No employee shall receive a rate higher than the negotiated rate contained in this addendum.

6.2 LONGEVITY PAY

Employees shall receive longevity pay in accordance with state statutes. Present law grants each employee who has completed five (5) years of uninterrupted service 1.5% of their base salary multiplied by the number of completed, contiguous five (5) year periods of uninterrupted service. In addition, each employee who has completed fifteen (15) or twenty (20) years of interrupted state service receives an additional 0.5% of the employee’s base salary for each of those additional five (5) years of uninterrupted service.

6.3 PREMIUM PAY

Nonexempt employees, defined as those employees covered by the minimum wage and overtime provisions of state and federal law, are entitled to pay in excess of their normal
hourly rate included in Addendum A in the amounts and under the circumstances specified below.

**A. Overtime**

When a nonexempt employee is required to work in excess of eight (8) hours per shift or in excess of forty (40) hours per week, the employee is eligible for overtime at the rate of one and one-half (1-1/2) times the normal rate of pay for all overtime worked. If an employee agrees to an alternate work schedule such as ten (10) hours per day, forty (40) hours per week, only those hours in excess of forty (40) hours per week shall be considered overtime and paid at one and one-half (1-1/2) times the normal rate.

1. **Approval Required**

   In order to constitute overtime for which an employee is entitled to be paid, the employee must have obtained the approval of the supervisor prior to working the additional time. It is the responsibility of supervisors to ensure that employees do not work any undesired overtime and the responsibility of employees to limit overtime to that requested by their supervisors.

2. **Time Worked**

   For purposes of computing the eight (8) hour day or the forty (40) hour week to determine entitlement to overtime pay, all sick leave, vacation leave, and holidays shall count as time worked.

**B. Compensatory Time Option for Employees**

Upon agreement of the employer and the affected employee(s), an employee may receive compensatory time in lieu of overtime in accordance with the provisions of the Fair Labor Standards Act. The following conditions will prevail concerning compensatory time:

3. An employee must have the appropriate supervisor's prior approval to use accumulated compensatory time.
4. If employment is terminated, any unused compensatory time will be paid to the employee at the regular rate of pay at the time of termination or the average regular rate received by the employee during the last three (3) years of the employee's employment, whichever is higher. The employing campus may
establish other timeframes in which compensatory time for nonexempt employees must be used or will be cashed out.

C. Call Outs

Employees who are called out for work and report outside their regular eight (8) hour shift or forty (40) hour workweek shall be paid for a minimum of two (2) hours at the rate of one and one-half (1-1/2) times the regular rate of pay. It is understood that this provision does not apply to work which occurs immediately prior or immediately after the work day.

D. Show Up Guarantee

It shall be the responsibility of the supervisor to notify any regular full-time employee whose services will not be required for any scheduled shift. Any such employee who shows up for work at the regularly scheduled time because the supervisor failed to give such notice shall be guaranteed four (4) hours of work. If no work is available, the employee shall receive four (4) hours of regular pay in lieu of work.

6.4 PAY AND DEDUCTIONS

The employer shall establish regular pay days and shall furnish each employee an itemized statement of the purpose and amount of every deduction from wages. The union shall be given advance notification of any permanent change in dates employees are to be paid. Any employee shall be entitled upon written request to have any of the following deducted from wages: university sponsored health or life insurance, approved tax sheltered annuities, and dues or service fee to bargaining agent. Other deductions may be made with approval of the designated campus representative. (39-3-101, M.C.A.)

6.5 WAGE WITHHOLDING

The employer has the right to withhold from wages or any other payment due an employee, any amount the employee owes the employer or which the employee unjustly received from the employer.

6.6 INSURANCE COVERAGE

A. Group Insurance

The employer contribution to health insurance for eligible employees shall be in accordance with state statute. The employer will continue to make insurance contributions on behalf of employees for up to four (4) months while an employee is on a
workers' compensation leave of absence as a result of an injury sustained while employed at a unit of the university system.

