and

**THE NEW BOARD OF SCHOOL COMMISSIONERS OF
BALTIMORE CITY**

This Agreement entered into this 1st day of July 2001, between the New Board of School Commissioners for Baltimore City (hereinafter referred to as "the Board" or "the Employer") and the City Union of Baltimore, Local 800, AFT, AFL-CIO (hereinafter referred to as "CUB" or "the Union"). To the extent that implementation of these points requires action by the Board, this Agreement will serve as a request and recommendation to such body that it be so implemented.

ARTICLE 1: DECLARATION OF PRINCIPLE, POLICIES AND PURPOSE

It is the intent and purpose of CUB and the Employer to promote and improve the efficiency of the operations of the Baltimore City Public School System (hereinafter "BCPSS"). In order to render the most efficient public service to BCPSS, CUB and the Employer agree that this goal can best be achieved through an orderly, constructive and harmonious relationship between them. The parties hereto are in further accord that effective employee relations in the public service requires a clear statement of the respective rights and obligations of labor and management and for this purpose enter into the following Agreement.

The Employer and CUB agree that in all instances in this Agreement in which the masculine form of the third person pronoun is used, such pronoun shall refer to both male and female employees.

ARTICLE 2: RECOGNITION

A. The Employer recognizes CUB as the exclusive negotiating representative of all eligible employees in units for which CUB has been certified pursuant to the provisions of the Municipal Employee Relations Ordinance (Article 1, Sections 119-137 of the Baltimore City Code, 1983 Replacement Volume, as amended); Senate Bill 795 as enacted by the 1997 General Assembly (hereinafter "SB 795"); and the Maryland Education Article, Section 6-501, *et seq.*

B. All Classification Titles and the current pay grade for each title included in the Units for which CUB has been certified shall be listed in the Roster of the Unit, attached as Addendum B. The Employer agrees to furnish CUB a complete list of classification titles and pay grades for all classes which, through reclassification, change in duties, change in titles, or any other reason are proposed as additions, deletions, or changes to Units for which CUB has been certified prior to any such changes. No position involving work which could be performed by a person in a classification listed in Addendum B, shall be created and/or filled without first being posted in all appropriate work sites.

ARTICLE 3: CHECKOFF

A. The Employer agrees to deduct CUB dues or service fees from the pay of any employee who is certified to be represented and who has authorized in writing such deduction pursuant to the pertinent provisions of the Municipal Employee Relations Ordinance and Maryland Education Article, Section 6-504. The Employer shall promptly transmit all such moneys withheld to CUB on a monthly basis through the Automatic Clearinghouse (ACH), without charge to CUB.

B. The Employer agrees to deduct CUB service fees from the pay of any employee who is certified to be represented, is not a member of the local union and not excused from the payment of service fees pursuant to the pertinent provisions of the Municipal Employees Relations Ordinance. The Employer shall promptly transmit all such monies withheld as service fees to CUB on a bi-weekly basis, without charge to CUB.

C. Political Action Checkoff

The Employer agrees to deduct from the pay of each employee from whom it receives an authorization to do so, an amount authorized by the employee for political action. If administratively possible, the amount authorized by the employee shall be deducted on a bi-weekly basis, and a list of the employees from whom the deductions have been made and the amount deducted from each, together with a list of the employees who had authorized such deductions, shall be forwarded to the Union no later than two weeks after such deductions have been made in a separate check from Union dues. If not administratively possible, the above transactions shall revert to a monthly basis. The Political Action Checkoff Authorization Form shall read as stated in Addendum C.

D. CUB shall indemnify and save the Employer harmless of any and all claims, grievances, actions, suits or other forms of liability or damages that arise out of or by reason of

any action taken by the Employer for the purpose of complying with any of the provisions of this section, and CUB assumes full responsibility for the disposition of the funds deducted under this section.

ARTICLE 4: MEMBERSHIP DUES DEDUCTION PRINT-OUT

A. The Employer shall provide CUB with a print-out of its dues-paying membership to be furnished on a monthly basis without charge to CUB.

B. The Employer shall provide CUB with a print-out of all employees in units for which CUB has been certified with classification title, work location, date of hire and amount of dues or service fees paid by each employee on a quarterly basis.

