4. The STATE SYSTEM/UNIVERSITIES shall provide APSCUF, on a quarterly basis, a list of all employees in the bargaining unit represented by APSCUF. This list shall contain the employee's name, social security number, address, University and whether the employee is a member or non-member.

5. APSCUF shall indemnify and hold the STATE SYSTEM/UNIVERSITIES harmless against any and all claims, suits, orders, or judgments brought or issued against the STATE SYSTEM/UNIVERSITIES as a result of the action taken or not taken by the STATE SYSTEM/UNIVERSITIES under the provisions of this Article.

Article 29

RETRENCHMENT

A. The STATE SYSTEM/UNIVERSITIES shall meet and discuss with APSCUF or its designee regarding any changes, including those involving curriculum and programs, which will lead to retrenchment, and thereby impact wages, hours and terms and conditions of employment, as required by Section 702 of Act 195. In connection with such duty to meet and discuss, accurate information, statistics or financial data related to any such proposed change shall be made available to APSCUF. This shall not be construed to require the STATE SYSTEM/UNIVERSITIES to compile such material in the form requested which is not already compiled in that form, unless mutually agreeable.

B. Retrenchment because of financial considerations, program curtailment, elimination of courses or other reasons shall be applied as hereinafter set forth.

1. If and when retrenchment is to occur, the STATE SYSTEM/UNIVERSITIES shall, to the extent practicable, make plans to permit the process of attrition to be utilized to effect the required reduction of FACULTY.

2. When in the opinion of the STATE SYSTEM/UNIVERSITIES retrenchment becomes necessary and it cannot be accomplished totally by attrition, APSCUF and the affected FACULTY MEMBERS shall be notified prior to implementation, and retrenchment shall be made as circumstances require, provided that the following order shall be utilized to the extent feasible in the department where retrenchment is occurring.

- a. temporary, part-time
- b. temporary, full-time
- c. regular, part-time
- d. regular, full-time

C. 1. With respect to the application of Section B.2. above, retrenchment shall be made in inverse order of length of service from the most recent date of employment at the University ("seniority"), within a department, provided the remaining ACADEMIC FACULTY MEMBERS have the necessary qualifications to teach the remaining courses or perform the remaining duties. ACADEMIC FACULTY MEMBERS shall be responsible for keeping their Academic Dean informed of all their qualifications.

2. With respect to the application of Section B.2. above, retrenchment shall be made within the affected administrative unit in inverse order of length of service from the most recent date of employment at the University ("seniority"), provided the remaining ADMINISTRATIVE FACULTY MEMBERS have the necessary qualifications to perform the remaining duties. ADMINISTRATIVE FACULTY MEMBERS shall be responsible for keeping their appropriate management supervisor informed of all their qualifications.

D. 1. Before retrenching an ACADEMIC FACULTY MEMBER, the University shall make a reasonable effort to place him/her in another position within the APSCUF

bargaining units. Where an ACADEMIC FACULTY MEMBER has been a member of more than one (1) department and he/she is retrenched from his/her current department, he/she shall have the right to return to a previous department as follows:

- a. If he/she left the previous department less than five (5) years prior to his/her retrenchment from his/her current department, he/she shall have the right to return, if qualified; and
- b. If he/she left five (5) or more years prior to his/her retrenchment, he/she shall have a right to return, if qualified, but only with the approval of the department or the President.

2. Before retrenching an ADMINISTRATIVE FACULTY MEMBER, the University shall make a reasonable effort to place him/her in another position within the APSCUF bargaining units. Where an ADMINISTRATIVE FACULTY MEMBER has occupied a position in more than one administrative unit, he/she shall have the right to return to a previous administrative unit and displace an ADMINISTRATIVE FACULTY MEMBER with less seniority.

3. A FACULTY MEMBER who has received a letter of retrenchment shall have the opportunity to apply for vacancies with the same hiring rights as stated in the preferential hiring rights provisions of this Article.

E. The FACULTY MEMBERS in the department, program or administrative unit where retrenchment notices have been issued shall be given the opportunity to reach voluntary agreement among themselves as to the order of retrenchment, if the FACULTY MEMBERS who remain in the department, program or administrative unit have the qualifications to teach the remaining courses or perform the remaining duties. Where such voluntary agreements are made, the date of the original notice of retrenchment to the FACULTY MEMBERS in the department, program or administrative unit shall be considered the date of notice to the FACULTY MEMBER who has voluntarily agreed to be retrenched. The opportunity to reach voluntary agreement shall end sixty (60) days after notice is given. Those who are retrenched by voluntary agreement in accordance with the foregoing shall have the same rights as if involuntarily retrenched.

F. 1. The FACULTY MEMBERS to be retrenched shall be given notice in accordance with the following:

- a. First-year probationary non-tenured FACULTY MEMBER - March 1;
- b. Second-year probationary non-tenured FACULTY MEMBER - December 15;
- c. Probationary non-tenured FACULTY MEMBERS beyond the second year - December 1;
- d. Tenured FACULTY MEMBERS - October 30.

A retrenchment shall not be considered a non-renewal and a FACULTY MEMBER so retrenched shall not be permitted to grieve that action as if it were a non-

renewal. If a FACULTY MEMBER had been scheduled for a sabbatical leave, he/she shall not be deprived of his/her sabbatical leave because he/she is subject to being retrenched.

2. A retrenched FACULTY MEMBER shall be entitled to such unemployment compensation benefits as authorized by law.

- G. 1. A FACULTY MEMBER retrenched from his/her University shall within a period of time equal to his/her length of service at that University, or three (3) years from his/her date of retrenchment ("furlough period"), whichever is less, be given preference with respect to a FACULTY vacancy which is covered by this Collective Bargaining Agreement for which he/she applies at another University, if deemed qualified by the receiving department. His/her name then shall be forwarded to the President of the receiving University who shall consider whether or not he/she is qualified. If the President of the receiving University determines such FACULTY MEMBER to be qualified, he/she shall be appointed. The FACULTY MEMBER shall be considered for appointment by the President of the receiving University before, and independent of, all other applicants. Notice concerning vacancies at a particular University shall be posted at that University and a copy of such notice shall be sent to APSCUF headquarters in Harrisburg, to the Chancellor, and to each retrenched FACULTY MEMBER. Retrenched FACULTY MEMBERS must indicate their interest in any such vacancy for which they feel they are qualified by sending a letter of application, together with other appropriate documentation, to the President of the University where the vacancy exists within thirty (30) calendar days of the date the notice of the vacancy is posted. If more than one (1) retrenched FACULTY MEMBER applies to fill a vacancy at another University during this initial thirty (30) calendar day notice period, they shall be given the preferential consideration specified above, in order of seniority; provided, however, that the process of considering all such retrenchee applicants shall not exceed thirty (30) calendar days from the end of the thirty (30) calendar day notice period. Letters of application which are received after the end of the thirty (30) calendar days following the initial notice of such vacancy shall receive no preferential rights with respect to the vacancy but shall be considered along with and in the same fashion as all other applicants for the vacancy.