**B. Unemployment and Workers' Compensation**

Employees are eligible for unemployment compensation and workers' compensation in accordance with state law.

**6.7 RETIREMENT**

Employees shall participate in the applicable public employees retirement system in accordance with state law.

**6.8 REST PERIODS**

Each employee shall be allowed a fifteen (15) minute rest break in both the first and second half of each eight (8) hour shift. It shall be the supervisor's responsibility to make time available to ensure each employee receives such rest break. Such break shall be taken without loss of pay and the employee shall not be required to make up such time.

**6.9 MEAL PERIODS**

No employee shall be scheduled to work more than five (5) consecutive hours without being allowed a meal period except in cases of emergency. No meal period shall be for less than one-half (1/2) hour.

**6.10 WORK DAY / WORK WEEK**

The standard work day for full-time employees shall typically consist of eight (8) hours per day between the hours of 6:00 a.m. and 5:00 p.m. except for temporary scheduling necessitated by exceptional circumstances. The standard workweek for full-time employees shall typically consist of forty (40) hours per week, Monday through Friday inclusive, except for temporary scheduling necessitated by exceptional circumstances. Alternate schedules may be implemented by mutual agreement of the parties to this agreement.

ARTICLE 7

• Military Training Leave
• Leave Without Pay
• Public Service Leave
• Bargaining Agent Representative Leave
• Maternity Leave

7.1 ANNUAL VACATION LEAVE

Employees shall be eligible for annual vacation leave in accordance with state statute, a copy of which is attached in Addendum B.

7.2 SICK LEAVE

Employees are eligible for sick leave in accordance with state statute, a copy of which is attached in Addendum B, and the following.

A. Definitions

Sick leave is the necessary absence from duty caused when an employee has suffered illness, injury, pregnancy, or pregnancy-related illness; exposure to contagious disease that requires quarantine; the necessary absence from duty to receive a medical or dental examination or treatment; a necessary absence due to the illness of a member of the employee's immediate family requiring the attendance of the employee until professional or other attendance can be obtained; or the death of a member of the employee's immediate family. The employee's immediate family shall consist of: spouse, parents, grandparents, brothers, sister, children, household dependents, and the same relatives of the employee's spouse.

B. Policy

Accumulated sick leave credits should be regarded by employees as valuable free health insurance that maintains the employee's income during a period of personal illness or
family emergencies. Sick leave benefits should be carefully guarded and not dissipated or abused.

C. Reporting

Any illness, medical appointment, or emergency which will necessitate use of sick leave shall be reported by the employee to the employer as soon as possible and it shall be the responsibility of the employee to assure proper reporting of use of sick leave for record keeping purposes.

D. Charges by Quarter Hour

Sick leave charges shall be recorded in increments of one-quarter (1/4) hour.

E. Physician's Certificate

A physician's certificate or other evidence to substantiate a sick leave charge may be required by an employee's immediate supervisor or appointing authority if a question of abuse exists or to verify the employee's readiness to return to work.

F. Medical Appointments

The employee must notify the supervisor of a medical appointment at least twenty-four (24) hours in advance except in case of emergency.

G. Abuse Defined

Abuse of sick leave occurs when an employee misrepresents the actual reason for charging an absence to sick leave or when an employee uses sick leave for unauthorized purposes.

H. Employer Substantiation of Abuse

The employer must be able to substantiate any charges of sick leave abuse that result in an employee's dismissal and forfeiture of the lump sum payment.

I. Workers' Compensation Not Charged

Because an employee's pay continues while on sick leave, no employee is entitled to be paid both sick leave and workers' compensation payments. An employee injured on the job has the option of taking either sick leave or workers' compensation payments and if sick leave runs out, may receive workers' compensation payments.
J. Advancing Sick Leave Credits Prohibited

Advancing sick leave credits after an employee's earned sick leave credits have been expended is expressly prohibited.

The maximum leave of absence shall normally not exceed six (6) months but may be extended at the discretion of the employer up to a maximum of one (1) calendar year. As a general policy, unless other arrangements are approved, annual leave or sick leave, if applicable, must have been exhausted before leave without pay may be taken.

