"College/University" refers to: The College of New Jersey Kean University Montclair State University New Jersey City University Ramapo College of New Jersey Richard Stockton College of New Jersey Rowan University Thomas Edison State College William Paterson University 4. "Local UNION" refers to the constituent local of the UNION at a College/University. 5. "Multi-year contract" refers to such contracts authorized under N.J.S.A. 18A:60-I4.

ARTICLE II
NON-DISCRIMINATION

The STATE and the UNION agree that the provisions of this Agreement shall apply equally to all employees and that there shall be no intimidation, interference, or discrimination because of age, sex, sexual orientation, marital status, race, color, creed, national origin, physical handicap, or political activity, private conduct or union activity which is permissible under law and which does not interfere with an employee’s employment obligation.

ARTICLE III
NO STRIKE OR LOCKOUT

The UNION agrees that it will refrain from any strike, work stoppage, slowdown, or other job action and will not support or condone any such job action. The STATE agrees that it will refrain from locking out its employees or from any threat thereof.

ARTICLE IV
CONTINUING CONSULTATION

A. The UNION and the STATE shall upon the request of either party establish meetings during the third week of April, October, and January for the purpose of reviewing the administration of this Agreement and to discuss problems which may arise. These meetings are not intended to bypass the grievance procedure or to be considered contract negotiating meetings but are intended as a means of fostering good employer-employee relations. B. The Local UNION on each campus and the President as chief executive officer of the College/University and as representative of
the Board of Trustees, or his or her designee(s), shall upon the request of either party establish meetings during the first week of April, October, and January, for the purpose of reviewing the administration of this Agreement and to discuss problems which may arise. These meetings are not intended to bypass the grievance procedure or to be considered contract negotiating meetings but are intended as a means of fostering good employer-employee relations.

C. The requests of either party for such meetings shall include an agenda of topics to be discussed and shall be submitted seven (7) days prior to the meeting date. Sufficient meeting time(s) shall be established to complete the agenda.

D. Additional meetings, as described above, shall be held at the request of either party at a mutually agreeable time.

ARTICLE V
ACADEMIC FREEDOM

A. Academic freedom derives from the nature of the quest for knowledge. It is essential to the full search for truth and its free exposition, applies to both teaching and research, and shall not be abridged or abused. Academic freedom does not relieve the employee of those duties and obligations which are inherent in the employer-employee relationship.

B. Freedom in research is fundamental to the advancement of truth. Academic freedom in its teaching aspect is fundamental for the protection of the rights of the teacher in teaching and of the student to freedom in learning. It carries with it responsibilities correlative with rights. Both parties to this Agreement subscribe to the following principles of academic freedom: 1. Employees are entitled to full freedom in research and in the publication of results. 2. An employee is entitled to freedom in the classroom in discussing his or her subject. 3. Employees are citizens and members of a learned profession. When the employee speaks or writes as a citizen, he or she is free from institutional censorship or discipline, but should not represent himself or herself as a spokesperson for the institution.

ARTICLE VI
DUES DEDUCTION

A. I. The STATE agrees to deduct from the salaries of all employees dues for the appropriate Local UNION named below, as individual employees may voluntarily authorize as provided in Chapter 310, New Jersey Public Laws of 1967, the STATE to make such deductions and where such authorization is properly presented to the STATE. The College of New Jersey Local 2364 Kean University Local 2187 Montclair State University Local 1904 New Jersey City University Local 1839 Ramapo College of New Jersey Local 2274 Richard Stockton College of New Jersey Local 2275 Rowan University Local 2373 Thomas Edison State College Local 4277 William Paterson University Local 1796 The deduction will be made in equal amounts bi-weekly pursuant to Chapter 310, New Jersey Public Laws of 1967, N.J.S.A. 52:14-15.9e, as amended, beginning the first payroll period after receipt of the authorization card. Said monies will be transmitted by
the fifteenth of the month following the month in which deductions were made to the designated Local UNION treasurer. Each of the above Local UNIONS shall certify to the STATE in writing the current rate of its membership dues.

2. Dues deduction for any employee in the negotiating unit shall be limited to the UNION. Employees shall be eligible to withdraw dues deduction authorization for the UNION only as of July 1 of each year provided the notice of withdrawal is filed timely with the responsible payroll clerk.

3. Any changes in the UNION fee structure during the contract year shall be certified to the STATE thirty (30) days in advance of the requested date of such change. The change will be reflected in payroll deductions at the earliest time after the receipt of the request.

B. Representation Fee (Agency Shop)

1. Purpose of Fee

a. Subject to the conditions set forth in l(b) below, all eligible nonmember employees in this unit will be required to pay to the majority representative a representation fee in lieu of dues for services rendered by the majority representative until June 30, 2003. Nothing herein shall be deemed to require any employee to become a member of the majority representative.

b. It is understood that the implementation of the agency fee program is predicated on the demonstration by the UNION that more than 50% of the eligible employees in the negotiating unit are dues paying members of the UNION. If at the signing of this Agreement the above percentage has not been achieved, the agency fee plan will be continued through pay period 26 of the calendar year, after which it shall be discontinued unless the minimum has been achieved prior to that occurrence. Thereafter, if the minimum percentage is exceeded on any quarterly date; i.e., January 1, April 1, July 1 or October 1, the agency fee plan shall be reinstated, with proper notice to affected employees. In each year of the Agreement on July 1, an assessment shall be made to determine if the minimum percentage has been exceeded. If it has, the agency fee shall continue until the following annual assessment. If it has not, the agency fee will be discontinued and eligibility for reinstatement shall be on a quarterly basis as provided above.

