THIS AGREEMENT IS MADE BY AND BETWEEN THE STATE OF VERMONT (hereinafter referred to as either the "Employer" or the "State") and the **SUPERVISORY BARGAINING UNIT OF THE VERMONT STATE EMPLOYEES' ASSOCIATION, INC.** (hereinafter referred to as the "VSEA").

PREAMBLE

WHEREAS the Legislature of the State of Vermont enacted legislation providing for collective bargaining between the State of Vermont and its employees, and

WHEREAS it is the intent of the parties to promote the efficient administration of State service; to provide for the well being of employees; and to maintain high standards of work performance in behalf of the public, and

WHEREAS during the life of this Agreement, the parties agree that neither the State nor the Association will request the Legislature to pass legislation which alters or nullifies any provision of this Agreement,

NOW, THEREFORE, the parties to this Agreement, in consideration of the mutual covenants herein set forth, agree as follows:

ARTICLE 1**VSEA RECOGNITION**

The State of Vermont recognizes the Vermont State Employees' Association, Inc. as the exclusive representative of the Vermont State employees in the SUPERVISORY BARGAINING UNIT.

1. The State shall notify VSEA of all changes in designations and designations of newly created positions.
2. During the life of this Agreement, the State will not designate an incumbent employee into the Supervisory Bargaining Unit unless there has been a change of duties.
3. Fifteen (15) days before notifying an affected employee, the State, shall under separate cover, mail to VSEA a copy of the form denoting a change in Bargaining Unit Designation. The State will include in the notice to VSEA documents used to make the determination such as organization charts (or class specifications if available and if not previously provided) in the following instances: a. New classes created and designated as Managerial, Confidential, or Supervisory; or b. Filled positions whose designation changes without a change in classification. At VSEA's request, the State will meet to discuss any such designation.
4. Employees whose designation changes for reasons other than a reclassification will be notified with a brief explanation of the decision and a statement of the employee's right to appeal the designation to the Vermont Labor Relations Board. The "Change in Unit Designation" shall state explicitly both the old and new designations.

ARTICLE 2 MANAGEMENT RIGHTS

1. Subject to law, rules and regulations, including, for example, 3 VSA 311 a (10) and 3 VSA 327 (a), and subject to terms set forth in this Agreement, nothing in this Agreement shall be construed to interfere with the right of the Employer to carry out the statutory mandate and goals of the agency, to restrict the State in its reserved and retained lawful and customary management rights, powers and prerogatives, including the right to utilize personnel, methods and means in the most appropriate manner possible; and with the approval of the Governor, take whatever action may be necessary to carry out the mission of the agency in an emergency situation. The statutory references in this paragraph are illustrative and do not confer the right to arbitrate their substantive terms.
2. Consistent with statutory authority the State may contract out work as provided in paragraph 3 of this Article and may discontinue services or programs, in whole or in part. As a result of such discontinuance a permanent status employee who is laid off shall have reduction in force rights under the Reduction In Force Article.
3. (a) No classified employee will be laid off as a result of contracting out except as provided in Title 3, Chapter 14, Vermont Statutes Annotated. Prior to any such lay off or other job elimination under this paragraph the VSEA will be notified and given an opportunity to discuss alternatives. A permanent status employee who, as a result of contracting out, loses his/her job will be deemed to have been reduced in force under the Reduction In Force Article.
(b) When a State agency contemplates contracting out bargaining unit work and publishes a formal request for proposal, a concurrent notice of such publication will be sent to the VSEA Director and the Department of Personnel. Upon request, VSEA shall be permitted to inspect the RFP specifications.
(c) Notice to VSEA: The notice of publication of an RFP, that may result in the layoff of State employee(s), shall serve as notice to VSEA of intent to contract out and shall give VSEA the opportunity to discuss alternatives. Such notice must be sent at least 35 days before the effective date of any Reduction in Force (RIF) and at least five days before any employee is officially notified of layoff. The period for discussing alternatives may begin at VSEA's request following receipt of notice of publication, and shall overlap the period for discussing alternatives under the RIF Article and shall terminate at the same time as the end of the discussion period under the RIF Article.
4. The Employer may determine that a reduction in force is necessary due to lack of work or otherwise pursuant to management rights.
5. The parties will negotiate as required by law over any dispute arising under paragraph 1, provided said condition of employment is a mandatory bargaining subject. The parties shall meet within 10 days (unless mutually agreed to extend) after a request for negotiations by either party and thereafter on a regular basis. At the end of a forty-five (45) calendar day period, which shall commence with the beginning of negotiations, the State may implement any proposed change or new condition of employment, whether or not the parties will have bargained to genuine impasse. The VSEA shall retain all statutory impasse procedure rights as may be lawfully available to VSEA during the life of this Agreement except as otherwise provided in the Employee Workweek/Work Location/Work Shift Article. With respect to any dispute under paragraphs 2, 3, and 4, the parties agree that they have fully bargained and any disputes thereunder will be processed according to the grievance procedure.
6. A dispute whether contracting out is consistent with statutory authority shall be processed initially through the grievance procedure. If the grievance remains unresolved at Step III, to the extent it involves contract issues other than consistency of contracting out with statutory authority, such grievance shall be submitted to the VLRB at Step IV. However, the issue of whether contracting out is consistent with statutory authority shall not be appealable to the VLRB at Step IV but may be litigated in court. In any such court action, the State agrees not to raise as an objection or defense the failure of the VSEA to appeal that issue to VLRB or to exhaust VLRB procedures prior to commencing such court action.

ARTICLE 3 VSEA RIGHTS

1. The Employer shall not enter into any consultations, agreements, or informal discussions regarding employment relations matters with any other organization or individual purporting to represent any group of employees, and must not engage in any type of conduct which would imply recognition of any organization, group, or individual other than the VSEA as a representative of the employees in any bargaining unit. This is not intended to supersede the provisions of 3 VSA Ch. 27, 941 (j).
2. VSEA stewards shall be allowed to visit any State facility, worksite, or office in their designated areas of responsibility for the purpose of receiving or investigating grievances or complaints.
3. VSEA TIME OFF: Subject to the efficient conduct of State business, which shall prevail in any instance of conflict, permission for reasonable time off during normal working hours without loss of pay and without charge to accrued benefits shall not be unreasonably withheld. The VSEA shall provide written notice of the meeting and date to the Department of Personnel, for those meetings outlined in subsections (a) – (f) below, with as much notice as possible. Subject to the foregoing, time off shall be granted in the following instances to:
 - (a) Members of the VSEA Board of Trustees to attend 12 regular Trustee meetings and up to two special Trustee meetings a year.
 - (b) Members of the Council for attendance at any of the four regular council meetings per year. The State may grant permission for attendance at not more than one additional special meeting.
 - (c) Officers/Delegates, up to a maximum of four (4) shall be allowed reasonable time off, not to exceed an aggregate of 160 hours for all bargaining units in any calendar year to attend national or regional meetings of the VSEA national affiliate;
 - (d) Unit Chairperson, up to 40 hours per year, subject to the operating needs of the department for conduct of unit Labor Relations/Contract Administration business;
 - (e) Members of VSEA standing committees will be permitted to attend ten meetings per year;
 - (f) Unit executive committee members will be given time off to attend five meetings per year;
 - (g) Stewards for the processing and handling of complaints and grievances, including necessary appearances at all steps of the grievance procedure; up to 100 hours per steward per year shall be considered a reasonable time for processing and handling of complaints and grievances, and may be extended by mutual agreement in any instance;

Supervisory Unit: up to 25 stewards

An employee will not be permitted more than a total of 240 hours, 280 for Unit Chair persons, time off in any fiscal year under paragraph 3, subsections A-G above.
 - (h) Members of the bargaining team who are assigned to the second or third shift shall be excused from their shift on an hour for hour basis, on any day when time off under this section is granted in their capacity as a member of the team. The Department may, after consultation with the employee, elect for a period of time during contract talks to assign the employee to first shift.

Except in the instance of conflicting State business, the State shall make a reasonable effort to assist employees on non-standard work weeks, who are scheduled for bargaining meetings with the State, by accommodating a request by the employee to readjust his/her schedule in order to preserve days off. Normally, the rescheduling will take place within the same pay period, with no guarantee of back-to-back days off when rescheduling occurs. The State shall not compel the employee to work more than a regular shift as part of the rescheduling, unless by mutual agreement of the employee and supervisor. Any such rescheduling shall be for a full workday off, unless by mutual agreement of the employee and supervisor. VSEA reserves the right to cancel the meeting when the absence of a team member results from inability to reschedule. VSEA agrees to hold the State harmless from VSEA-grievances relating to any complaint(s) due to rescheduling of a team member.
 - (i) Members of Labor Management Committees for meetings scheduled by the State and VSEA.

(j) Any of the above or to chapter officers for the purpose of attending training sessions approved in advance by the Department of Personnel. Approval shall not be unreasonably withheld.

In any such instances, under this Section, such employees shall coordinate their absences from work to minimize the adverse impact on the efficient conduct of State business and in all cases must secure advance permission from appropriate supervisors and shall give the State as much prior notice of any such meetings as possible, including concurrent written notice to Department Heads when VSEA sends a notice of meetings to its own representatives. "VSEA business" as referred to in this Article involves the institutional role of the VSEA as required by current law in dealing with the State.

4. The State will include in its package of written information for new employees a VSEA informational brochure, provided by the VSEA, identifying it as the exclusive bargaining agent. Not later than two weeks after entry into the bargaining unit, the State will provide each employee with a copy of the informational brochure and the applicable collective bargaining agreement, or for departments which do not have a pre-existing informational packet system at the time payroll deduction and tax forms are given to the employee to be filed out.

5. The State shall provide the VSEA with sufficient space on all State bulletin boards generally accessible to employees for the purpose of posting VSEA information.

6. Union organizing activity will not be conducted on State premises during scheduled work time, excluding all authorized breaks and meal periods.

7. If space is readily available on the premises, the employer shall provide places where VSEA staff, representatives, and/or VSEA stewards can confer privately during working hours with employees regarding any complaints or grievances they may have. Such places shall be within the VSEA steward's designated area of responsibility. The State shall provide space for VSEA meetings during non-duty hours when these meetings do not conflict with established plans of the State. The VSEA must request the use of this space through the appropriate appointing authority as far in advance of the anticipated meeting as is practical. For securing space to conduct VSEA elections, polling space shall be requested at least two weeks in advance.

8. The VSEA Director(s) or a representative shall be allowed to visit any State facility, office or work location during working hours for the purpose of conducting VSEA business or investigating an employee complaint or grievance, provided that permission is obtained in advance from the appropriate managers, if available, and provided that such meetings do not adversely affect the efficient conduct of State business. Permission shall not be unreasonably withheld.

9. A VSEA steward, and/or a VSEA staff representative may be permitted to attend any meeting held by an agency, department or worksite when permission is granted by the appropriate supervisors.

10. VSEA shall have exclusive payroll deduction of membership dues. Dues, to include any VSEA approved insurance program premiums, shall be deducted on each pay day from each bargaining unit employee who has designated VSEA as their representative. The amount of dues to be deducted will be certified by the VSEA to the Payroll Department.

ARTICLE 4

NO STRIKE CLAUSE

During the life of this Agreement the VSEA and employees covered by this Agreement acknowledge their statutory obligations in relation to 3 VSA 903(b) and agree to be bound thereby.

ARTICLE 5**NO DISCRIMINATION OR HARASSMENT;****and AFFIRMATIVE ACTION****1. NO DISCRIMINATION, INTIMIDATION OR HARASSMENT**

In order to achieve work relationships among employees, supervisors and managers at every level which are free of any form of discrimination, neither party shall discriminate against, intimidate, nor harass any employee because of race, color, religion, creed, ancestry, sex, marital status, age, national origin, disability, sexual orientation, membership or non-membership in the VSEA, filing a complaint or grievance, or any other factor for which discrimination is prohibited by law. The provisions of this section prohibiting discrimination on the basis of sexual orientation shall not be construed to change the definition of family or dependent in an employee benefit plan.

2. AFFIRMATIVE ACTION PROGRAMS

It shall be a goal and an objective of the State to develop and implement positive and aggressive affirmative action programs to redress the effects of any discrimination and to prevent future discrimination in personnel actions which affect bargaining unit personnel. The VSEA shall furnish input in the development of such programs.

3. ENFORCEMENT RESPONSIBILITIES

(a) The State will notify all state employees that any person who by action or condonation, subjects any other employee to harassment in the form of uninvited physical or verbal attention, insults or jokes based upon a factor for which discrimination is prohibited by law, or upon a person's sexual orientation, or who invites or provokes such conduct, shall be subject to appropriate disciplinary action.

(b) By the VSEA

(1) The VSEA acknowledges its obligation to inform its members, officers, and agents of their obligations to abide by the laws, regulations and policies which prohibit discrimination, intimidation or harassment.

(2) The VSEA further acknowledges its obligation to train its officers, agents and stewards to be sensitive to the requirements of this Article.

ARTICLE 6**EXCHANGE OF INFORMATION**

1. The Department of Personnel shall furnish the VSEA with the records and documents specified in this section as they become available unless the State discontinues their compilation:

(a) Two copies of the Department of Personnel Quarterly Reports;

(b) One copy of each new or revised job specification;

(c) One copy of each Agency of Administration bulletin;

(d) One copy of each interpretive memorandum of personnel policies and procedures issued by the Agency of Administration or the Department of Personnel after the effective date of this Agreement;

(e) One copy of the Department of Personnel alphabetical locator;

(f) One copy of the Department of Personnel position locator;

(g) One copy of the Department of Personnel salary analyses;

(h) One copy of any master list compiled by the State of all management and supervisory designations;

(i) Lists of new employees, separations, transfers, position reallocations, reassignments, and promotions on the condition that the VSEA provide necessary clerical assistance to extract this information from Department of Personnel records using the Department's copier; and

(j) On a one-time basis, single copies of all forms currently in use by the Department of Personnel to maintain records, implement policies, and furnish information to management and supervisory personnel; on a continuing basis, single copies of any new forms designed to serve these purposes.

2. The Payroll Division, Department of Personnel, shall furnish the VSEA with the records specified in this section as they become available unless the State discontinues their compilation:

(a) One copy yearly of all employees having dues deducted;

(b) One copy of pay period changes in dues deductions; and

(c) One copy of all address changes of permanent and limited status classified employees who have completed their original probationary period.

3. The VSEA shall furnish the Department of Personnel with the following information and

documents, and amendments or changes to these documents as they become available:

(a) A list of the VSEA's officers, trustees, council, chapter presidents, and standing committee members.

(b) A list of the VSEA's stewards, the stewards' places of employment and the stewards' designated areas of responsibility for each bargaining unit;

(c) A list of names of the VSEA's staff members and legal counsel; and

(d) The number of the VSEA's members in each unit on an annual basis.

4. Upon request by the VSEA, information which the State is required to furnish under this Article which can be made available in a computer-tape or other machine-readable format shall be furnished in such format to the VSEA providing, however, that such request would not result in more than a negligible cost differential relative to hard copy.

5. The State will also provide such additional information as is reasonably necessary to serve the needs of the VSEA as exclusive bargaining agent and which is neither confidential nor privileged under law. Access to such additional information shall not be unreasonably denied. Failure to provide information as required under this Article may be grieved through the grievance procedure to the Vermont Labor Relations Board; provided, however, the VSEA agrees that it will not pursue under this Agreement or under 1 VSA, Sections 315 to 320, disclosure of a document which the State asserts in good faith is a privileged matter of labor relations policy as, for example, a strike contingency plan.

ARTICLE 7
LABOR MANAGEMENT COMMITTEE

1. A Statewide Labor Management Committee consisting of not more than five members selected by the VSEA from among bargaining units represented by VSEA and not more than five members selected by the State shall meet periodically to discuss a mutually agreed agenda which may include methods of improving labor relations, productivity, safety, and health problems of a continuing nature, or other problems which have an impact on conditions of employment; provided, however, these sessions are not for the purpose of discussing pending grievances or for collective bargaining on any subject.

2. This Article is not intended to enlarge or diminish the rights and obligations of the parties as otherwise required by law to engage in collective bargaining, nor to prevent informal meetings between fewer than five representatives of each party.

3. The parties agree that Agencies, Departments, facilities, or local worksites may establish Labor Management Committees. The numbers of participants selected in equal numbers by the appointing authorities and VSEA shall depend on the needs of the group and the agenda items to be discussed and may exceed four (4) persons for labor or management with the approval of the appointing authority in any instance. These Committees shall meet as needed to discuss issues of mutual concern; provided, however, these sessions are not for the purpose of discussing pending grievances or for collective bargaining on any subject. In the event the parties call a meeting, the Personnel Department and the VSEA central office shall be notified at least three (3) working days prior to the meeting and may participate.

Agreements which result from Labor Management discussions shall not produce any modifications to the collective bargaining agreement unless signed off by the VSEA's Director(s) and the Secretary of Administration. Participation in Labor Management discussions shall not be construed as a waiver of the right of access to the collective bargaining process over mandatory subjects for collective bargaining.

4. This Article is not intended to enlarge or diminish the rights and obligations of the parties as otherwise required by law to engage in collective bargaining, nor to prevent informal meetings between fewer than four (4) representatives of each party.

5. Appropriate agenda items may include, but shall not be limited to, the following:

- expense reimbursement practices and procedures
- late paychecks
- vehicle parking
- workplace safety and health issues
- health risks from resident populations.
- problems of caseload/workload equity
- problems in seeking productivity gains and cost savings.

A request to include work related items as agenda items for continuing discussion or recommendation shall be carefully considered and shall not be unreasonably denied.

6. The Personnel Department will, during the life of this Agreement, meet at the request of the VSEA to further study and discuss what, if any, adoption benefits might be appropriate as future fringe benefits under a successor agreement.

7. A labor management committee consisting of no more than five (5) representatives from each side shall be convened to review and make recommendations for improvements to the classification system to the Commissioner of Personnel in order to make the system operate more effectively and efficiently. The recommendations of the committee shall be considered by the parties in bargaining for a successor to the 2001-2003 Agreement.

8. A two-person committee consisting of the Commissioner of Personnel and the VSEA Director shall meet to study and examine the issue of restoration rights. Any agreement reached between such individuals shall be incorporated in a side letter of agreement, but the statutory impasse procedures shall not be available in the event agreement is not reached.

ARTICLE 8
CHILD CARE AND ELDER CARE

1. The State-VSEA Child-Elder Care Committee as provided for in the Labor Management Committee Article, Section 1 of this Agreement, shall continue to monitor existing child and elder care programs, recommend the expenditure of funds committed to it under this article, and investigate other options for providing child care and elder care services to all State employees regardless of bargaining unit status. The Committee may recommend, to the Secretary of Administration, the expenditure of funds committed to it under this Article. The committee shall concentrate efforts to develop programs in geographic locations not currently serviced by an existing program.
2. The Department of Personnel shall be responsible for providing administrative/clerical support for the Committee and shall be authorized to expend funds allocated under this Article at a level equal to the amount authorized, on average, for administrative/ clerical support services to the committee over the past three fiscal years.
3. No program shall receive funding for more than two consecutive fiscal years, except with the express approval of the Secretary of Administration.
4. During the life of this Agreement the State will allocate One hundred thousand dollars (\$100,000) for fiscal year 2002, and one hundred and fifteen thousand dollars (\$115,000) for fiscal year 2003.
5. The parties agree that the State shall have the right to use State Health Insurance Plan funds to cover the administrative costs of operating the medical and dependent care flexible spending account programs.

ARTICLE 9**EMPLOYEE ASSISTANCE PROGRAM**

The State will develop and maintain an Employee Assistance Program and will meet and confer with VSEA prior to implementing in the Departments and Agencies. VSEA recognizes the value of employee assistance and will assist in developing the program and encourage troubled employees to participate in an effort to avoid the necessity for discipline or corrective action because of impaired work performance. Employees participating in the Employee Assistance Program will be assured of strict confidentiality.

ARTICLE 10**SUPERVISION OF CLASSIFIED EMPLOYEES**

Except when necessary under the provisions of the Management Rights Article, temporary or contractual employees outside of the bargaining unit(s) shall not be placed in positions which require them to supervise classified employees.

ARTICLE 11**EMPLOYEE PERSONNEL RECORDS**

1. Except for pre-employment documents as may be maintained at the Personnel Department, an employee's official personnel file is that file maintained by an employee's agency or department and shall accompany the employee to his/her new agency in case of permanent transfer. The employing agency or department shall inform the employee where his/her official personnel file is being maintained.
2. With the exception of material that is confidential or privileged under law, an employee will be allowed access to his/her official personnel file during normal working hours. Subject to the exception stated above, copies of all documents and materials placed in an employee's official personnel file after July 1, 1986, are to be given, on a one-time basis, to the employee at no cost to the employee. Additional copies will be provided to the employee and/or his/her representative at the employee's request at the going rate for photocopy cost per page.
3. Any material, document, note, or other tangible item which is to be entered or used by the employer in any grievance hearing held in accordance with the Grievance Procedure Article of this Agreement, or hearing before the Vermont Labor Relations Board, is to be provided to the employee on a one-time basis, at no cost to him/her.
4. The employee has the right to provide written authorization for his/her bargaining representative or attorney to act for him/her in requesting access to his/her personnel file and receiving the material (s)he is entitled to have in accordance with the preceding part of this Article. The State or its agent are to honor this authorization upon its receipt for the purpose of investigating a potential grievance or for processing an existing grievance, but not as a blanket authorization.
5. Letters of reprimand or warning, supervisors' notes, or written records of relief from duty (including investigation notes) which are more than two years old and have not resulted in other discipline or adverse performance evaluation against the employee will be removed, on the employee's request, from the employee's official personnel file and destroyed. No grievance material or any other VSEA-related material will be placed in an employee's official personnel file. Grievance material or any other VSEA-related material placed in an employee's official personnel file prior to the effective date of this Agreement, shall be removed upon the request of the employee.
6. An employee shall be allowed to place in his/her personnel file written rebuttal to a letter of reprimand, warning, counseling letter, disciplinary suspension, or personnel evaluation. Such rebuttal must be submitted within thirty (30) workdays after receipt of such adverse personnel action (except in case of later grievance settlement).
7. An employee, with the concurrence of the appointing authority, shall have the option of placing in his/her official personnel file any work-related commendations.