When on leave without pay, an employee retains none of the benefits or burdens of employment except a right to return to employment. If the leave exceeds fifteen (15) days, the employer's contribution to medical insurance is discontinued. However, an employee may remain on group medical insurance by personally paying the amount of the employer's contribution plus the regular monthly premium. None of the time on leave without pay may be considered for probationary period purposes, and no holiday pay is paid for holidays which fall during leave without pay, nor is a person a state employee during such leave for purposes of state insurance coverage or use of state property or facilities including state vehicles. Seniority will cease to accrue during a leave without pay in excess of thirty (30) calendar days.

7.7 BARGAINING AGENT REPRESENTATIVE LEAVE
The employer may grant reasonable leaves of absence without pay to one or two employees whenever required in the performance of duties as "duly authorized representatives of the bargaining agent." "Duly authorized representatives" means members of regularly constituted committees and/or officers of the bargaining agent, and a list of such representatives will be supplied to the personnel director or other appropriate official by the bargaining agent.

When a course which an employee desires to take is only offered during the employee's regular work schedule, the course may only be taken with the advance written approval of the supervisor. This approval may not be arbitrarily or capriciously withheld, but may be withheld if attendance would interfere with the employee's job performance or with the effective operation of the work unit. The time off may be taken as either vacation leave, leave without pay, or with the prior written consent of the supervisor, may be made up within the same working day.

B. Fee Waivers

Any employee who has successfully completed the probationary period and who is regularly scheduled for at least three-quarter time (.75 FTE) during the entire period of enrollment, may be entitled to a waiver of all fees except registration and building fees in accordance with current campus policy. Application for this fee waiver must be made in advance in accordance with campus procedures. If an employee's FTE level is
involuntarily reduced below .75 FTE or if an employee is laid off after the first day of enrollment, the waiver shall continue for that semester.

**C. Required Courses**

When a supervisor requires an employee to take a course to update his or her knowledge in a field directly related to the employee's assigned duties, all costs associated with the course shall be paid by the department, and the employee shall not be required to "make up" the time spent attending class. Each situation of this nature shall require the advance written approval of the supervisor.

**11.6 TOOLS PROVIDED**

Except for items personalized by size or custom of usage the employer shall provide tools required for the performance within the scope of employment.

**11.7 UNIFORMS**

The employer shall furnish uniforms as determined by the employer for employees covered by this contract.

**11.8 RECEIPT OF GIFTS OR INTEREST IN CONTRACTS**

No employee shall solicit or accept any gift or consideration in return for a promise to hire, hiring, or continuing the employment of another (2-2-201, M.C.A.) or for any decision or action in the regular course of employment, and no employee shall have any interest in any contract made by them in their capacity as employee. (2-2-202, M.C.A.)

**11.9 STAFF PARTICIPATION IN GOVERNANCE**

The employer shall not discontinue staff participation in governance and shall continue to grant nonacademic membership on committees when in the best interest of the institution or when the function of the committee is affected with nonacademic staff interests. Staff participation in governance shall not be regarded as an incursion into the area of exclusivity of representation which is the right of the bargaining agent except as to those matters specifically negotiated in the collective bargaining agreement. Nothing in this section requires either the establishment or the continuation of committees or the concurrence with any recommendations thereof.

**11.10 UNAUTHORIZED USE OF SERVICES, PROPERTY, OR FACILITIES**
No services, property, or facilities of the employer may be used by employees for other than official purposes incident to and in the course of their regular employment.

11.11 SAFETY OF WORKING CONDITIONS

The employer shall furnish a place of employment which is safe for employees therein and shall furnish and use and require the use of such safety devices and safeguards, including epoxy safeguards, and shall adopt and use such practices or methods as are adequate to render the place of employment safe and shall do everything reasonably necessary to protect the life and safety of employees. (50-71-201, M.C.A.) No person shall remove, damage, or refuse to use any safety device or safeguard, or interfere in any way with the use thereof or of any practice or method adopted for protection of employees. (50-71-203, M.C.A.) Employees shall notify the supervisor of any safety hazards incident to their employment. (50-71-322, M.C.A.)