2. Amount of Fee

Prior to the beginning of each contract year, the UNION will notify the STATE in writing of the amount of regular membership dues, initiation fees and assessments charged by the UNION to its own members for that contract year, and the amount of the representation fee for that contract year. Any changes in the representation fee structure during the contract year shall be certified to the STATE thirty (30) days in advance of the requested date of such change. The change will be reflected in payroll deductions at the earliest time after the receipt of the request. The representation fee in lieu of dues shall be in an amount equivalent to the regular membership dues, initiation fees and assessments charged by the majority representative to its own members less the cost of benefits.
financed through the dues, fees and assessments and available to or benefiting only its members, but in no event shall such fee exceed 85% of the regular membership dues, fees and assessments.

3. Deduction and Transmission of Fee

After verification by the STATE that an employee must pay the representation fee, the STATE will deduct the fee for all eligible employees in accordance with this Article. The mechanics of the deduction of representation fees and the transmission of such fees to the UNION will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the UNION. The STATE shall deduct the representation fee as soon as possible after the tenth day following reentry into this unit for employees who previously served in a position identified as excluded or confidential, for individuals reemployed in this unit from a reemployment list, for employees returning from leave without pay, and for previous employee members who become eligible for the representation fee because of nonmember status. For purposes of Section B., individuals employed on a 10-month basis or who are reappointed from year to year shall be considered to be in continuous employment. The STATE shall deduct the representation fee from a new employee as soon as possible after thirty (30) days from the beginning date of employment in a position in this unit.

4. Demand and Return System

The representation fee in lieu of dues shall only be available to the UNION if the procedures hereafter are maintained by the UNION. The burden of proof under this system is on the UNION. The UNION shall return any part of the representation fee paid by the employee which represents the employee's additional pro-rata share of expenditures by the UNION that is either in aid of activities or causes of a partisan political or ideological nature only incidentally related to the terms and conditions of employment, or applied toward the cost of any other benefits available only to members of the majority representative. The pro rata share subject to refund shall not reflect, however, the costs of support of lobbying activities designed to foster policy goals in collective negotiations and contract administration or to secure for the employees represented advantages in wages, hours, and other conditions of employment in addition to those secured through collective negotiations with the public employer. The employee shall be entitled to a review of the amount of the representation fee by requesting the UNION to substantiate the amount charged for the representation fee. This review shall be in conformance with the internal steps and procedures established by the UNION. The UNION shall submit a copy of the UNION review system to the Office of Employee Relations. The deduction of the representation fee shall be available only if the UNION establishes and maintains this review system. If dissatisfied with the UNION's decision, the employee may appeal to a three-member board established by the Governor.

5. STATE Held Harmless

The UNION hereby agrees that it will indemnify and hold the STATE harmless from any claims, actions or proceedings brought by any employee in the negotiations unit which arises from the STATE's
agreement to make deductions in accordance with this provision. The
STATE shall not be liable to the UNION or employee for any retroactive or
past due representation fee for an employee who was identified by the
STATE as excluded or confidential or in good faith was mistakenly or
inadvertently omitted from deduction of the representation fee.

6. Legal Requirements

Provisions in this clause are further conditioned upon all other
requirements set by statute.

C. Political Check-Off

Pursuant to legislation, the State shall upon presentation of a proper and
duly signed authorization form, deduct from the salary of each employee in
the negotiations unit a sum specified by the UNION and not to exceed the
limits prescribed by law, for the purpose of contributing to the UNION
Committee on Political Education (COPE). This provision applies to present
and future members and non-member employees in the negotiations unit.
The fee deductions referred to above shall be forwarded to the Local
UNIONS promptly and in accordance with the provisions of applicable law.

ARTICLE VII
GRIEVANCE PROCEDURE

A. Purpose

The parties agree that it is in the best interests of the academic community
that all grievances should be resolved promptly, fairly and equitably. To
this end relevant and necessary information, material and documents
concerning any grievance shall be provided by the UNION and the STATE
upon written request to the other within a reasonable time which, where
practicable, will not exceed fifteen (15) working days. This entitlement does
not include the use of written questions directed to individuals where the
relevant and necessary information sought can be asked of witnesses or
the management representative at a grievance hearing.

1. The following procedure, which may be initiated by an employee and/or
the UNION acting as his or her representative, shall be the sole and
exclusive means of seeking adjustment and settling grievances (except as
provided in Article XII).

2. A copy of any grievance filed by an employee independently of the
UNION under the State Colleges/Universities Agreement shall, upon
receipt, be transmitted to the UNION by the College/University.

3. Whenever any representative of the UNION or any employee is mutually
scheduled by the parties during working hours to participate in grievance
procedures, such employees shall suffer no loss in pay or benefits.

B. Definition of a Grievance
A grievance is an allegation by an employee or the UNION that there has been:

1. A breach, misinterpretation or improper application of terms of this Agreement; or

2. An arbitrary or discriminatory application of, or failure to act pursuant to, the applicable policies or rules of a Board of Trustees, or applicable regulations or statutes which establish terms and conditions of employment.