A retrenched FACULTY MEMBER appointed at another University in accordance with the foregoing shall be appointed at any step of his or her rank at the time of retrenchment or at any step of the rank immediately below; however, retrenched FACULTY MEMBERS appointed to positions funded with grant monies may be appointed at the rank stated in the notice of vacancy at whatever step the President deems appropriate.

2. When a retrenched FACULTY MEMBER applies for consideration for a vacancy at another University in accordance with Section G.1. above, the normal search and screen process shall not apply to retrenched applicants.

- H. Any retrenched FACULTY MEMBER who receives an appointment at another University shall have seniority at that other University beginning with the date of that appointment. Retrenched FACULTY preferentially hired on or after July 1, 1985 shall have seniority over all other new hires with the same date of appointment. If appointed within his/her furlough period, he/she shall retain accumulated sick leave and sabbatical leave credits and he/she shall not be

considered a new employee for purposes of fringe benefits provided for FACULTY MEMBERS covered by this Agreement. If at the time of retrenchment, he/she had been a participant in the State Employees' Retirement Plan and thereafter withdrew his/her contributions, he/she shall have the right to repurchase his/her past service in accordance with the State Employees' Retirement Board regulations.

I. A retrenched FACULTY MEMBER who receives an appointment at another University within his/her furlough period shall, if he/she did not have tenure at the University from which he/she was retrenched, be required to comply fully with the provisions of Article 15, TENURE, at the receiving University as a new FACULTY MEMBER. If he/she had tenure at the University from which he/she was retrenched, then he/she may be granted tenure at the receiving University upon majority vote of the regular full-time department FACULTY and approval of the President. Otherwise, he/she shall be required to serve one (1) full year at the receiving University before being granted tenure at that University. The FACULTY MEMBER shall be considered for tenure pursuant to the provisions of Article 15, TENURE, and observed and evaluated pursuant to the provisions of Article 12, PERFORMANCE REVIEW AND EVALUATION OF FACULTY, and the decision as to tenure shall be made within such one-year period. In the event tenure is denied, the FACULTY MEMBER shall be so notified by May 31, and the following academic year shall be his/her terminal year.

J. A FACULTY MEMBER who receives a notice of retrenchment from a University shall be placed on a preferred rehiring list. Each University shall have a separate rehiring list. The least senior FACULTY MEMBER shall be the first name placed on such list. He/she shall be retained on the preferred rehiring list for a period equal to his/her furlough period. Upon separation from the University, the Health and Welfare Fund shall provide hospital and medical benefits, health and welfare benefits and life insurance coverage for a period of six (6) months or until permanent employment begins, whichever comes first. At the University where retrenchment is occurring, no new FACULTY MEMBER will be hired to fill a vacancy for which a retrenched FACULTY MEMBER on the preferred rehiring list is qualified, as determined by the President of the University in his/her sole discretion, unless the vacancy first is offered in writing to all such qualified FACULTY MEMBERS on that list, for recall in reverse order of placement. Such offer (which shall be made by registered mail to the last known address of the FACULTY MEMBER and to APSCUF) to qualified FACULTY MEMBERS shall remain open for a period of fifteen (15) calendar days. During the period that a FACULTY MEMBER is on a preferred rehiring list, he/she shall keep the University from which he/she was retrenched and the Chancellor informed of any permanent or temporary change in his/her address. In the event a FACULTY MEMBER rejects in writing an offered position in accordance with the foregoing, or in the event he/she does not respond in writing within said fifteen (15) calendar day period, his/her name shall be passed over, but he/she shall remain on the preferred rehiring list. If a FACULTY MEMBER either rejects in writing two (2) offered full-time positions of one (1) year or more or fails to respond in writing within the above stated time limits to two (2) offered full-time positions of one (1) year or more, his/her name shall be removed from the preferred rehiring list and all preference rights under this Article shall cease. Part-time FACULTY MEMBERS shall have recall rights only with respect to part-time positions but shall be considered for full-time positions in accordance with Article 11, APPOINTMENT OF FACULTY.

K. In the event a FACULTY MEMBER is recalled in accordance with the provisions of Section J. above, he/she shall receive the same rank and step which he/she had when he/she was retrenched. In addition, he/she shall retain all sick leave accumulations, credits for tenure and

sabbatical leave, and shall be entitled to repurchase past service credits for retirement in accordance with COMMONWEALTH regulations. Furthermore, he/she shall not be considered a new employee for purposes of fringe benefits provided for FACULTY MEMBERS covered by this Agreement.

L. If a program at one (1) University is moved to another University, whether or not a similar program existed at that other University, FACULTY MEMBERS who receive appointments at the other University with respect to that program will be considered as having been transferred and not retrenched. As such, the FACULTY MEMBERS affected shall be entitled to all rights and privileges of transferred employees, including transportation and moving expenses, subject to STATE SYSTEM/UNIVERSITIES rules and regulations pertaining thereto. Such transferred employees shall not be reduced in rank or step.

M. The University shall, on or before November 1 of each year, provide the local APSCUF President and state level APSCUF with a seniority list for each University. In addition, a copy of such list shall be sent to the department chairperson for posting in each department. All such lists shall reflect each FACULTY MEMBER'S most recent date of appointment at the University (first day on the payroll) and within his/her current department.

Positions on such list shall be considered final unless a question is raised with respect thereto by an individual FACULTY MEMBER within a period of sixty (60) days from the date of delivery of the list to APSCUF. The seniority list shall be compiled according to the seniority agreement between the STATE SYSTEM and APSCUF.

N. 1. Nothing contained within this Article shall be construed as requiring a University to retain more ACADEMIC FACULTY MEMBERS in a department or program or more ADMINISTRATIVE FACULTY MEMBERS in an administrative department or unit than the President deems to be needed in that department or unit.

2. Nothing contained in this Article shall prohibit ADMINISTRATIVE FACULTY MEMBERS from assuming full-time teaching positions in accordance with Article 7, PERFORMANCE OF BARGAINING UNIT WORK, of this Agreement.

O. All preference rights under this Article shall cease upon acceptance by a FACULTY MEMBER of a regular full-time position under the provisions of Sections D. or G. or J. of this Article.

P. The parties shall meet and discuss during the term of the Agreement aspects of this Article that are of mutual interest.

Q. The parties agree that any grievances relating to retrenchment issues will be handled in an expeditious fashion in the steps of the grievance procedure. The parties also agree that if APSCUF requests that any such grievances be submitted to arbitration, the parties will make a good faith effort to schedule the arbitration hearings during the academic year in which the notices of retrenchment are issued.

R. If an arbitrator should find that the meet and discuss requirements of this Article have been violated by management, the arbitrator's remedy shall be limited to ordering additional meet and discuss between the parties, and the arbitrator may not insert himself/herself into that process. If

an arbitrator should find that a FACULTY MEMBER was improperly retrenched, the arbitrator's remedy shall be limited to determining whether or not reinstatement is appropriate and whether or not full or partial back pay, seniority and fringe benefits should be awarded.

Article 30

A. A jointly-administered Health and Welfare Fund has been established under the provisions of an Agreement and Declaration of Trust executed by and between APSCUF and the STATE SYSTEM/UNIVERSITIES. Said Agreement and Declaration of Trust provides and shall continue to provide equal representation on the Board of Trustees by and between APSCUF and the STATE SYSTEM/UNIVERSITIES.