ARTICLE 5: UNION SECURITY

All Employees covered by this Agreement who (1) are employed after July 1, 1976 and elect not to join or remain members of CUB or (2) who were employed prior to July 1, 1976 and had previously executed membership or dues authorization cards as members of said CUB, but hereafter elect to terminate such membership and/or revoke said dues authorization cards, shall, as a condition of continued employment, following their established probationary period, pay a service fee to CUB in an amount not to exceed the then current CUB dues in order to defray the costs incurred by the said CUB in the negotiation, administration and implementation of the terms of the Agreement, and all modifications and amendments thereto, including related proceedings before an impasse panel or arbitrators, the processing of grievances, the conduct of disciplinary proceedings and in the appeal thereof, the protection and improvement of Civil Service rights, and any and all other proceedings and matters for which CUB is the employees exclusive representative as a result of its certification. Pursuant to the provisions of this Article and applicable law, the Human Resources Department shall notify all new employees at the time of hire that they are required, as a condition of continued employment, to pay Union dues or service fees to CUB.

Any procedures used by the Union to charge service fees to any employee for these purposes shall be in compliance with the rules set forth in the Supreme Court's decision in Chicago Teachers Union. Local No. 1 v. Hudson, 475 U.S. 292 (1986), and other relevant federal and state court decisions. CUB shall indemnify and hold the Employer harmless from any and all claims, grievances, actions, suits or other forms of liability or damages that arise out of the procedures implemented by the Union.

ARTICLE 6: DISCRIMINATION

A. All provisions of this Agreement shall be applied equally to all employees in the bargaining units for which CUB is the certified representative without discrimination as to age, sex, marital status, race, color, creed, national origin, political affiliation, disability or sexual orientation.

B. The Employer and CUB agree that they shall not interfere with employees in the exercise of the rights guaranteed under the Maryland Education Article and the Municipal Employee Relations Ordinance. The Employer shall not discriminate against an employee in any manner because of membership in or activities on behalf of the Union.

ARTICLE 7: MANAGEMENT RIGHTS

The Employer shall have all the rights set forth in Article 1, Section 123 of the Baltimore City Code, 1983 Replacement Volume, as amended, Senate Bill 795 of the 1997 legislative session, and all other rights which the Board has not modified or delegated by an express provision of this Agreement, shall then be considered retained by the Board.

ARTICLE 8: GRIEVANCE AND ARBITRATION PROCEDURE

A. Subject to any limitations of existing law any grievance, defined in the Municipal Employee Relations Ordinance (Section 120(f)) as a dispute concerning the application or interpretation of the terms of this Agreement or a claimed violation, misinterpretation or misapplication of the rules or regulations of the Employer affecting the terms and conditions of employment, may be settled in the following manner:

Step 1. School or Office. The aggrieved employee and his representative shall discuss the grievance with the employee's immediate supervisor within ten (10) calendar days, and in no event more than thirty (30) days, from the date of the events or conditions, or his knowledge thereof, which provide the basis for grievance. The employee, or his representative, and the supervisor shall confer with the view of arriving at a mutually satisfactory resolution. All matters, whether or not they meet the definition of grievance as defined above, may be discussed at this stage. The employee's immediate supervisor shall attempt to adjust the matter within ten (10) calendar days of the presentation of the grievance.

Step 2. Appropriate Area Executive Officer, Director, or their designee. If the grievance has not been satisfactorily resolved in Step 1, a written appeal may be taken to the Area Executive Officer or Director or their designee, on a form to be provided by the Employer and approved by CUB, within five (5) calendar days following the completion of Step 1. The Area Executive Officer or Director or their designee shall meet with and discuss the grievance with the aggrieved employee within five (5) calendar days of the written appeal. An answer to the grievance shall be submitted to the aggrieved employee and the Union in writing within five (5) calendar days thereafter.

Step 3. Chief Executive Officer. If the grievance has not been satisfactorily resolved in Step 2, a written appeal may be filed on said form with the Chief Executive Officer within five (5) calendar days following the completion of Step 2. Within five (5) calendar days of such appeal, the Chief Executive Officer or his designee shall meet with the aggrieved employee to discuss the grievance. The Chief Executive Officer or his designee shall respond in writing within ten (10) calendar days thereafter.

Step 4. Arbitration. If the grievance has not been satisfactorily resolved in Step 3, a review by an impartial arbitrator may be requested by CUB within twenty-one (21) calendar days following the completion of Step 3, by filing a written notice with the CEO.

(a) The CEO or his designee and CUB shall mutually select a qualified and impartial labor relations expert to serve as an impartial arbitrator in disputed grievances and selected matters. In this connection, the BCPSS Department of Labor Relations shall thereupon maintain a Register and Panel of Arbitrators and Hearing Officers. The parties shall attempt to agree upon an arbitrator from the Register within five (5) days. If such attempt fails, within seven (7) days after receipt of a panel of seven (7) names obtained from the Federal Mediation and Conciliation Service upon the request of either party, the parties shall alternately strike names from that panel until one name remains who shall be the arbitrator. The first strike made in selecting an arbitrator shall be alternated between the Union and the Employer from case to case.