C. Preliminary Informal Procedure

An employee may orally present and discuss a grievance with his or her immediate supervisor on an informal basis. At the employee's option, he or she may request the presence of a UNION representative. If the employee exercises this option, the supervisor may determine that such grievance be moved to the first formal step. Should an informal discussion not produce a satisfactory settlement, the grievant may move the grievance to the first formal step. Informal discussions shall not serve to extend the time within which a grievance must be filed, unless such is agreed to in writing by the College/University official responsible for the administration of the first formal step of the grievance procedure.

D. Formal Steps

I. Step One

A grievant shall initiate his or her grievance in writing and present it formally to the College/University President. Such statement of grievance should include specific reference to the following:

a) article and section of this Agreement alleged to have been breached, misinterpreted, or improperly applied;

b) the applicable policy or rule of a Board of Trustees, or the applicable statute which establishes terms and conditions of employment alleged to have been arbitrarily or discriminatorily applied or not followed;

c) a description of how the alleged violation occurred;

d) the date of the alleged violation;

e) the proposed remedy.

Where the nature of the grievance suggests that it would be appropriate, the grievant may be requested by the President or his or her designee to meet any involved official of the College/University in an effort to resolve the grievance informally. Such informal discussions shall not become a part of the record of the grievance unless the grievance is resolved on the basis of such discussions. The President or designee thereof shall hear the
grievance and, where appropriate, witnesses may be heard and pertinent records received. The hearing shall be held within twenty (20) calendar days of receipt of the grievance, and the decision shall be rendered in writing to the employee and the UNION representative within fifteen (15) calendar days of the conclusion of the hearing of the grievance.

2. Step Two

If the aggrieved employee is not satisfied with the disposition of the grievance at Step One, or should no decision be forthcoming in the prescribed time, the UNION as representative of the employee may, within twenty (20) calendar days from the determination at said step and upon written notification of intent to arbitrate to the Director of the Office of Employee Relations, appeal the grievance to arbitration. The arbitrator shall conduct a hearing and investigation to determine the facts and render a decision for the resolution of the grievance. An arbitrator's decision shall be binding as to grievances raised under B. 1. above and advisory and non-binding as to grievances raised under B. 2. above. In any case, an arbitrator's decision relating to appointment, nonreappointment (except as provided in E. 5. below), merit awards, or promotion shall be advisory and non-binding. In no event shall an arbitrator's decision have the effect of adding to, subtracting from, modifying or amending the provisions of this Agreement, the laws of the STATE, or any policy of the STATE or any Board of Trustees.

The arbitrator shall not substitute his or her judgment for academic judgments rendered by the persons charged with making such judgments. If one of the issues before the arbitrator is timeliness, the arbitrator must first render a decision on this issue. This decision shall be rendered on the day of the hearing when possible. A subsequent day of hearing will occur only if the arbitrator determines the matter to have been timely filed. Any costs resulting from this procedure shall be shared equally by the parties. The arbitrator making a binding determination of a grievance has the authority to prescribe a compensatory award to implement the decision. The parties shall mutually agree upon a panel of three or more arbitrators. Each member of the panel shall serve by random selection as the sole arbitrator for a given case or cases. When a member of the panel is unable to serve, another member shall then serve by random selection. Each member of the panel serves by mutual agreement of the State and the UNION and may be removed at any time by either party through written notice to the other. In the event it is necessary for the parties to select a new panel member, and the parties are unable to agree on such new panel member, an ad hoc replacement arbitrator shall be selected on a case-by-case basis under the selection procedure of PERC. Such selection procedure shall also be utilized in the event of a failure of the parties to agree upon a new panel.

E. 1. Matters pertaining to appointment, promotion or non-reappointment shall be grievable under this agreement only upon the basis of claimed violations involving discriminatory treatment in violation of Article II, or denial of academic freedom in violation of Article V, or violation of appointment, promotion or reappointment procedures specified in Articles XIV and XIII, or applicable written College/University procedures (except as provided in E. 5. below). In all such cases the burden of proof shall be upon the grievant. In no case may an arbitrator recommend appointment,
promotion or reappointment of a grievant. Rather, where appropriate, the remedy shall be to remand the matter to the proper level of the involved College/University for reconsideration of the matter and elimination of defects in the procedural process or elimination of impropriety in the decision making process.

2. Where a matter is remanded pursuant to Subparagraph 1 above, the arbitrator may, where appropriate, direct that the President of the College/University, in consultation with the UNION, appoint an ad hoc review committee to substitute for any individual or committee which had been involved in the previous promotion or reappointment action. The purpose of such ad hoc committee will be for the purpose of reconsidering the involved matter and elimination of defects in the procedural process or elimination of impropriety in the decision making process and to make recommendations on the merits of the involved promotion or reappointment matter to the President or intermediate levels prior to the President.

3. Merit awards shall be grievable under this Agreement only upon the basis of claimed violations involving discriminatory treatment in violation of Article II of the Agreement. In all such cases, the burden of proof shall be upon the grievant. In no case may an arbitrator recommend a merit award be given to an individual. Rather, where appropriate, the remedy shall be to remand the matter to the proper level of the involved College/University for reconsideration of the matter and elimination of impropriety in the decision making process. No personnel actions involving punitive procedures shall be based on, or in any way use, the results of the merit award program.