For the period of time between July 1, 1999 and June 30, 2000, the STATE SYSTEM shall make two (2) payments each academic year to the Health and Welfare Fund at the rate of \$585.75 for each full-time FACULTY MEMBER in an active pay status as of October 15, and February 15 of each academic year.

In addition, the STATE SYSTEM shall remit its contributions to the Health and Welfare Fund on a monthly basis. The specific procedures and payment dates will be determined by the parties prior to July 1, 2000.

E. The STATE SYSTEM shall remit its contribution to the Health and Welfare Fund together with an itemized statement within approximately thirty (30) working days of the eligibility determination dates noted in Section C. above. Supplemental payments based on a final and complete list of FACULTY for the period shall be made within approximately ninety (90) days of the eligibility determination dates noted in Section C. above.

F. 1. Contributions on behalf of part-time FACULTY MEMBERS employed on the eligibility determination dates noted in Sections C. and D. above shall be made on a proportionate basis with the calculations based on the workload provisions of Article 23, WORKLOAD AND WORKLOAD EQUIVALENTS.

2. Full contributions will be made for all FACULTY MEMBERS on full or partial educational leaves without pay on the eligibility determination dates noted in Sections C. and D. above.

3. Full contributions will be made for all FACULTY MEMBERS on leaves without pay due to sickness, parental or family care leave on the eligibility determination dates noted in Sections C. and D. above that are also eligible for benefits under the SSHEGHP pursuant to Article 21.A.7.

G. 1. The contributions made by the Employer to the Health and Welfare Fund as indicated in Sections C. and D. above shall not be used for any purpose other than to provide health and welfare benefits in accordance with the terms of this Collective Bargaining Agreement and the Agreement and Declaration of Trust and to pay the operating and administrative expenses of the Fund.

2. All benefits extended by this Health and Welfare Fund must be designed to be excludable from the "regular rate" definition of the Fair Labor Standards Act.

3. No benefits extended by this Health and Welfare Fund shall be paid for in whole or part by employees through payroll deductions.

4. No dispute over a claim for any benefits extended by this Health and Welfare Fund shall be grievable or in any fashion subject to any grievance and arbitration procedure established in any collective bargaining agreement between the STATE SYSTEM/UNIVERSITIES and APSCUF.

H. It is expressly agreed and understood that the STATE SYSTEM/UNIVERSITIES do not accept, nor are they in any manner to be charged with hereby, any responsibility connected with the determination of benefits for, nor with any liability to, any FACULTY MEMBER claiming under any of the benefits extended by the Health and Welfare Fund. It is expressly agreed that the liability of the STATE SYSTEM/UNIVERSITIES in any and every event with respect to benefits extended by the Health and Welfare Fund shall be limited to the contributions indicated under Sections C. and D. above.

Allowances under these Regulations shall not be reduced during the term of this Agreement, except that the mileage allowance shall be the General Services Administration rate. If the General Services Administration of the Federal Government increases or decreases the mileage allowance for employees under its jurisdiction, the mileage allowance for FACULTY MEMBERS will be increased or decreased on the effective date of the General Services Administration change. If a

FACULTY MEMBER wishes to use his/her own vehicle, and is authorized to travel, he/she shall be reimbursed pursuant to these Regulations.

Every reasonable effort will be made to process travel expenses promptly.

A. During the term of this Agreement there shall be no strike, as that term is defined in the Public Employee Relations Act, by any FACULTY MEMBER. It is also understood that no officer, representative or official of APSCUF shall in any fashion authorize, assist or encourage any such strike during the term of this Agreement.

B. Neither the STATE SYSTEM nor the UNIVERSITIES shall lock-out any FACULTY MEMBER(S) during the term of this Agreement.

C. Should a strike occur during the term of this Agreement, APSCUF shall, within twenty-four (24) hours of the start of such strike or at the request of the STATE SYSTEM/UNIVERSITIES:

D. The STATE SYSTEM/UNIVERSITIES reserve the right in their sole discretion to discipline, suspend or discharge any FACULTY MEMBER(S) who violate the provisions of Section A. of this Article.

E. Compliance with the foregoing provisions of this Article shall be deemed full compliance with APSCUF's obligations under this Article. APSCUF shall have no other obligations or liabilities to the STATE SYSTEM/UNIVERSITIES under this Article.

Article 34

INTER-UNIVERSITY TRANSFERS

A. Among other purposes, it is the intent of this Article to assist in alleviating potential staffing problems at the UNIVERSITIES by providing for the voluntary transfer of FACULTY MEMBERS among the UNIVERSITIES. It is specifically understood that the provisions of this Article are intended to deal solely with inter-University transfers and that they do not convey any other powers to the STATE SYSTEM/UNIVERSITIES that it does not already have. The terms of this Article shall not apply to a FACULTY MEMBER who has been retrenched from his/her University. When a FACULTY MEMBER has been retrenched, the provisions of Article 29, RETRENCHMENT, shall apply.

B. 1. When the Chancellor becomes aware of the possible need for transfers, he/she shall take appropriate steps to determine the availability of vacant FACULTY positions within the STATE SYSTEM that might be filled through the transfer of FACULTY MEMBERS and shall notify all UNIVERSITIES within the STATE SYSTEM of the existence of such vacancies and of the qualifications required of candidates for the positions.

2. The Presidents of the UNIVERSITIES shall take steps, in accordance with Sections B.3., B.4. and C. below, to provide the Chancellor with the names and qualifications of FACULTY MEMBERS who could be considered for transfer if the President of a University determines that there may be a need to alleviate staffing problems.

3. The President of a University from which transfers are contemplated shall, after notifying the Chancellor in accordance with Section B.2. above, request the department, program or administrative unit from which transfers are contemplated to provide written recommendations to the President regarding the effect of transfers on the quality and extent of existing programs. These recommendations shall be provided to the President within fourteen (14) calendar days of the request.

4. The President, taking into account the recommendations made in accordance with Section B.3. above, shall then determine, as provided in Section C. below, the number of FACULTY MEMBERS who could be transferred from a department, program or administrative unit and shall forward the names and qualifications to the Chancellor with the request that they be considered for transfer to other UNIVERSITIES.

5. Upon receipt of the names and qualifications as provided in Section B.4. above, the Chancellor shall make a reasonable effort to transfer the FACULTY MEMBER(S) to an available position at another University in accordance with Section C. below.

C. 1. With respect to the application of Sections B.3. and B.4. above, to ACADEMIC FACULTY, consideration for transfers shall be by program or department, in inverse order of length of service from the most recent date of employment at the University ("seniority"), provided that the remaining ACADEMIC FACULTY MEMBER(S) in the department or program have the necessary qualifications in the opinion of the President to teach the remaining courses or perform the remaining duties. It is understood by the parties that such University-wide seniority is to be applied within the affected program or department in order to determine which FACULTY MEMBER(S) within the program or department is (are) to be considered for transfer.