(b) The arbitrator, upon completion of his investigation, will forward his decision and award to the Employer and CUB. This decision and award shall be final and binding. The arbitrator shall be without power to add to, subtract from, change, or alter any provision of the Agreement, Board Policy, or applicable State or local law. The arbitrator shall confine his or her deliberations to the precise issue submitted for arbitration and shall have no authority to determine any other issues nor shall he submit observations or declarations of opinion which are not essential to reaching the determination.

B. Time limits under this Article may be changed in writing by mutual agreement.

C. If the finding or resolution of a grievance at any step of the procedure is not appealed within any of the prescribed times herein, said grievance will be considered settled on the basis of the last answer provided, and there shall be no further appeal or review. Should the Employer not respond within any of the prescribed times, the grievance will proceed to the next step.

D. Except for Step 1, time limits shall begin for both parties on the day after receipt of the grievance or the day after receipt of the response.

E. In the presentation of any and all grievances under the grievance and arbitration procedure of the Agreement, representation of aggrieved employees by CUB representatives shall be permitted at each step.

F. Upon request, any recognized and accredited representative of CUB shall be granted reasonable time off during working hours where and when engaged in processing grievances under the grievance and arbitration procedure.

G. The cost of any arbitration proceeding shall be divided equally between the Employer and CUB.

H. No reprisals of any kind shall be taken by any party involved in the grievance procedure. Except for disciplinary actions, all documents, communications, and records dealing

with the processing of a grievance will be filed in a separate grievance file and will not be kept in the official personnel file of any of the participants.

I. The procedures for processing any grievance arising out of any discharge, reduction in pay or position, or suspension for more than thirty (30) days shall be as prescribed in Article 9 hereof. No resolution of a grievance shall expand or otherwise amend the terms of this Agreement.

ARTICLE 9: DISCIPLINE AND DISCHARGE

The Employer shall not, except with just cause, discharge any employee who has completed his probationary period nor shall the Employer reduce in pay or position or suspend any such employee without just cause. The Board shall, as part of its investigation, refer such request to its Hearing Officer. The Hearing Officer shall conduct a fair and impartial hearing no later than fifteen (15) days from the receipt of such request.

The Hearing Officer, at the conclusion of such hearing, shall make findings of fact and recommendations which shall be forwarded within fifteen (15) days after the hearing to the Board for its determination. The Board shall consider exceptions taken to the Hearing Officer's findings if submitted in a timely fashion by the parties and shall then take action on such recommendations within fifteen (15) days thereafter. Copies of the Hearing Officer's findings and recommendation and the Board's written decision shall be sent to the aggrieved employee, the CUB representative and the CEO.

3. All Board disciplinary proceedings shall be recorded on a tape recorder and/or related machinery to be supplied by the Employer. Following a final disposition by the Board on the Hearing Officer's advisory recommendations, tapes of the Hearing Officer's proceedings in each individual disciplinary matter shall be preserved and inserted in the affected employee's personnel file for further review not to exceed thirty (30) days.

E. An employee required to work three (3) or more hours immediately preceding a normal full-time work shift or immediately following the completion of a normal full-time work shift shall receive a meal allowance of \$6.00.

F. Call Back--Employees called in to work outside of their regular shift shall receive pay for a minimum of four (4) hours at the rate of time and one-half (1 $\frac{1}{2}$) their regular pay. Any employee called to or required to work prior to or after his regular shift, but annexed consecutively to one end or another thereof shall be paid in accordance with the provision outlined in Article 18, Overtime, but in no event less than one hour, and the aforesaid four (4) hour minimum provision shall not apply. The employee shall then be paid for the balance of his regular work shift at the appropriate rate. Nothing herein shall be construed as to mean compounding of overtime. This four (4) hour minimum shall not be counted as time worked for overtime purposes.

G. When a Unit member is ordered to stand by during his off duty hours and remain available by telephone for call back to duty, that Unit member shall be paid at one and one-half times (1 $\frac{1}{2}$) his regular rate of pay for all hours spent on such stand by assignment.

ARTICLE 18: OVERTIME

A. All hours worked in excess of forty (40) hours scheduled within a work week shall be considered overtime and non-exempt employees shall be compensated at the rate of one and one-half (1 $\frac{1}{2}$) times their normal straight time rate of pay. All paid leave shall be counted as hours worked in the computation of overtime. The straight time rate shall be based upon the employee's annual salary divided by 1906.

B. After forty (40) hours of work in a work week, non-exempt employees shall have the ability to receive overtime compensation as a cash payment or as compensatory leave. The maximum accumulation of compensatory time shall be two-hundred forty (240) hours.