ARTICLE 12

PERFORMANCE EVALUATION

1. Timing of Evaluations: Annual performance evaluations shall normally take place near the anniversary date of completion of original probation. However, as to employees who have been rehired as a restoration or after a reduction in force, the date of rehire shall be the anniversary date for the annual evaluation. The Personnel Department will attempt to secure agency cooperation in conducting the evaluation process in reasonable relationship to the above schedule. Failure to conduct a timely annual rating shall not be grievable.

Deadline for Evaluation Meetings: A meeting to discuss an evaluation shall be held within forty-five (45) days after the applicable anniversary date, or after the end of any prescriptive period for remediation or warning period. This deadline may be extended to accommodate the employee's illness or injury. Where the deadline is not satisfied, the employee shall be granted an annual overall presumptive rating equal to their last annual overall rating, but not less than a Satisfactory ("S") rating. However, if the time for annual evaluation falls during a prescriptive period for remediation or warning period (See Disciplinary Action Article, Section 1, e, ii & iii), the annual evaluation shall be waived, and the last evaluation in such process shall be deemed to be the annual evaluation.

In the event the time for annual evaluation falls subsequent to the issuance of a notice of performance deficiency (Step 1) but prior to the commencement of a prescriptive period for remediation ("PPR"), the employer may issue an evaluation which does not supersede the previously issued notice.

A special evaluation may be used at any time except it shall not be used as a late annual evaluation. Written feedback furnished to an employee which would have constituted the annual evaluation had it been timely conducted, shall not be considered as an evaluation, shall not be placed in the employee's file at the time of issuance, shall not be grievable and does not require the presence of a union representative when issued.

An oral or written notice of performance deficiency (Step 1 in the order of progressive corrective action) shall not be grievable when issued, and, when issued, shall not require the presence of a union representative. However, once Step 2 of progressive corrective action has been implemented (a special or annual evaluation coupled with a prescriptive period for remediation) such notice or a written record of such notice shall be placed in the employee's personnel file and shall be fully grievable.

2. The determination of performance evaluation standards and criteria is understood to be the exclusive prerogative of management, provided, however, the State will notify VSEA, forty-five (45) days prior to the date of implementation, of any proposed change in the form or of such standards and criteria as they appear on the form and give VSEA an opportunity to respond and suggest alternatives to the changed form prior to its implementation.

Performance evaluations shall continue to be based exclusively on job duties, responsibilities, and other performance related factors. Individual factors on the rating sheet shall not be graded. Comments reflective of the individual factors or of the overall evaluation shall be placed on a separate sheet attached to the evaluation but shall not be considered to be a

permanent part of the evaluation itself.

There shall be four grades on an annual or special evaluation: Unsatisfactory ("U"), Satisfactory ("S"), Excellent ("E") and Outstanding ("O"). An overall performance evaluation grade of "S" or better shall not be grievable. Adverse comments shall be grievable up through but not beyond Step II. An Unsatisfactory overall grade is fully grievable. The VLRB shall not have the authority to change such grade but may remand the rating to the employer for reconsideration consistent with the VLRB ruling on the merits.

3. Employees shall be shown their performance evaluation after the evaluation has been finalized by management. One copy of the rating form shall be provided to the employee as official notice of his/her rating, and one copy shall be retained by the agency for inclusion in the employee's official personnel file.

4. The immediate supervisor shall discuss the rating with the employee, calling attention to particular areas of performance and, when necessary, pointing out specific ways in which performance may be improved. At the request of the employee or the supervisor, the immediate supervisor shall discuss with the employee any change in performance expectations for the next performance evaluation. During the rating year, the immediate supervisor shall call the employee's attention to work deficiencies which may adversely affect a rating, and, where appropriate, to possible areas of improvement. The immediate supervisor will accommodate a reasonable request by an employee for a meeting to discuss any such work deficiency, suggested improvement, or rating, or any performance evaluation standard or criterion that the employee considers unreasonable or unachievable.

5. At the time an employee is shown his/her evaluation and is furnished with a copy thereof, (s) he shall be notified that:

(a) His/Her signature on the evaluation form signifies receipt only, and not agreement with its contents;

(b) The employee has the right to submit a written rebuttal to the evaluation. The rebuttal shall be reviewed and initialed by all supervisors who participated in the evaluation. The employee's written response shall accompany the supervisor's evaluation in the employee's official personnel file.

The employee copy of the rating shall constitute official notice to the employee of his rating.

6. An employee whose anniversary step date falls during a warning period shall not move to a higher step in the step Pay Plan until the employee next achieves an overall rating of "Satisfactory" or better, at which time the employee shall move to such higher step prospectively. The employee's anniversary step date is not changed by virtue of this delay.

7. If a performance evaluation which has been placed in such personnel file refers to a letter of reprimand or warning, supervisor's notes or written records of relief from duty which are required to be removed from such personnel file pursuant to Personnel Records Article, Section 5, reference shall be expunged from the performance evaluation, at the request of the employee. If a performance evaluation contains allegedly adverse comments which have not been incorporated in the next annual evaluation or as a special evaluation, issued within one year following its issuance, the comments section of the evaluation shall be expunged at the

request of the employee.

State Police Captains & Lieutenants

Notwithstanding the above language section 1-7.

8. Timing of Evaluations: Annual performance evaluations shall normally take place near the anniversary date of completion of original probation. However, as to employees who have been rehired as a restoration or after a reduction in force, the date of rehire shall be the anniversary date for the annual evaluation. The Personnel Department will attempt to secure agency cooperation in conducting the evaluation process in reasonable relationship to the above schedule. Failure to conduct a timely annual rating shall not be grievable; provided, however, that after fifteen (15) days' notice of intent to the Commissioner of Personnel the VSEA retains the right to pursue judicial remedies for failure to comply with the provisions of 3 VSA Section 322.

Deadline for Evaluation Meetings: A meeting to discuss an evaluation shall be held within forty-five (45) days after the applicable anniversary date, or after the end of any prescriptive period for remediation or warning period. This deadline may be extended to accommodate the employee's illness or injury. Where the deadline is not satisfied, the employee shall be granted an annual overall presumptive rating equal to their last annual overall rating, but not less than Meets Job Expectation. However, if the time for annual evaluation falls during a prescriptive period for remediation or warning period (See Disciplinary and Corrective Action Article, Section 3,b, 2 & 3), the annual evaluation shall be waived, and the last evaluation in such process shall be deemed to be the annual evaluation.

In the event the time for annual evaluation falls subsequent to the issuance of a notice of performance deficiency (Step I) but prior to the commencement of a prescriptive period for remediation ("PPR"), the employer may issue an evaluation which does not supersede the previously issued notice.

A special evaluation may be used at any time except it shall not be used as a late annual evaluation. Written feedback furnished to an employee which would have constituted the annual evaluation had it been timely conducted, shall not be considered as an evaluation, shall not be placed in the employee's file at the time of issuance, shall not be grievable and does not require the presence of a union representative.

9. Notwithstanding the above language, each State Police Captain and Lieutenant shall be evaluated on an annual basis. Their performance evaluation schedule applicable shall be according to station area. The schedule for Station evaluations will be:

January - Middlebury February - Rockingham

March - Brattleboro April - Middlesex

May - Bethel June - Headquarters

July - Williston August - St. Albans

September - St. Johnsbury October - Derby and Bradford

November - Rutland December - Shaftsbury

Each Station's evaluation notification will be sent to the Station one month prior to the month in which they are due. Performance evaluation forms for each employee will be due by the end of the appropriate month. If an officer was evaluated during the six months prior to the Station schedule due date, (s)he need not be evaluated at that time.

10. The determination of performance evaluation standards and criteria is understood to be the exclusive prerogative of management, provided, however, the State will notify VSEA, forty-five (45) days prior to the date of implementation, of any proposed change in the form or of such standards and criteria as they appear on the form and give VSEA an opportunity to respond and suggest alternatives to the changed form prior to its implementation.

11. Employees shall be shown their performance evaluation after the evaluation has been finalized by management. One copy of the rating form shall be provided to the employee as official notice of his or her rating, and one copy shall be retained by the agency for inclusion in the employee's official personnel file.

12. The immediate supervisor shall discuss the rating with the employee, calling attention to particular areas of performance and, when necessary, pointing out specific ways in which performance may be improved. During the rating year, the immediate supervisor shall call the employee's attention to work deficiencies which may adversely affect a rating, and, where appropriate, to possible areas of improvement. The immediate supervisor will accommodate a reasonable request by an employee for a meeting to discuss any such work deficiency, suggested improvement, or rating, or any performance evaluation standard or criterion that the employee considers unreasonable or unachievable.

13. At the time an employee is shown his or her evaluation and is furnished with a copy thereof, (s)he shall be notified that:

(a) His or her signature on the evaluation form signifies receipt only, and not agreement with its contents;

(b) The employee has the right to submit a written rebuttal to the evaluation. This rebuttal shall be reviewed and initialed by all supervisors who participated in the evaluation. The employee's written response shall accompany the supervisor's evaluation in the employee's official personnel file.

The employee copy of the rating shall constitute official notice to the employee of his rating.

14. A Meets Job Expectation and Exceeds Job Expectation overall performance evaluation shall be grievable up to, but not beyond, Step III of the grievance procedure, provided, however, that adverse comments and any ratings less than "Meets Job Expectation" on any evaluation are fully grievable. The Vermont Labor Relations Board shall not have the authority to change any rating, but may remand the rating to the employer for reconsideration consistent with the VLRB ruling on the merits.

15. If a performance evaluation which has been placed in such personnel file refers to a letter of reprimand or warning, supervisor's notes or written records of relief from duty which are

required to be removed from such personnel file pursuant to Personnel Records Article, Section 5, such reference shall be expunged from the performance evaluation, at the request of the employee.

ARTICLE 13**OUTSTANDING PERFORMANCE**

Each department/agency which does not have a functioning performance review process, shall form a performance policy committee including not more than three agency employee members selected by the VSEA. The committee may give input on the agency's outstanding performance policy criteria. Not more than three agency employees selected by the VSEA may give similar input to department/agency panels which exist on the effective date of this Agreement.

Upon recommendation of the appointing authority and approval of the Commissioner of Personnel an employee may at any time receive a special salary adjustment for outstanding performance, a special project or otherwise. Adjustments may be in the form of a nonrecurring bonus, or if not at maximum, an increase in base pay.

At the employee's request and with the approval of the appointing authority, a performance bonus may be paid in compensatory time off in lieu of cash.

Nothing in this Article shall prevent management from utilizing rewards such as time off, prizes, awards, gifts, etc., in addition to or in lieu of cash awards.

ARTICLE 14
DISCIPLINARY ACTION

1. No permanent or limited status employee covered by this Agreement shall be disciplined without just cause. The parties jointly recognize the deterrent value of disciplinary action. Accordingly, the State will:

- (a) act promptly to impose discipline or corrective action within a reasonable time of the offense;
- (b) apply discipline or corrective action with a view toward uniformity and consistency;
- (c) impose a procedure of progressive discipline or progressive corrective action;
- (d) In misconduct cases, the order of progressive discipline shall be:
 - (1) oral reprimand;
 - (2) written reprimand;
 - (3) suspension without pay;
 - (4) dismissal.
- (5) In performance cases, the order of progressive corrective action shall be as follows:
 - (i) feedback, oral or written; (records of feedback are not to be placed in an employee's personnel file except in compliance with the Performance Evaluation Article.)
 - (ii) written performance evaluation, special or annual, with a specified prescriptive period for remediation specified therein, normally 3 to 6 months.
 - (iii) warning period of thirty (30) days to three (3) months, extendable for a period of up to six (6) months. Placement on warning status may take place during the prescriptive period if performance has not improved since the evaluation;
 - (iv) dismissal.

(6) The parties agree that there are appropriate cases that may warrant the State:

- (i) bypassing progressive discipline or corrective action;
- (ii) applying discipline or corrective action in different degrees;
- (iii) applying progressive discipline for an aggregate of dissimilar offenses, except that dissimilar offenses shall not necessarily result in automatic progression; as long as it is imposing discipline or corrective action for just cause.

(7) The forms of discipline herein listed shall not preclude the parties from agreeing to utilize alternative forms of discipline, including demotion, or combination of forms of discipline in lieu of suspension or dismissal, or as a settlement to any of those actions. Nothing in this Agreement shall be construed to limit the State's authority or ability to demote an employee under section 1,d and/or 1,e of this section, for just cause resulting from misconduct or performance, but the State shall not be required to do so in any case. The VLRB may not impose demotion under this Article.

2. The appointing authority or authorized representative, after complying with the provisions of paragraph 4 of this Article, may dismiss an employee for just cause with two weeks' notice or two weeks' pay in lieu of notice. Written notice of dismissal must be given to the employee within twenty-four (24) hours of verbal notification. In the written dismissal notice, the appointing authority shall state the reason(s) for dismissal and inform the employee of his or her right to appeal the dismissal at Step III before the State Labor Relations Board within the time limit prescribed by the rules and regulations of the Board.

3. Notwithstanding the provisions of paragraph 2 above, the appointing authority or authorized representative, after complying with the provisions of paragraph 4 of this Article, may dismiss an employee immediately without 2 weeks' notice or 2 weeks' pay in lieu of notice for any of the following reasons:

- (a) gross neglect of duty;
- (b) gross misconduct;
- (c) refusal to obey lawful and reasonable orders given by supervisors;
- (d) conviction of a felony;
- (e) conduct which places in jeopardy the life or health of a co-worker or of a person under the employee's care.

4. Whenever an appointing authority contemplates dismissing an employee, the employee will be notified in writing of the reason(s) for such action, and will be given an opportunity to respond either orally or in writing. The employee will normally be given 24 hours to notify the employer whether he or she wishes to respond in writing or to meet in person to discuss the contemplated dismissal. The employee's response, whether in writing or in a meeting, should be provided to the employer within four days of receipt of written notification of the contemplated dismissal. Deadlines may be extended at the request of either party, however if the extension is requested by the employee, the employee will not be carried on the payroll unless it is charged to appropriate accrued leave balances. At such meeting the employee will be given an opportunity to present points of disagreement with the facts, to identify supporting witnesses or mitigating circumstances, or to offer any other appropriate argument in his or her defense.

5. An employee who is charged with misconduct in collusion with his or her superior shall not be exonerated solely because the superior was found guilty.

6. No written warning or other derogatory material shall be used in any subsequent disciplinary proceeding or merged in any evaluation unless it has been placed in an employee's official personnel file.

7. Whenever an employee is required, by his or her supervisor or management, to give oral or written statements on an issue involving the employee, which may lead to discipline against the employee, or whenever an employee is called to a meeting with management where discipline is to be imposed on the employee, he or she shall be notified of his or her right to request the presence of a VSEA representative and, upon such request, the VSEA representative shall have the right to accompany the employee to any such meeting. The notification requirement shall not apply to the informal initial inquiry of the employee by his or her supervisor without knowledge or reason to believe that discipline of the employee was a likely possibility. Subject in all cases to the consent of the employee involved, in those cases where VSEA is not representing the employee, the VSEA reserves the right to attend such meetings as a non-participating observer if in its judgment the ramifications of such meetings are likely to impact on the interest of VSEA members.

8. The appointing authority or authorized designee may suspend an employee without pay for reasons for a period not to exceed thirty (30) workdays. Notice of suspension, with specific reasons for the action, shall be in writing or shall be given personally by the appointing authority or designee and confirmed in writing within twenty-four (24) hours. The provisions of this paragraph shall not preclude the settlement of dismissal cases with respect to suspensions in excess of thirty (30) workdays.

9. An appointing authority may relieve employees from duty temporarily with pay for a period of up to thirty (30) workdays: a. to permit the appointing authority to investigate or make inquiries into charges and allegations made by or concerning the employee; or, b. if in the judgment of the appointing authority the employee's continued presence at work during the period of investigation is detrimental to the best interests of the State, the public, the ability of the office to perform its work in the most efficient manner possible, or well being or morale of persons under the State's care. The period of temporary relief from duty may be extended by the appointing authority, with the concurrence of the Commissioner of Personnel. Employees temporarily relieved from duty shall be notified in writing within twenty-four (24) hours with specific reasons given as to the nature of the investigation, charges and allegations. Notices of temporary relief from duty with pay shall contain a reference to the right of the employee to request representation by VSEA, or private counsel in any interrogation connected with the investigation or resulting hearing.

10. If any misconduct case involving a suspension or dismissal, should the Vermont Labor Relations Board find just cause for discipline, but determine that the penalty was unreasonable, the Vermont Labor Relations Board shall have the authority to impose a lesser form of discipline.

11. In any case involving dismissal based on performance deficiencies, the Vermont Labor Relations Board shall sustain the State's action as being for just cause unless the grievant can meet the burden of proving that the State's action was arbitrary and capricious. It is understood that this paragraph does not bar a grievance alleging that progressive corrective action was bypassed.

12. STATE POLICE LIEUTENANTS

(a) DEFINITIONS.

(1) "Disciplinary Action" is any action taken by the Commissioner as a result of an employee's violation of the Code of Conduct. Forms of disciplinary action include written reprimand, transfer, reassignment, suspension without pay, forfeiture of pay and/or other rights, demotion, dismissal, or a combination thereof.

(2) "Corrective Action" is any action taken by the Commissioner or designee as a result of an employee's substandard job performance. Forms of corrective action include oral notice of performance deficiency, written performance evaluation, placement in a warning period, transfer, reassignment, demotion, dismissal, or a combination thereof. A transfer reassignment, demotion, or dismissal effected as a corrective action does not constitute a disciplinary action or discipline for any purpose.

(b) DISCIPLINARY ACTION.

(1) No disciplinary action shall be taken without just cause.

(2) Disciplinary proceedings shall be instituted within a reasonable time after the violation of the Code of Conduct occurred or was discovered and disciplinary action shall be taken within a reasonable time after disciplinary charges have been proved or admitted.

(3) Disciplinary action will be applied with a view toward uniformity and consistency.

(c) CORRECTIVE ACTION.

(1) No corrective action will be taken without just cause.

(2) As a general rule, corrective action shall be taken in the following progressive fashion:

(i) oral notice of performance deficiency;

(ii) written performance evaluation, special or annual, with a prescriptive period for remediation, specified therein, normally three (3) to six (6) months;

(iii) warning period of thirty (30) days to six (6) months, which warning period may be implemented during a prescriptive period if performance has not improved since the written performance evaluation;

(iv) transfer, reassignment, demotion, dismissal, or a combination thereof.

(3) In any case in which corrective action in one or more of the forms specified in Section 3,b,iv., above, is taken, the Vermont Labor Relations Board shall sustain the corrective action as being appropriate unless the grievant can meet the burden of proving that the corrective action was arbitrary and capricious or that progressive corrective action was bypassed inappropriately. In a case in which the Vermont Labor Relations Board determines that such corrective action was arbitrary and capricious, it shall have the authority to substitute a different form of corrective action for that taken.

ARTICLE 15 GRIEVANCE PROCEDURE

1. PURPOSE

(a) The intent of this Article is to provide for a mutually satisfactory method for settlement of complaints and grievances, as defined in Section 2 of this Article, filed by an individual, unit, or the duly certified bargaining representative. It is expected that employees and supervisors will make a sincere effort to reconcile their differences as quickly as possible at the lowest possible organization level.

(b) This procedure shall govern all certified bargaining units represented by VSEA.

2. DEFINITION

(a) "Complaint" is an employee's or group of employees' informal expression to the immediate supervisor of dissatisfaction with aspects of employment or working conditions under a collective bargaining agreement that are clearly identified to the supervisor as a grievance complaint.

(b) "Grievance" is an employee's, group of employees' or the employee's collective bargaining representative's expressed dissatisfaction, presented in writing, with aspects of employment or working conditions under a collective bargaining agreement or the discriminatory application of a rule or regulation.

(c) A grievance shall contain the following information:

(1) The full name and address of the party or parties submitting the grievance;

(2) Identification of the State agency, department, or institution involved;

(3) A statement of the facts concerning the grievance;

(4) Specific references to the pertinent section(s) of the contract or of the rules and regulations alleged to have been violated;

(5) A statement of the specific remedial action sought;

(6) A request for a grievance meeting, if desired.

3. GRIEVANCE PROCEDURE

The following procedures are established for settlement of complaints and grievances.

(a) Step I (Immediate Supervisor Level)

(1) The employee, or his/her representative, or both, shall notify his/her immediate supervisor of a complaint within fifteen (15) workdays of the date upon which the employee could have reasonably been aware of the occurrence of the matter which gave rise to the complaint. The notice shall clearly identify the matter as a Step I grievance complaint. This is not a required first step of the grievance procedure.

(2) An employee may opt to bypass the Step I procedure and file his/her complaint directly to the Step II (departmental) level. If bypassing Step I, an employee must file a written grievance, in accordance with section 2(c), above, to the head of the employee's department, within fifteen workdays of the date upon which the employee could have reasonably been aware of the occurrence of the matter which gave rise to the complaint.

(3) A supervisor may elect not to meet with the employee and/or his/her representative in a Step I meeting, and if such election is made, the supervisor shall advise the employee within two (2) workdays of receiving notice of the complaint or grievance. The employee will then have ten (10) workdays to file his/her complaint or grievance, in writing, to Step II - Department head.

(4) If a Step I is initiated, the complaint shall be discussed informally by the aggrieved employee, or his/her representative, or both, and the immediate supervisor. If the issue remains unresolved, an employee must comply with the following time frames for filing to the Step II level: a) within ten (10) workdays after receipt of the Step I decision; or b) within thirty (30) workdays from when the employee first gave notice to the supervisor of his/her complaint as outlined in Section 3(a)(1) above, whichever occurs first.