2. With respect to the application of Sections B.3. and B.4. above, to

ADMINISTRATIVE FACULTY, consideration for transfer shall be by program, department or affected administrative unit in inverse order of length of service from the most recent date of employment at the University ("seniority"), provided the remaining ADMINISTRATIVE FACULTY MEMBERS in the department, program or administrative unit have the necessary qualifications in the opinion of the President to perform the remaining duties. It is understood by the parties that such University-wide seniority is to be applied within the program, department or administrative unit in order to determine which ADMINISTRATIVE FACULTY MEMBER(S) within the program, department or administrative unit is (are) to be considered for transfer.

3. The transfer of the FACULTY MEMBER(S) shall be made by department, program or administrative unit in order of length of service from the most recent date of employment at the University ("seniority"), so long as the FACULTY MEMBER with the greatest seniority who is available for transfer has the necessary qualifications to perform the duties of the available position at the receiving University. The decision as to whether the FACULTY MEMBER(S) being considered for transfer has (have) the necessary qualifications to perform the duties of the available position at the receiving University shall be made by the President of the receiving University. If the most senior of those FACULTY MEMBERS being considered for transfer from the department, program or administrative unit does not have the necessary qualifications to perform the duties of the available position, the next most senior FACULTY MEMBER being considered for transfer who has the necessary qualifications will be transferred.

D. The President of the receiving University may make the appointment at any step within the rank held by the transferred FACULTY MEMBER which the President deems appropriate.

E. The following procedure shall be utilized in the transfer process for FACULTY MEMBERS:

1. When a FACULTY MEMBER is transferred, the regular full-time FACULTY MEMBERS of the receiving University department shall have the right to determine by a simple majority vote the acceptability of the FACULTY MEMBER being transferred. Such vote shall be taken in accordance with the accepted voting practice or procedure of the affected department unless it is in conflict with this Agreement, in which case the procedure shall be revised to conform with this Agreement.

2. The initial vote on acceptability by the receiving department shall be held before the end of the semester immediately prior to the semester in which the transfer is to be effective. This vote shall be held and the results determined in sufficient time to allow the President of the receiving University to notify the FACULTY MEMBER being considered for transfer of the results of that vote at least forty-five (45) days before the end of the semester in which the vote is taken. The FACULTY MEMBER being considered for transfer shall notify the Presidents of both the current University and the receiving University of his/her acceptance or rejection of the transfer within ten (10) days of the receipt of the results of the vote or at least thirty-five (35) days before the end of the semester in which the vote is taken, whichever comes first. A reasonable effort shall be made to insure that the FACULTY MEMBER is given the full ten (10) days in which to make his/her decision to accept or reject transfer. Failure by the FACULTY MEMBER to notify the Presidents of the Universities involved of his/her decision on acceptance or

rejection by the end of the ten (10) day period shall be considered a rejection of transfer. The time limits of this subsection may in individual cases be modified by mutual agreement, in writing, of the parties to this Agreement. The acceptance of a transfer by a FACULTY MEMBER shall be final and binding and shall preclude any right of return to the former University by that transferred FACULTY MEMBER.

3. The department of the receiving University shall have the following options in considering and voting on the acceptance of the FACULTY MEMBER proposed for transfer into the department:

a. The department can approve the transfer of the FACULTY MEMBER into its department. Upon such approval and acceptance of the transfer by the FACULTY MEMBER under consideration, the transferred FACULTY MEMBER shall be received into the department and University. If the FACULTY MEMBER is tenured, his/her tenure status shall be carried over to the receiving University and he/she shall receive University-wide seniority credit at the receiving University of three (3) years or, where the President and the receiving department agree, additional University-wide seniority may be granted, up to the full amount accrued at the former University. A probationary non-tenured FACULTY MEMBER shall receive full credit for prior service toward tenure but shall receive no University-wide seniority credit, unless the President and the receiving department agree, in which case University-wide seniority may be granted up to the full amount accrued at the former University. Sabbatical leaves shall be granted, and credit for sabbatical leaves shall be earned in accordance with Article 18, LEAVES OF ABSENCE, Section A. In addition, the FACULTY MEMBER shall retain accumulated sick leave and he/she shall not be considered a new employee for purposes of fringe benefits or other benefits provided to FACULTY MEMBERS covered by this Agreement; or

b. The department may provisionally approve the transfer of the FACULTY MEMBER into its department. Transfers, which have been given provisional approval by the department, shall be for an interim period of one academic year (2 semesters). Prior to the end of the interim academic year, the department shall vote either to fully accept the transferred FACULTY MEMBER or to reject the transferred FACULTY MEMBER. If a provisionally approved transferred FACULTY MEMBER fails to receive a vote of approval at the end of the first interim academic year, the President of the receiving University shall not be barred from retaining the transferred FACULTY MEMBER in the position in the department to which he/she was transferred for not more than one (1) additional academic year (2 semesters). This does not obligate the President to find another position for the transferred FACULTY MEMBER at the receiving University after the end of this second year. If the provisionally approved FACULTY MEMBER is tenured, his/her tenure status shall be carried over to the receiving University. A provisionally approved probationary non-tenured FACULTY MEMBER shall receive full credit for prior service toward tenure. Sabbatical leaves shall be granted and credit for sabbatical leaves shall be earned in accordance with Article 18, LEAVES OF ABSENCE, Section A. In addition, the provisionally approved FACULTY MEMBER shall retain accumulated sick leave and he/she shall not be considered a new employee for purposes of fringe benefits or other benefits

provided to FACULTY MEMBERS covered by this Agreement. Upon final approval and acceptance of the transferred FACULTY MEMBER by vote of the receiving department at the end of the interim academic year: A tenured FACULTY MEMBER shall receive University-wide seniority credit of three (3) years at the receiving University or, where the President and the receiving department agree, additional University-wide seniority may be granted up to the full amount accrued at the former University; and, a probationary non-tenured FACULTY MEMBER shall receive no University-wide seniority credit, unless the President and the receiving department agree, in which case University-wide seniority may be granted up to the full amount accrued at the former University; or

c. The department may reject the transfer of the FACULTY MEMBER into its department. Although the department has voted to reject the FACULTY MEMBER being considered for transfer, the President of the receiving University may at his/her discretion, and where he/she believes that the FACULTY MEMBER being considered for transfer meets the credential requirements of the available position, convert the rejection to a provisional approval. Where the President converts the rejection to a provisional approval, the transfer shall be for an interim period of one (1) academic year (2 semesters). Prior to the end of the interim academic year, the department shall vote either to accept fully the transferred FACULTY MEMBER or to reject the transferred FACULTY MEMBER. If a provisionally approved transferred FACULTY MEMBER fails to receive a vote of approval at the end of the first interim academic year, the President of the receiving University shall not be barred from retaining the transferred FACULTY MEMBER in the position in the department to which he/she was transferred for not more than one (1) additional academic year (2 semesters). This does not obligate the President to find another position for the transferred FACULTY MEMBER at the receiving University after the end of this second year. If the provisionally approved FACULTY MEMBER is tenured, his/her tenure status shall be carried over to the receiving University. A provisionally approved probationary non-tenured FACULTY MEMBER shall receive full credit for prior service toward tenure. Sabbatical leaves shall be granted and credit for sabbatical leaves shall be earned in accordance with Article 18, LEAVES OF ABSENCE, Section A. In addition, the provisionally approved FACULTY MEMBER shall retain accumulated sick leave and he/she shall not be considered a new employee for purposes of fringe benefits or other benefits provided to FACULTY MEMBERS covered by this Agreement. Upon final approval and acceptance of the transferred FACULTY MEMBER by vote of the receiving department at the end of the interim academic year, a tenured FACULTY MEMBER shall receive University-wide seniority credit of three (3) years at the receiving University or, where the President and the receiving department agree, additional University-wide seniority may be granted, up to the full amount accrued at the former University; and, a probationary non-tenured FACULTY MEMBER shall receive no University-wide seniority credit, unless the President and the receiving department agree, in which case University-wide seniority may be granted up to the full amount accrued at the former University.