C. The overtime rate of pay for all hours worked on the seventh consecutive day worked in a regular work week shall be at the rate of two (2) times the normal straight time rate of pay.

D. Where, in the normal operation of a department of BCPSS, work is regularly scheduled on Saturdays and/or Sundays, ten (10) days of work shall be scheduled in each fourteen (14) day period. An employee working this type of schedule shall be paid one and one-half (1 $\frac{1}{2}$) times his hourly rate as provided above in A, except that for all hours worked in excess of twelve (12) work days during the fourteen (14) day work period, the employee shall be paid two (2) times his hourly rate.

E. Overtime work shall be distributed equally to employees working within the same job classification in each work area. The distribution of overtime shall be equalized over each six (6) month period beginning on the first day of the calendar month following the effective date of this Agreement or on the first day of any calendar month this Agreement becomes effective. Insofar as practical on each occasion, the opportunity to work overtime shall be offered to the employee within the job classification who has the least number of overtime hours to his credit at that time. If the employee does not accept the assignment, then the employee with the next fewest number of overtime hours to his credit shall be offered the assignment. This procedure shall be followed until the required employees have been selected for the overtime work. A record of the overtime hours offered to each employee shall be posted on the department bulletin board.

F. Overtime work shall be voluntary except in the event of an emergency situation where life, health or safety is endangered. There shall be no discrimination against any employee who declines to work overtime, except in the event of an emergency, but a record shall be kept for each employee, showing the number of hours of overtime he refused to work.

G. Any assigned BCPSS vehicle should be returned to the BCPSS lot at the close of the work day. Any employee not allowed to leave the job site before quitting time will be paid for the period of time necessary to return the vehicle to the BCPSS lot, in accordance with the Employer's overtime policy.

H. To the extent they were eligible prior to the date of this Agreement, School Police employees shall receive overtime at the rate of one and one-half (1 $\frac{1}{2}$) times their regular rate, with a two (2) hour minimum for court appearances outside of working hours. Such employees shall also receive overtime at the rate of one and one-half (1 $\frac{1}{2}$) times their regular rate when summoned as a witness in a departmental hearing outside of working hours.

I. The Employer shall not vary or rearrange work schedules to avoid the payment of overtime. The School Police Department may vary or rearrange work schedules of unit employees to accommodate court appearances and this shall not be considered varying or rearranging schedules to avoid the payment of overtime.

J. The Employer will make every effort to pay for overtime hours worked within two (2) pay periods following the pay period in which such overtime was worked.

ARTICLE 19: VACATION LEAVE

A. Vacation leave for employees covered by this Agreement is accrued in relationship to the length of continuous service with the Employer as follows:

1. Employees with less than six (6) years of service shall earn vacation leave of one (1) working day for each month of completed service, or a total of twelve (12) days per year.
2. Employees who have six (6) but less than eleven (11) full years of completed

service shall earn vacation leave of one and one-quarter (1 $\frac{1}{4}$) working days for each month of completed service, or a total of fifteen (15) days per year.

3. Employees who have eleven (11) but less than fourteen (14) years of completed service shall earn vacation leave of one and one-half (1 $\frac{1}{2}$) working days for each month of completed service, or a total of eighteen (18) days per year.
4. Employees who have fourteen (14) but less than nineteen (19) years of completed service shall earn vacation leave of one and three-quarters (1 $\frac{3}{4}$) working days for each month of completed service, or a total of twenty-one (21) days per year.
5. Employees who have completed nineteen (19) or more years of continuous service shall earn vacation leave of two (2) working days for each month of completed service, or a total of twenty-four (24) days per year.

B. Vacation may be taken by employees entitled thereto subject to the approval of their supervisor. Such approval shall not be unreasonably withheld. Request for vacation on the prescribed agency form shall be completed by the employee and submitted to the supervisor at least one (1) week prior to the requested commencing date, if the leave is to extend for one (1) week or more. Except in cases of emergency, leave requests for amounts of time less than one (1) week are to be submitted at least one (1) full working day prior to the expected start of the leave. Every effort shall be made to respond to vacation requests within two (2) weeks of the initial request. While every effort shall be made to meet the desires of employees who request their periods of vacation leave, vacation schedules must conform to the requirements of operations and vacations must be taken as scheduled by the supervisor. Conflicting requests for vacation shall be resolved on the basis of seniority.

C. Pay for all vacation days will be based on the employee's regular rate of pay.

D. Employees may use only earned vacation leave. Employees shall be allowed to accumulate vacation leave up to the the maximum number of days earnable for a four (4) year period as determined by their current rate of accrual.