(b) STEP II (Department Head Level)

(1) If no satisfactory settlement is reached at Step I, or if the Step I is bypassed, the complaint shall be reduced to writing, in accordance with section 2(c) above, and shall be submitted for action

by the aggrieved party or representative to the administrative head of the department in which the aggrieved is employed within the time frames outlined in Section 3(a) above, otherwise the matter shall be considered closed. On request of a VSEA Director, and with the approval of the Department of Personnel and the applicable appointing authority, the time limits for filing a Step II grievance may be extended for a specific period of time, not to exceed ten (10) workdays.

(2) The grievance shall be discussed informally, either in person or via telephone, within ten (10) workdays of its receipt, between the employee, and/or his/her representative, and the department head or designee.

(3) The employee shall be notified in writing of the department's decision within five (5) workdays after the discussion. The parties may mutually agree to postpone the discussion, but shall hold it as soon as practical.

(c) STEP III (Department of Personnel Level)

(1) A grievance conforming to Section 2(c) above, shall be submitted to the Department of Personnel within ten (10) workdays of receipt of the Step II decision if the employee wishes to pursue a matter not resolved at Step II. Otherwise, the matter shall be considered closed. A copy of the Step II grievance shall be filed with the appropriate administrative heads of agencies, departments, or institutions. Upon the introduction of facts or arguments not raised at Step II, such issues shall not be ruled untimely merely because they are raised at Step III for the first time. The Department of Personnel shall either rule on such facts/arguments or have the option to remand the grievance to the Step II hearing officer for further consideration.

(2) If the aggrieved employee so requests, the Department of Personnel shall hold a meeting with the aggrieved employee, his or her representative, or both, within ten (10) workdays following receipt of the Step III grievance, unless a satisfactory solution can be agreed to before that time.

(3) The parties may mutually agree to postpone the discussion, but shall hold it as soon as practical.

(4) The Department of Personnel shall notify the aggrieved employee and his or her representative of its decision in writing within five (5) workdays after the Step III grievance meeting.

(5) If no Step III grievance meeting is requested, the Department of Personnel shall notify the aggrieved employee and his or her representative of its decision in writing within ten (10) workdays after the receipt of the Step III grievance.

(6) In the event the employer fails to render a decision at Step II or III within the prescribed time, the grievant may proceed to the next step within the time limits established above.

(7) If the employer fails to issue a decision at Step III of a disciplinary action grievance within the prescribed time limits specified in Subsection 3(c)(4) or (5) above, the VSEA shall notify the Department of Personnel, in writing, and shall be entitled, absent an agreement on an extension of the time limits, to a written decision within five (5) workdays after the Step III hearing officer actually receives such notification. Failure to issue a written decision within the time frames specified in this subsection shall result in the automatic granting of the contractual remedy requested by and directly applicable to the grievant. Any dispute over what the contractual remedy will be, shall be decided by the VLRB. If the hearing officer is on leave at the time the Department of Personnel receives notice from the VSEA, the five (5) day requirement shall automatically be extended for the duration of the leave period, not to exceed ten (10) workdays, at which time the VSEA reserves the right to process the grievance to the next step or wait for the hearing officer to return from leave. Notice shall be sent to the Hearing Officer if the grievance is processed to the next step.

(d) STEP IV (Board Level)

The appeal from the Department of Personnel's decision shall be to the Vermont Labor Relations Board in accordance with the rules and regulations established by the Board and such appeal shall be filed within thirty (30) days after receipt of the Step III decision or the matter shall be considered closed. If within the time set by the VLRB for appealing such decision, VSEA submits a written request for reconsideration, the State may respond in writing to such a request, and if it does so, the time for appealing the decision of the Department of Personnel shall begin to run from the date of receipt of the State's written reconsideration response. However, in no event shall the time for appealing the Personnel Department's decision exceed forty-five (45) calendar days from the date of

receipt of the original Step III decision.

4. GENERAL PROVISIONS

- (a) Grievances may be initiated at Step II if the subject matter of the complaint is clearly beyond the control of the immediate supervisor, or at Step III if the subject matter of the grievance is clearly beyond the control of the agency, department or institution head.
- (b) Grievances initially filed at Step II or Step III shall be submitted within fifteen (15) workdays of the date upon which the employee could reasonably have been aware of the occurrence of the matter which gave rise to the grievance.
- (c) An employee may appeal his or her dismissal directly to the Vermont Labor Relations Board.
- (d) The management representative at Step II or III shall act fairly and without prejudice in determining the facts which affect the granting or denial of a grievance. If the management representative participated in the decision to impose disciplinary action, or in the preparation or writing of a performance evaluation in progressive corrective action cases, subject to the grievance (s)he shall disclose that fact, but shall not be disqualified thereby. Hearing officers may disqualify themselves if, in their opinion, they perceive the existence of a conflict which makes their future participation inadvisable. Complaints concerning the conduct of the management representative shall be grievable directly to, but not beyond, Step III. The management representative may attempt to mediate any grievance by suggesting that either side alter its position, provided that any Step II settlement be subject to the approval of the Department of Personnel. If Personnel does not approve the settlement, the reasons for disapproval will be provided in writing to VSEA. For purposes of this Article, "management representative" shall mean the appointing authority/administrative head of the department, or person selected as designee.
- (e) When a grievance meeting is held at Step III, the VSEA (whether or not it is representing the aggrieved employee) shall be notified by the Department of Personnel and shall have the right to be present, to participate in the proceedings as a party at interest, and to submit a statement (oral or written) to the Department of Personnel of its opinion of the merits or demerits of the grievance and the effect of any proposed solution on other employees. The VSEA will be sent a copy of any such grievance decision concerning bargaining unit employee(s).
- (f) In the event the employer fails to render a decision at Step I, II, or III within the prescribed time, the grievant may proceed to the next Step within the time limits established above.
- (g) Grievances may not be submitted via e-mail.

5. Employees submitting complaints or grievances, employees involved in complaint and grievance investigations, and employees participating in complaint and grievance meetings and proceedings may do so during working hours without loss of pay and without charge to accumulated leave, after requesting permission from the supervisor to do so, which permission shall not be unreasonably withheld.

6. The parties agree, subject to applicable law, that every employee may freely institute complaints and/or grievances without threats, reprisal, or harassment by the employer.

7. In appropriate cases, the time limits for filing and processing a grievance may be waived by mutual consent of the parties in order to correct a long-standing injustice provided in no case shall retroactive pay predate the effective date of this Agreement.

8. For the purpose of this Article, "workday" shall mean Monday through Friday, excluding legal and administrative holidays and the day after Thanksgiving.

9. The VSEA and the State may negotiate an experimental peer review procedure, including the duration of such experiment, and the department(s) and/or agency(ies) in which such process may be implemented.

10. ALTERNATIVE DISPUTE RESOLUTION

In recognition of the parties' commitment to reconcile their differences in the least adversarial manner possible, and at the lowest possible organizational level, the VSEA and the State agree to participate in grievance mediation, and to continue discussions relating to other processes which will facilitate the goal of positive labor relations.

The following are the agreed upon rules for mediation of grievances and other disputes during

the term of this agreement:

- (a) Mediation of a grievance will be scheduled on the basis of a joint request for mediation by VSEA and State representatives.
- (b) Unless otherwise agreed to in a particular grievance, the mediator shall be the first available mediator on the list of trained mediators maintained by the Department of Personnel. The parties may agree to remove or by-pass names from the list.
- (c) The VSEA and the State shall agree to a list of volunteers to be trained as grievance mediators. Each approved volunteer who successfully completes the prescribed training will be added to the mediator list.
- (d) A mediation shall be scheduled within ten (10) working days of the date of agreement to mediate and all time-lines will be put on hold for that period of time. If a mediation cannot be scheduled within the ten working day time period, the normal grievance procedure shall proceed.
- (e) Mediation conferences will take place at an agreed upon place.
- (f) The grievant will have the right to be present at the mediation conference.
- (g) Each party shall have no more than two (2) representatives present, in addition to the grievant, at any mediation, unless otherwise agreed.
- (h) The representatives of the parties are encouraged, but not required, to present the mediator with a brief written statement of the facts, the issues, and the arguments in support of their position. Such statements shall not exceed five (5) typewritten pages. If such a statement is not presented in written form, it shall be presented orally at the beginning of the mediation conference.
- (i) Any written material that is presented to the mediator shall be returned to the party presenting that material at the termination of the mediation process.
- (j) Proceedings before the mediator shall be informal in nature. The presentation of evidence is not limited to that presented at any formal grievance procedure. The Rules of Evidence will not apply, and no record of the mediation conference shall be made except in the case of settlement.
- (k) The mediator will have the authority to meet separately with any person or persons, but will not have the authority to compel the resolution of a grievance.
- (l) The resolution of a grievance in mediation shall not constitute a precedent unless the parties otherwise agree.
- (m) If no settlement is reached at mediation, the parties are free to pursue the remainder of the grievance process.
- (n) In the event that a grievance which was mediated subsequently goes to a grievance hearing, no mediator may serve as witness or advocate. Nothing said or done by the mediator may be referred to in subsequent proceedings, or before the Vermont Labor Relations Board. Nothing said or done by another party in the mediation conference may be used against it in a later proceeding.
- (o) If no settlement is reached during the mediation conference, and if both parties so request, the mediator shall provide them with an immediate oral advisory decision.
- (p) The mediator shall state the rationale for the advisory decision.
- (q) The advisory decision of the mediator, if accepted by the parties, shall not constitute a precedent, unless the parties otherwise agree.
- (r) The parties agree to share any cost of the mediation, including the mileage and pre-agreed expenses of the mediator.
- (s) The mediation will not take more than one day, except by mutual agreement of the parties.

ARTICLE 16
CLASSIFICATION REVIEW AND
CLASSIFICATION GRIEVANCE

1. DEFINITIONS

(a) Classification Review is defined as the process whereby either employees or management may initiate a review by the Personnel Department to determine whether an individual position, or any group of positions, is incorrectly allocated to class, and/or the class is incorrectly assigned to pay grade.

(b) Classification Grievance is defined as a dispute over whether the position of an individual employee, or the positions of a group of employees, is incorrectly allocated to class, and/or the class is incorrectly assigned to pay grade.

2. MANAGEMENT RIGHTS

Nothing herein shall be construed in a manner which prevents or interferes with management's unilateral authority to reallocate a position into a new or existing class; to assign a class into a different pay grade; to utilize a point factor rating system; or to conform with or perform any other statutory requirement regarding position classification. Nothing herein shall constrain management's right to direct an employee to perform the duties (s)he was hired to perform, and management's exercise of this right at any stage of the classification review or classification grievance process, or at the conclusion of the process, shall not be deemed as unlawful retaliation or a violation of any rights arising out of this Article or Agreement.

3. PROCEDURE FOR REVIEW OF CLASSIFICATION

(a) The classification review procedure outlined herein shall become effective on July 1, 1990.

(b) Employee and management requests for classification review shall be made on a form provided by the Commissioner of Personnel. The VSEA may offer comments to the Commissioner of Personnel regarding content and format of the form at any time. The form shall be fully completed by the employee or management as appropriate. With the Department of Personnel's approval, VSEA may submit a class action "RFR" on behalf of employees in the same position, filing one package of the same information as required herein. The Request for Review shall state with particularity the change(s) in duties or other circumstances which prompt the Request for Review. The position's supervisor shall review the information provided on the form within ten (10) workdays, completing that portion which requests supervisory responses, and submit further written comments as appropriate. The Request for Review form shall then be submitted to the position's appointing authority, who shall review it for accuracy, comment as deemed appropriate, and forward the original to the Department of Personnel within five (5) workdays.

(c) An incomplete Request for Review shall be returned for completion to the originator by the Department of Personnel. Completed forms received by the Department of Personnel shall

be logged in chronological order. In its discretion, the Department may conduct field audits as necessary. Normally within sixty (60) days for a single position and ninety (90) days for a multiple position class, the Department of Personnel will review and respond to complete requests for review. Such written report will respond directly and pointedly to the specific reasons listed in the request for review and will specify any change in the point factor rating for that position. The definitions of the sub-factors used in the point factor ratings will be provided as a guide to interpreting the point factor rating.

(d) Within ten (10) workdays of receipt of the notice from the Department of Personnel, an employee may request an informal meeting with a member of the Classification Division for a discussion of the decision. Subject to the operating needs of the Department of Personnel, a member of the Classification Division staff will be available within fifteen (15) workdays of request receipt for such discussion with the employee and/or VSEA representative, unless a postponement is mutually agreed to, in which case the meeting shall be rescheduled as soon as practical.

(e) Notwithstanding the above, if corrective action results from either classification review or a classification grievance, any pay adjustment shall be retroactive to the date when a completed Request for Review was logged by the Department of Personnel, unless the Commissioner of Personnel determines that the circumstances giving rise to such corrective action came into existence after such completed filings, in which case retroactivity shall be effective on that later date.

(1) Notwithstanding the above, if the effective date of any corrective classification action falls during an employee's original or promotional probationary period, any pay adjustment shall be effective at the start of the first full payroll period following the successful completion of any such probationary period and after any applicable end-of-probation salary increase has been applied. This provision shall apply to any Request for Classification Review filed on or after January 13, 2002.

An employee may initiate his or her review by concurrently filing a copy of the Request directly to the Department of Personnel at the same time the original is submitted to the supervisor. The effective date will then be computed 15 days from the date it was received by the Department of Personnel and logged in. This will permit the employee to ensure that the effective date of any corrective action is not delayed at the employee's department level due to management or supervisory review of the request.

4. CLASSIFICATION GRIEVANCE

(a) Notwithstanding any contrary provision of this Article, a classification grievance may be filed only if the position submitted for review was not changed to a higher pay grade.

(b) No classification grievance may be filed by an employee until the employee has first complied with the provisions of this Article regarding classification review and has received official notification from the Department of Personnel. If the Department of Personnel does not issue a written notice within the time frames specified in Section 3, c, above, an employee may resubmit his or her classification request in the form of a classification grievance to be forwarded to the Personnel Commissioner.

(c) A classification grievance shall be filed within thirty (30) days of receipt of the

classification review official notification, or within fifteen (15) days of the date of the notice of the results of the informal meeting with a member of the classification division if such an informal meeting is requested. Failure to file within such time limits means that the right to pursue a grievance is waived.

(d) A grievance as defined in this Article shall be filed in writing (original and one copy) with the Commissioner of Personnel (110 State Street, Drawer 20, Montpelier, VT 05620-3001), and shall minimally include the following:

(1) Name and home address of the employee submitting grievance;

(2) Position number, class title, and pay grade of the position under appeal, plus the department/ division/section in which located;

(3) A brief statement why the State's response to the RFR is being grieved. Such response should refer both to the original statement as to why the RFR was being sought and also to the State's response thereto. It should also contain a statement specifying the change in duties critical to the classification of the position sufficient to produce a reallocation to class or reassignment to pay grade.

(4) A written summary of the employee's reasons as to why the position is allocated to the wrong class and/or the class is assigned to a wrong pay grade, if different or in addition to reasons given in item 3 above.

(5) Remedial action requested including title and pay grade which grievant believes should apply.

(6) Copies of all material submitted in the initial request for classification review, plus the decision notification received from the Department of Personnel.

(7) An indication as to whether the grievant wished to have a grievance meeting with the Commissioner of Personnel or his/her designated representative.

Copies of all materials specified above shall be concurrently submitted to the employee's appointing authority by the employee at the time of filing.

(e) Each classification grievance shall be reviewed by the Commissioner of Personnel (or designee) for compliance with requirements of filing. Employees will be notified by the Commissioner of any additional information needed to complete the written grievance and given ten (10) workdays to take corrective action. Reasonable extensions of time in which to perfect grievances will not be unreasonably denied.

(f) Grievances shall normally be considered in the order in which perfected grievances are received. The Commissioner of Personnel (or designee) shall review the grievance, and if a meeting has been requested, hold such meeting within fifteen (15) workdays. A written decision shall be issued within fifteen (15) workdays of such meeting. If no meeting is requested, a written decision shall be issued within thirty (30) workdays of receipt of the grievance. The time periods for holding a meeting and/or issuing a decision may be extended by mutual consent of the grievant and the Commissioner of Personnel (or designee).

(g) The Commissioner of Personnel (or designee) may request additional information and/or documents from either or both the grievant and classification division and impose deadlines for their submission. Both parties to the grievance will be advised as to any request for additional information/documents. The due dates for a hearing and/or decision are automatically extended by the time allowed for submission of additional information/documents.

5. BURDEN OF PROOF

In any stage of proceeding under this Article the burden shall be on the grievant to establish that the present classification, pay grade assignment, or any subsequent classification decision arising from the application of these procedures, is clearly

erroneous under the standards provided by the point factor analysis system utilized by the Department of Personnel.

6. EXCLUSIVE REMEDY

The grievance and appeal procedures provided herein for classification disputes shall be the exclusive procedures for seeking review of the classification status of a position or group of positions.

7. APPEAL TO VLRB

An employee aggrieved by an adverse decision of the Commissioner of Personnel may have that decision reviewed by the Vermont Labor Relations Board on the basis of whether the decision was arbitrary and capricious in applying the point factor system utilized by the State to the facts established by the entire record. Any appeal to the Board shall be filed within thirty (30) days of receipt of the Commissioner's decision, or the right to appeal shall be waived. The board shall not conduct a de novo hearing, but shall base its decision on the whole record of the proceeding before, and the decision of, the Commissioner of Personnel (or designee). The VLRB's authority hereunder shall be to review the decision(s) of the Commissioner of Personnel, and nothing herein empowers the Board to substitute its own judgment regarding the proper classification or assignment of position(s) to a pay grade. If the VLRB determines that the decision of the Commissioner of Personnel is arbitrary and capricious, it shall state the reasons for that finding and remand to the Commissioner for appropriate action. Upon remand, the Commissioner of Personnel shall address those aspects of the original decision that the VLRB found to be arbitrary and capricious and thereafter shall issue a decision on the matter. This decision shall also be subject to review by the VLRB solely to determine whether this subsequent decision is arbitrary and capricious. The parties waive judicial review by the Vermont Supreme Court of any ruling of the VLRB that the decision by the Commissioner of Personnel was, or was not, arbitrary and capricious. In the event that the Commissioner of Personnel, upon remand, fails to address aspects of a classification decision which the Vermont Labor Relations Board has determined to be arbitrary and capricious, the sole avenue of relief for an employee shall be to petition the VLRB for enforcement of its order in the Superior Court, in accordance with Board rules and the Rules of Civil Procedure.

8. IMPACT OF CLASSIFICATION BOARD DECISIONS AND SETTLEMENTS

A classification decision or recommendation of a classification board shall not constitute a binding precedent regarding the internal comparability of a position reviewed or grieved to positions not subject to the original classification review and grievance. Nothing herein shall prevent the settlement of a classification grievance at any point in the process.

ARTICLE 17**AGENCY, DEPARTMENT AND INSTITUTION WORK RULES****1. ESTABLISHMENT OF RULES**

(a) Each agency, department or institution shall put into writing those rules of conduct and procedure it deems necessary for its efficient operation. All changes to these rules must be in writing.

(b) Agency, department and institution work rules shall not be in conflict with existing law, contract provisions, or with the Rules and Regulations for Personnel Administration.

(c) Work rules shall relate to aspects of employment (such as Public Safety work rules outlining proper maintenance schedules for cruisers, AOT rules for use of State-owned property and equipment), and not to fundamental conditions of work which give rise to a statutory bargaining obligation.

2. NOTIFICATION AND DISTRIBUTION OF RULES

(a) All employees affected by agency, department or institution work rules must be notified in writing, by posting or otherwise, of those rules and changes to those rules at least 15 days prior to the date they become effective, except that the 15-day notice shall not apply in case of emergency. Emergency rules may be implemented pursuant to the Management Rights Article, Section 1, of this Agreement. In any such instance, the VSEA's Director shall be notified as soon as possible, and provided with opportunity to meet with appropriate State officials.

(b) The State shall provide written notification to the VSEA of all new rules and changes to existing rules concurrent with the notice to employees.

(c) The State shall properly maintain all work rules in a manner and location readily accessible to employees affected by them. The availability of these rules and their whereabouts shall be posted in prominent areas of the workplace and made available to employees and the VSEA upon request.

3 REASONABLENESS AND APPLICATION OF RULES

(a) An employee or the VSEA may grieve the reasonableness of any rule promulgated under this Article and, further, may grieve any action taken against an employee based upon such rule. In either case, the grievance may include a claim that the rule is unreasonable in its application to the employee or group of employees so aggrieved. The time limits for any claim that the rule is inherently unreasonable shall run from the date the rule becomes effective.

**ARTICLE 18

2. Notwithstanding Sections 1(a), (b), or (c) of this Article, State Police Lieutenants residing outside of the above-referenced areas as of July 1, 2001, shall not be required to move their residences until subsequently reassigned to another area. However, Lieutenants reassigned or newly assigned to a state police station, BCI assignment, or Headquarters facility shall be required to reside within the appropriate area as specified above.
3. This provision shall not restrict the Commissioner from changing such boundaries for purposes other than residency. The defined center point for each station shall be the same as used under the State Police Unit contract.

ARTICLE 19**VACANCIES/PROMOTION**

1. When management decides to fill a permanent, vacant bargaining unit position through competitive procedures, notice shall be posted for ten (10) workdays prior to the application deadline, statewide in the case of a state promotional or open competitive procedure, agency-wide when only an agency promotional procedure is being utilized. If a change is made in the minimum qualifications after the announcement is posted, the new vacancy notice shall be posted for a period of five (5) workdays.
2. Vacancy notices shall include entry KSA's or examination subject areas, a brief description of duties, and any special skills required.
3. The appointing authority or designee shall consider all certified applicants.
4. No employee will have his/her name involuntarily removed from the register prior to its expiration without notice from the Department of Personnel.
5. An appointing authority may elect to define posting parameters for a particular position within the department and to a particular worksite, unit, division, institution, departmental region, class or series, or combination thereof.
6. Vacant positions of F&W Wildlife Wardens (& trainees), may be filled from the most recent active register without further posting during the life of the register. With mutual consent, of both parties, other positions may be added.