F. When FACULTY MEMBERS are transferred in accordance with the above provisions, the Chancellor shall require the FACULTY MEMBER to change his/her residence from one place

in Pennsylvania to another place, and the FACULTY MEMBER shall receive the expenses of moving his/her household goods to his/her new residence in accordance with applicable STATE SYSTEM rules and regulations.

Where the FACULTY MEMBER meets the above requirements for payment of moving expenses, it is understood that the move by the FACULTY MEMBER shall be made within six (6) months, and the request for payment of moving expenses will be made no later than six (6) months from the date of acceptance of the transfer. Moving expenses shall be paid by the University from which the transfer occurs.

G. Where a FACULTY MEMBER transfers from a University within the STATE SYSTEM to a different University within the STATE SYSTEM for personal reasons or reasons other than those set forth in Section B.2. above, only Sections D. and E. of this Article will apply.

H. An individual FACULTY MEMBER who is transferred for the purposes set forth in Section B.2. above, or APSCUF on his/her behalf, shall have the right to grieve in accordance with Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, but only as to himself/herself and then only with respect to failure to observe the grievable portions of the procedures set forth in Sections A. through F. above. A FACULTY MEMBER who is transferred for personal reasons or reasons other than those set forth in Section B.2. above, or APSCUF on his/her behalf, shall have the right to grieve in accordance with Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, but only as to himself/herself and then only with respect to failure to observe the grievable portions of the procedures set forth in Sections D. and E. above.

I. Upon the request of either of the parties to this Agreement, the parties shall meet and discuss aspects of this Article that are of mutual interest.

Article 35

LEGISLATIVE ACTION

A. In the event that any provision of this Agreement requires legislative action to become effective, including, but not limited to, amendment of existing statutes, the adoption of new legislation, the passage of the STATE SYSTEM budget or the granting of other appropriations, the provision shall become effective only if such legislative action is taken. The parties, however, mutually agree that each will make such appropriate but separate recommendations to the Legislature which each deems necessary to give force and effect to the provisions of this Agreement. It is agreed by the parties that the provisions of this Section shall not be subject to the provisions of Article 5, GRIEVANCE PROCEDURE AND ARBITRATION, of this Agreement.

B. The STATE SYSTEM and APSCUF shall each separately and in good faith attempt to have introduced and support legislation which each party independently deems is necessary to implement a provision of this Agreement. Where the parties mutually agree upon the need for implementing legislation and the form and language of that legislation, they will lend full support to the introduction and passage of such mutually agreed upon legislation. It is agreed by the parties that the provisions of this Section shall not be subject to the provisions of Article 5,

GRIEVANCE PROCEDURE AND ARBITRATION, of this Agreement.

C. In the event that legislation, which both parties mutually agree is necessary, is not passed with respect to a specific subject matter, the parties hereto shall have the right to re-negotiate regarding the subject matter.

Article 36

SEPARABILITY

In the event that any provision of this Agreement is found to be inconsistent with statutes or ordinances, the provisions of such statutes or ordinances shall prevail and, if any provision herein is determined to be invalid and unenforceable by a court or other authority having jurisdiction, such provision shall be considered void, but all other valid provisions hereof shall remain in full force and effect.

Article 37

TOTALITY OF AGREEMENT

The parties acknowledge that this Agreement represents the results of collective negotiations between said parties conducted under and in accordance with the provisions of Act 195 and constitutes the entire Agreement between the parties for the term of said Agreement or any extensions thereof. Each party waives his/her right to bargain collectively with the other with reference to any other subject, matter, issue or thing, whether specifically covered here or wholly omitted herefrom, whether or not said subject was mentioned or discussed during the negotiations preceding the execution of this Agreement.

Article 38

SUCCESSORS

This Agreement shall be binding upon the parties hereto, and their heirs, executors, administrators, successors and assigns of each, in accordance with applicable labor law. The STATE SYSTEM shall notify APSCUF in writing at least thirty (30) days in advance of any sale, lease, transfer or assignment of any of the UNIVERSITIES to political subdivisions or bodies, corporations or persons.

D. Procedures

1. In the event that the STATE SYSTEM/UNIVERSITIES provides substantial support under Section C.4. above, the STATE SYSTEM/UNIVERSITIES and FACULTY MEMBER(S) involved shall enter into an agreement, which shall set out ownership rights in any product developed. Such document shall provide at a minimum that the FACULTY MEMBER(S) involved shall receive no less than sixty percent (60%) of the net income until the agreed substantial support of the project is repaid to the STATE SYSTEM/UNIVERSITIES and no less than seventy percent (70%) of the net income thereafter. The parties agree that a model of the agreement referenced in this subsection will be agreed upon by the parties at State Meet and Discuss. This model shall include definitions of net income and direct and indirect costs to be used in calculating project support.

Article 42

DISTANCE EDUCATION

A. Preamble

1. The purpose of distance education is to enrich and to increase the availability of the curriculum offerings of the STATE SYSTEM/UNIVERSITIES. The purpose of the parties in adopting this Article is to expand the curriculum offerings of the STATE SYSTEM/UNIVERSITIES, and to promote access to these offerings. The parties further agree that distance education shall not include instruction at multiple locations on the same campus.

2. The parties agree that the method of classroom instruction with the FACULTY MEMBER and the traditional residential and commuter students in the same room provides the best opportunity for a quality educational experience. Distance education is not intended to diminish that experience.

3. During the term of this Agreement, the STATE SYSTEM agrees not to retrench a FACULTY MEMBER teaching in a department where distance education is being used, when retrenchment is a direct result of distance education.

B. Definitions

1. Distance Education

a. Distance Education is defined as mediated communication/instruction between FACULTY MEMBER(S) and student(s) other than when FACULTY MEMBER(S) and student(s) are physically present in the same classroom. This linkage with technology allows real time or delayed interaction using voice, video, data and/or text. Examples of technological methods that can be used singly or in combination include audio transmissions, satellite transmissions, fiber optics transmission of full-motion video, video conferencing using compressed video, cable television, microwave transmission, audiographics/computer, videotapes, electronic mail, facsimile, world-wide web and CD ROM. It is the intent of this Article also to cover distance education by other technologies as they develop.

b. Distance education does not include the use of movies, filmstrips, videotapes, computers, and their related technologies, or other forms of aural or visual recordings, to the extent that they are used as part of course instruction, by a FACULTY MEMBER who is in the same classroom as the students. However, where a FACULTY MEMBER is in the same classroom as the students, but simultaneous transmission of some form occurs to students in other off campus locations, this Article shall cover both the FACULTY MEMBER in the classroom as well as the education of students at the off campus location.