11.12 EMERGENCY USE OF HEALTH SERVICE

Any employee shall be allowed to use the Health Service, if available at the unit, for emergency treatment. The Health Service will be allowed reasonable charges for such service which shall be billed to the employee.

11.13 PRESCRIPTION SAFETY GLASSES

Prescription safety glasses will be furnished by the employer. The employer retains the authority to establish reasonable rules and procedures regarding frequency of issue, replacement of damaged glasses, limits on reimbursement costs and coordination with the employer's vision plan.

11.14 DIRECTIONS FROM FOREMAN ONLY

When there are four (4) or more regular full-time painter positions (12 months) in a work unit, there will be a working painter foreman. If a foreman position has been established under this provision and there is a reduction in the number of full-time painter positions because of a layoff, the foreman's position shall not be discontinued. However, when the foreman resigns or retires, the employer shall not be under any obligation to hire a foreman.

12.2 TIME LIMIT ON PRESENTATION

Any grievance must be presented to the bargaining agent within twenty (20) days of occurrence. Within ten (10) days of notification of the grievance, the bargaining agent shall present the grievance to the appropriate supervisor.

12.3 INFORMAL PROCEDURE

The head of the department shall have ten (10) days from receipt of the grievance to respond in writing.

12.4 FORMAL PROCEDURE

If the grievance is still unresolved, it may be presented in writing, within five (5) days from receipt of the department head's response, to the personnel office. The personnel office shall have ten (10) days from receipt of the grievance to respond in writing.
12.5 GRIEVANCE COMMITTEE

If the grievance is not resolved by means of the formal procedure, the bargaining agent and the employer may agree to refer the grievance to a grievance committee for resolution prior to arbitration. A request to use a grievance committee may be initiated by the employer within ten (10) days from the bargaining agent's request to arbitrate or by the bargaining agent within ten (10) days from receipt of the step 2 decision of the personnel office. If the parties agree to the use of a grievance committee, the Commissioner of Higher Education shall appoint three (3) committee members and the bargaining agent shall appoint three (3) committee members. No employee of the unit from which the grievance originated may be selected by the employer or the bargaining agent to serve on the committee. The grievance committee shall conduct the hearing at the unit from which the grievance originated and shall arrive at a decision within five (5) days following the date the grievance was heard by the committee. Any decision concurred in by a majority of the members of the grievance committee is final and binding and may not be appealed to arbitration. In the event the grievance committee is unable to arrive at a decision which is concurred in by a majority of committee members, the bargaining agent may submit the matter to arbitration by giving written notice of their intention to arbitrate to the Commissioner of Higher Education and the campus personnel office within five (5) days from the date the committee decision was due.

12.6 ARBITRATION

A. Request for Arbitration

In the event the grievance committee is unable to arrive at an agreement within the time specified, the bargaining agent and the grievant may submit the matter to arbitration by giving written notice of their intention to arbitrate to the campus personnel office with a copy to the Commissioner of Higher Education within ten (10) days from the date the committee decision was due. Upon the written request of the Commissioner or the bargaining agent, a fifteen (15) day postponement in the selection of an arbitrator shall be granted to allow the Commissioner a final opportunity to attempt to resolve the matter prior to arbitration. If no settlement is reached within the fifteen (15) days, the parties shall proceed to arbitration.

B. Selection of Arbitrator

Upon a request for arbitration or upon the expiration of the fifteen (15) day extension granted the Commissioner, the parties shall attempt to mutually agree to an acceptable impartial arbitrator. If the parties are unable to agree upon an arbitrator, the Federal Mediation and Conciliation Service shall be requested to provide a list of names of seven (7) potential arbitrators from the northwest region. Each party shall alternatively strike names and the remaining name shall be the arbitrator.
C Authority of Arbitrator

The decision of the arbitrator shall be final and binding except that no arbitrator shall have the authority to add to, subtract from, or modify the terms of this agreement.