ARTICLE 20
EMPLOYEE WORKWEEK/WORK LOCATION/ WORK SHIFT

An employee's basic weekly salary and eligibility for overtime compensation shall be based on a 40-hour workweek schedule.

1. ALTERNATE WORK SCHEDULES

In response to an employee request, and subject to the operating needs of the department or agency, an appointing authority may, after consultation with the VSEA, establish alternative work schedules in which starting and quitting times, as well as length of meal breaks, for individual employees may vary from preestablished standard work schedules. Any newly established alternative work schedule established on or after 7-1-90, shall be with the mutual agreement of management and the employee and subject to the concurrence of the VSEA and the Department of Personnel. Alternative work schedules include job sharing, four-day workweek, alternative schedules with core time, and actual flex time.

2. NEW SHIFTS/WORKWEEK

In any department or institution, prior to establishment of a new shift (a shift with starting and quitting times different from any existing shift) or a new workweek (a combination of workdays constituting forty (40) hours (or 80 hours biweekly if applicable) which is different from any existing combination of workdays, or which includes evenings or half days), the State shall notify the VSEA, and will meet, if requested within ten days, on a regular basis to negotiate the impact of this decision for up to forty-five (45) calendar days. At the end of the forty-five (45) calendar day period commencing from the date VSEA requests negotiations the State may implement its proposed new shift or new workweek without further negotiations or recourse to the statutory impasse procedure.

3. SELECTION FOR ASSIGNMENT TO A NEW SHIFT/NEW WORKWEEK/NEW GEOGRAPHIC AREA

(a) Subject to the operating needs of a Department, as determined by the appointing authority, which may require the assignment (for thirty (30) days or more) of any employee to a different or new shift, workweek, or geographic area, the State will select qualified volunteers first, after which selection shall be in reverse order of (continuous State service) seniority, i.e., the most junior employee(s) will be selected. This provision shall not apply to historic types of temporary seasonal assignments.

(b) Subject to the operating needs of a Department, as determined by the appointing authority, which may require the assignment (thirty (30) days or more) of an employee(s) with a special skill or experience, to a different or new shift, workweek or geographic area, the State will select qualified volunteers first, after which selection shall be in reverse order of (continuous State service) seniority, i.e., the most junior employee(s) possessing the special skill or experience which fulfills the Department's needs, will be selected.

(c) The State will give two weeks' prior notice of any such assignment and will try to accommodate those persons who need an extra week to make the move.

(d) The State will give good faith consideration to seniority as a significant element in the reassignment of an employee from one building to another for more than 15 miles within a geographic area.

(e) An employee who demonstrates to the appointing authority personal or family hardship which prevents the acceptance of an involuntary assignment shall be placed directly on the RIF reemployment list as outlined in that RIF Article, except that there shall be no such rights to a vacancy caused by the subsequent involuntary assignment of another employee in the same class in lieu of the involuntary assignment refused. Application for unemployment compensation shall not diminish rights under this paragraph. An employee must give notice to the department or agency with reasons for the hardship. On acceptance of such notice, the employee will be placed on employment recall list but not have access to the thirty day layoff notice "grace period" outlined in the RIF Article.

(f) Management reserves the right to fix or alter the time frames for rotating shifts, provided, however, that shifts shall remain fixed for at least three months. Individual employees may be

involuntarily assigned to a different shift outside of the predetermined rotation schedule in accordance with the provision of Section 3, above. This paragraph shall not apply during the first twelve months of operation of a new institution.

4. LIST OF EXISTING SHIFTS/WORKWEEKS

As soon as practical after the effective date of this Agreement, the State will endeavor to list all established shifts and workweeks, showing the classes assigned to each and the agencies, departments or facilities where any such shift or workweek exists. A copy of the list will be provided to VSEA.

5. These provisions shall not apply to state police supervisors.

6. State Police Lieutenants will be allowed up to three (3) days, and Fish and Wildlife Warden District Chiefs will be allowed up to two (2) days, paid leave time in connection with any reassignment to a new geographic area for which moving expenses are payable by the State. This moving time shall be considered as time actually worked for purposes of computing overtime compensation.

7. Corrections Unit Supervisors Roll Call differential: Regularly scheduled employees (Correctional Facility Shift Supervisors, Corrections Security & Operations Supervisors, or Casework Supervisors) who are required to attend a fifteen (15) minute roll call, no more than twice a week on his or her normally scheduled shift, shall receive time and one-half rates of pay based upon his or her base rate of pay then prevailing, for the time spent in "roll-call"; and such payment shall be recorded on the payroll sheet and paid with that paycheck.

ARTICLE 21**FISH AND WILDLIFE WARDEN SUPERVISOR****1. SUPERVISOR STIPEND**

Game Warden District Chiefs, Hunter Safety Program Chief, and the Fish and Wildlife Law Enforcement Assistant Director shall receive 25 percent (25%) of their base weekly salary per week irrespective of the maximum of their pay grades as full compensation for all overtime hours.

ARTICLE 22
WORK YEAR/REGULAR HOURS/OVERTIME STATE POLICE LIEUTENANTS

1. REGULAR WORK YEAR

Lieutenants shall be eligible to receive 104 scheduled days off per year. The number of days may be arranged over a two or three year cycle. Days voluntarily worked in whole or in part on scheduled days off in programs such as CRASH, 55 MPH or RAID are considered as days off for purposes of this section.

The regular work year shall be scheduled to provide 17 or more weekends off per year which may be arranged over a two or three year cycle. A weekend is a period of no less than forty-eight (48) hours commencing with the end of the last scheduled shift worked, which started at or prior to 6:00 p.m. Friday, except for the interstate patrol shift which started at or prior to midnight Friday.

2. REGULAR HOURS AND OVERTIME

The regular work shifts shall be as follows for Lieutenants:

(d) Nothing hereunder shall prevent the Department from establishing additional or overlapping work shifts. Staggering of the basic day and evening shift shall not be used to provide 24-hour coverage.

(e) An employee shall be scheduled for at least eight hours off between the end of one scheduled shift and beginning of his or her next scheduled shift.

3. REGULAR WORKWEEK, WORKDAY

Effective July 1, 1986, the normal work week is 45 hours, with a regular work day of 9 hours, averaged over a multi-week work cycle as presently constituted. The workday, as presently constituted, includes a paid mid-tour meal period generally not exceeding 30 minutes. Except in the case of an employee who commences or terminates employment in the middle of a workweek, employees shall be paid their basic weekly salary even though the regular work schedule for that particular week requires fewer or more than 40 hours per week.

(b) Overtime and holiday compensation time shall not be pyramided.

(c) The Department will endeavor to afford Lieutenants the opportunity to utilize compensatory time off within a reasonable time after it accrues. At the end of the accrual year, Year "A" any unused compensatory time off may be carried over until the end of Year "B", but not thereafter. Year "A" is defined as the first full pay period in July through the pay period which includes June 30th. Year B is the same period the following year. Unused "Year A" compensatory time off which has not been used by the end of "Year B", through no fault of the employee, will be paid off in cash at the straight time rate of pay then prevailing. Except for mandatory compensatory time such as for overtime on a holiday worked or a floating holiday, any compensatory time balance on May 1 may, at the sole

discretion of the appointing authority, be paid off in cash, in whole or in part, at the straight-time rate of pay then prevailing.

(d) The Exclusions From Overtime provisions of this Article shall apply to Lieutenants. Telephone or pager availability and telephone contact shall not be considered as time worked.

7. OVERTIME PAY for Lieutenants:

Time off, unworked holidays, paid VSEA leave time, time spent traveling to and from paid training (after deduction of normal commuting time, when appropriate, and time spent eating during the travel time), moving time and personal leave shall be considered as time actually worked for the purpose of determining eligibility for overtime compensation.

- (2) attendance at a disciplinary, grievance, or other hearing other than as a witness for the State;
- (3) self-activation during travel time to and from any training schedule on a day off;

As of September 1, 2002 and thereafter, the special team allowance payment will be made for employees assigned to the team(s) prorated accordingly for the amount of time served on the team(s) since the previous September 1st. (a) In continuous operations for purposes of computing pay and benefits, a classified employee's holiday shall begin at the time his regular and normal work schedule would begin on that day and shall continue for twenty-four consecutive hours.

(b) Part time computations;

(1) Part-time classified employees who do not work on a legal holiday will receive their hourly rate for the number of hours regularly scheduled for that day. Part-time classified employees who do work on a legal holiday will receive applicable holiday pay at designated rates (i.e., not prorated) for all hours worked that day, not to exceed the limits specified in this Article. Unworked legal holidays falling on a part-time employee's scheduled day off, and the floating holiday, will be compensated in direct proportion to the normal number of scheduled work hours in a pay period.

(2) A permanent part-time classified employee who works on a seasonal schedule will be entitled to payment for those holidays which occur during the period of time when working.

(c) Effective December 31, 1997, if the day following the effective date of an employee's separation from State service is observed as a legal holiday, except Columbus Day, the employee will receive pay for the legal holiday, but the effective date of separation shall not be changed as a result of receiving such holiday pay.

11. STATE POLICE LIEUTENANTS

(a) Employees who are required to work on a day which is normally a scheduled workday and is also a day observed as a legal holiday shall receive compensation at "designated rates" in addition to the minimum regular compensation, for all hours actually worked on that day up to a maximum of the number of hours in his/her regular workday. The compensation shall be in cash, or in compensatory time off if the employee so chooses and if the employer can grant the compensatory time off.

If the "designated rate" for the holiday is time and one-half and the employee requests

compensatory time off for all hours actually worked that day, the employer may determine to pay for hours actually worked, in compensatory time off at straight time and 4.5 hours in compensatory time off or cash at straight time.

(b) If a legal holiday is observed on a day which is not normally a scheduled workday and the employee does not work on that day, he or she shall receive for that day his or her regular workday in cash, which shall be in addition to his or her regular compensation. The Department will attempt to accommodate an employee's request for a compensatory tour of duty off in lieu of cash for such holiday, but may grant or deny such request based on its determination of the operating needs of the Department in relation to available staffing.

(c) If a legal holiday is observed on a day which is not normally a scheduled workday and the employee does work on that day, he or she shall receive for the day his or her regular hourly rate for the number of hours in a regular workday at designated rates in cash, plus cash (or compensatory time off if the employee chooses and if the employer can grant the time off) at straight time rates for all hours worked not to exceed the regular workday. Such compensation shall be in addition to the employee's minimum regular compensation.

(d) Notwithstanding any contrary provisions of this Agreement, an employee who works "overtime" on a holiday (i.e., who works more than 8 hours on a holiday) shall be paid at the applicable rate pursuant to the Overtime Article.

12. If additional State Holidays are enacted in statute during the life of this Agreement, the parties agree to reopen negotiations for the limited purpose of bargaining over benefits which will apply to the observance of that holiday, if any.

13. This provision applies only to employees, in the departments or institutions specified below: who are required to work as a regularly scheduled workday on December 25, and who have a regularly scheduled day off on the date that the Christmas Holiday is otherwise actually observed, or vice-versa; and to employees who are required to work as a regularly scheduled work day on January 1, and who have a regularly scheduled day off on the date New Year's Day is otherwise actually observed, or vice versa. For such employees only, December 25, and January 1, shall be considered the holiday for purposes of holiday pay computation, rather than the dates on which such holidays are otherwise observed.

This provision applies only to employees at the Vermont Veteran's Home; Correctional Facilities at Windsor, Woodstock, St. Johnsbury, St. Albans, So. Burlington, and Rutland (and Newport or St. Johnsbury Work Camp if applicable); Woodside Youth Center; Department of Public Safety's State Police Officers and Clerk Dispatchers and the Vermont State Hospital.

ARTICLE 33**OCCUPATIONAL SAFETY AND HEALTH LAWS**

1. Where protective clothing or safety equipment is required by state or federal laws or regulations applicable to State employees covered by this Agreement, the State shall provide this clothing and equipment at no cost to the employees. The wearing of protective clothing or safety equipment shall conform to VOSHA standards.
2. Time spent by employees accompanying VOSHA compliance officers during inspection tours of work places shall be considered hours actually worked for the purposes of determining eligibility for overtime compensation.
3. The State shall comply with VOSHA and other State and federal statutory safety and health requirements. Nothing in this Article shall be deemed to prevent the State from promulgating safety rules in excess of VOSHA or federal requirements, provided, however, the reasonableness of any such rule may be grieved under Section 3 of AGENCY, DEPARTMENT AND INSTITUTION WORK RULES Article. The fact that a safety rule exceeds VOSHA or federal requirements shall not by itself be evidence of unreasonableness.
4. Complaints over health and safety concerns or over non-compliance with VOSHA or other such statutory requirements are not grievable but shall be referred to the Safety and Health Maintenance Committee.
5. Failure to wear required protective clothing or to use required safety equipment, other than in situations where the requirement is conditional on employee discretion, shall be considered as a prima facie case of employee negligence.
6. The employer shall make available at the duty station a form for the employee to report safety hazards and to receive a copy of the report filed. An employee or group of employees who complain or refer questions on job safety or health hazards, in good faith, to the employer, the VSEA, VOSHA, NIOSH (National Institute for Occupational Safety and Health) or any other relevant government agency shall not be discriminated against, intimidated or harassed therefore. Complaints of such discrimination, intimidation or harassment shall be processed under the grievance procedure.
7. Whenever the State received written notification regarding the hazardous nature of a material or substance as outlined in the MSDS from VOSHA, NIOSH, a vendor/manufacturer, or any other agency with expertise in identifying hazardous substances, the State shall make available to affected employees information as to where such material is stored or utilized, the potential health risks associated with such materials, and how to reduce such risks.
8. The State shall make a good faith effort to accommodate a request for reassignment from:
 - (a) Pregnant women and women of child-bearing age who work with or near material which is known to have detrimental effects upon pregnancy or for men or women in the case of fertility.
 - (b) Any employee who is disabled from performing regularly assigned duties because of allergies or respiratory ailments arising from work with or near any substance or agent causing

the disability.

9. An employee who believe (s)he is being required to drive or operate unsafe vehicles or equipment shall report the condition immediately to his or her supervisor for appropriate action. The employee shall file a report describing the unsafe condition in accordance with the procedure of Section 6 of this Article at his or her earliest convenience.

10. An employee who establishes a reasonable fear of death or serious injury resulting from performance of an assigned task shall be exonerated from a charge of insubordination or violation of the rule "work now, grieve later". This section shall not excuse non-performance of duty when risk of death or injury is an inherent part of the job.

11. Any established Labor-Management Committee may function as an ad hoc safety committee to discuss concerns over work place hazards or adverse health reactions emanating from the work. Issues concerning the use of video display terminals and rest breaks for VDT operators may also be subjects for Labor-Management Committee consideration. Both parties shall cooperate in requesting and complying with safety and health recommendations from the State Loss Prevention Coordinator(s) to prevent and remediate health problems arising from the work site.

12. Any employee required to participate in the handling, cleaning or removal of asbestos shall be provided with proper training, equipment, and health status monitoring by the State, all in accordance with the State's Asbestos Policy Committee guidelines.

13. Pursuant to VOSHA requirements, or the recommendations of the joint Labor-Management Committee and/or the Commissioner of Health, the State will provide protective outer garments for State employees whose duties require them to: perform strip searches; handle body fluids, hazardous chemicals or materials; or to come in contact with contagious diseases or persons. Material Data Safety Sheets, as may be required to be maintained by statute, shall be available to VSEA Stewards or staff at affected work sites.

14. SAFETY AND HEALTH MAINTENANCE COMMITTEE

(a) There shall be a statewide safety and health maintenance committee consisting of four (4) representatives selected by the VSEA and four representatives selected by the State. The Committee shall select a Chairperson from among its members;

(b) The State agrees to allocate \$5,000 for FY 92. The Committee's responsibilities may include but shall not be limited to:

(1) Development of general guidelines and procedures for use in the Agencies/Departments;

(2) Assessment of Agency/Department safety practices, and programs, including any appropriate recommendations, and development of plans for changes or improvements in safety and working conditions.

(3) Review of grievances and complaints in the Safety/Health area which are referred to the committee consistent with paragraph 4 of this Article.

(4) Identification of safety training needs and the initiation of appropriate training efforts, which

may include the solicitation of available grant funds.

(5) A review of the health ramifications of working with VDT's including recommendations regarding appropriate break time, eye exams, ergonomics, etc.

(6) Committee recommendations will be referred to the Secretary of Administration

(c) The Committee shall have no authority or responsibility for issues or situations, that are related to or fall within the scope of the State's Reasonable Accommodation Policy.

15. WATER/TOILETS

The state will respond promptly to complaints from employees that drinkable water or functioning toilet facilities are unavailable at office buildings or institutions. Such responses shall include reasonable accommodations for personnel with medical problems impacted by such factors and other bargaining unit personnel, as for example, permission to leave the facility for reasonable periods of time without charge to accumulated leave balances.

16. AIR QUALITY

The State will respond promptly to complaints about air quality in existing State owned and leased buildings including air testing when appropriate. Air quality standards for newly-constructed or newly-leased buildings shall be a subject for consideration/recommendation by the Safety and Health Maintenance Committee.

ARTICLE 34
ANNUAL LEAVE

1. PURPOSE

To establish the policies and procedures by which a classified employee shall receive time off from work for vacation or personal convenience.

2. POLICY

(a) A classified employee is provided opportunity to accrue annual leave in order to have periods of rest and relaxation from his or her job for health and well being, consistent with workload requirements of the agency or department.

(b) Employees are encouraged to request annual leave in blocks of time sufficient to ensure rest and relaxation. However, annual leave may also be taken in brief amounts for the personal convenience of the employee.

(c) Annual leave credits are not accumulated and may not be used during the first six months' employment.

(d) Accruals and caps are as follows:

(1) A classified employee shall be credited with 48 hours of annual leave upon completion of his or her first six months of service.

YRS	ACCRUAL RATE PER PAY PERIOD	ACCUMULATION CAP
0-5	3.69	240 hours
5-10	4.62	280
10-15	5.54	320
15-20	6.13	340
20-30	6.46	360
30+	7.38	360

Accrual rate is the number of hours the employee shall accrue per pay period.

Accumulation Cap is the maximum number of hours an employee may accumulate.

Years is the range of the number of years of full-time service.

(e) A part-time classified employee earns leave on a pro-rated basis. For example, an employee who works a half-time schedule earns one-half of the regular accrual per pay period of annual leave if he or she worked four days a week, he or she would earn four-fifths of the regular pay period accrual, etc.

(f) Except in the instance of reduction in force, and the applicable Articles regarding Reemployment Credit and prior temporary service, an employee rehired by the State shall not receive credit for prior State employment in establishing his or her rate of annual leave accrual. An employee rehired after layoff shall not, however, accrue leave credits for the period not on the payroll.

(g) A classified employee who is granted a leave of absence from a State classified position to enter the armed forces of the United States, served honorably herein, and applied for return to his/her position in State employment within ninety (90) days before or after termination from active service, or within thirty (30) days after release from active duty for training, shall receive credit for such time in computing total years of full-time employment for the purposes of determining the rate of annual leave accrual. He or she shall not, however, actually accrue annual leave credits while on military leave.

(h) Time spent on leave of absence without pay shall not be counted in determining rates of annual leave accrual, except that VISTA or Peace Corps service while on leave of absence without pay, or time spent on educational leave with or without pay shall be counted in determining rates of annual leave

accrual.

(i) Upon satisfactory completion of the first six months of employment in the classified service, annual leave shall be earned on the basis of completed full pay periods of service. A permanent status classified employee shall not be penalized his or her annual leave credit for any pay period during which the employee is off payroll or on an unpaid leave of absence for fewer than 20 hours. However, an employee who is off payroll or on an unpaid leave of absence for 20 hours or more during a pay period shall not accrue annual leave for that pay period. This 20 hour test shall be prorated accordingly for part-time employees. This test shall also apply to the bank of annual leave credited to the employee's account upon completion of the first six months of employment. For example, an employee who was off payroll for two weeks during his or her second month of employment would be credited with only five days of leave at the end of the first six months. If the same employee was again off payroll for two weeks during the third month of employment, (s)he would only be credited with four days.

(j) An employee reemployed after layoff or a restored employee shall accrue annual leave upon completion of his or her first complete pay period of service.

(k) An employee on educational leave of absence without pay shall not accrue annual leave. (S) He shall, however, be entitled to normal school vacations and school holidays occurring within a school semester.

(l) Annual leave credits shall not be advanced for use prior to their being credited to the

employee's account.

(m) A classified employee granted leave of absence without pay may use his or her accumulated annual leave before entering upon leave-of-absence status, or(s)he may request that it be retained in his or her account until return to active duty. In the instance of a classified employee granted a leave of absence provided by law to accept an appointive position in the executive department, annual leave credits shall be paid in a lump sum concurrent with the effective date of the leave of absence, unless options otherwise outlined in Leave of Absence Article are elected. This provision shall not apply to a classified employee performing the duties of an appointive position on an interim basis while remaining in his or her classified position.

(n) Vacation scheduling is the exclusive prerogative of the appointing authority. Leave must be requested in advance by the employee and is subject to approval by the appointing authority or his or her delegated representative. Such approval shall not be unreasonably withheld. Employees who request a prompt response in order to make travel or lodging reservations, shall have their leave request responded to no later than between three days and the stated deadline for making such reservations.

(o) An employee shall not be charged annual leave for absence on a legal holiday or on an administrative holiday.

(p) Effective January 1, 1993, up to 160 hours of annual leave accrued by an employee separating from the State classified service shall be paid as a lump sum with the final payment for active service. Employees separated on account of death or for State Retirement shall have all their annual leave balances paid as a lump sum. A separating employee who has been in an on payroll status for all of his or her regularly scheduled workdays of the final payroll period of employment, shall be entitled to annual leave accrual for that payroll period.