2. Home Site

Home site means the site at which the distance education originates. There may be more than one (1) home site for a distance education course, if more than one (1) FACULTY MEMBER is involved. The site at which a distance education course is recorded or otherwise stored for later transmission or replay shall be deemed a home site.

3. Remote Site

A remote site is any site physically separate from the home site at which a distance education course is received. There may be more than one (1) remote site for a course. If a course, which is recorded or otherwise stored for later replay, is replayed at the same site at which it was recorded, this site shall be the home site for recording purposes and the remote site for replay purposes.

4. Originating FACULTY MEMBER(S)

The originating FACULTY MEMBER(S) may be one (1) or more FACULTY MEMBERS who develop and teach a distance education course.

5. Instructor of Record

For credit-bearing University courses, the instructor of record is the FACULTY MEMBER(S) who has the task of grading students and otherwise supervising the offering of a distance education course. In no event shall a person who is not a FACULTY MEMBER be the instructor of record, except as provided for under Article 7, PERFORMANCE OF BARGAINING UNIT WORK.

C. FACULTY Participation

1. Except where specifically stated in a letter of appointment for a FACULTY MEMBER describing his/her job expectations, teaching through distance education technologies shall be voluntary during the term of this Agreement.

2. Prior to teaching a distance education course, a FACULTY MEMBER shall be afforded the opportunity for appropriate training in distance education instruction or the use of a technology used by his/her University to offer distance education. Appropriate training shall be suggested by the FACULTY MEMBER in consultation with his/her department and will be subject to approval by the appropriate University official(s).

3. Prior to the start of a semester, each University shall provide local APSCUF a list of all FACULTY MEMBERS, who will be involved in teaching regularly scheduled distance education courses in that semester, which shall also include the course(s) taught by each FACULTY MEMBER and the compensation provided to each FACULTY MEMBER pursuant to Section I of this Article. For courses not regularly scheduled, local APSCUF shall be notified simultaneously with the assignment of the FACULTY MEMBER to the course.

4. The STATE SYSTEM shall encourage FACULTY participation in the distance education planning process. The STATE SYSTEM agrees that APSCUF may appoint three (3) faculty representatives to the STATE SYSTEM Distance Education Advisory Committee.

D. Technical and Instructional Support

1. The University shall assure the availability of technical support personnel and materials appropriate to the principal technology and consistent with the FACULTY MEMBER'S prior training and experience.

2. The University shall assure the means for students at remote sites to interact with FACULTY MEMBER(S) (e.g. site visits, voice mail boxes, e-mail, fax and other technological methods of communication).

3. The University shall insure that textbooks and other course materials are available to students at remote sites. Additionally, arrangements shall be made for library access, either through technology or physical access, as appropriate.

E. Course Approval

1. In approving distance education courses, the following criteria shall be applicable: (a) course approval through the traditional academic process; (b) a qualified instructor; (c) use of suitable technology as a substitute for the traditional classroom; (d) suitable opportunity for interaction between instructor and student; (e) suitable evaluation of student achievement by the instructor; and (f) integrity of the evaluation methods used.

2. New credit bearing courses, which may be offered through distance education, must be approved through the normal course approval procedure at the University.

3. Existing credit bearing courses, which may be offered through distance education, shall be reviewed by the department and University curriculum committee, which shall each provide its recommendation to the President or his/her designee. Each University shall develop, at local meet and discuss, an expedited procedure to complete this review within thirty (30) days.

F. Evaluation

1. Evaluation of FACULTY MEMBER(S) teaching distance education courses shall follow the same procedures and practices that apply to regular classroom courses identified in Article 12, PERFORMANCE REVIEW AND EVALUATION, except as modified below.

2. For distance education courses, an appropriate student evaluation instrument shall be developed by local APSCUF, the University management and the appropriate student government body as designated by the President, and approved by local APSCUF and the University management at local meet and discuss. The University shall insure that student evaluation instruments are made available to, and completed by, students at all remote sites.

3. No probationary FACULTY MEMBER or any candidate for tenure or promotion shall be evaluated on his/her teaching of distance education courses during the term of this Agreement. No tenured FACULTY MEMBER shall be evaluated on his/her teaching of distance education courses without his/her written permission, unless specifically hired to teach distance education. Additionally, no recorded lectures or courses may be utilized for the evaluation of any FACULTY MEMBER or for renewal, tenure, or promotion decisions without the express written consent of the FACULTY MEMBER.

G. Assessment

The FACULTY MEMBER shall write an evaluation of his/her experiences in the distance education course and suggest measures, which may be taken to improve the quality of distance education in the future. Additionally, the FACULTY MEMBER should include any student perceptions regarding learning through distance education, which may be helpful in improving the quality of the course offerings. This FACULTY evaluation shall be submitted to the department chairperson, the department offering the course, and the appropriate Dean/management supervisor.

H. Intellectual Property

Ownership of Intellectual Property created through distance education shall be governed by the provisions of Article 39, INTELLECTUAL PROPERTY.

I. Compensation

1. Base Compensation

FACULTY teaching credit-bearing courses via distance education shall earn workload hours pursuant to either Article 23, WORKLOAD AND WORKLOAD EQUIVALENTS, or Article 27, CONTINUING EDUCATION, as appropriate. Base compensation shall be consistent with Article 22, SALARIES, or Article 27, CONTINUING EDUCATION, as appropriate.

2. Home Site and Remote Site Instruction

A FACULTY MEMBER teaching a distance education course shall receive his/her base compensation for teaching at the home site. Additionally, the FACULTY MEMBER shall receive a payment of \$100.00 for each remote site, a lump sum payment of \$500.00 for up to ten (10) students at the remote site(s) and \$40.00 for each additional student enrolled above ten (10) at the remote site(s). For purposes of the \$100.00 remote site payment, individual web site users shall not be considered individual remote sites. Enrollment will be established on the last day of the add/drop period for that class for that semester.

3. Instruction at the Remote Site(s) Only

An instructor of record shall receive the workload hours assigned to the course plus a payment of \$100.00 for each remote site, a lump sum payment of \$500.00 for up to ten (10) students at the remote site(s), and \$40.00 for each additional student above ten (10) at the remote site(s). For purposes of the \$100.00 remote site payment, individual web site users shall not be considered individual remote sites. Enrollment will be established on the last day of the add/drop period for that class for that semester.

4. Recording a Course Without a Live Class Present

If a FACULTY MEMBER is requested by management to record a course without a class present and does so, he/she shall receive the workload hours that would have been received had there been a live class present.

5. Reuse of a Recorded Course

If a recorded course is reused at any University or elsewhere by the STATE SYSTEM/UNIVERSITIES, by someone other than the originating FACULTY MEMBER, the originating FACULTY MEMBER shall be compensated forty dollars (\$40.00) per student. A recorded course may only be reused with the written permission of the originating FACULTY MEMBER.