- Entire Agreement

13.1 FINANCIAL AND LEGISLATIVE CONTINGENCIES

In the event the University System budget request is appropriated by the legislature in the amount requested, this agreement shall remain in full force and effect. Should the appropriation be less than the request, this agreement may be opened for renegotiation by the employer as to any portion thereof the performance of which is contingent upon availability of financial resources.

13.2 SAVING CLAUSE

Should any portion of this agreement be determined invalid or unenforceable by any court or other judicial or quasi-judicial body with authority to make such a determination, the rest of the agreement shall remain in full force and effect.

13.3 REFERENCE TO STATUTES

Throughout this contract, benefits provided to all state employees by statute are summarized. These benefits are changed from time to time by the legislature. The intent of the parties is that employees will receive benefits in accordance with current state statutes. If there is a conflict between statutes and the agreement, the statutory provision shall take precedence.

13.4 INTERIM AMENDMENT

Each party hereby waives the right to insist that the other party bargain collectively during the life of this agreement with respect to any questions of wages, hours, fringe benefits or other conditions of employment except as provided for in Section 14.1 of this

14.2 NEGOTIATION SCHEDULE

*This is the minimum wage rate for newly hired painter associates. The employer has the discretion to pay a higher wage rate to painter associate employees based on their experience and ability. Painter associates may not be used to fill full-time, permanent vacancies and may not result in the displacement of any currently employed bargaining unit employee. Painter associates shall receive a minimum of 80% of the journeymen painter wages in their second year of employment, a minimum of 90% of the journeymen painter wages in their third year of employment and shall receive 100% of journeymen painter wages in their fourth year of employment. At The University of Montana-Missoula, the employer shall not be permitted to employ more than one (1) associate painter for each three (3) journeymen painters unless qualified journeymen painters are not available.

II. SCOPE OF WORK

The bargaining agent will be given an opportunity to submit to the employer any data, studies, and any other such material that is relevant.
ADDENDUM B
STATUTES REFERENCED IN
CONTRACT

2-18-611. Annual vacation leave. (1) Each permanent full-time employee shall earn annual vacation leave credits from the first day of employment. Vacation leave credits earned must be credited at the end of each pay period. However, employees are not entitled to any vacation leave with pay until they have been continuously employed for a period of 6 calendar months.

(2) Seasonal employees shall earn vacation credits. However, seasonal employees must be employed 6 qualifying months before they may use the vacation credits. In order to qualify, such employees must immediately report back for work when operations resume in order to avoid a break in service.

(3) Permanent part-time employees are entitled to prorated annual vacation benefits if they have worked the qualifying period.

(4) An employee may not accrue annual vacation leave credits while in a leave-without-pay status.

(5) Temporary employees earn vacation leave credits, but may not use the credits until after working for 6 qualifying months.

(6) A short-term worker, as defined in 2-18-101, may not earn vacation leave credits, and time worked as a short-term worker does not apply toward the person's rate of earning vacation leave credits.

2-18-612. Rate earned. (1) Vacation leave credits are earned at a yearly rate calculated in accordance with the following schedule, which applies to the total years of an employee's employment with any agency whether the employment is continuous or not:

Years of employment Working days credit

1 day through 10 years 15
10 years through 15 years 18
15 years through 20 years 21
20 years on 24

(2) (a) For the purpose of determining years of employment under this section, an employee eligible to earn vacation credits under 2-18-611 must be credited with 1 year of employment for each period of:
(i) 2,080 hours of service following his date of employment; an employee must be credited with 80 hours of service for each biweekly pay period in which he is in a pay status or on an authorized leave of absence without pay, regardless of the number of hours of service in the pay period; or

(ii) 12 calendar months in which he was in a pay status or on an authorized leave of absence without pay, regardless of the number of hours of service in any one month. An employee of a school district, a school at a state institution, or the university system must be credited with 1 year of service if he is employed for an entire academic year.