(q) An employee who fails to give two weeks' notice of resignation and this notice is not waived by the appointing authority or authorized representative, shall forfeit the number of unused annual leave hours by which the notice is deficient.

3. RESPONSIBILITIES

(a) The employee shall:

(1) Such leave shall not be taken unless the appropriate supervisor has authorized the leave.

(2) Notify his or her supervisor as soon as possible if (s)he is unable to report for work due to weather conditions, impassable roads, or other emergency situations.

(b) The appointing authority shall:

(1) Make a reasonable effort to schedule vacations in accordance with the wishes of his or her employees consistent with the needs of the agency or department.

(2) Report the use of annual leave in accordance with the provisions of this Article and the instructions contained on the payroll time report.

ARTICLE 35**SICK LEAVE****1. PURPOSE**

To establish the State's policies and practices which provide for a classified employee to be absent from duty with pay in the event of illness or injury.

2. POLICY

It is the policy of the State to help protect the income of a classified employee who cannot work due to illness or injury or for emergency periods when the employee must be absent from duty due to death or illness in his or her immediate family. Sick leave shall be administered in accordance with the following provisions:

(a) Accrual

(1) A classified employee shall receive sick leave benefits as follows:

(i) Upon appointment (original or restoration), the employee shall be credited with a bank of 48 hours of sick leave on which he or she may draw during the first six months of service.

(ii) At the end the first full payroll period following completion of six months of service and at the end of every full payroll period thereafter, the employee shall be credited with sick leave for that payroll period, as follows:

YEARS OF SERVICE	ACCRUAL RATE
0<5	3.69
5<10	4.62
10<20	5.54
20+	6.46

Accrual rate is the number of hours an employee shall accrue per payroll period of service.

(iii) There shall be no limit placed on the total accumulation of earned sick leave hours.

(2) A part-time classified employee earns leave on a pro-rated basis. For example, an employee who works a half-time schedule earns one-half of the regular accrual per pay period sick leave; if he or she worked four days a week, he or she would earn four-fifths of the regular pay period accrual, etc.

(3) Sick leave benefits shall accrue to a classified employee with a provisional appointment,

limited appointment, or in an original probationary period as well as to a permanent status or limited status classified employee.

(4) When a classified employee separates from State service, the entire amount of unused sick leave shall lapse. An employee rehired by the State shall not receive credit for prior State service in establishing his or her rate of sick leave accrual, except in the instance of separation due to reduction in force, or when Temporary Service or Reemployment Credit is granted under the applicable Articles. An employee reemployed after separation due to reduction in force shall receive credit for prior State service in establishing his or her rate of sick leave accrual and shall be credited with the amount of unused sick leave held at the time of layoff. The employee shall not, however, accrue sick leave credits for the period during which he or she was separated from State service.

(5) A classified employee who is granted a leave of absence from a State classified position to enter the Armed Forces of the United States, serves honorably therein and applies for return to his or her position in State employment within ninety (90) days before or after termination from active duty for training, shall receive credit for such time in computing total years of full-time employment for the purposes of determining the rate of sick leave accrual. The employee shall not, however, actually accrue sick leave credits while on military leave.

(6) Time spent on leave of absence without pay shall not be counted in determining the rates of sick leave accrual, except that time spent on educational leave with or without pay shall be counted in determining rates of sick leave accrual.

(7) An employee on educational leave of absence with pay shall not accumulate sick leave benefits.

(8) Sick leave benefits may not be used by an employee prior to being credited to his or her account.

(9) Upon satisfactory completion of the first six months of employment in the classified service, such leave shall be granted on the basis of completed pay periods of service. A classified employee shall not be penalized his or her sick leave credit for any pay period during which the employee is off payroll for fewer than 20 hours. However, an employee who is off payroll for 20 hours or more during a payroll period shall not accrue sick leave for that pay period. This 20 hour test shall be prorated for part-time employees.

(b) Use of Sick Leave

(1) The use of earned sick leave credits shall be authorized by an appointing authority or his or her delegated representative for an employee who is absent from work and unable to perform his or her duties because of illness, injury, or quarantine for contagious disease. The use of such credits shall also be authorized for employee medical and dental appointments which cannot reasonably be made outside the employee's normal working hours.

(2) The use of sick leave credits may be authorized by an appointing authority or his or her delegated representative to permit a classified employee to be absent from duty due to death or illness in his or her immediate family. Such absences shall be authorized normally up to ten workdays which should be sufficient time in which to make funeral arrangements and to attend to family matters, or in instances of family illness, to arrange for continued care of the ill family

member. In unusual circumstances, the appointing authority may authorize use of additional sick leave credits.

(3) An employee who has an accumulated sick leave balance shall be authorized its use although recovery and return to duty is impossible. However, periodically, at the request of the appointing authority or representative, the disability or illness and inability to perform position requirements, must be certified to by a licensed physician or osteopath.

(4) If a woman is unable to work because of pregnancy, miscarriage, abortion, or illness resulting therefrom, she may use accumulated sick leave credits under the same conditions which apply to other illnesses or disabilities, and as provided for in the Parental Leave Article. If the employee wishes to extend her period of absence beyond the time when she is physically unable to work, she may use accumulated annual leave or compensatory time off, and/or she may request a leave of absence without pay under the Parental Leave Article

(5) Unless physically unable to do so, an employee shall notify his or her supervisor or other person designated by the appointing authority no later than one hour prior to the beginning of the scheduled workday, of his or her inability to report to work and the nature of the illness.

(6) An appointing authority, or delegated representative, may require, when there is sufficient reason, the submission of a certificate from a physician or other evidence to: (1) justify the approval of sick leave; and (2) furnish evidence of good health and ability to perform work without risk to self, coworkers, or the public as a condition of returning to work. Whenever a doctor's certificate is required, as a condition for approval of sick leave usage, the time period for such requirement shall not normally exceed six months (unless specifically imposed for a lesser period of time), and may be extended for up to an additional six month period of time.

The State may require an employee to be examined by a physician designated by the employer, at State expense, for the purpose of determining the employee's fitness for duty.

(7) An employee who misrepresents his or her claim for sick leave may be subject to disciplinary action up to and including dismissal.

(8) An employee shall not be charged sick leave for absence on a day observed as a legal holiday or an administrative holiday.

(9) Sick leave may not be deducted in increments of less than one-half hour.

(10) If, during a scheduled vacation, an employee becomes ill to the extent that hospitalization is required, the employee's absence from date of hospitalization may be charged to sick leave rather than annual leave. An employee who during a vacation becomes ill and is confined to his or her home or temporary residence for three or more days pursuant to a doctor's order as evidenced by a doctor's certificate may be treated as if hospitalized under this Section.

(11) When a classified employee is awarded a weekly compensation under the provisions of Workers' Compensation Act, he or she may be granted sick leave, or annual leave when sick leave credits are exhausted, to the extent of the difference between such compensation and his or her weekly rate.

3. RESPONSIBILITIES

(a) The employee shall:

(1) Give his or her supervisor advance notice of absence due to illness if the employee has advance knowledge of required treatment.

(2) In other instances, notify his or her supervisor no later than the first hour of the beginning of the scheduled workday, if possible, of his or her inability to report to work, and the nature of the illness.

(3) Notify his or her supervisor as soon as possible when time off from work is necessitated by a family emergency or illness.

(4) Obtain a doctor's certificate if requested by the supervisor.

(b) The appointing authority, or delegated representative, shall:

(1) Advise new employees of the sick leave provisions.

(2) In the instance of extended illness, keep informed as to the employee's physical condition and anticipated date of return to work.

(3) Ensure that sick leave is not misused, and if necessary, require submission of evidence as to necessity for the leave.

(4) Ensure that the provisions of this Article are observed in his/her department or agency.

(5) Report use of sick leave in accordance with the provisions of this Article and the instructions on the payroll time report.

4. LONG-TERM DISABILITY (LTD) SICK LEAVE BANK

Supervisory unit members may donate up to fifty (50) percent of their annual leave entitlement and up to all of their accrued personal leave entitlement to an LTD Sick Leave Bank, provided that each member retains at least 80 hours of annual leave after such donation is made. The LTD Sick Leave Bank is for the benefit of a supervisory unit member who is absent on account of non-job related, long-term disability and who has used all his or her sick leave, whether or not such employee has contributed to the bank or is expected to return to work. This Section shall not enlarge an employee's right to continuing employment under preexisting statute, contract provision, or regulation.

The Bank will operate on a calendar year basis from January 1, 1989, and will be administered by a joint Labor Management Committee selected by the VSEA and the State.

Supervisory unit members will be notified of the months in which donations may be made, twice per calendar year. Not more than 1200 unused bank hours may be carried over from calendar year to calendar year.

ARTICLE 36**MEDICAL EXPENSES**

1. Employees exposed to hazardous physical, biological, or chemical agents shall be provided, at no cost to the employee, with medical examinations or evaluations required by VOSHA regulations. If there are no specific VOSHA regulations or standards for the agent in question, recommendations of the National Institute of Occupational Safety and Health or other generally recognized expert organization shall be used, as determined by the Commissioner of Health.
2. Employees determined by the Health Department to be at substantial risk for exposure to contagious diseases shall be provided appropriate vaccines. Groups at risk will be defined by the Vermont Department of Health. If no guidelines have been published by the Department of Health, the guidelines published by the Center for Disease Control in Atlanta, Georgia will apply. Vaccines and/or appropriate medical examinations will be provided at no cost to the employee according to applicable guidelines.
3. Any Department wishing to implement a Medical Monitoring Program on or after July 1, 1990, shall do so by conferring with the Health Department, and the Department of Personnel. Prior to implementation, the Department of Personnel shall notify VSEA. The parties shall meet within 10 days (unless mutually extended) after a request for negotiations by either party and thereafter on a regular basis for a period not exceeding 45 calendar days, after which the State may implement the program, whether or not the parties have bargained to genuine impasse. The VSEA shall retain all statutory impasse procedure rights as may be lawfully available to VSEA during the life of this Agreement, provided, however, the State at any time may withdraw its proposed medical monitoring program or terminate without further bargaining a medical monitoring program previously implemented, in which case, such retained statutory impasse procedure rights are extinguished.

ARTICLE 37**INJURY ON THE JOB**

1. The State will post at the duty station a notice informing employees that injuries must be reported within 72 hours to management. The employer is required to file a First Report of Injury with the Department of Labor and Industry within 72 hours and may require employees to assist by filling out portions of the First Report of Injury Forms which will be made available by the employer at the duty station.

2. For an injury relating to the performance of a State job under the special circumstances described below, an employee will be paid the difference between basic salary and Workers' Compensation (as defined in paragraph 4 of this Article) without charge to paid leave:

(a) The injury results from an assault (physical contact by a person, or by an animal). If injuries result from an incident in which the participants are State employees and willing combatants, this Article shall not apply.

(b) An Agency of Transportation employee or a state police officer injured in a highway accident. Payment is barred when it is determined by the VLRB that the employee's negligence equaled or exceeded the negligence or conduct of any other person involved in the accident, or in the absence of such third party, that the employee's negligence was the proximate cause of his or her injury.

(c) A state police officer or a fish and wildlife warden or a motor vehicle inspector is injured in hot vehicular pursuit.

(d) A communications technician while climbing a free standing tower, including atop airport towers. (not applicable to rooftops)

(e) The provisions of this Article may be extended in other appropriate cases as, for example, to airport firefighters involved in a conflagration.

3. In any such instance, as in all other instances, the determination by the Commissioner of Labor and Industry shall be conclusive on whether an injury is job-related. Pending such determination in any "contested" case by the Commissioner, but not pending any appeal from such determination, the State shall not dismiss an employee for the reason that the injury prevents him or her from performing his or her duties.

If the Commissioner rules in the employee's favor, and the decision is not appealed by the State, the State will try to place the employee in any State job for which the employee meets the minimum qualifications and is willing and able to perform, prior to separation.

An employee who, due to a job-related or non job-related injury is separated from his or her position, but is not retired, shall be granted RIF reemployment rights under the RIF article with the 90-day probationary period. The employee must meet minimum qualifications and be able to perform the duties of the position to which he or she is being reemployed. Such employee will be eligible for health benefit coverage under Section 25 of the Reemployment Rights (Recall Rights) article. If the State determines that an employee is disabled as defined by the

Americans with Disabilities Act and such disability prevents the employee from performing the essential functions of his or her position (s)he shall be entitled to utilize the State's Reasonable Accommodation Policy . If utilization of the Policy does not result in a reasonable accommodation, which in some cases may be employment in a vacant position in the employee's own or another department, then the employee will be separated from employment. Such employee shall be granted RIF reemployment rights under the RIF article with the 90-day probationary period. The employee must meet minimum qualifications and be able to perform the essential functions of the position to which he or she seeks to be reemployed. Such employee will be eligible for health benefit coverage under Section 25 of the Reemployment Rights (Recall Rights) article.

4. For purposes of computing benefits under Paragraph 2 of this Article, the term "Workers Compensation" shall be defined and applied as follows:

(a) For all injuries for which a temporary total disability payment is provided, "Workers' Compensation" means that payment established as compensation for temporary total disability. In computing benefits due under this Article, the amount of money provided as a temporary total disability payment during the period of disability (prorated as appropriate) shall be deducted from the basic salary of the employee, and employer shall compensate the employee to the extent of said difference without charge to any form of paid leave time.

(b) For all injuries for which there is no provision for temporary total disability payments (e.g., only those injuries listed in 21 VSA 648 (19) (A) (B) (C)), the term "Workers' Compensation" shall mean the statutory compensation (excluding medical and vocational rehabilitation awards) provided. Such statutory compensation shall be prorated on an appropriate basis and deducted from the basic salary of the employee for the period of time during which the employee is unable to work. The employer shall compensate the employee, under this Article, to the extent of the difference between such prorated compensation and the basic salary.

5. An employee injured on the job may be granted unpaid leave in accordance with Off Payroll and Administrative Leaves of Absence Article, of this contract.

ARTICLE 38
OFF PAYROLL AND ADMINISTRATIVE
LEAVES OF ABSENCE

1. POLICY

- (a) A leave of absence may only be granted to a classified employee who can be expected to return to work provided that, in the opinion of the Commissioner of Personnel upon advice of the appointing authority, the leave of absence is in the overall best interests of the employee and clearly not detrimental to the State of Vermont. This Article, unless specified, does not apply to employees in original probationary period.
- (b) An administrative leave of absence may be granted:
- (1) to permit the employee to accept an exempt appointment; or
 - (2) to enable the employee to perform the duties of a Commissioner for an interim period; or
 - (3) to enable the employee to stay with family for an extended period due to serious illness or injury to a member of the immediate family or other family emergency when the employee does not elect to have such absence charged to annual leave or has no annual leave; or
 - (4) to permit an employee to accept temporary assignment with another unit of government in accordance with the provisions of the Federal Intergovernmental Personnel Act, and Title 1, VSA 821, et seq.; or
 - (5) any other justifiable reason at the request of the employee and with the concurrence of the appointing authority and the Commissioner of Personnel.
- (c) An administrative leave of absence for personal medical reasons may be granted to an individual in original probation as outlined above, provided that such leave will automatically extend the original probationary period for at least the length of the leave, to ensure the working test period for full performance of the job has been met.
- (d) An employee shall not be granted a leave of absence from a classified position to accept a temporary position or a contractual arrangement in Vermont State government. However, nothing shall prohibit the appointing authority from recommending, and the Personnel Commissioner granting, a leave to accept a limited service classified position in a different or same department or agency.
- (e) An employee granted a leave of absence without pay shall not receive annual and sick leave credits for the period of absence, nor shall such time be counted in determining the rate of annual and sick leave accrual and reduction in force rights.
- (f) All leaves of absence must be approved in advance and must be for a definite period of time with an established date for return to duty, which, on request of the employee, may be extended or shortened at the sole discretion of the appointing authority.
- (g) No leave shall be granted for a period longer than six months, but such leave may be extended under the same conditions not to exceed an aggregate of eighteen (18) months in a five-year period of employment. However, an employee injured on the job may be granted leave for up to two years in a five-year period and shall not be denied such, extra leave solely because a claim under Workers Compensation is being contested. An employee granted leave in accordance with the provisions of the Federal Intergovernmental Personnel Act shall be granted leave for a two-year period which may be extended for an additional two years. In the event a conflict arises between the provisions of this policy and the Intergovernmental Personnel Act, the provisions of the Act shall prevail.
- (h) Exempt Employment
- (1) An employee who accepts an exempt appointment shall:
 - (i) be entitled to an indefinite leave of absence from the classified service while remaining in the exempt position. Such a leave shall not guarantee the employee's return to the previous or any other classified position.
 - (ii) Employees wishing to return may compete for vacant positions under rules of restoration, or may be appointed in compliance with Title 3, VSA 220.

(2) SALARY ON RETURN:

(i) Exempt employees employed under a "classified" pay plan who return to classified employment will be entitled to a salary which will be calculated as if they had been continuously employed in classified service. This applies to salary, leave accruals, accrual rates and step dates. Such employees will not be entitled to retain pay, leave or other benefits which exceed that which they would otherwise be entitled to had they remained in the classified service.

(ii) Employees who return from exempt positions not included in a "classified" pay plan shall have their salaries computed as a "restoration" except that any merit increases received as an exempt will be factored into the "restoration" salary.

If this amount is less than the employee's exempt salary, pay may not be reduced unless the employee received increases upon entry or while in exempt service which would have exceeded those increases allowed under the "classified" pay plan.

If this amount is higher than the exempt salary, pay may be increased to that step in the new grade which is next higher than the exempt salary, to determine the minimum rate for restoration purposes.

In all instances the employee shall be placed on a step in the new grade not less than the end of probationary rate, nor more than the maximum.

(3) On return to a classified position, employees shall be entitled to unused sick leave credits placed in his/her account when (s)he separated from the classified service; and have the prior classified and continuous exempt service count in determining the rate of accrual of annual and sick leave.

(4) Annual leave shall be paid as a lump sum with the effective date of the indefinite leave from the classified service. This provision shall not apply if the exempt position has leave benefit accruals attached to it and the employee's current balances can be transferred to the exempt position.

(5) For an employee who accepts an exempt position which is afforded classified benefits, the annual and sick leave accrued in the classified service may be carried into the exempt service, if the hiring authority so elects.

(6) If the employee returns to the classified service from the leave of absence status, he or she may retain only those sick leave balances which would have been in place had the employee not left the classified service, and which are not compensated by the Appointing Authority in the exempt position on termination or transfer.

(i) An employee granted leave of absence without pay for medical reasons (unless receiving Workers' Compensation) may elect to do so only after using sick leave credits in excess of 120 hours.

(j) Off Payroll

(1) A classified employee, including those in original probationary status, may be granted time off the payroll for short periods when it is necessary to be absent from duty and the employee has no accumulated annual leave, personal leave, compensatory time off, or - in the case of a leave request for injury or illness - sick leave credits. Such off payroll time may not exceed a full pay period. Absences for less than the full pay period shall not be considered a "leave of absence". If it is anticipated that an employee will be unable to work for more than a full pay period, a leave of absence may be granted as outlined in this Article.

(2) A classified employee who does not report for work or who is absent from duty during any portion of a workday and who does not have authorization for such absence shall be considered "absent without leave". Any such absence shall be without pay, and, in addition, may be grounds for disciplinary action.

However, an absence which is not authorized in advance may be covered by a retroactive granting of leave if the circumstances warrant.

(k) A classified employee shall not accrue annual leave or sick leave if off payroll or on a leave of absence for 20 hours or more in any pay period.

(l) An employee who fails to return from a leave of absence, paid or unpaid, for five (5) consecutive workdays after a leave is terminated, or an employee who is absent from work for 5 (five) consecutive workdays without notifying management shall be considered a voluntary quit,

except when returning from military leave. This section does not prevent discipline for absenteeism.

(m) This Article neither adds to nor subtracts from the benefits of probationary employees.

(n) An employee who is unable to perform job duties because of extended illness or disability (more than a full pay period), and who has exhausted all but 120 hours of sick leave, and who chooses not to use annual leave, personal leave or comp time balances, upon request shall be granted a medical leave of absence for up to six months, which may also be extended with the approval of the appointing authority, as specified under paragraph g.

2. PROCEDURES

(a) When a leave of absence or off payroll time can be anticipated in advance, the employee shall request such leave or time off as soon as possible.

(b) The employee's request for leave shall include the reason for the absence and the anticipated period of absence.

(c) If the employee cannot report to work due to an accident or other emergency, the supervisor shall be informed as soon as possible to avoid being considered "absent without leave" and subject to possible disciplinary action.

ARTICLE 39**PARENTAL LEAVE/FAMILY LEAVE****1. POLICY**

It is the policy of the State to permit employees reasonable time off to care for dependent children in instances such as illness, birth, or adoption, and in cases of serious illness of a member of an employees immediate family or for their own serious illness. Leave for such purposes is provided by both federal and state statutes ("statutory leave"). Vermont's Parental and Family Leave Act, 21 V.S.A. §470 et.seq., and the Family Medical Leave Act, 29 U.S.C. §2601 et. seq., establish the rights and obligations of employees and employers pertaining to such leaves.

The following provisions integrate the basic requirements of the statutes and this collective bargaining agreement ("Agreement"), but do not create a waiver by the State or by the employees of other rights and/or obligations under this Agreement. In the event of any conflict created by the amendment of statute or otherwise, the rights and responsibilities of the State and employees will be determined by statute, except to the extent that such amendments would diminish the rights to which the employee is entitled under the terms of this Agreement. No provisions of this article, shall be determined to diminish the entitlement of any employee to unpaid leave under either of the above referenced statutes. Leave taken under this Agreement shall be credited against any such statutory entitlement to the full extent permitted by law.

2. DEFINITIONS

For purposes of this Article, the following definitions shall apply. If further definitions and/or clarifications are needed, the Code of Federal Regulations ("CFR") for the Family Medical Leave Act will be the authoritative reference and/or decisions of the Vermont Supreme Court with regard to the state statute.