4. The discharge or suspension of employees during the term of a one-year appointment or an initial two- or three-year appointment or a reappointment shall be grievable to advisory arbitration, and in the event the involved employee files a grievance, the burden of proving good cause for the discharge or suspension shall be upon the College/University.

5. Full-time employees serving under multi-year contracts may grieve notice of non-renewal on the basis of lack of good cause. The arbitrator may direct the withdrawal of the notice of non-renewal or other appropriate remedy.

F. Disputes concerning the application or interpretation of the New Jersey tenure laws or dismissals of employees protected by such laws shall not be grievable under this Agreement.

G. Time Limits

1. A grievance must be filed at Step One within forty-five (45) calendar days from the date on which the act which is the subject of the grievance occurred or forty-five (45) calendar days from the date on which the individual employee should reasonably have known of its occurrence.

2. A group grievance that affects more than one College/University must be filed with the individual designated by the College/University Presidents to receive multi-college group grievances. The grievance statement must include the names of all the affected Colleges/Universities and a notice that
the grievance is a group grievance. A copy of the group grievance must be simultaneously provided to the Director of the Office of Employee Relations.

3. The College/University Presidents will designate an individual to hear the group grievance on behalf of all the affected Colleges/Universities.

4. The time limits applicable to Step One will also apply to a group grievance.

5. Claims of violation of procedure by any promotion or retention committee must have been reported to the President of the College/University by the individual grievant within fourteen (14) days from the date on which such claimed violation took place or fourteen (14) days from the date on which the individual grievant should have reasonably known of its occurrence. In the event of failure to report the occurrence within such fourteen (14) day period, the matter may not be raised in any later grievance contesting the validity of such committee's recommendation or any action based thereon.

6. No adjustment of any grievance shall impose retroactivity beyond the date on which the grievance was initiated or the forty-five (45) day period provided in Section G.1 above, except that payroll errors and related matters shall be corrected to date of error.

7. Time limits provided for in this Article may be extended by mutual agreement of the parties at the level involved.

8. If the Step One decision by the College/University is not appealed within the appropriate time limit, such grievance will be considered closed and there shall be no further review or appeal.

H. Nothing in this Article shall be construed as compelling the UNION to submit a grievance to arbitration.

I. No reprisal of any kind shall be taken against any participant in this grievance procedure by reason of proper participation in such procedure.

J. Grievance records shall not be part of the personnel file utilized in the promotion or retention process unless such grievance records pertain to the matter under consideration.

K. To the extent that other articles in the Agreement are non-applicable to part-time employees, references to these articles in the grievance procedure are also non-applicable. The appointment or non-reappointment of part-time employees with three years or less service is not grievable.

ARTICLE VIII

A. The UNION agrees to furnish to the Office of Employee Relations a complete list of all officers and representatives of the UNION, including
titles, addresses and designation of responsibility, and to keep such list current. Job descriptions provided to the UNION pursuant to this section shall include both local title, if one exists, and generic title.

D. The STATE and the College/University administrators agree to furnish to the UNION in response to written requests and within a reasonable time, which where practicable, will not exceed fifteen (15) work days, information which is relevant and necessary to the negotiating of subsequent agreements; and to furnish all publicly available information including published agendas and minutes of Boards of Trustees' proceedings, and such other relevant publicly available information that shall assist the UNION in developing intelligent, accurate, informed, and constructive programs. Upon request of the UNION, a responsible administrative officer of the College/University shall be available to discuss the agenda items at a mutually agreeable time prior to such meets. A request for an allocation of time on the agenda will be processed in advance and consistent with procedures of the Boards. The UNION will be permitted to speak on any issue raised by the Board but not on the agenda. Allocation of time to speak shall be prior to final action by vote of a Board on the substantive issue under consideration. The UNION may raise an issue of an emergent nature provided it occurred subsequent to the time allowed for submission for placement on the agenda. In such an event, the UNION shall be permitted to identify the issue, which a Board shall receive as introduced and either accept as current business or consider for future action.

D. The UNION shall have the right to appoint one employee observer to each college-wide committee of each State College/University, said observer being selected by a procedure established and administered by the UNION.

E. Except for representatives designated by the UNION, employees serving on committees at the Colleges/Universities dealing with terms and conditions of employment shall not be considered to be representatives of the UNION, nor shall their views be construed to represent the views of the negotiating unit. This provision shall not be construed to limit the other
functions of persons serving on such committees as a result of the operation of the governance process at any College/University.

ARTICLE X

C. Distribution of Materials

The UNION shall have the right to use inter-office mail facilities to deliver mail within a College/University.

b. Secretary of the CNJSCL  
c. Vice President of the CNJSCL  
d. Treasurer of the CNJSCL  
e. Legislative Representative of the CNJSCL  
f. The Presidents of each of the State College/University Locals  
g. One UNION representative designated by the UNION on each campus  

In no case shall the number of receiving priority in choice of schedule on any campus exceed three (3) nor shall more than one representative be selected from any academic department or equivalent unit at any College/Universities.