6. Preparation Compensation

In addition to the compensation required above, a distance education preparation payment of \$2,000.00 shall be paid the first time a FACULTY MEMBER teaches a distance education course, and when the same course is taught with the same technology three (3) or more years thereafter. Any FACULTY MEMBER, who had taught a distance education course within three (3) years prior to Fall semester 1999 with the same technology, shall not be eligible for this preparation payment in Fall 1999.

7. Travel

If it is necessary for a FACULTY MEMBER to travel to a remote site(s) for orientations or other academic purposes, travel expenses shall be reimbursed pursuant to Article 32, TRAVEL EXPENSES.

Article 43

INVESTIGATION OF COMPLAINTS AGAINST FACULTY MEMBERS

The STATE SYSTEM and APSCUF recognize that it may be necessary to investigate complaints against FACULTY MEMBERS prior to making a disciplinary decision. When appropriate, attempts should be made to resolve complaints informally. In those cases in which complaints are not resolved informally, the principles below shall apply:

- A. If the University determines to conduct an investigation of a complaint, either verbal or written, it shall be initiated and concluded within a reasonable amount of time. Absent unusual circumstances, the decision to conduct a formal investigation shall be made within twenty (20) days of receipt of the complaint.

- B. The FACULTY MEMBER accused of wrongdoing must receive a copy of the written complaint prior to the commencement of an investigatory interview or pre-disciplinary conference. In the event a written complaint is not submitted, the individual assigned to conduct the investigation shall prepare a written summary and provide a copy of the summary to the FACULTY MEMBER prior to commencing an investigatory interview or pre-disciplinary conference. The FACULTY MEMBER may provide APSCUF a copy of the written complaint or summary if he/she so desires. If the FACULTY MEMBER has obtained APSCUF representation and the FACULTY MEMBER has no objection, a copy of the complaint or the written summary shall be provided to APSCUF. Upon receipt of the complaint by the FACULTY

MEMBER and/or APSCUF, it shall be treated as confidential by all parties and may only be shared with those persons necessary to prepare a response to the complaint.

C. Upon request, a FACULTY MEMBER shall be entitled to an APSCUF representative during any meeting in which allegations are to be made, which the FACULTY MEMBER reasonably believes could lead to discipline.

D. If the complainant is a student in the FACULTY MEMBER'S class, the investigation may be deferred and the complainant's name need not be disclosed until after submission of the final grade.

E. If an investigation is expanded beyond its original scope, the FACULTY MEMBER shall be advised immediately. APSCUF shall also be advised if the FACULTY MEMBER has obtained APSCUF representation and has no objection.

F. The FACULTY MEMBER accused of wrongdoing shall be advised that he/she is prohibited from taking retaliatory action against the complainant or any other person and that such action may result in a separate disciplinary action.

G. This Article shall supplement and by no means shall diminish the rights of any FACULTY MEMBER, APSCUF, or the STATE SYSTEM/UNIVERSITIES under any law, including the Pennsylvania Public Employee Relations Act.

Article 44

TERM OF AGREEMENT

A. This Agreement shall be effective as of July 1, 1999 and shall remain in full force and effect to and including June 30, 2002. This Agreement shall automatically be renewed from year to year thereafter unless either party shall notify the other party in writing of their intent to renegotiate all or parts of this contract by such time as would permit the parties to comply with the collective bargaining schedule established in the Public Employee Relations Act.

B. Prior agreements and/or understandings that were established on or after July 1, 1989, shall expire at the end of the tenth year of the agreements and/or understandings, unless the agreements and/or understandings have been reviewed and reaffirmed at local meet and discuss, or negotiated in the case of summer school, promotion policies and procedures, and continuing education. Only the Chancellor/University President and the State/local APSCUF President have the authority to establish/reaffirm agreements and/or understandings. Before any local agreement or understanding becomes null and void, it will be referred to State Meet and Discuss for resolution. If not resolved at State Meet and Discuss, the agreement or understanding shall expire as described above. (This procedure does not apply to past practices and local/state agreements settling grievances.)

In Witness Whereof, the parties to this Agreement intending to be legally bound by its provisions have signed and executed this Agreement on January 13, 2000.

**ASSOCIATION OF PENNSYLVANIA STATE COLLEGE AND UNIVERSITY

STATE SYSTEM OF HIGHER EDUCATION**

SENIORITY POLICY

- I. A uniform seniority reporting system to be applied at each university should be easy to understand and to administer and consistent with the Collective Bargaining Agreement.
- II. A positive accrual system be used in reporting seniority. Specifically, each time a seniority list is prepared, additional seniority credit must be added to the previous listings.
- III. Semesters of service be the smallest unit of seniority credit. A faculty member will accrue one unit of credit for each semester completed according to the terms of Item IV. Each faculty member will earn a maximum of two units of credit per year. Summer sessions will not count for additional seniority credit.
- IV. The following method be used to determine whether a faculty member accrues seniority credit for a partial semester of service:
 - A. Completion of less than five full pay periods--no credit.
 - B. Completion of five or more full pay periods--1 credit.
- V. The tie-breaker system is to be employed as follows:
 - A. For faculty with different original appointment dates but the same length of service, the individual with the earliest appointment date would have the most seniority and be ranked ahead of others with the same length of service.
 - B. All regular, full-time faculty members hired after May 31, 1984 will have a six (6) digit seniority number which will be the number used as the third tie-breaker when two faculty members have the same seniority credit and the same date of appointment. The seniority number will be derived as follows:
 1. The first two (2) digits of any faculty member's seniority number will reflect the last two (2) digits of the calendar year of his/her initial date of appointment on the University's payroll.
 2. The last four (4) digits of any faculty member's seniority number will be determined by a computer-generated random number. The lowest four (4) digit number will be the most senior faculty member appointed that year, and the highest four (4) digit number will be the least senior faculty member appointed for that year.
 3. The computer will be programmed to reject any duplicate numbers and substitute a new random number.

4. The local APSCUF president will designate a member of the faculty and the University President shall designate a member of his/her administration to observe the computer-generation of the random numbers for the last four(4) digits of the faculty members' seniority numbers.

C. When it is necessary to insert a person into an existing department, an insertion drawing will be held.

VI. The format found in Appendix A be used for reporting seniority on each campus.

VII. Guidelines for preparing seniority lists are described in Appendix B.

VIII. The rules for determining seniority are described in Appendix C.

APPENDIX B

Guidelines for Preparing Seniority Lists

I. Retroactive Applications

A. The most recent date of appointment presently listed in the campus seniority list for each faculty member will remain unless it has been formally contested prior to January 1, 1983.

Explanation: Adoption of this Guideline will settle finally this date for all faculty currently employed.

B. All seniority credit for full-time temporary and regular service accrued from the most recent date of appointment prior to the 1971 fall semester shall count. (Note: Educational leaves without pay granted prior to August 1, 1970, shall accrue seniority credit.)

Explanation: Adoption of this Guideline will cut through the tangle of temporary and regular service appointments made prior to the implementation of the Collective Bargaining Agreement (CBA).

C. Beginning with the 1971 fall semester, only regular, full-time service from the most recent date of appointment will count for accrual of full-time seniority credit.

Explanation: This Guideline is based on terms of the CBA which went into effect in the 1971 fall semester and does not conflict with the provisions for tenure found in Article 15, Section B. of the CBA.