E. Any holiday, as defined in this Agreement, which falls within an employee's scheduled vacation shall not be counted as a day of vacation leave.

F. Employees on vacation leave on any day of early closing shall be charged the full vacation leave that they would have been charged if the early closing had not occurred.

G. 1. Vacation leave must be taken in units of no less than forty-five (45) minute intervals.

2. In May and October of each year, employees may opt to convert up to two (2) days of accumulated vacation leave to compensatory time.

H. Vacation leave shall accrue provided that the employee is in pay status at any time during the payroll period in which his anniversary date occurs.

I. Prior service shall be recognized in computing vacation entitlement of employees who had permanent status at the time of lay-off due to lack of work or lack of funds and who are subsequently re-employed.

J. Employees who are re-employed, except as specified in I above, following a break in service of thirty (30) or more workdays, shall be considered as new employees for the purpose of computing vacation allowance.

K. Whenever employees transfer from a permanent BCPSS or City position to another permanent BCPSS or City position without a break in service, they shall be entitled to retain their vacation, sick leave, personal leave and compensatory time balances.

L. Employees may, when granted leave of absence for military service, utilize their accrued vacation. If such vacation leave is not utilized, it shall be retained pending their return to employment with BCPSS.

M. In addition to payment for the accrued vacation of employees who die, their legal heirs shall be granted a bonus equivalent to the amount of vacation to which the employee would have been entitled for twelve (12) months of service; provided, however, that if within six (6) months immediately prior to the employee's date of death, the employee had been granted extended sick leave in excess of the bonus entitlement, bonus leave shall not be approved. Payment for vacation and bonus leave shall be made to those entitled by law to inherit from the deceased employees.

N. Employees who are separated from BCPSS service, regardless of reason, shall be paid in full as of their date of separation for any accumulated vacation, personal leave, overtime, compensatory time (unless exempt from FLSA Provision), or bonus pay, except in the case of bona fide indebtedness to the Employer. The cut-off ticket must contain, therefore, a recording of all leave due to the employees upon their retirement or resignation.

O. All part-time employees hired after June 30, 1982, must consistently work an average of 50% of a regularly scheduled work week to be eligible for vacation leave. Eligible part-time employees shall accrue vacation leave in accordance with the following schedule:

1. Part-time permanent employees with less than six (6) years of completed continuous service shall earn vacation leave of one working day for each one hundred sixty (160) hours worked.
2. Part-time permanent employees with six (6) but less than eleven (11) years of continuous completed service shall earn vacation leave of one and one-quarter (1 $\frac{1}{4}$) working days for each one hundred sixty (160) hours worked.
3. Part-time permanent employees with eleven (11) but less than fourteen (14) years of completed continuous service shall earn vacation leave of one and

one-half (1/2) working days for each one hundred sixty (160) hours worked.

4. Part-time permanent employees with fourteen (14) but less than nineteen (19) years of completed continuous service shall earn vacation leave of one and three-quarters (1 3/4) working days for each one hundred sixty (160) hours worked.
5. Part-time permanent employees with nineteen (19) or more years of continuous completed service shall earn vacation leave of two (2) working days for each one hundred sixty (160) hours worked. In each instance, the vacation day shall be eight (8) hours.

P. Employees who have not previously served a probationary period shall earn vacation at the rate of one (1) day per month of completed service and shall be entitled to use their accumulation upon the completion of their probationary period of one (1) year. The probationary period shall not interfere with the employees' privilege of using sick leave or personal leave as it is accumulated; provided, however, that in the event a probationary employee's service is terminated, all earned accumulated leave referred to above shall be forfeited.

Q. Employees who become ill during their vacation may request that their vacation leave be converted to sick leave provided that (1) the illness is reported at its onset and (2) medical verification is provided upon return to work. Only those vacation days upon which the employee was ill will be eligible for conversion to sick leave.

R. For employees covered by this Agreement who were employed by the City of Baltimore and BCPSS prior to the New Board of School Commissioners assuming management authority of BCPSS on July 1, 1997, accrued vacation leave shall be retained by each employee pursuant to SB 795, Section 17.

ARTICLE 20: SICK LEAVE

A. Sick leave with pay shall be received by employees who have accrued sick leave and who are required to be absent from duty because of personal sickness, injury, medical appointments, or pre- or post-natal disability.

B. Sick leave shall accrue at the rate of (1) day for each month of completed service, provided that the employee is in pay status at any time during the payroll period in which her/his anniversary date occurs.