2. The President of the Council of New Jersey State College Locals, AFT/AFL-CIO and one UNION representative designated on each campus will be permitted to reduce his or her teaching load by one course per semester for a maximum of eight (8) credits per academic year, provided that the UNION reimburses the College/University for such reduction and released time at the applicable overload or adjunct rate and provided that arrangements are mutually agreed to between the President of the College/University and the UNION. Absent compelling reasons to the contrary, UNION requests for approval shall be honored by the College/University.

H. The academic calendar at each College/University shall be prepared in consultation with the Local UNION at such College/University. The Local UNION shall be given an opportunity to provide its views and a cooperative effort to resolve differences shall be made prior to the adoption of the calendar. Final responsibility for academic calendar is a matter of academic judgment of each College's administration and Board of Trustees.

ARTICLE XII

FACULTY RESPONSIBILITIES

A. 1. Institutional responsibilities of the faculty shall include teaching responsibilities and other responsibilities as defined below. The basic academic year teaching load shall be assigned over thirty-two (32) weeks of instruction and shall occur during the period of payment which commences September 1 and ends on June 30, and may not exceed such thirty-two (32) week period unless otherwise agreed to by the concerned faculty member.

2. a. After consultation with the Local UNION, a College/University may begin classes up to one calendar week prior to September 1, in which case the commencement of the period of payment for 10-month employees may be advanced pursuant to negotiations with the Local UNION, subject to the proviso that the period of payment shall not commence prior to the beginning of classes. When there is an advancement, the end of the period of payment shall be correspondingly advanced such that the annual salary will be distributed over the same number of days as it would have been had there been no advancement, and the second part of the across-the-board salary increase for the fiscal year shall be advanced so that affected employees receive the same annual compensation as they would have received had there been no advancement.

b. Policies and practices at a College/University granting (or not granting) compensation for employees performing duties prior to the beginning of classes shall not be affected by the application of this Subsection.

B. Teaching Responsibilities

1. The basic academic year teaching load for full-time faculty shall be twenty-four (24) teaching credit hours. All overload for full-time faculty shall be voluntary and overload rates shall be paid for all voluntary teaching assignments beyond twenty-four (24) teaching credit hours. No full-time faculty member may be assigned more than fifteen (15) teaching
credit hours per semester within load. The teaching load for part-time faculty shall be a minimum of one half the teaching load for full-time faculty.

2. a. The teaching assignment of a faculty member shall not require more than three (3) different course preparations in any semester, except where it can be demonstrated that the course offerings and class sections in a department cannot reasonably be scheduled on this basis, or where a faculty member’s schedule includes one or more two (2)-student-credit-hour courses. Under such circumstances one additional course preparation may be assigned.

b. It is recognized that one-student-credit-hour courses and activities such as, but not limited to, supervision of or instruction in independent study, internships, practice teaching, studio or physical activity programs do not lend themselves to computation of numbers of preparations under Subparagraph (a) above. However, it is recognized that every effort will be made when assigning such activities to arrive at an overall assignment of responsibilities which substantially and equitably equates to the model set forth in Subparagraph (a).

Disputes concerning this subparagraph may be submitted to binding arbitration pursuant to Article VII. In the event that a violation is found, the remedy shall be the award of a payment equal to one overload credit for each additional preparation found to have been improperly imposed.

3. Overload compensation shall be at the following rates per teaching credit:

4. Definitions

a. Student credit hours are defined as: the number of credit hours earned by a student successfully completing a given course.

b. Average weekly class hours are the total number of regularly scheduled class meeting hours for a course divided by the number of weeks in the program.

c. Teaching credit hours are defined as:

(1) When the number of regularly scheduled average weekly class hours equals the number of student credit hours, teaching credit hours shall equal student credit hours.

(2) When the number of regularly scheduled average weekly class hours is greater than the number of student credit hours, those class meetings
typically designated as “laboratories” or “studios” shall be equated on the basis of two-thirds (2/3) of a teaching credit hour for each such class hour.

(3) When the number of average regularly scheduled weekly class hours is less than the number of student credit hours, teaching credit hours shall not be less than the number of average weekly class hours; and additional teaching credit hours may be granted, provided that the total does not exceed the number of student credit hours.

(4) The above provisions apply to normal sixteen (16) week semesters. For semesters of different lengths, the above formulae shall be applied on a pro rata basis.

5. Faculty members assigned duties involving modes of instruction other than classroom, such as, but not limited to, independent study, supervision of internships or practice teaching, or assigned to teach regularly scheduled courses for which collegiate credit is not granted, shall receive teaching credit hours for such activities according to the policies and practices currently in force at the respective Colleges/Universities unless specified otherwise in this Agreement.

a. In the event that any College/University makes an assignment of any activity covered herein for which there is no current practice or policy or intends to change a practice or policy, the College/University shall notify the Local UNION in writing of such action and, upon written request of the Local UNION, the President shall designate an official of the College/University to consult with the Local UNION concerning the new or changed policy or practice. Such written request must be received by the President within thirty-one (31) days of the College’s written notice to the Local UNION. The consultation shall be completed within thirty (30) days of the Local UNION’s written request to the President, unless said time limitation is extended by mutual consent of the parties.

b. In the event that, after consultation, the Local UNION is of the opinion that the involved policy or practice is unreasonable, the Local UNION, within seven (7) calendar days, may request negotiation of those matters which it deems to be mandatorily negotiable. Disputes as to the negotiability of such matters shall be resolved in the manner prescribed by the New Jersey Employer-Employee Relations Act, as amended.