(b) State agencies, other than the university system and a school at a state institution, must use the method provided in subsection (2)(a)(i) to calculate years of service under this section.

2-18-614. Military leave considered service. A period of absence from employment with the state, county, or city occurring either during a war involving the United States or in any other national emergency and for 90 days thereafter for one of the following reasons is considered as service for the purpose of determining the number of years of employment used in calculating vacation leave credits under this section:

(1) having been ordered on active duty with the armed forces of the United States;

(2) voluntary service on active duty in the armed forces or on ships operated by or for the United States government; or

(3) direct assignment to the United States department of defense for duties related to national defense efforts if a leave of absence has been granted by the employer.

2-18-615. Absence because of illness not chargeable against vacation unless employee approves. Absence from employment by reason of illness shall not be chargeable against unused vacation leave credits unless approved by the employee.

2-18-616. Determination of vacation dates. The dates when employees' annual vacation leaves shall be granted shall be determined by agreement between each employee and his employing agency with regard to the best interest of the state, any county or city thereof as well as the best interests of each employee.

2-18-617. Accumulation of leave -- cash for unused -- transfer. (1)(a) Except as provided in subsection (1)(b), annual vacation leave may be accumulated to a total not to exceed two times the maximum number of days earned annually as of the end of the first pay period of the next calendar year. Excess vacation time is not forfeited if taken within 90 calendar days from the last day of the calendar year in which the excess was accrued.

(b) It is the responsibility of the head of an employing agency to provide reasonable opportunity for an employee to use rather than forfeit accumulated vacation leave. If an
employee makes a reasonable written request to use excess vacation leave before the excess vacation leave must be forfeited under subsection (1)(a) and the employing agency denies the request, the excess vacation leave is not forfeited and the employing agency shall ensure that the employee may use the excess vacation leave before the end of the calendar year in which the leave would have been forfeited under subsection (1)(a).

(2) An employee who terminates employment for a reason not reflecting discredit on the employee is entitled upon the date of termination to cash compensation for unused vacation leave, assuming that the employee has worked the qualifying period set forth in 2-18-611.

(3) However, if an employee transfers between agencies of the same jurisdiction, cash compensation may not be paid for unused vacation leave. In a transfer, the receiving agency assumes the liability for the accrued vacation credits transferred with the employee.

(4) This section does not prohibit a school district from providing cash compensation for unused vacation leave in lieu of the accumulation of the leave, either through a collective bargaining agreement or, in the absence of a collective bargaining agreement, through a policy.

2-18-618. Sick leave. (1) A permanent full-time employee earns sick leave credits from the first day of employment. For calculating sick leave credits, 2,080 hours (52 weeks x 40 hours) equals 1 year. Sick leave credits must be credited at the end of each pay period. Sick leave credits are earned at the rate of 12 working days for each year of service without restriction as to the number of working days that may be accumulated. Employees are not entitled to be paid sick leave until they have been continuously employed 90 days.

(2) An employee may not accrue sick leave credits while in a leave-without-pay status.

(3) Permanent part-time employees are entitled to prorated leave benefits if they have worked the qualifying period.

(4) Full-time temporary and seasonal employees are entitled to sick leave benefits provided they work the qualifying period.

(5) A short-term worker may not earn sick leave credits.

(6) An employee who terminates employment with the agency is entitled to a lump-sum payment equal to one-fourth of the pay attributed to the accumulated sick leave. The pay attributed to the accumulated sick leave must be computed on the basis of the employee’s salary or wage at the time the employee terminates his employment with the state, county, or city. Accrual of sick leave credits for calculating the lump-sum payment provided for in this subsection begins July 1, 1971. The payment is the responsibility of the agency in which the sick leave accrues. However, an employee does not forfeit any
sick leave rights or benefits he had accrued prior to July 1, 1971. However, when an employee transfers between agencies within the same jurisdiction, the employee is not entitled to a lump-sum payment. In a transfer between agencies, the receiving agency shall assume the liability for the accrued sick leave credits earned after July 1, 1971, and transferred with the employee.