(a) "Eligible Employee" for the purposes of the statutory leaves, means an employee who has successfully completed original probation or has worked for one year, whichever occurs first, and has worked for at least an average of 20 hours per week. All references to employees in this Article are references to eligible employees.

(b) "Family Leave" means a leave of absence from employment for one of the following reasons: (1) The serious illness of an eligible employee; or (2) the serious illness of a member of an eligible employee's immediate family. Family Leave, by itself or in combination with statutory Parental Leave (as opposed to contractual parental leave), may not exceed 12 weeks in a 12 month period beginning with the first day either type of leave is used. Leave taken under this Agreement will be credited against any such statutory entitlement to the full extent permitted by law.

(c) "Immediate family" means an eligible employee's parent, grandparent, spouse, child, brother, sister, parent-in-law, grandchild, foster child, stepchild or ward who lives with the employee, any person residing with the employee, and any family member for whom an employee is primarily responsible either to arrange for health care or to provide care.

(d) Statutory "Parental Leave" means a leave of absence from employment for one of the following reasons: (1) During the employee's pregnancy; (2) following the birth or delivery of the employee's child; or (3) within a year following the initial placement of a child 16 years of age or younger with the employee for the purpose of adoption. Statutory Parental Leave, by itself or in combination with Family Leave, may not exceed 12 weeks in a 12 month period beginning with the first day either type of leave is used. Leave taken under this Agreement will be credited against any such statutory entitlement to the full extent permitted by law.

(e) "Serious Illness" means an accident, injury, illness, disease, or physical or mental condition that: poses imminent danger of death; requires inpatient care in a hospital, hospice, or residential medical facility; or requires continuing in-home care under the direction of a physician or health care provider. Related current definitions are summarized in (f) below.

(f) "Continuing Treatment by a Health Care Provider" covers five situations:

(1) incapacity of more than three consecutive calendar days that involves either (a) treatment two or more times by a health care provider (or under the direction or orders of a health care provider), or (b) treatment by a health care provider on at least one occasion resulting in a regimen of continuing treatment under the supervision of the health care provider;

(2) any period of incapacity due to pregnancy, or for prenatal care;

(3) any period of incapacity or treatment due to a chronic serious health condition requiring periodic visits for treatment, including episodic conditions such as asthma, diabetes, and epilepsy;

(4) a period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective, although the individual is under the continuing supervision of a health care provider. (E.g. Alzheimer's, severe stroke, or the terminal stages of a disease); and

(5) any period of absence to receive multiple treatments from a health care provider (or on orders or referral from a health care provider) for restorative surgery or for a condition that would likely result in an absence of more than three consecutive calendar days without treatment (e.g., cancer (chemotherapy, radiation), severe arthritis (physical therapy), kidney disease (dialysis)). (The foregoing is the Federal Equal Employment Opportunity Commission's summary definition, refer to the Code of Federal Regulations for the full definition).

(g) "In Patient Care" means at least an overnight stay at a medical care facility, and any related period of incapacity or subsequent treatment related to the in-patient care.

(h) "Intermittent Leave" means leave taken in separate blocks of time due to a single qualifying reason.

(i) "Reduced Schedule Leave" means a leave schedule that reduces an employee's usual number of working hours per work week or hours per work day. Such schedule is a change in the employee's schedule for a period of time normally from full-time to part-time.

3. RIGHTS AND RESPONSIBILITIES

Under the state and federal leave laws both the State and the employee have certain rights and responsibilities

(a) State's Responsibilities and Eligible Employee's Rights:

An eligible employee is entitled to a total of twelve (12) weeks of unpaid statutory Family Leave and/or statutory Parental Leave within a twelve (12) month period beginning the first day either Leave is used. An eligible employee is also entitled to Short-term Leave as further described below.

During any such leave, the State will continue to pay the employee's benefits at the same level and rate as if the employee were not on leave. After the leave expires, the State will return the employee to the same position at the same level of compensation, benefits, seniority and other terms of employment as they existed on the day the leave began unless:

(1) Prior to an employee requesting leave, the employee had given notice or received notice that employment would terminate; or

(2) If the State can demonstrate by clear and convincing evidence that the employee's position would have terminated or the employee would have been laid off for reasons unrelated to the leave or the condition for which the leave was granted.

(b) State's Rights and Eligible Employee Responsibilities:

The employee must provide reasonable notice of intent to take a leave, the date of anticipated commencement and expected duration of the leave, or the State may deny the leave. The employee must provide reasonable advance notice to the State if the employee wishes to request an extension of the leave, to the extent available. It is the State's option whether to permit an employee to return to work in advance of the expiration of the leave granted. The State may require an employee to continue to make their regular contribution to the cost of benefits during the leave. Unless the employee is on leave due to his/her serious illness, the State has the right to require the refund of any compensation paid during the leave, except sick leave and annual leave, if the employee does not return to work.

The calculation of the amount of Family Leave or Parental Leave time used by eligible employees who are employed less than full time or by eligible employees using intermittent leave or reduced schedule leave will be made on a prorated basis consistent with 29 C.F. R. ¶825.05 as it may be amended from time to time.

4. PARENTAL LEAVE - ADOPTION, PREGNANCY AND CHILDBIRTH

(a) A leave of absence without pay shall be granted upon request for up to four (4) months for employees (male or female) who have requested Parental Leave. Such Leave shall be unpaid, except as provided in section (b) below. Upon request the appointing authority can extend the leave an additional two (2) months. During approved leave extensions beyond four (4) months, this Agreement's administrative leave provisions shall be applicable, including, but not limited to, the requirement that the employee shall pay one hundred (100) percent of their insurance benefits. Notwithstanding the foregoing, if the approved leave extension results from the employee's illness, this Agreement's medical leave provisions shall be applicable, including

the State's commitment to pay a portion of insurance benefits.

(b) During the initial four (4) months of a leave, at the employee's option, the employee may use up to six (6) weeks of any accrued paid leave, including but not limited to sick leave, annual leave and personal leave. Thereafter, employees can use only the following accrued paid leave in the following order: compensatory time, personal leave and annual leave. Notwithstanding the foregoing, sick leave for up to six (6) weeks following childbirth/delivery will be granted, and may be extended by the appointing authority who may request certification of the continuing disability. No combination of paid and unpaid leaves shall extend the Parental Leave beyond six (6) months.

(c) Notwithstanding the above, an employee may use accrued sick leave for the period of disability resulting from pregnancy, miscarriage, abortion, or illness resulting therefrom.

5. FAMILY LEAVE - LEAVE FOR SERIOUS ILLNESS

(a) In the case of serious illness of an employee or of a member of an employee's immediate family, Family Leave shall be granted on request and receipt of medical certification of the serious illness and the amount of leave time needed. Such Family Leave shall be unpaid, except as provided in section (b) below.

(b) During the Family Leave, at the employee's option the employee may use up to six (6) weeks of any accrued paid leave, including, but not limited to, sick leave, annual leave and personal leave. Thereafter, employees may use only the following accrued paid leaves in the following order: compensatory time, personal time and annual leave. No combination of paid and unpaid leaves shall extend the statutory Family Leave beyond twelve (12) weeks. Notwithstanding the foregoing, even if statutory Family Leave is exhausted, this Agreement's sick leave, unpaid medical leave and administrative leave provisions are still applicable and may provide for additional leave consistent with these provisions.

(c) Leave under this section is for providing care for serious illness and does not diminish the benefit available under the Sick Leave Article to use up to ten (10) sick days in other instances of family illness.

6. INTERMITTENT LEAVE/REDUCED LEAVE SCHEDULE

An employee who qualifies for Family Leave may take the leave as intermittent leave or on a reduced schedule but only if it is medically necessary. If an employee is taking Family Leave due to the serious illness of a family member, the employee may take intermittent leave or reduced schedule leave to provide care or psychological comfort to the family member. Employees must attempt to schedule the intermittent leave or reduced schedule leave so it does not disrupt the State's operations. The State may assign the employee to an alternative position within the same agency/department/work location for which the employee is qualified with equivalent pay and benefits to better accommodate the requested leave. If the State assigns the employee to an alternative position, once the need for the intermittent or reduced leave schedule is ended, the State will place the employee in a position which is the same or equivalent to the employee's position at the time the leave began. If the position is an equivalent position it will be within the same agency/department/work location as the employee's position at the time the leave began.

When an employee is granted Parental Leave after the birth or placement of a child, the State, in its discretion, may grant the employee's request for intermittent leave or reduced schedule leave. However, if the mother has a serious illness in relation to the birth of a newborn then the provisions for intermittent leave/reduced schedule leave for Family Leave are applicable. If the newborn has a serious illness, then the provisions for intermittent leave/reduced schedule leave for Family Leave are applicable to either parent. Prior to the birth of a child, a pregnant employee can take intermittent leave for prenatal exams or for her own medical condition, (e.g., severe morning sickness.)

7. SHORT-TERM FAMILY LEAVE

(a) In addition to the Leaves provided above, an employee shall be entitled to take unpaid leave not to exceed four (4) hours in any 30-day period and not to exceed 24 hours in a 12-month period. This leave may be taken for any of the following purposes:

(1) To participate in preschool or school activities directly related to the academic educational advancement of the employee's child, stepchild, foster child or ward who lives with the employee, such as a parent-teacher conference.

(2) To attend or to accompany the employee's child, stepchild, foster child or ward who lives with the employee or the employee's parent, spouse or parent-in-law to routine medical or dental appointments.

(3) To accompany the employee's parent, spouse or parent-in-law to other appointments for professional services related to their care and well-being.

(4) To respond to a medical emergency involving the employee's child, stepchild, foster child or ward who lives with the employee or the employee's parent, spouse or parent-in-law.

(b) The State may require that the leave be taken in a minimum of two (2) hour segments. An employee shall make a reasonable attempt to schedule appointments for which leave may be taken under this section outside of regular work hours. In order to take leave under this section, an employee shall provide the employer with the earliest possible notice, but in no case later than seven (7) days before leave is to be taken except in the case of an emergency. In this subsection, "emergency" means circumstances where the required seven (7) days notice could have a significant adverse impact on the family member of the employee.

ARTICLE 40**EDUCATIONAL LEAVE AND CAREER DEVELOPMENT**

1. EDUCATIONAL LEAVE WITH PAY may be granted on request of the employee and with the approval of the appointing authority and Commissioner of Personnel.

(a) The employee shall agree to pass the required course of study or reimburse the State for all funds received including salary, while on leave. And, agrees to continue employment with the State on a calendar for academic year basis or reimburse the State for all funds received while on leave, including salary, prorated according to the unexpired period of obligation. Reimbursement can be waived in whole or in part by the Personnel Commissioner if the employee's obligation cannot be met through no fault of the employee.

2. EDUCATIONAL LEAVE WITHOUT PAY may be granted on request of the employee and with the approval of the appointing authority and Commissioner of Personnel. An employee may request that the reasons for a denial of any such leave be provided in writing.

(a) Annual leave for full time leave may be cashed in at the employee's option or retained for use on return from leave.

(b) An employee who does not return to work within thirty (30) days of completion of the authorized course of studies may be terminated from State service.

3. GENERAL PROVISIONS

(a) The Commissioner of Personnel may issue guidelines establishing procedures for application and assist departments and employees to develop criteria in formulating career development plans and criteria for approval or disapproval.

(b) For partial day absences (not to exceed 8 hours per week) and short absences of less than a full pay period, the appointing authority may authorize release time without charge to leave accruals to allow an employee to attend non-job required course work, provided such courses are either directly related to an employee's existing job duties or are consistent with a submitted career development plan approved in advance by the appointing authority and Commissioner of Personnel (or designee).

(c) Time spent on educational leave shall be counted in determining the rate of annual and sick leave accrual and reduction in force rights, but no leave benefits shall be accrued or credited.

ARTICLE 41 TUITION REIMBURSEMENT

1. Eligibility for tuition reimbursement is subject to the following criteria:
 - (a) The employee's written career plan for courses (or degree requirements) not related to the employee's present position must be approved by the appointing authority and the Commissioner of Personnel or designee(s).
 - (b) The course is Post-secondary and/or graduate level taken at a properly accredited educational institution.
 - (c) As determined by the State, the course must:
 - (1) Increase the employee's expertise in his or her present position, or other career-related positions in State service; and/or,
 - (2) Fulfill the requirements of a degree program, which will also meet the above criteria.
 - (3) Have begun after the effective date of this Agreement.
 - (d) Non-credited courses, classes or seminars which are job-related may be approved by the Commissioner of Personnel, whether or not they are provided at a properly accredited educational institution.
2. Representatives of the VSEA and the Department of Personnel shall meet periodically to review and discuss administrative guidelines concerning implementation of this program.
3. An employee may appeal the denial of tuition reimbursement by the Commissioner of Personnel if the basis for that decision was that a course was not considered related to an employee's job or career development. At the request of VSEA or employee, an arbitrator jointly selected by the parties shall resolve any such dispute in an expedited, informal procedure, with any costs to be shared equally by the VSEA or employee and the State.
4. Written requests for reimbursement will be first submitted to the employee's own department which may determine if its own department's funds will be allocated in whole or in part. Such decision shall not be subject to appeal or grievance.
5. The employee may then request reimbursement from the Tuition Reimbursement Fund, for any remainder. The application shall be submitted to the Department of Personnel before the course begins. For courses beginning between January 1st and June 30th, applications must be submitted by U.S. mail to the Department of Personnel and must be postmarked between November 24th and December 7th. For courses beginning between July 1st and December 31st, applications must be submitted by U.S. mail to the Department of Personnel and must be postmarked between May 25th and June 7th. Applications will indicate which course is the employee's first priority and which course is the second priority. If there are insufficient funds to cover all of the first priority course applications, all timely submitted applications will be combined in a receptacle and one representative each from the State and VSEA will draw out applications until all of the available funds for that semester are committed for first course tuition reimbursement. If all first priority courses are funded, the above drawing process will be used to determine which second priority courses will receive tuition assistance. Beginning July 1, 2001, \$12,500 will be made available for courses beginning between July 1 and December 31, and \$12,500 will be available for courses beginning between January 1 and June 30. Applications will only be accepted for the current semester.

CRITERIA FOR REIMBURSEMENT

6. The maximum reimbursement under this Article shall not exceed 80% of the actual out-of-pocket cost for tuition, up to \$350 per credit, to the employee. Employees may not be reimbursed for costs reimbursed from other sources.
7. When combined with other government sources, reimbursement, from this fund shall not be in an amount which exceeds 90% of the total.
8. Tuition reimbursement shall not exceed twelve (12) college credits or equivalent per year, and shall not exceed 2 courses (for no more than 8 credits) within a six month period (July-December, January-June). Subject to availability of funds, reimbursement for more than 12 credits in a fiscal

year may be made at the discretion of the State.

9. The employee must complete the course with a passing grade, and must submit to the Department of Personnel a copy of the final grade received.

10. Approved courses shall normally be taken during off-duty hours. Other arrangements are subject to the approval of the appointing authority and the Commissioner of Personnel.

11. The State shall not be required to reimburse any employee if the total expenditures from this program reaches \$25,000 plus an additional amount for administrative expenses for fiscal year 2002, or \$25,000 plus an additional amount for administrative expenses for fiscal year 2003 for the Supervisory Unit. The State will continue to charge to this program the actual administrative and staff costs to run the program, not to exceed 15% above the amounts listed above per fiscal year, to be prorated between the Non-Management and Supervisory tuition programs. Monies not spent or which are reverted in FY 2002 shall be available for tuition reimbursement in FY 2003. Monies not spent or which are reverted for courses beginning July 1 - December 31 shall be available for tuition reimbursement for courses beginning January 1 - June 30 in fiscal years 2002 and 2003.

12. Nothing in this Agreement shall prevent Departments from paying for courses related to job duties and departmental career development under State Personnel Policy 15.0 or 15.1. Requests for reimbursement processed under this section shall have met with departmental approvals required under such State policy(ies).

13. Nothing shall prevent the Department of Personnel from entering into agreements with colleges for voucher arrangements where the amount approved in advance of the course can be paid directly to the college on completion of the course with a passing grade. No such agreement shall obligate the State for any expenses not otherwise reimbursable under this article.

14. Reimbursement from this Fund shall not be used for courses where attendance is required by the department or agency.

15. In unusual circumstances where the State is not able to enter into agreements with the institution for direct payments, the State may grant an advance to the employee subject to administrative guidelines to be developed jointly with the VSEA, which may also include repayment or exclusion from the program if the employee fails to complete or pass the course. Written proof of reimbursable payments (a bill) must be submitted to the Department of Personnel.

16. State Police Lieutenants shall be eligible to participate only in the Supervisory Unit Tuition Reimbursement Program.

17. Employees approved for tuition reimbursement prior to being officially notified of their reduction in force, shall be eligible only for that tuition already approved.

18. In circumstances where the State is not able to enter into agreements with the institution for direct reimbursements, the State may grant an advance payment to the institution subject to administrative guidelines to be developed jointly with the VSEA, which may also include repayment or exclusion from the program if the employee fails to complete or pass the course. Written proof of reimbursable payments (a bill) may be required by the Department of Personnel.

(a) A classified employee inducted into the Armed Forces of the United States either by draft or voluntary enlistment for active service shall be granted a leave of absence without pay for the duration of his or her active duty, and shall be reinstated to his or her position after being relieved of military duties provided that the employee:

- (1) Satisfactorily fulfilled his or her military assignment.
- (2) Left the service with four years or less of active service, unless involuntarily extended.
- (3) Applied for return to his or her position within ninety days before or after termination from active service, and,

Additionally, a leave of absence without pay of up to eighteen (18) months career aggregate, which includes not more than six (6) months prior to July 1, 1981, shall be granted, and additional such leave may be granted, to an employee who volunteers for additional military training in furtherance of his or her personal military career objectives. Such employee shall be reinstated to his or her position or position of like class provided that the employee:

- (1) Satisfactorily fulfilled his or her military assignment.
- (2) Applied for return to his or her position within thirty (30) days after release from active duty for training, and,
- (3) The position or a position or like class still exists in the agency.
- (4) In the event the position is abolished, the provisions of the reduction in force article shall apply.

The provisions of this paragraph shall not be construed as limiting in any way the benefits described elsewhere in this Article.

(c) A classified employee returning to work following leave of absence for active service or active duty for training shall be compensated at an amount in the pay grade of his or her assigned class at least equivalent to the point above the minimum of the pay grade the employee was receiving at the time of departure. A returning employee shall be granted all general pay increases, such as legislative, cost of living adjustments, or adjusted recruitment rates, but shall not, however, be entitled to merit increases, except as the guidelines relating thereto shall provide.

(d) A classified employee on leave of absence for active service or active duty for training who returns to State employment in accordance with the conditions outlined above shall have such time counted in computing the total years of service for purposes of determining the rate of annual and sick leave accrual and reduction in force rights. A permanent-status or limited-status classified employee who has more than eleven (11) days of authorized military duty scheduled in one Federal Training Year shall not be entitled to leave with pay for those days in excess of eleven (11), and shall be placed in an off payroll status, unless he or she elects to use accumulated annual, personal leave, or compensatory time leave credits for the period of absence. A permanent-status, part-time classified employee shall be granted military leave with pay for such military duty on a prorated basis. Employees who are in an off payroll status because they have exhausted all available days of paid military leave and are absent pursuant to orders for authorized training or service, are entitled to continue coverage in a health insurance plan if the orders are for thirty (30) days or less and the employee pays the regular employee percentage of premium contribution for the coverage in advance.

(1) A classified employee ordered to take a service pre-induction physical examination shall be granted leave with full pay.

However, an employee whose work schedule conflicts with scheduled drills (for example, an employee whose regular work includes Sunday) shall be granted time off either without pay or by use of his or her annual leave credits, accrued personal leave or compensatory time off, to satisfy his or her military obligations.

Subject to the operating needs of the Department, and only with the approval of the appointing authority, with 30 days advance request, employees may be permitted the option of switching days off in order to attend inactive duty training without charge to annual leave or being placed in an off-payroll status. Any decision to grant or not grant such a request shall not be subject to grievance by the requesting employee or any employee which might be rescheduled to accommodate such a request.

(j) Members of the American Legion or Veteran's of Foreign Wars attending a veteran's funeral in the capacity of an official color guard may, subject to the operating needs of their department, be granted up to twenty-four (24) hours off per fiscal year without loss of pay to serve in such capacity.

Leave under this situation must be specifically approved in advance by the appointing authority and the Commissioner of Personnel. No employee shall be discriminated against under this Section based on his or her lawful political activity.

An employee shall retain his or her right to vote and freely express opinions on all political subjects. An employee shall not be prohibited from participation in local community activities or from holding public office in the community in which the employee resides, provided that such activity does not conflict with Section 3.01 of the Rules and Regulations for Personnel Administration (and the Federal Hatch Act to the extent that employees of agencies receiving federal funds are subject thereto).

4. The provisions of this Article are intended to supersede any conflicting provisions in Personnel Rule 3.02.

ARTICLE 44**FIRE AND RESCUE DUTY**

Subject to the operating needs of an agency or department, an employee who is a member of a municipal fire and/or rescue team reachable within a 30-minute drive from his or her work location shall, in the absence of conflicting State emergency or other urgent State business, be granted leave without loss of pay or benefits to answer emergency alarms or calls, not drills, within his or her municipality or outside the municipality as part of a mutual aid call; or multiple alarm calls; or conflagration for which the employee is reasonably available and is called and has so notified his or her appointing authority to the extent practicable.

4. A classified employee who is unable to perform his or her job because of court or jury duty shall be entitled to receive total wages not to exceed his or her normal base salary prorated for the day, days, or part of a day involved by combining jury duty pay or witness fee and state wage.