C. There shall be no ceiling on accumulation of sick leave.

D. Employees may convert to cash one (1) day of unused sick leave for each four (4) days of sick leave accrued during the sick leave year at their rate of pay at the time of conversion. The sick leave year begins on the day immediately following the last payroll period in November and extends through the last payroll period in November of the following year. All

sick leave days not converted to cash shall be carried forward and retained as accrued sick leave. Payment for such converted sick leave will be made by a separate check, including the usual deductions for taxes and social security, and shall be made to such employees no later than December 24.

E. Employees who resign or terminate employment after June 1 of a given year shall be entitled to convert to cash one (1) day of unused sick leave for each four (4) days of sick leave accrued during the then current sick leave year, at the time of said resignation and/or termination from BCPSS service.

F. In addition to their accrued vacation leave, employees who are pensioned or who elect to terminate their service without pension and have completed at least twenty (20) years of service, regardless of age, shall be entitled to a bonus of one (1) day's pay for each four (4) days of unused accumulated sick leave at the time of their retirement and/or termination from BCPSS service.

G. Sick leave will not be granted where there is evidence of abuse of the sick leave principle through malingering or false application for such leave.

H. Sick leave must be taken in units of at least forty-five (45) minutes.

I. Employees shall notify their supervisor prior to the start of the employee's work shift on the first day of absence due to illness, and at such intervals as specified by the supervisor for the duration of such absence.

J. All use of sick leave is subject to verification. Periodic examination by the Employer's physician shall be at the Employer's expense. However, a physician's statement from an employee's private physician may not be required for periods of absence of less than three (3) consecutive days, unless abuse is suspected.

K. Sick leave with pay shall be granted for pre- or post-natal disability to an employee who is disabled to such a degree that she is unable to provide service to the Employer. The Employer and CUB recognize that this disablement will occur, in most cases, during the period four (4) weeks before delivery and six (6) weeks after delivery. An employee who is temporarily absent due to reasons described above from her position and who remains on the payroll in either an "S" or "SX" status due to that continuing disability, and who is not on a leave of absence, shall be allowed to return to her respective position at the end of the disability in accordance with Federal and State Family and Medical Leave Acts.

L. Should a day designated herein as a holiday occur while an employee is absent on sick leave, such day shall be observed as a holiday and shall not be charged against sick leave.

M. Employees with at least two (2) years of service who are unable to return to work after all of their accrued sick leave, vacation leave, personal leave and compensatory time has been exhausted may request extended leave with pay. If the Department Head or supervisor deems such an extension advisable, he may recommend it to the Department of Human Resources or CEO. Such request must be accompanied by a medical certificate. The formula for

sick leave extension will be based on the last two (2) full years, excluding current illness. No extension, however, may exceed the number of days allowed in the basic sick leave plan; one (1) day per month of completed service (or in the case of part-time permanent employees one (1) day for each one hundred sixty (160) hours worked). Upon return to work and after accumulating ten (10) sick leave days, an employee receiving this benefit shall reimburse the BCPSS for one-half () of the extended sick leave days granted. If a request is denied by the Department Head or supervisor, an appeal may be made to the Department of Human Resources and the CEO.

N. All part-time employees hired after June 30, 1982, must consistently work an average of 50% of a regularly scheduled work week to be eligible for sick leave. Eligible part-time employees shall accrue sick leave at the rate of one (1) day sick leave for each one hundred sixty (160) hours.

O. Employees are entitled to use leave in compliance with the provisions of the Family Medical Leave Act in the event of a serious medical condition of the employee or his/her immediate family (spouse, parent, son, daughter).

P. Sick leave that is requested in advance for medical appointments shall not be unreasonably denied nor counted as an Occurrence against that employee under the Attendance Monitoring Program.

Q. The City Union of Baltimore Sick Leave Bank, hereinafter referred to as "the Bank" will continue in effect. Membership in the Bank will be voluntary for all employees. All new employees who request membership will be assessed one (1) day of sick leave for deposit in the Bank. The City Union of Baltimore Sick Leave Bank shall be administered jointly for Union members employed by BCPSS.

A member of the bargaining unit may receive a grant from the Bank only after:

1. Filing an application with the Sick Bank Committee.
2. Submitting satisfactory medical evidence of the illness or injury.
3. Submitting evidence of having exhausted all accumulated leave.

The Board of Directors of the Bank shall be composed of four (4) representatives of the Union appointed by the President and four representatives of the Employer.

New employees must join the Bank within the first thirty (30) days after completion of their probationary periods or lose their right to join until the next contribution period. Employees entering the bargaining unit must join the Bank within the first thirty (30) days or lose their right to join until the next open enrollment period.

Employees may relinquish their membership in the Bank at any time; if they do so, however, they will lose their contributions in the Bank and will not be allowed to join again until the next contribution period.