D. Any local APSCUF/Management agreement made prior to July 1, 1981, recognizing departmental seniority as opposed to college/university-wide seniority for retrenchment purposes shall be recognized when verified by appropriate documentation. Beginning July 1, 1981, the provisions of the applicable CBA shall apply.

Explanation: This Guideline resolves the problem created by such good-faith agreements even though they may have modified the terms of the CBA prior to July 1, 1981. It recognizes the good-faith in these arrangements and avoids the trauma and hardship that would result from reversing these actions.

E. Any local APSCUF/Management agreement made prior to September 1, 1983, granting a full-time, regular faculty member a partial leave of absence without pay to minimize retrenchment of faculty at the college/university will not result in a reduction in the seniority credit for the faculty member taking the leave. These agreements must be verified by appropriate documentation. Effective September 1, 1983, the provisions of the CBA shall apply.

Explanation: This Guideline protects faculty who took such leaves to help colleagues from the loss of seniority credit and the possible penalty that might result from this reduction in service credit.

II. Prospective Application

Effective with the 1983-84 academic year, the original date of appointment and the accrual of seniority credit will begin with the first day on the payroll in regular, full-time status during the academic year.

Explanation: This Guideline establishes a uniform starting date for all future faculty throughout the State System of Higher Education.

APPENDIX C

Rules for Determining Seniority

A. Leave Without Pay

1. Seniority normally does not accrue during a period of leave without pay (LWOP), except as specifically provided in this Policy.
2. A regular, full-time faculty member who has taken a partial LWOP prior to fall 1985 shall receive pro-rated seniority credit, if the faculty member was in regular full-time status prior to the leave and completed five or more pay periods during the semester. The pro-rated seniority credit for that semester will be equated to the proportion of the normal workload which the faculty member worked. For example, a faculty member who worked a one-half (1/2) workload and took a one-half (1/2) LWOP would earn one-half (1/2) credit for that semester.
3. Beginning in the fall of 1985, a full seniority credit will be granted for up to eight (8) semesters for any semester that a regular, full-time faculty member is on a full or partial LWOP granted by the President of his/her University.
4. After a regular, full-time faculty member uses his/her allotment of eight (8) seniority credits for eight (8) different semesters of full or partial LWOP as described above, the faculty member will receive a partial seniority credit for any subsequent semester he/she is on a partial LWOP granted by the President of his/her University. Such partial seniority credit shall be calculated pursuant to paragraph 2 of this Section.
5. Beginning in the fall of 1993, any faculty member employed at any State System of Higher Education University, who accepts a leave without pay from his/her institution and then accepts employment as a manager at any of the universities in the State System of Higher Education or the Office of the Chancellor, will accrue one-half (1/2) seniority credit per semester during the time period as a manager.

B. Educational Leave Without Pay--Seniority does accrue for ELWOP granted prior to August 1, 1970 and subsequent to fall 1985 pursuant to Section A above.

C. Military Leave--Seniority does accrue during periods of military leave.

Exception: Faculty members who are/have been separated from military service by "discharge under other than honorable condition," "bad conduct discharge" or

"dishonorable discharge" shall not be entitled to seniority credit for such military service.

- D. Suspension--Seniority does not accrue for suspensions.
- E. Part-time Service--Seniority does not accrue for part-time service.
- F. Work-Related Disability Leave--Seniority does accrue during periods of approved work-related disability leave.
- G. Sabbatical Leave--Seniority does accrue as if the faculty member is in regular full-time daily attendance.
- H. Child Rearing Leave--Seniority does not accrue during periods of child rearing leave, except as provided in Section A above.
- I. Disability Leave Due to Pregnancy--Seniority does accrue for a faculty member during the period she is unable to work and uses accrued sick leave for medical reasons as certified by a physician.
- J. Parental Leave Without Pay--Seniority does not accrue during periods of parental leave without pay, except as provided in Section A above.
- K. APSCUF Service--Seniority does not accrue for service as an elected or appointed official or representatives of APSCUF.

Exception: Seniority does accrue for service as State President of APSCUF.
- L. Managers Returning to Former Departments
 - 1. Seniority does accrue for all prior time spent in the bargaining unit for a manager who returns to the bargaining unit within three (3) years of his/her appointment to a management position.
 - 2. Seniority does not accrue for the time spent as a manager.
 - 3. A faculty member who has served three (3) or more years as a manager shall begin his/her service in the bargaining unit with no seniority credit. This manager will also receive a date of appointment corresponding to his/her first day on the payroll as a faculty member subsequent to his/her service as a manager and will also receive an appropriate seniority number for that year.
 - 4. Seniority does accrue for service as an acting manager.
- M. Resignation--Seniority terminates upon resignation.
- N. Retirement--Seniority terminates upon retirement.
- O. Discharge--Seniority terminates upon discharge.

- P. Inter-University Transfer--Tenured Faculty Members--A faculty member shall receive seniority (length of service) credit at the receiving University of three (3) years or, where the President and the receiving department agree, additional seniority (length of service) credit may be granted up to the full amount accrued at the former University.
- Q. Inter-University Transfer--Non-Tenured Faculty Members--A probationary non-tenured faculty member shall receive no seniority (length of service) credit unless the President and the receiving department agree, in which case seniority credit may be granted up to the full amount accrued at the former University.

APPENDIX D

Footnote

If a faculty member did not accrue a seniority credit for any semester since that faculty member's date of appointment, that faculty member will receive a footnote which will:

1. Indicate the reason for non-accrual of the service credit(s); and
2. List the semester(s) and academic year(s) in question.

APPENDIX E

**DISABILITY RETIREMENT DETERMINATION
PROCEDURE FOR TIAA-CREF PARTICIPANTS**

This procedure is adopted to implement the disability retirement determination standard created by Article 17, Section D.3.b., and Article 21, Section A.6.c.2. of the Collective Bargaining Agreement.

1. To determine if a TIAA-CREF participant qualifies for the benefits granted under the above-referenced Articles, all relevant evidence shall be submitted to a physician selected by mutual agreement of the parties. The physician's determination shall be based on the standards utilized by the State Employees' Retirement System (SERS) in determining eligibility for disability retirement. The physician's determination shall be issued to the employee, the State System, and State APSCUF.
2. In the event an employee is dissatisfied with the physician's determination under paragraph 1 above, the employee or APSCUF may appeal that determination to final and binding arbitration to be conducted before and decided by one of the arbitrators selected by mutual agreement of the parties under this procedure and not by an arbitrator selected under Article 5. The arbitrator shall apply the standards used by the SERS in determining eligibility for disability retirement.
3. The physician and arbitrators chosen at the time of making this Agreement have been chosen because of their experience in making determinations under SERS standards. Should it be necessary to select additional physicians or arbitrators during the term of this contract, the parties agree that they shall attempt to select people with similar qualifications.
4. The arbitrator's fees and expenses shall be shared equally by APSCUF/FACULTY MEMBER and the STATE SYSTEM/UNIVERSITIES, but each party shall bear its own cost of preparing and presenting its case to the arbitrator.
5. Disputes arising under this side letter shall be not be subject to the Grievance and Arbitration provisions of Article 5 of the collective bargaining agreement.