6. The specific assignments for student teaching shall be equitable in regard to travel time and distance. Disagreement concerning the teaching credit hour load for supervision of student teachers shall be resolved between the Local UNION and the College/University.

7. Assignment of non-teaching duties within load for any faculty member, for any purpose, is a matter of academic/managerial judgment of the College/University. The President, or his or her designee, prior to the commencement of each semester, and prior to the allocation of non-teaching assignments to various purposes and individual faculty members, will consult with the UNION as to such allocations and the contemplated manner of selecting individual faculty members who will receive them. In the event that any faculty member feels that he or she is being treated in an inequitable manner in regard to alternate assignments within load, he or
she may bring the matter to the attention of the President, who either in person or through a designee will conduct a prompt administrative review of the matter.

C. Other Responsibilities

Faculty responsibilities which have been traditionally performed by the faculty and are reasonable and consistent with sound academic practice shall be continued consistent with previous practice. Disagreements concerning their specific nature shall be resolved by the Local UNION and the College/University. These responsibilities shall be performed within the academic year, provided that assignments outside the thirty-two (32) weeks of instruction referred to above shall not be made individually or collectively on an inequitable basis.

D. Outside Employment

1. All regular and continuing outside employment shall be reported to the President no later than promptly upon acceptance and thereafter on an annual basis.

2. The reporting form shall be completed by the employee and shall include the following information:

e. A list of the field or fields in which he or she is expected to teach or work.

2. Prospective initial appointees and reappointees shall also be provided with a copy of this Agreement and a copy of the local employee handbook, if any. When a prospective employee accepts his/her appointment, the College/University shall provide the UNION with such employee’s name, address and telephone number.

3. Upon commencing employment, each new employee shall be provided with a copy of the current salary schedule.

4. Letters of appointment of employees initially appointed for two or three years shall state that the employee will be subject to the regular annual evaluation procedures as set forth in this article.

C. Notice of reappointment or non-reappointment of full-time employees governed under the tenure provisions of N.J.S.A. 18A:60-6, et seq., shall be given in writing not later than March 1 of the first and second academic years of service and not later than December 15 of the third, fourth and fifth years of service. When a full-time faculty member is hired at mid-year, unless the individual is appointed to replace someone on leave or in a bona fide emergency, notice of reappointment or non-reappointment for the next full academic year shall be given in writing not later than April 15.

D. Full-time employees appointed to replace persons on leave or on bona fide emergencies shall be informed in their letter of appointment contracts that they will not be considered for reappointment; however, such employees shall be subject to normal evaluation procedures up to and including the first level of administrative review. Such appointments may be for one-year or half-year periods.

If an opening develops at the College/University for which the employee is eligible, he/she may apply, and the material developed in the aforesaid evaluation procedures will be considered along with any additional information the employee presents.

If employment extends beyond one (1) academic year, such employees will be on a normal contract and will be considered for reappointment in the normal manner unless reappointed to replace an employee on leave or to fill a position where there was no bona fide affirmative action search or to fill a grant-funded position. An employee may serve a third year on a XIII.D appointment only if reappointed to replace an employee on leave or to fill a grant-funded position. In no event will an employee be on a XIII.D appointment beyond three years.

E. Full-time employees other than those governed by Paragraphs C and D above shall receive a minimum of one hundred and twenty (120) days written notice of non-reappointment if employed for less than two (2) full years at the time of giving of the notice and one hundred and ninety-five (195) days written notice of non-reappointment if employed for more than two (2) full years at the time of the giving of the notice.
F. A full-time faculty member assigned full-time responsibility for one-half (½) of an academic year shall be paid one-half (½) of the academic year salary of the rank and step at which he or she has been hired and shall be accorded the privilege of faculty status.

G. Individual letter of appointment and reappointment contracts for full-time employees shall be for a period of one (1) year except for a) normal one-semester appointments made at mid-year, b) one-semester appointments made pursuant to Section D above, c) "multi-year contracts" as provided in N.J.S.A. 18A:60-6, et seq., as applied to professional staff, and d) initial appointments for a period of two or three years. Election of non-tenured department chairpersons shall not convey employment beyond the letter of appointment or reappointment contract in effect.

H. In the event a full-time employee serving under a "multi-year contract" is given notice of non-renewal under the terms of N.J.S.A. 18A:60-6, et seq., at the request of the employee, the College/University giving such notice shall provide written reasons for its decision.

I. Full-time employees serving under one (1)-year appointments or reappointments who are notified of non-reappointment shall, at the written request of the employee, be provided with written reasons for such decision by the College/University.