A member will lose the right to receive grants from the Bank if his employment with the BCPSS is terminated.

All contributions will remain in force and cannot be returned even upon cancellation of membership.

All unused sick leave days in the bank at the end of the year shall be carried over to the next year.

Sick leave conversion shall not be affected by participation in the Bank unless the contribution is taken from the current year's accumulated sick leave balance.

ARTICLE 21: PERSONAL LEAVE

A. Permanent employees shall be entitled to three (3) personal leave days per year. Personal leave days shall be accrued at the rate of one-quarter ($\frac{1}{4}$) day for each month of completed service. At no time may an employee accumulate more than eight (8) days of personal leave.

Part-time employees hired after June 30, 1982, must consistently work an average of 50% of a regularly scheduled work week to be eligible for this benefit.

B. Personal leave must be taken in units of at least forty-five (45) minutes.

C. Personal leave shall not be unreasonably denied, provided the employee requests such leave with at least three (3) working days' notice. In bona fide emergency situations, the three (3) days' notice may be waived. Request for personal leave for religious holidays shall not be denied.

D. Employees will be paid for unused personal leave when separated from BCPSS service.

E. For employees covered by this Agreement who were employed by the City of Baltimore and BCPSS prior to the New Board of School Commissioners assuming management authority of BCPSS on July 1, 1997, personal leave accumulated prior to July 1, 1997 shall be retained pursuant to SB 795 Section 17.

C. Holidays which fall on Saturday shall be observed the preceding Friday, and holidays which fall on Sunday shall be observed the following Monday. If a holiday falls on the regular day off of an employee working on a schedule other than Monday through Friday, the employee shall be granted another day off at such time as can be arranged by the Department Head or supervisor.

D. If an employee is required to work on a holiday listed above, said employee shall receive time and one-half (1 $\frac{1}{2}$) for all hours worked, in addition to one of the following:

1. Holiday pay for the regularly scheduled number of hours in the employee 5 work day; or

F. Employees scheduled to work on a holiday who call in sick shall be charged for a sick leave on that day. Failure to notify their supervisor or his/her designee of illness will result in the loss of pay for that day.

G. To be eligible for holiday pay, employees must be in pay status at least one (1) day in the payroll period in which the holiday occurs.

H. When a shift employee's scheduled day off falls on a legal holiday, the employee shall be granted in lieu of the holiday, a day off within the same pay period or no later than the following pay period, by properly notifying management or be paid overtime for said holiday.

determined that the injury and/or accident disables the employee. Under this circumstance, the affected employee shall be examined periodically by the Employer's physician to determine the progress and length of time necessary for recovery.

However, in the event that the employee files for Workers' Compensation for the same accident, his pay shall be offset by the difference between the full salary paid under this provision and the temporary total rate paid under the Workers' Compensation Law.

In no event shall the provision for full pay extend beyond nine (9) months from the date of the employee's job related injury or accident. During the tenth month of total disability, for each full day of absence the employee shall receive one-half () day of Job Injury Leave and shall be debited one-half () day of his accumulated leave.

At the expiration of the tenth month, the employee shall have the option of (a) remaining in a pay status by using his accumulated sick, vacation and personal leave days, or (b) filing an application for accident disability retirement.

C. Bereavement Leave

Four (4) consecutive working days leave with pay shall be granted upon request in the event of a death in an employee's immediate family. Immediate family shall be considered as: father, mother, sister, brother, spouse, children, mother-in-law, father-in-law, grandparents, step and half-blooded relatives.

One (1) days' leave of absence will be authorized for the death of the employee's grandchildren, aunts and uncles. This one (1) day leave of absence must be taken within four (4) calendar days of the date of death.

The four (4) days shall commence at the option of the employee on the date of death or the day following the day of death. In the event that the deceased relative lived in the same household as the employee making the request, the deceased shall be considered to have been a member of the immediate family.

Employees who require additional time off beyond these four (4) days may request and shall be granted additional reasonable time off charged to vacation or personal or compensatory time.

D. Civil Defense Leave

Employees who are accredited volunteers of a Civil Defense Organization may be granted permission by the head of the department or bureau in which they are employed, to participate in Civil Defense pre-emergency training programs and test exercises during working hours without loss of pay or vacation, subject to the following conditions:

F. Civil Leave

Employees who are required to perform jury service in any court (City, Federal or County) or who are required by subpoena to appear in court shall be paid their salary. Employees shall also notify their appropriate supervisor at the time they first receive notice that they may be called to serve as jurors or subpoenaed, and provide their supervisor with a copy of the subpoena or summons. Once released from the subpoena or summons, the employee shall report for work for the remainder of the working day.