An employee who requests accrued annual leave or compensatory time off to appear as defendant or party-plaintiff in civil or criminal actions shall be granted such time off, including an employee who has been suspended without pay, except in the instance where the court appearance is related to the matter for which he or she was suspended.
6. An employee may use annual leave, personal leave or compensatory time off for his/her absence due to court or jury duty, in which case he or she shall then be entitled to keep the court or jury duty pay received. Notwithstanding the above, employees are advised that State law prohibits the payment of witness fees or other compensation to State employees when the State is a party to the case (plaintiff or defendant).
7. It is the obligation of the employee to notify his or her supervisor as soon as he or she is called for court or jury duty.
8. An employee shall not be obligated to pay back mileage reimbursement received as part of court or jury duty pay.

Effective July 14, 2002, those employees who are permanent or limited status, classified employees on July 13, 2002, and who have an annualized salary, (after the 3% 7/14/2002 increase is applied) which is less than \$18,720, will be paid one-fourth of the difference between their annualized salary and \$18,720 at the beginning of each calendar quarter so long as their annualized salary is still less than \$18,720 at the beginning of that calendar quarter. The calculation of this benefit for Part-time Employees who meet the above criteria will be prorated on the basis of the number of hours regularly worked.

Step 2 (EOP) - one year	Step 10 - two years

Step 5 - one year	Step 13 - three years
Step 6 - two years	Step 14 - three years
Step 7 - two years	Step 15 - final step
Step 8 - two years	

5. Computation of Step Dates, and requirements for step movements for the Pay plan in effect on June 30, 1990, shall remain unchanged.

At the beginning of the first full payroll period following the employee's new Step Date, the employee shall advance to the next higher step in the pay grade upon completion of the required time on step.

6. STATE POLICE LIEUTENANT COMPENSATION: The compensation plan for State Police Lieutenants covered by this Agreement shall be as specified in Appendix G.

7. Except as specified in Paragraph 7 in the "Performance Article", movement to a higher step hereunder is predicated on satisfactory performance, based on the annual performance evaluation. In all cases, failure to achieve a satisfactory annual evaluation (i.e., a "3" under the current system) will result in loss of credit for that year's service in computing time on step.

8. An employee who has been demoted from a position:

- (a) without loss of pay; or
- (b) with a percentage loss of pay pursuant to Section 6.072 of the Rules and Regulations for Personnel Administration; or
- (c) with a loss of pay due solely to the fact that the employee's salary could not exceed the maximum for the lower pay grade; and who later returns within two (2) years to a position in a higher pay grade shall be considered, for purposes of salary adjustment, to be a restored employee under Section 6.077 of the Rules and Regulations for Personnel Administration.

9. Implementation of the compensation plans specified herein shall be in accordance with procedures developed by the Secretary of Administration subject to this collective bargaining agreement and shall not be subject to the provisions of Chapter 25 of Title 3. VSEA shall be granted a copy of the procedures thirty (30) days prior to implementation and shall retain the right to grieve any violation of this Agreement resulting from implementation of such procedures.

10. RATE AFTER PROMOTION, UPWARD REALLOCATION OR REASSIGNMENT

Effective July 5, 1992, upon promotion, upward reallocation or reassignment of a position to a higher pay grade, an employee covered by this Agreement shall receive a salary increase by being slotted onto that step of the new pay grade which would reflect an increase of at least five percent (5%) over the salary rate prior to promotion (i.e., five percent is the lowest amount an employee will receive, and the maximum amount would be governed according to placement on a step which might be higher than, but nearest to, the 5% minimum specified). The rate of 5% as outlined above shall be 8% if the employee is moving upwards three or more pay grades.

An employee who moves, for the first time, into the Supervisory Bargaining Unit by promotion, upward reallocation or reassignment, or lateral transfer, on or after January 13, 2002, shall receive a salary increase of eight percent (8%) regardless of the number of pay grades involved. This subsection shall also apply if the movement is temporary or time limited. A temporary assignment

shall not qualify as a "for first time" movement into the Supervisory Unit.

Notwithstanding the above, any promotion or reclassification to a higher class as a result of an employee automatically "promoting" upon completion of the requirements of the lower level class as outlined in the position class description, the rate on promotion shall be 8%. In no case will such an employee receive less than the Step 2 (end of probation) rate of the new pay grade, unless the employee has not completed original probation, or more than the Step 15 (maximum) rate. If the employee's salary at the time of promotion, upward reallocation, or upward reassignment is already over the maximum of the new grade, no salary adjustment shall occur.

After placement on step in the new pay grade, the employee may advance to the next step after meeting the waiting period requirements applicable to that step (as set forth in Section 4 or Appendix G as applicable herein), based on the effective date of the promotion or upward reallocation.

11. The salary upon which any increase resulting from promotion, upward reallocation, or upward reassignment is computed for a given employee, is that employee's most recent salary in the last position in which any required probationary period was completed, plus any subsequent general salary adjustment, except that no employee will be reduced in salary as a result of this provision.

(a) An employee except an employee on original probation who, while serving in a promotional probationary period, is promoted, upwardly reallocated or upwardly reassigned shall be placed on the step in the new pay grade that is:

(1) next above the employee's current rate of pay; or

(2) the result of the normal promotional increase based on the employee's most recent salary in the last position at which he or she completed any required probationary period, plus any subsequent salary adjustment;

(3) whichever is greater between 1 & 2 above.

(b) If a Request for Classification Review is submitted on or after January 13, 2002; and the incumbent is subsequently entitled to a retroactive pay adjustment due to corrective classification action (resulting from either classification review or classification grievance); and the incumbent has received a step increase after the date the request for review was filed but before the classification decision was processed; then the employee's salary shall be based on his/her rate of pay as of the date the adjustment is processed.

12. Employees who are laterally transferred to a different position in their same class, or into a different class but in the same pay grade, will not establish a new Step Date as a result of such move. This provision does not apply to employees on original probation.

13. (a) Effective July 5, 1992, when an employee voluntarily demotes three or more pay grades, or is involuntarily demoted to a position in a lower pay grade, that employee shall be placed on a specific step in the new (lower) pay grade that is within the range for salary upon demotion specified in Section 6.072, et seq., of the Rules and Regulations for Personnel Administration which represents at least a 1.5% decrease in salary and then slotted down, but shall not be paid less than the minimum, nor more than the maximum for such lower pay grade. All such employees will establish a new Step Date.

(b). Effective January 13, 2002, and notwithstanding the above, when an employee voluntarily demotes one or two pay grades (whether by classification action or otherwise), the rate of pay shall be "red circled" and shall not be subject to a reduction. Such employee will move to the step next above his/her red circled rate on the next step date, except when the salary is over the maximum for the pay grade or falls on a step in the new Pay Grade. The next step date in such cases shall be based on the effective date of the demotion, and will be calculated on the required time on step assigned to the step next below the employee's red circled rate. Nothing in this agreement shall restrict or preclude the employer from discussing voluntary demotion or downward reallocation with an employee for other than disciplinary reasons.

14. When an employee is: promoted; demoted; restored; rehired in accordance with RIF rights; reallocated; or reassigned, a new Step Date shall be established, based upon the effective date of such action.

15. The Commissioner of Personnel retains the following rights:

(a) Hiring Within Range

To hire employees above the end of probation rate for their class, consistent with 6.042 et. seq. of the Rules and Regulations for Personnel Administration for the State of Vermont. In any such instance, the Commissioner of Personnel may raise the rate of current employees in that department in the same class and/or associated class to the rate of the newly hired employee. Employees so raised shall retain their old step date and time already accrued toward his/her next step movement. Any such hire or subsequent raising of the rate for previous hires shall not be deemed inconsistent with the provisions of paragraph 15 or 16 so long as the hiring rate specified for the class remains unchanged.

(b) Changing Hiring Rate

(1) To raise the hiring rate for one or more classes. In such event the next higher numbered step shall be the new end of probation (EOP) rate. Original probationers shall be placed at the new minimum, (unless previously hired into range at a step greater than the new EOP) without affecting their step dates. Non-probationary employees below this new EOP rate in the affected class shall be placed on the new EOP rate. Non-Probationary employees in the class who are on steps at or above the new EOP rate shall receive a one-step increase. Step dates will be adjusted according to salary plan rules.

(2) Employees at or above the maximum will have their hourly rates increased by an amount equivalent to the same percentage as from Step 14 to 15 of the relevant pay grade for the class(es), subject to the approval of the Secretary of Administration as required by Title 3, V.S.A. 310 (h).

(3) Any raising of the hiring rate for a class under this provision shall not be deemed inconsistent with the provisions of paragraph 15.

16. Other Adjustments

(a) This section shall be considered to be in compliance with Title 3, Section 310, (h).

(b) Nothing in Sections 14 or 15 shall prevent the Commissioner of Personnel from subsequently lowering the hiring rate for one or more classes; provided no employee shall be reduced in salary or step as a result.

(c) Any agency request to change a hiring rate under this section shall be in accordance with guidelines as may be established by the Commissioner of Personnel.

(d) If the Commissioner of Personnel wishes to grant more than a one step increase for those persons at or above the new EOP, or increase the maximum of the grade for that class, the impact of such decision shall be negotiated for up to 45 calendar days with the VSEA. At the end of the 45 calendar day period, commencing with notice by the Commissioner of Personnel, subject to the provisions of e, below, the State may implement any proposed adjustment without further negotiations or recourse to the statutory impasse procedures, by either party.

(e) If a subsequent review of the Commissioner of Personnel's recommendation for a market factor adjustment by the Commissioner of Finance and Management and/or the Secretary of Administration results in a change to the proposed adjustment, the State shall negotiate the impact of the proposed adjustment with the VSEA for up to fifteen (15) calendar days. At the end of the fifteen (15) calendar day period commencing with notice by the Commissioner of Personnel, the State may implement the adjustment without further negotiations or recourse to the statutory impasse procedures.

(f) Notwithstanding the recommendations of the Commissioner of Personnel or the Commissioner of Finance and Management, the Secretary of Administration shall have the final authority to approve, deny or modify the recommendations (rates, timetables or classes affected) for adjustments, both initially and/or in any subsequent review subject only to any limitations provided in this agreement. The decision of the Secretary shall be final and not subject to negotiation or review in any forum, except to the extent that it is alleged that the Secretary has exceeded the parameters established by this agreement.

(g) If the Commissioner of Personnel eliminates an MFA implemented prior to July 1, 1994 as a percentage differential, any affected employee will retain his/her then current rate of pay until his/her next step date, at which time (s)he shall be placed at the next higher regular step (without the MFA), unless the provisions of the MFA specify otherwise.

Nothing in this Agreement will prevent the Personnel Commissioner from establishing a new MFA with a built-in termination date or other limitation.

(h) Any Market Factor Adjustment in effect on July 4, 1992, shall be considered a temporary add-on only for the time an employee remains in that class. During the life of this Agreement, with the agreement of the VSEA, the State may implement Market Factor Adjustments for consideration other than hourly rate adjustments.

ARTICLE 50

PAY CHECKS

Employees shall continue to be paid on the second Thursday following the end of the pay period.

ARTICLE 51**HIGHER ASSIGNMENT PAY**

1. An employee who, in the absence of an incumbent, is assigned by the appointing authority:
 - (a) To perform a majority of those duties of the higher level job which is substantially different from his or her own duties; or,
 - (b) To assume the responsibilities of a higher level supervisory or managerial job without any substantial change in duties; shall, commencing with the fifth consecutive workday (or the fourth consecutive workday if working an alternate work schedule of four ten-hour workdays) in which the employee actually worked a full shift, be eligible for higher assignment pay, retroactive to the first day worked.
2. Effective July 5, 1992, the amount paid shall be a differential rate equal to the same rate as the "rate on promotion" in the Salary article. In no case shall it exceed the maximum or be less than the minimum of the pay grade of the higher level position.
3. An employee's overtime category shall not change when working in this status.
4. Nothing herein shall prevent the State from filling vacant positions through the merit system under applicable Rules and Regulations for Personnel Administration, including reallocation or administrative appointment on an interim basis.
5. The position must be at least one pay grade higher than the employee's own pay grade.
6. Provisions of this Agreement do not apply to and do not conflict with 6.076 of the Rules & Regulations covering "alternate rate" for seasonal employees who are regularly scheduled to alternate between two sets of duties.
7. Employees in the following categories shall not be eligible:
 - (a) Positions designated as trainee classes
 - (b) Automatic promotion classes
 - (c) Employees whose class specifications clearly require them to fill in and assume the higher level duties.
8. Employees assuming a supervisory position in an institution where the policy requires such a person to be in a "charge" or command position, shall be eligible for this differential for each full shift actually worked, and shall not be subject to the five (or four) consecutive days eligibility criteria in paragraph 1, above.

ARTICLE 52**INSURANCE ADVISORY COMMITTEE**

An advisory committee with representatives designated by VSEA and the State shall meet and consult regularly concerning the operation and administration of the Medical, Dental Assistance and Life Insurance Plans, Wellness, Department Fitness programs, and any other health related subjects.

ARTICLE 53
STATE EMPLOYEE HEALTH PLANS

1. State Employee Health Plans:

Until January 1, 2002, the State will maintain the following health insurance plans:

- (a) The State Employee Medical Benefit Plan (also known as the Choice Plus Plan);
- (b) Blue Cross/Blue Shield, a limited plan established under 3 VSA 631(b);
- (c) The MVP Health Plan, a health maintenance organization (HMO); and
- (d) The Vermont Health Plan (TVHP), a health maintenance organization (HMO);
- (e) The State may offer additional managed care health plan(s) as it deems appropriate during an open enrollment period.

Effective January 1, 2002, the health care plans referenced in subsections 1(a), 1(c), and 1(d), above, shall be abolished and shall be replaced by four plan choices as set forth in the "Report and Exhibits of the November 2000 State of Vermont Labor-Management Health Care Study Committee" (dated 12/8/2000), from which each employee may choose. The new plans are as follows: (1) an Indemnity-type plan with the common mental health and substance abuse, prescription drug, vision, and wellness benefits; (2) a Preferred Provider Organization (PPO) plan with the common mental health and substance abuse, prescription drug, vision, and wellness benefits; (3) a Point of Service (POS) plan with the common mental health and substance abuse, prescription drug, vision, and wellness benefits; and (4) a Catastrophic plan with only the common wellness benefits. One single risk pool shall be created for all covered employees. On or before July 1, 2002, the State will implement the extension of the current State Employee's Wellness Program to all covered employees and retirees (but not dependents) enrolled in one of the four new health plans.

Employees receiving benefits pursuant to 3 VSA 631(b) shall not be covered by the negotiated benefits provided under the other State Employee Health Plans.

The State and VSEA will continue to discuss and pursue Wellness initiatives and options that would enhance the current Wellness Program. These initiatives and options, if mutually-agreed to by the parties, will be incorporated into the Wellness Program.

Except as required to effectuate the health care plan changes referenced above, the provisions of Article 53 of the 1999-2001 Agreement shall be incorporated into this Agreement.

2. Premium Share:

The State shall pay eighty percent (80%) of the premium cost of each plan and the employee or retiree will pay the remaining twenty percent (20%).

3. Insurance Pools:

If the State of Vermont is required by the Vermont Legislature to institute any insurance plan or pool, and the state employees' health plans are required to participate in such plan or pool, and the plan or pool: (1) includes a membership larger than the groups currently covered by the state employees' health plans; or (2) alters the structure of the state's current health plan offerings or their operating foundations; or (3) has an impact on plan benefits; or (4) increases premium rates; the State and VSEA agree to a limited contract reopener for the purpose of negotiating the impacts of such change. Both parties shall retain all statutory impasse rights.

4. Eligibility/Enrollment:

For purposes of this Article, "Plan" means any approved health plan in which the employee is enrolled.

(a) Eligibility requirements:

Minimum hours working requirement for eligibility for permanent part-time employees shall be as follows: to be eligible for membership in a Plan, an employee must be certified by the appointing authority as being expected to work at least 1040 hours per year in their position. The Commissioner of Personnel may require a certificate from any appointing authority as appropriate to ascertain that any employee, or group of employees, initially meets and continues to meet this eligibility requirement. An employee who is not certified as meeting the eligibility requirement expressed herein shall not be allowed to join a Plan, and any employee initially certified as meeting the minimum

working hours requirement may stay in a Plan only so long as the reasonable expectation of working at least 1040 hours per calendar year continues. No membership will be terminated under this section without reasonable notice and an opportunity for hearing before the Commissioner of Personnel. Permanent part-time employees in an inactive status (i.e., a regular or irregular layoff due to seasonal needs or lack of work) who continue to meet Plan eligibility requirements may remain in the Plan, but they shall be responsible for payment of the entire premium in advance of the due date to the Department of Personnel, Employee Benefits & Wellness Division. For purposes of continued participation in the Plan, employees under this section shall be governed by the same rules provided for employees in unpaid, non-medical leave of absence status.

For purposes of this article, "due date" for an employee refers to each date on which the State pay date falls and on which the payroll deduction of premium would normally be made. For a retiree, "due date" shall be the first day of each month. Failure of the member to render required payments under this article in advance of the due date shall result in automatic cancellation of membership in a Plan.

(b) Open Enrollment Period:

There shall be an annual open enrollment period for State Employee Health Plans every November. Coverage shall be effective on the first day of January following the open enrollment period. Initial premium deductions shall be taken in the pay check for the pay period which includes January 1, each year.

(c) Enrollment Eligibility of New Hires and New Dependents:

Newly hired employees shall be eligible to enroll in any of the Plans between their first and 60th day of employment. Enrollments in any of the Plans shall be in accordance with the rules of the Plans.

(d) Enrollment Form:

All Plan applicants shall be required to fill out and sign an eligibility/enrollment form provided by the Department of Personnel.

(e) Enrollment Exceptions:

For purposes of this subsection, the term "spouse" shall be synonymous with legal civil union partner or bona fide domestic partner. Except in the case of new hire, marriage, legal civil union, bona fide domestic partnership, childbirth or adoption, divorce, dissolution of a legal civil union or a bona fide domestic partnership, death of a spouse, or spouse's job loss, enrollment will not be permitted outside the open enrollment period. An employee covered by one of the Plans shall not be allowed to change Plans outside the open enrollment period except in case of a permanent change of residence of such employee to a service area not covered by the managed care plan in which the employee is enrolled.

(f) Eligibility for Health Coverage - RIF:

An employee who is laid off on or after July 1, 1992, pursuant to the provisions of Reemployment Rights, may elect to continue membership in their Plan, upon advance payment of the regular percentage contribution to the cost of the Plan, during the first six (6) full pay periods next following the effective date of separation, provided the employee retains reemployment rights under the Reemployment Rights Article. This provision shall not apply to any employee who is subsequently returned to layoff status after having accepted a reemployment offer.

An employee who accepts the offer under Section 8,d of the Reemployment Rights Article to displace and become a temporary employee shall be eligible for membership in their Plan under the above, until such employee declines a single mandatory offer of reemployment.

Thereafter, former employees who remained as members of the Plan shall be eligible to remain in the Plan so long as they continue to make required payment of the entire premium in advance of the due date to the Department of Personnel, Employee Benefits & Wellness Division. This benefit and privilege shall continue for the period of RIF status, not to exceed two years from the effective date of separation. Any member under this section who drops or loses health insurance coverage, either voluntarily or by failing to pay the premium, shall not be eligible to re-enroll in the insurance plan during the remainder of their RIF status (although such former members may elect to

be covered, in accordance with Plan rules, upon return to active State service through exercise of RIF rights). An employee who returns to active employment after a layoff shall not be eligible to enroll in any plan other than the plan in which the employee was enrolled at the time (s)he left active employment. All eligible dependents at the time of re-enrollment shall be eligible for coverage.

Any member under this section who drops or loses coverage, either voluntarily or by failing to pay the premium, shall not be eligible to re-enroll in any Plan during the remainder of their period of leave of absence status, and may not rejoin the Plan upon return to active status until an open enrollment period arises.

(2) Medical LOA: Members on an approved, unpaid leave of absence granted for medical reasons may remain in their Plan for the period of the approved leave, plus any extensions, so long as they continue to make required payment of their share of the premium, as provided herein, in advance of the due date, to the Department of Personnel, Employee Benefits & Wellness Division. During the first twelve months of medical leave of absence, the State will continue to pay 80 percent of the premium, and the member will be responsible to pay the remaining 20 percent. After twelve months (which may be continuous, or an aggregate of leave time granted for a given illness or condition) a member may stay in their Plan for the remaining period of the medical leave of absence, plus extensions, so long as they continue to make payment of the entire premium in advance of the due date to the Department of Personnel, Employee Benefits & Wellness Division. Any member under this section who drops or loses coverage, either voluntarily or by failing to pay the premium as required herein, shall not be eligible to re-enroll in a Plan during the remainder of their leave of absence status and may not rejoin a Plan upon return to active status until an open enrollment period arises.

(3) Paid LOA: Members on an approved, paid leave of absence may remain in a Plan for the period of approved paid leave. In any such case the employee's share of the premium will continue to be deducted from the employee's pay. Members in said status who elect to drop out of a Plan while on a paid leave shall be ineligible to re-enroll in a Plan upon return to active service until an open enrollment period arises.

(4) Military LOA: As permitted under benefit plan rules and/or the contract, an employee who returns to active employment after an unpaid military leave of absence shall not be eligible to enroll in any plan other than the plan in which the employee was enrolled at the time (s)he left active employment. All eligible dependents at time of re-enrollment shall be eligible for coverage.

(5) Legislative LOA: Employees on leave of absence to serve in the General Assembly of the State of Vermont shall retain insurance coverage hereunder and the State shall continue to pay 80% of the premium cost during such leave. The employee shall continue to pay their 20% share of the premium.

(c) The State will give written notice to VSEA of its intent to apply any State Employee Health Plan Fund surplus to premium reduction, new benefits or continued accumulations, or, in case of an anticipated deficit, of the necessity to raise premiums.

The State will give at least 45 calendar days written notice to VSEA over any proposed premium increase. At the request of VSEA, the State will consult and discuss the proposed premium increase for a period not exceeding 30 calendar days from the date of such notice by the State, after which the State may implement its decision, whether or not the parties have bargained to genuine impasse. The statutory impasse procedure shall not apply.

(d) The State will consult with VSEA concerning the method of funding for any newly recognized benefit.