(7) An employee who receives a lump-sum payment pursuant to this section and who is again employed by any agency may not be credited with sick leave for which the employee has previously been compensated.

(8) Abuse of sick leave is cause for dismissal and forfeiture of the lump-sum payments provided for in this section.

(9) An employee may contribute any portion of the employee's accumulated sick leave to a nonrefundable sick leave fund for state employees and becomes eligible to draw upon the fund if an extensive illness or accident exhausts the employee's accumulated sick leave. The department of administration shall, in consultation with the state employee group benefits advisory council, provided for in 2-15-1016, administer the sick leave fund and adopt rules to implement this subsection.

(10) A local government may establish and administer through local rule a sick leave fund into which its employees may contribute a portion of their accumulated sick leave.

2-18-619. Jury duty -- service as witness. (1) Each employee who is under proper summons as a juror shall collect all fees and allowances payable as a result of the service and forward the fees to the appropriate accounting office. Juror fees shall be applied against the amount due the employee from his employer. However, if an employee elects to charge his juror time off against his annual leave, he shall not be required to remit his juror fees to his employer. In no instance is an employee required to remit to his employer any expense or mileage allowance paid him by the court.

(2) An employee subpoenaed to serve as a witness shall collect all fees and allowances payable as a result of the service and forward the fees to the appropriate accounting office. Witness fees shall be applied against the amount due the employee from his employer. However, if an employee elects to charge his witness time off against his annual leave, he shall not be required to remit his witness fees to his employer. In no instance is an employee required to remit to his employer any expense or mileage allowances paid him by the court.

(3) Employers may request the court to excuse their employees from jury duty if they are needed for the proper operation of a unit of state or local government.

2-18-620. Mandatory leave of absence for employees holding public office -- return requirements. (1) Employers of employees elected or appointed to a public office in the city, county, or state shall grant such employees leaves of absence, not to exceed 180
days per year, while they are performing public service. Employees of an employer who employs 10 or more persons must, upon complying with the requirements of subsection

(2), be restored to their positions, with the same seniority, status, compensation, hours, locality, and benefits as existed immediately prior to their leaves of absence for public service under this section.

(2) Employees granted a leave shall make arrangements to return to work within 10 days following the completion of the service for which the leave was granted unless they are unable to do so because of illness or disabling injury certified to by a licensed physician.

(3) Any unemployment benefits paid to any person by application of this section shall not be charged against any employer under the unemployment insurance law.

2-18-621. Unlawful termination. It shall be unlawful for an employer to terminate or separate an employee from his employment in an attempt to circumvent the provisions of 2-18-611, 2-18-612, and 2-18-614. Should a question arise under this section, it shall be submitted to arbitration as provided in Title 27, chapter 5, as if an agreement described in 27-5-114 is in effect, unless there is a collective bargaining agreement to the contrary applicable.

10-1-604. Leave of absence of public employees attending training camp or similar training program. A state, city, town, or county employee who is a member of the organized militia of this state or who is a member of the organized or unorganized reserve corps or military forces of the United States and who has been an employee for a period of 6 months shall be given leave of absence with pay for a period of time not to exceed 15 working days in a calendar year for attending regular encampments, training cruises, and similar training programs of the organized militia or of the military forces of the United States. This leave may not be charged against the employee's annual vacation time.

49-2-310. Maternity leave -- unlawful acts of employers. It shall be unlawful for an employer or his agent to:

(1) terminate a woman's employment because of her pregnancy;

(2) refuse to grant to the employee a reasonable leave of absence for such pregnancy;

(3) deny to the employee who is disabled as a result of pregnancy any compensation to which she is entitled as a result of the accumulation of disability or leave benefits accrued pursuant to plans maintained by her employer, provided that the employer may require disability as a result of pregnancy to be verified by medical certification that the employee is not able to perform her employment duties; or

(4) require that an employee take a mandatory maternity leave for an unreasonable length of time.