G. Paid CUB Representative

CUB shall submit to the CEO the names and agencies of four (4) employees who shall process grievances and perform other labor relations duties on a full-time basis. Once approved, the employees shall be compensated by their respective agencies at their regular rate of pay with a maximum of the current rate of Grade 71, Experienced Level.

H. President's Leave

The President of CUB, if an employee of BCPSS at the time of the election, shall be granted a leave of absence with pay at the rate of 50% of the employee's last annual salary, including the accrual of pension benefits, for the term of his office. Upon the expiration of his term, the President shall be restored to his former BCPSS position with full seniority and all other employee rights and benefits. While on this leave of absence, the President shall continue to be covered for all the health and welfare and pension benefits by the BCPSS, for which CUB shall reimburse the BCPSS.

I. Leave Without Pay

Any employee elected or appointed as Officer or Steward of CUB shall, upon application, be granted leave of absence without pay for the term of the election or appointment of their office or any extension thereof. While on this leave of absence, CUB Officers or Stewards shall continue to be covered for all the health and welfare and pension benefits by the BCPSS, for which CUB shall reimburse the BCPSS. Upon expiration of the term of the election or appointment, an employee on said leave shall be restored to his former BCPSS position with full seniority and all other employee rights and benefits. If the former position has been abolished or frozen, the employee will be reinstated to another position in the same class or comparable class through the transfer process, provided the employee qualifies for the position.

3. Education Leave--After completing one (1) year of continuous service, any employee, upon request and upon the approval of the CEO and the Department of Human Resources, shall be granted a leave of absence without pay for education purposes. The period of the leave of absence shall not exceed nine (9) months, but may be extended or renewed upon the request of the employee and with the concurrence of the CEO and the Department of Human Resources.

Leaves of absence for educational purposes shall not be granted more than once every three (3) years. The Employer and CUB agree to cooperate in the development of job training, upgrading, apprenticeship and career ladder programs.

4. Parental Leave--Employees may request any portion of vacation, personal, or compensatory time for the purpose of child rearing as outlined in the respective Leave Articles. In addition, employees may request a leave of absence without pay as set forth below for the purpose of child rearing or adoption. For an employee whose total leave of absence without pay

is twelve (12) calendar weeks or less, the employee shall be entitled to return to his former position. If the former position is abolished or frozen, the employee will be reinstated to another position in the same class or comparable class through the transfer process provided the employee qualifies for the position. Nothing in this paragraph shall be construed to diminish the rights of employees pursuant to the federal and State Family and Medical Leave Acts.

5. Prior creditable City or BCPSS service shall not be forfeited if an employee is granted a leave of absence without pay. An employee on a leave of absence without pay for more than thirty (30) calendar days shall not lose any accrued leave or seniority but shall not continue to accrue any leave or seniority while on such leave of absence.

In the event a leave of absence without pay exceeds thirty (30) calendar days, the employee's seniority and increment dates will be delayed one (1) day for each day of leave of absence, except for any employee who is on leave of absence without pay for military service.

J. Weather Emergency Leave

In the event of severe weather conditions, an employee may request and shall be granted, at the discretion of the department head or supervisor, the use of personal, vacation or compensatory leave.

School-based clerical and secretarial personnel shall be granted leave with pay for snow and ice days if other school-based personnel employed by the BCPSS receive similar leave. If, in accordance with the BCPSS inclement weather policy, a delayed opening of BCPSS facilities is announced, authorized employees shall be entitled to use accumulated personal leave, vacation or compensatory time in order to arrive at work safely. 3. If approved, all other graduation leave shall be without pay; provided that such leave may be charged to personal or vacation leave with pay if the employee so elects.

ARTICLE 24: SENIORITY

A. The Employer and CUB recognize the principle of seniority as a factor in promotion, lay-off, re-employment, transfer and other conditions of employment; and recognize the need of maintaining an efficient work force. The application of seniority under this Article shall prevail where the principle does not conflict with any provisions of applicable law. Seniority is understood to mean seniority within classifications/job titles or within positions for which the employee is qualified.

B. In determining seniority as a factor for promotion or transfer, the length of service in the particular division shall be considered rather than length of service in the bureau or department. All employees protected by this Agreement who were covered as civil service employees under the Charter of Baltimore City shall retain, through June 30, 1998, service credit, seniority, qualification for placement on the reemployment list, qualification for promotion or transfer, and eligibility for employment should the employee be displaced or laid off by the Board, said employees shall not suffer a break in service pursuant to SB 795, Section 15.

Any employee will not be required to affix his signature on any material that is to be inserted in the file subject to the provisions herein below discussed.