J. The procedures for appointment and reappointment of employees utilized in the College/University, if universally applicable, or in the division, department or similar unit in which the employee is employed, shall be fairly and equitably applied to all candidates. The procedures shall provide for consideration based on criteria established by the College/University, appropriate to the College/University and the work unit. The current and applicable procedures including a statement of such criteria shall be provided in written form for the understanding of all affected employees. Reappointment procedures and notice requirements for full-time employees with less than three years service shall apply to part-time employees with more than two consecutive years of service. For part-time employees with two consecutive years of service or less, the procedures in effect at the time of the execution of this agreement will apply. However, reappointment procedures and notice requirements applicable to part-time employees may be modified by agreement between the Local UNION and the College/University. If these procedures are not in written form, they will be reduced to writing and a copy will be provided to each affected employee. This provision shall not be construed as a waiver of the Colleges'/Universities' right to appoint and reappoint, under procedures set by the Colleges/Universities, employees not included in the negotiating unit. The Colleges/Universities, however, recognize the value of peer consultation and except in unusual circumstances will consult with the involved department concerning the procedures to be used in any particular case. A full-time faculty member who is appointed at the College/University for two or three years upon initial hire will be subject to a performance review on an annual basis pursuant to normal reappointment review procedures in the normal evaluation cycle. Recommendations for reappointment will only be made during the third-year evaluation process.
K. Final recommendations for appointment of full-time employees governed under the tenure provisions of N.J.S.A. 18A:60-6, et seq., shall be made to the President no later than February 15 of the first and second academic years of service and not later than December 1 of the third, fourth and fifth academic years of service. Where practicable final recommendations shall be made for other full-time employees on a similar timetable.

L. Individual Letter of Appointment or Reappointment Contracts

Any individual letter of appointment or reappointment contract between a College/University Board of Trustees and an individual employee shall be subject to and consistent with the terms and conditions of this Agreement. Where such contract is inconsistent with this Agreement, this Agreement, during its duration, shall be controlling.

M. Full-time employees who are employed under a grant may be terminated during the term of their contracts if the grant money runs out by giving them sixty (60) days notice. This termination is not a retrenchment within the meaning of the Agreement, the Administrative Code, or statutes, nor is it subject to such provisions. Such employees will be notified in their letter of appointment and reappointment contracts that their employment is contingent on continuation of grant funding. Part-time employees on grants are not included in the unit.

N. The dates set forth in this Article may be changed by local agreement except where the dates are required by statute.

ARTICLE XIV

B. An eligible full-time faculty member may make written application for promotional consideration on or before November 1. The application may be accompanied by any substantiating documentation which the individual cares to submit. Nomination of a full-time faculty member for promotional consideration may be made by other than the individual.

C. The procedures for promotional consideration utilized in the College/University, if universally applicable, or in the division, department or similar unit in which the faculty member is employed, shall be fairly and equitably applied to all applicants and nominees. The procedures shall provide for consideration based on criteria established by the College/University, appropriate to the College/University and the work unit. The current and applicable procedures, including a statement of such criteria, shall be provided in written form for the understanding of all affected faculty members. This provision shall not be construed as a waiver of the Colleges'/Universities' right to promote, under procedures set
by the Colleges/ Universities, employees not included in the negotiating unit. The Colleges/ Universities, however, recognize the value of peer consultation and except in unusual circumstances will consult with the involved department concerning the procedures to be used in any particular case.

D. At each College/University the committee charged with the final evaluation of promotion applications will be informed by the President or his or her designee of the number of promotions available at the various ranks for that unit or the College/University as a whole, and will submit its recommendations to the President or his or her designee. Should the President decide to make a recommendation for promotion to the Board of Trustees which is inconsistent with the recommendation of the final committee, he or she shall provide the committee with his or her reasons for that action.

E. Final recommendations shall be made to the President on or before February 1 and shall include all pertinent information concerning the applicant.

F. The final recommendations shall be made known to any applicant or nominee in writing within two (2) days after submission to the President.

G. Within seven (7) days after receipt of the final recommendation to the President a faculty member may initiate a grievance at Step One concerning the application based on an allegation that, after timely filing of his or her application, the promotional procedure was violated or that there was a breach of the rights of the faculty member set forth in Article II concerning discrimination or in Article V concerning academic freedom. Such a claim, if sustained, will result in reprocessing of the application on an expedited basis. A final recommendation in such case shall be made to the President not later than March 1.

H. Recommendations of the President to the Board of Trustees and the decisions of the Board shall be delivered in writing to the candidate by March 15.

I. The dates established in this Article for the promotional process may be changed by local agreement.

J. Promotional procedures, including the above procedures, are not applicable to part-time employees, but they may be appointed/reappointed to a higher title.

If none of the qualified employees apply for reassignment, the College/University may reassign one of the qualified individuals on an involuntary basis.

2. The State will notify the UNION in writing of such unit designation or elimination of title from the negotiations unit thirty (30) days prior to the effective date thereof. Upon request, the State will provide the UNION with a job specification for each new or changed title, where available, if there is a reasonable basis to believe that the title should be included in the unit. ANNIVERSARY DATES, PAY ADJUSTMENTS AND PAYROLL

A. Salary Schedule

1. The salary schedule, consisting of a series of salary ranges containing minimum, maximum and intermediate salary steps, is set forth in Appendix V.

2. No employee shall be paid below the minimum or above the maximum of the range assigned to his or her title except by agreement between the parties.

B. Anniversary Date Assignment

1. An employee’s anniversary date is the biweekly pay period in which an employee is eligible, if warranted by performance and place on the salary range, for a salary increase (normal increment) pursuant to the provisions of Article XXI. An employee receiving a normal increment shall advance to the next highest step in the range assigned to his or her title. Employees at
the maximum of their range do not receive an increment on their anniversary dates.

2. Each employee shall, upon appointment, be assigned an anniversary date which shall be the pay period following the completion of twenty-six (26) full pay periods of employment if the employee is appointed to Steps 1-7 or to the range maximum. If the employee is appointed to Step 8 or higher, except if appointed to the range maximum, the anniversary date shall be the pay period following the completion of thirty-nine (39) full pay periods of employment. Should an employee be placed on the payroll on the first Monday of a pay period, or on the first Tuesday of a pay period wherein the Monday is a holiday or special day off, that pay period shall be the first of the 26 (or 39) full pay periods. Employees appointed at other times shall begin the 26 (or 39) full pay periods on the first day of the next pay period of employment.

3. Upon receiving a normal increment, an employee's anniversary date shall be advanced twenty-six (26) pay periods if the employee is on or below Step 7 after receiving the increment, and thirty-nine (39) pay periods if the employee is on Step 8 or above after receiving the increment. However, if the employee is on the range maximum after receiving the increment, the anniversary date is advanced twenty-six (26) pay periods. (See Paragraph B.1)

C. Pay Adjustments and Changes in Anniversary Dates

1. Promotion or Appointment to a Title with a Higher Salary Range

a. An employee, when advanced from one title to another, shall move up one step in the current range and be placed on the step of the new range that is equal thereto in salary, or if no step is equal in salary, on the next higher step.

1) When the total salary increase is less than two increments of the old range, the employee's anniversary date will not be changed.

2) When the total salary increase is equal to or greater than two increments of the old range, the employee shall be assigned a new anniversary date, as set forth in Paragraph B.2 above.

b. When an employee at the range maximum has been at the maximum for at least thirty-nine (39) pay periods, the employee shall receive, if otherwise eligible, an extra increment in the new range in addition to the increase due by reason of the advancement, providing the advancement adjustment does not take the employee to the new range maximum. This provision for an extra increment shall not apply if the normal advancement adjustment as set forth in Paragraph C.1(a) above is greater than three increments of the range from which the employee is advanced. In either case, the employee shall be assigned a new anniversary date on the basis of the effective date of the salary increase as set forth in Paragraph B.2 above.

c. If the employee has been at the eighth or higher step of a range for less than 39 pay periods before advancement, and,
1) If the advancement results in Step 7 or less, the employee’s anniversary date will be the pay period which reflects the difference between the time previously served at Step 8 or higher and 39 pay periods, but in no case shall the anniversary date be more than one year from the effective date of the advancement;

2) If the advancement results in Step 8 or higher, (but not the range maximum), the anniversary date will be determined in accordance with C.1(a);

3) If the advancement results in the range maximum, the anniversary date becomes the pay period following the completion of twenty-six (26) full pay periods from the effective date of the advancement.

2. Reevaluation of a Title to a Higher Salary Range

When a title is assigned to a higher salary range the individual shall receive a salary adjustment in accordance with the applicable provisions of Subsection C.1.

3. Demotion or Appointment to a Title with a Lower Salary Range

An employee, when demoted or appointed to a title with a lower salary range, shall move down one step in the old range and shall be placed on the step of the new range that is equal thereto in salary, or if no step is equal in salary, on the next higher step. In no event, however, shall the employee’s salary in the new range exceed the range maximum. The anniversary date is retained.

4. Reevaluation of a Title to a Lower Salary Range

When a title is assigned to a lower salary range, the individual shall receive a salary adjustment in accordance with the applicable provisions of Subsection C.3.

D. Anniversary Dates and Pay Adjustments for Employees Moving From 10-Month to 12-Month Positions and From 12-Month to 10-Month Positions

3. Part-time employees other than those serving in the above titles shall be entitled to a proportional number of paid vacation days. The part-time employee's workload as established in the employment contract will be used to determine the number of pro-rata vacation days.

4. General

a. For the purpose of vacation credit computation, twenty (20) work days within a calendar month shall equal a full month of service.
b. A maximum of one (1) full year's vacation credit may be carried over to the next calendar year with the approval of the President or his or her designee.

c. Upon termination, employees shall be entitled to unused earned vacation allowance for the current year, pro rated upon the number of months worked in the calendar year in which the termination takes place, and any unused earned vacation credit which may have been carried over from the preceding calendar year.

The part-time employee’s workload as established in the employment contract will be used to determine the pro rata sick leave. All unused sick leave shall be cumulative.

Consideration may be given by the Board of Trustees to advancing sick leave beyond the days accumulated for full-time employees. Any such advance must be paid back by the involved employee. Pay-back by the involved employee shall be by arrangement for deduction from subsequent accumulation of sick leave, except where the individual leaves the employ of the College/University prior to completing the pay-back.

D. Special Sick Leave

If an employee is medically unable to work full time, but is capable of working a reduced load, the employee may be permitted to work at such
reduced load, receive full pay, and use pro rated earned sick leave to make up the difference between the reduced workload and the regular full-time workload. Earned sick leave used in this manner shall be deemed Special Sick Leave. The President or his/her designee may require appropriate medical documentation that the employee can work part time but not full time. Additionally, the President or his/her designee may consider operational needs in deciding whether the employee may work on a part-time basis. An employee’s request to use Special Sick Leave shall not be unreasonably denied.