(e) VSEA shall have a reasonable opportunity to review any subsequently drafted plan booklet prior to publication.

The period of extended insurance under the permanent and total disability feature shall terminate when the person reaches age 65 at which point the insured person shall be treated as every other insured person who retires.

Approval will be required before incurring reimbursable expenses, by the Commissioner or, in emergency situations, by a division head or his or her designee for a period not to exceed one day. Travel reimbursement for air, rail, bus, and/or car rental will be made only if prior approval by a division head or his designee has been secured.

7. Those employees who incur additional telephone expense because of the requirements of their jobs, that would not otherwise have been incurred, may submit a documented request to their Department Head for reimbursement of the additional expenses. The Department Head may agree to reimburse all or part of the expense, but in any case, his or her determination shall be final. Upon successful completion of any required original probationary period; shall have the length of continuous previous classified and/or exempt service recredited for the purpose of subsequent leave accrual and RIF rights. An employee with multiple service breaks shall be eligible after each such service break for recredited length of all prior classified or exempt service, so long as such service break(s) was less than two years and otherwise complies with the provisions of this Article.

Upon written request, together with any required documentation, prior classified and/or exempt service credit shall be effective as of the date the request is received by the employing Department, but in no event earlier than the date of successful completion of any original probationary period.

ARTICLE 68**REDUCTION IN FORCE****1. PURPOSE**

The purpose of this Article is to provide a system to ensure equitable and consistent treatment of classified employees when a reduction in force occurs.

2. COVERED EMPLOYEES

Employees with rights under this Article include permanent status employees and exclude provisional employees, employees in their original probationary periods and other employees who do not have permanent status. Employees with limited status, including employees who voluntarily accept a promotion, transfer, or demotion from a permanent position to a limited service position are also excluded; however, an employee with limited status in a limited service position has rights under this article with three or more years of prior service as a Permanent status classified employee or after three (3) consecutive years in one or more limited service position(s), or any combination of three years in permanent status and limited service.

In the computation of seniority, permanent status employees shall receive credit for time spent in limited service position(s).

3. METHOD OF SELECTION FOR RIF

The right to determine that a reduction in force is necessary and the time when it shall occur is the employer's prerogative, pursuant to the provisions of Article 2, Management Rights. Nothing in this Agreement shall be construed to imply otherwise.

Once management has determined the class from which a position is to be eliminated, the selection for layoff shall normally follow the order of separation listed below in this Article unless the operating needs of the department, as determined by management, result in a different position being selected.

4. NOTICE TO VSEA AND TO EMPLOYEES**(a) to VSEA**

At least thirty-five (35) days before the effective date of any reduction in force and five days before any employee is officially notified of a layoff, the VSEA will be given a list of affected classes and of employees selected for layoff, and given the opportunity to discuss alternatives.

(b) to Employees

Employees selected for layoff will be so notified in writing by the employing department or agency at least thirty (30) calendar days prior to the effective date. If mutually agreed to, an employee may be given two weeks pay in lieu of notice.

The Department of Personnel may elect to notify all potentially affected employees within the Vertical Displacement group, coincidental to notice to the initially selected employee(s).

The official notice of layoff will advise the employee:

- (1) to file an updated application with the Department of Personnel;
- (2) to define reemployment parameters;
- (3) if desired, to schedule a personal interview as soon as practical to discuss alternative employment opportunities;
- (4) inform the employee of the effective day of the layoff and that mandatory reemployment rights begin thirty (30) days before that effective date and continue for two years thereafter, unless terminated under this section; and,
- (5) inform the employee of vertical displacement rights, if applicable, including any horizontal displacement rights.

5. DETERMINING SEPARATION

(a) For purposes of this section:

- (1) In instances where ratings are identified using numbers, a "2" shall be Unsatisfactory, a "3" shall be Satisfactory, a "4" shall be Excellent, and a "5" shall be Outstanding as defined in the Performance Evaluation Article.
- (2) In instances where ratings are used to determine the order of layoff, employees with the same rating(s) or within the same rating groups and columns, will be separated according to seniority (most senior separated last).
- (3) Volunteers need not be separated prior to laying off classified employees provided the volunteers do not assume the duties of the laid off employees.

(b) Order of Separation

The order of separation of employees with permanent status shall be on a geographic basis by class and department in the following manner. For purposes of determining this order of separation, "geographic basis" shall be construed to mean that area within a 35 road mile radius of the position's regular duty station.

- (1) Employees with less than three years of continuous State service and whose current, annual performance evaluation is less than Satisfactory shall be separated first.
- (2) Then, employees who have not received their first annual performance evaluation will be separated. These employees will be separated on the basis of their original probationary period evaluations and separated in order of their ratings, those rated above "Satisfactory" being separated last.

(3) Then, employees with only one annual performance evaluation will be separated. These employees will be listed by order of their ratings, "Outstanding" being separated last.

(4) Then, employees with two annual performance evaluations will be separated. Those employees will be placed in the following groups based on their performance ratings:

	1.	2.	3.
Group A:	2,2	3,2	2,3
Group B:	4/5,2	3,3	2,4/5
Group C:	4/5,3	3,4/5	4/5,4/5

The employees in Group A will be separated first, Group C last.

(5) Then, employees with more than three (3) and less than five (5) years of continuous State service will then be separated. The order of layoff of these employees will be based on seniority (the employee with the most seniority will be separated last), except in the following instance. An employee with any one of the following combinations of ratings on his/her three (3) most recent annual performance evaluations will be separated last:

4/5	4/5	3
4/5	3	4/5
3	4/5	4/5
4/5	4/5	4/5

(6) Then, employees with five (5) or more years of continuous State service will be separated. The order of layoff of these employees will be based solely on seniority; the employees with the most seniority will be separated last.

(c) (Special Circumstances)

If any employee with permanent status identified for layoff is eligible for Veteran's preference under 20 VSA, Section 1543, and has identical length of service and ratings with a non-veteran employee with permanent status who is identified for layoff, the latter shall be laid off before the former.

(d) (Options within class)

When a position is to be eliminated and an employee other than the incumbent of that position is selected for layoff, the incumbent of the position to be eliminated will be offered the position held by the employee scheduled for layoff.

(1) If the offer is refused, the incumbent of the position to be eliminated will be laid off, notwithstanding the procedures above.

(2) In this event, the employee will be laid off with full rights given under Reduction In Force Article, or s/he may exercise vertical displacement rights, if eligible and qualified, in accordance with Section 5, subsection (e) of this Article.

(3) Notwithstanding, if the incumbent of the position to be eliminated arranges with other employees in his/her same department and in the same class to switch positions, the employee to be laid off will be determined in accordance with this section, provided the appointing authority agrees to the rearrangement of positions.

(4) Any employee not selected for layoff may be required to assume the duties within class of the selected individual, (such as shift or unit assignment, caseload, etc.) and may not grieve such assignment.

(e) Displacement (Excludes State Police Supervisor)

(1) Displacement rights will be extended to full time classified employees with permanent status in accordance with the provisions of this subsection (e). Horizontal displacement rights within a department and geographic area will apply to associated classes. Vertical and horizontal displacement rights will apply within a series of classes, within a department and geographic area. Geographic area, for purposes of displacement, shall be construed to mean a 35 road-mile radius.

(2) The Commissioner of Personnel shall determine and maintain the list of vertical classes within series. After consultation with the VSEA, pursuant to its request, in November - December prior to the effective date of any contract, the series list shall be incorporated by reference and shall remain in force for the life of such agreement except as it may be updated on a quarterly basis (April, July, October, January) thereafter by the Commissioner of Personnel. Quarterly modifications shall be made only when reassignments of pay grade and establishing new classes or abolishing old ones require such modification in order to maintain vertical alignment within the series.

(3) Vertical displacement rights: shall be offered subject to the following conditions:

(i) Employees may exercise displacement rights only over bargaining unit employees within their Department and their geographic area. "Geographic area" (35 road-miles), is defined by the initial position targeted for layoff prior to any vertical or horizontal displacement.

(ii) There shall be no more than three (3) vertical displacements within a classification series.

(iii) Vertical displacement rights shall not be exercised if one or more of the following conditions exist within the employee's department and geographic (35 miles) area:

- There is a RIF-cleared vacancy which management intends to fill within the same pay grade, or within the first, second, or third next lower pay grade, or there is an original probationary employee working in any such position and the employee meets the minimum qualifications for any such vacancy or position: or

- (S) He is eligible to exercise horizontal displacement within a department or geographic area (35 road-mile radius), into an associated class under paragraph d. of this subsection. In such cases, the displaced employee shall acquire vertical displacement rights, subject to the cap of three vertical displacements. Horizontal displacements from one associated class into another, before vertical displacements begin, do not count against the cap of three vertical displacements.

(4) Horizontal Displacement: Associated Classes

An employee eligible to exercise horizontal displacement, may displace a less senior employee who is the most junior employee in the series of associated classes, provided that the displacing employee has been designated by the Personnel Department to meet the minimum qualifications based on personnel records reflecting such designation prior to the date when the employee received notification of impending layoff.

It shall be the responsibility of each employee to seek designation by the Personnel Department of associated classes in which the employee meets minimum qualifications and redesignation after a posted notice of change in minimum qualifications.

In all other respects, when the class specification designates a class as "associated," the "associated class" shall be considered a separate class for the purposes of reduction in force.

(5) An employee eligible to exercise vertical displacement may displace a less senior employee who is the most junior employee in the next lower class in the series in a position which he or she is qualified to fill, within the employee's department and geographic area. For compensation purposes, employees who exercise displacement rights shall be treated as voluntary demotions.

(6) A confidential employee with permanent status who is identified for layoff shall be allowed to exercise horizontal displacement rights into associated classes and vertical displacement rights provided it is to a class in which the employee previously worked. A displacement by a confidential employee shall count against the cap of three displacements.

(7) An employee notified of layoff shall have no more than five calendar days to exercise displacement rights under this Article. In the absence of such timely exercise, this five-day notice period will continue to count against the thirty (30) day notice of layoff, so that the effective date of layoff shall remain unchanged. However, the thirty (30) day period to establish recall parameters under the Reemployment Article shall not begin until the expiration of this five day period, or notice by the employee to elect reemployment rights, if sooner.

(8) If the next lower class in the series contains associated classes, the employee must displace a less senior employee who is the most junior in all the associated classes for which the employee meets the minimum qualifications. Such displaced employee may then exercise displacement rights as provided under this Section; provided such a displacement into an associated class shall count against the cap of three vertical displacements.

(9) If two or more persons are selected for layoff in a class, the most senior employee shall first have displacement rights.

(f) Permanent part-time employees shall not be included with permanent full-time employees for the purpose of layoff selection. They will be treated as a separate class.

(g) "Trainee" classes (including, not necessarily limited to, such classes as Secretary B Trainee, Social Worker Trainee) will be considered to be the full level position (i.e., Secretary B, Social Worker in the above examples) for purposes of determining the order of separation.

(h) Nothing shall prevent or require an appointing authority from seeking from among permanent status employees in other than the selected class, volunteers in lieu of those designated for layoff, who may wish to accept reemployment rights under this Article. Selection among volunteers, approved by the appointing authority, shall be by seniority and those employees shall not have vertical displacement rights.

6. The parties recognize that the Americans with Disabilities Act and the Vermont Fair Employment Practices Act require the State to provide reasonable accommodation to qualified disabled employees. (See Section 29, CFR 1630.2(o), EEOC ADA Regulations.

The parties acknowledge that as part of an ADA accommodation, the qualified disabled employee may be granted priority reemployment rights, notwithstanding the reemployment rights of other employees.

**ARTICLE 69
REEMPLOYMENT RIGHTS (RECALL RIGHTS)**

1. MANDATORY REEMPLOYMENT RIGHTS

An employee with permanent status who has received an official notice of layoff, and who is about to be laid off under the Reduction in Force Article, shall have the following mandatory reemployment rights:

(a) Beginning thirty (30) days immediately prior to the effective date of the layoff and continuing for two (2) years beyond such effective date, such employee will have mandatory reemployment rights to any vacant classified bargaining unit (except positions in the State Police) position when management intends to fill it, provided:

(1) Such position is at the same or lower pay grade as the position from which the employee was laid off, or up to the highest position in classified service from which such employee was laid off or from which such employee exercised vertical displacement rights within the two-year period prior to the next scheduled effective date of layoff; and

(2) The employee meets the minimum qualifications for the position; and

(3) The employee has indicated a desire and willingness for the job by stating so in "parameters" established before implementation of these reemployment rights (e.g., full-time, part-time, limited service, permanent, type of position, department, occupation, etc.) During the period of mandatory reemployment rights an employee may at any time change these reemployment parameters for the remainder of the period.

(b) Notwithstanding subsection 1, above, management shall have the right to first fill vacant classified bargaining unit positions by promotion, demotion, or lateral transfer of classified employees from within the Department, so long as such actions produce a different vacant bargaining unit position which management intends to fill.

(c) An employee who exercises mandatory reemployment rights to a higher pay grade under 1,a of this subsection shall not be considered to have been promoted thereto for pay purposes.

(d) If the class from which the employee was laid off has been reassigned to a higher or lower pay grade between the time the employee was laid off and the time a job offer is made pursuant to this Article, the employee has reemployment rights at the higher pay grade.

2. WORKING TEST PERIOD

An employee who accepts an offer of reemployment under this Section on or after July 1, 1994, shall be placed in a ninety (90) day probationary period, without recourse to the grievance procedure. Such period may be successfully completed after sixty (60) days at the discretion of the appointing authority.

3. SEPARATION DURING THE WORKING TEST PERIOD

An employee who is separated during the probationary period referred to in subsection 2 above shall have reemployment rights reinstated to include the number of mandatory offers and amount of time left immediately before accepting the "probationary" position, and shall not have recourse to the grievance and arbitration process as a result of such separation.

4. TERMINATION OF MANDATORY REEMPLOYMENT RIGHTS

Mandatory reemployment rights terminate when:

(a) The employee declines three "mandatory offers" of reemployment; or
(Failure to accept an offer of reemployment within five days from the date (s)he actually receives written notice of the reemployment opportunity constitutes a decline of the offer.)

(b) The employee:

(1) advises his or her appointing authority or the Department of Personnel that he or she is unavailable for work; or

(2) fails to notify the Department of Personnel of a current address; or

(3) does not continue to be available for work; or

(c) The employee refuses to file an updated application which state parameters for reemployment to the Department of Personnel; or

(d) The employee accepts an offer of reemployment with the State. The employee must report for duty within two calendar weeks of the acceptance unless the appointing authority or designee waives this two weeks' requirement.

(e) During the two year and thirty (30) days mandatory reemployment period, the State shall have no obligation to offer any vacant position until the employee has established reemployment parameters with the Department of Personnel.

5. RESTORATION RIGHTS

An employee who has complied with Section 1, a, 3 of this Article but whose mandatory reemployment rights have expired at the end of the two (2) year period following the effective date of layoff shall be eligible for restoration rights as defined in the "Definitions" section of this Agreement. Restoration rights shall expire after one (1) year. Employees whose mandatory reemployment rights terminate under Section 4 shall not be eligible for restoration rights.

6. ORDER OF REEMPLOYMENT OFFERS

The order in which mandatory reemployment offers will be made under Section 1 above shall be as follows:

(a) The name of all people in the Non-Management, Corrections and Supervisory Units who are in a reduction in force status (1) whose latest performance evaluation was Satisfactory, or better; or, (2) who have 3 or more years of continuous State service, shall be placed on a single list in the order of their date of hire (adjusted according to the respective Articles governing credit for prior classified service and leave of absence). The most senior qualified person on this list shall be the first to be offered reemployment into a vacant position. If declined, the position will be offered to the next such person on the list until the list is exhausted.

(b) The names of all people who are in a reduction in force status and who have been identified for layoff under the provisions of Section 5, b, (1) of the Reduction in Force Article, shall be placed on another list in the order of their date of hire (adjusted according to the respective Article governing credit for prior classified service and leave of absence). The most senior qualified person on this list shall be offered reemployment into a vacant position only after the list in subsection 6,a above has been exhausted.

(c) Employees in the State Police Unit, and Lieutenants and Captains in the Supervisory Unit, who are in a reduction in force status will have mandatory reemployment rights to vacant positions in the Non-Management, Corrections and Supervisory Units only if there are no employees in those units having priority claim to such vacancies (i.e., only if the lists in a and b above have been exhausted).

7. Managerial and confidential employees who are laid off and who previously worked in bargaining unit position(s), may, at the discretion of the Commissioner of Personnel, exercise mandatory reemployment rights to vacant bargaining unit positions in the same manner and on the same basis as laid off bargaining unit employees. Placement on the recall list is based on total continuous State service for confidential employees and bargaining unit time for managerial employees.

8. If during the thirty (30)-day period preceding the effective date of layoff, the Commissioner of Personnel determines that there is no vacancy in which an employee noticed for layoff is eligible to fill under the Displacement (Bumping) provisions of the Reduction in Force Article, neither within nor outside of the parameters which the about-to-be laid off employee may have established under subsection 1,a, (3) of this Article, the employee will be offered the option to displace the occupant of the position which the State determines to be the single, most suitable position for which such employee is qualified, from the following categories, at or below the employee's pay grade and within the same Department:

(a) a permanent classified position held by an original probationer. If there are no such position (s), then

(b) a limited service position held by an original probationer. If there are no such positions, then

(c) a permanent classified position or limited status position held by a provisional employee.

Then if there are no such positions,

(d) an opportunity to displace a temporary employee.

9. A laid off employee who no longer has mandatory reemployment rights under this Article, may be placed at the top of any register/hiring certificate of State Promotional candidates if in the remainder of the two-year period for mandatory reemployment rights:

- (a) the position is at the same or lower pay grade as the position from which (s)he was laid off; and
- (b) the employee meets minimum qualifications; and
- (c) the employee specifically applies to the Personnel Department in response to the State Promotional Recruitment Announcements.

10. A permanent status employee who, after notice of layoff, accepts a position as a temporary employee or a position outside State government retains his or her reduction in force rights under this Article but does not acquire any new reduction in force rights upon the expiration or termination of such employment.

11. An employee who is reemployed, under this Article into a limited service position and who by reason of a combination of time spent in a permanent status position or a limited service position, or any combination thereof, has not acquired permanent status shall retain reemployment rights until acquisition of permanent status, at which time reemployment rights shall terminate.

12. A former permanent status employee, reemployed in accordance with this Article shall be paid the rate of pay being received at the time of the layoff, plus any general wage increases which would have been received, had the layoff not occurred, because of an adjustment to the pay grade or compensation plan, provided, however, this salary shall not exceed the maximum of the pay grade for the class to which the employee is reemployed, and shall not include any step increments. Employees reemployed to a position in a lower pay grade shall be treated in the same manner as a reallocation downward for pay adjustment purposes, subject to the maximum of the new grade.

A former permanent status employee who is reemployed in accordance with Section 9 above, shall be treated as a restoration for purposes of pay.

An employee who accepts the displacement offer to a lower pay grade position under Section 8 of this Article shall be paid as if voluntarily demoted to such position.

13. An employee who is actually separated because of a reduction in force shall elect to:

- (a) Be paid for all earned annual leave in a lump sum up to a maximum of 20 days (160 hours) with final payment for services; or,
- (b) Keep up to one-half of annual leave credits up to a maximum of 10 days (80 hours) for up to four months from the effective date of separation.
- (c) If the employee retains annual leave credits and is reemployed by the State within 4 months, that retained annual leave will be reinstated.
- (d) If the employee retains annual leave credits and is not reemployed by the State within the four months, or requests payment before an offer of mandatory employment is accepted, that annual leave will be paid in a lump sum at the hourly rate in effect when the employee was laid off.
- (e) Notwithstanding the above, in no instance shall more than 160 hours of annual leave credit, in the aggregate, be paid off in cash. Any unpaid annual leave balance shall be re-credited only upon an employee's return to a permanent or limited service position while she/he has mandatory rehire rights. Employees separated in accordance with the provisions of the ninety day working test period, or Section 16 of this Article, shall not receive additional payout resulting from the subsequent separation, once 160 hours in the aggregate are paid out.

14. An employee who is laid off shall lose all accrued sick leave credits except:

- (a) An employee who is rehired under this Article shall have the sick leave credits accumulated up to the time of layoff, restored.
- (b) An employee on sick leave at the time (s)he is laid off, who is totally and permanently unable to work due to a non-job related disability and is ineligible for disability retirement shall:
 - (1) Be entitled to retain one-half of accumulated sick leave credits up to a maximum of 960 hours.
 - (2) Be kept on the payroll at the same rate of pay as if (s)he had not been laid off, until his/her retained accumulated leave credits have been used.
 - (3) The effective date of the reduction in force is not altered by payment of this leave time.

- (4) The State at its option may request a physician or physicians to confirm the nature and extent of the illness, at the State's expense.
- (c) An employee who is totally and permanently unable to work as a result of a job-related injury or illness and is ineligible for disability retirement shall:
- (1) Be entitled to retain all accumulated sick leave credits.
 - (2) Be kept on the payroll at the same rate of pay as if he or she had not been laid off, until his or her retained accumulated leave credits have been used.
 - (3) The effective date of the reduction in force is not altered by payment of this leave time.
 - (4) The State at its option may request a physician to confirm the nature and extent of the illness at the State's expense.
- (d) Notwithstanding (b) and (c) above, if an employee is laid off because the Department lacks funds, the employee will not be entitled to sick leave credits. In this event, the State shall petition the proper authority for the necessary money to provide the laid off employee with sick leave pay in accordance with subsection (b) and (c) of this Section.
15. A former permanent status employee who is actually laid off and then reemployed, in accordance with this Article, shall be considered to have continuous State service, but shall not accrue seniority for the period of separation from State service.
16. An employee reemployed in accordance with his/her mandatory reemployment rights under this Article who later agrees with the appointing authority that (s)he is unable to perform the duties of his/her new position may resign and retain his/her rights provided in this Article. The employee will be entitled to only those rights resulting from the original layoff, including time limits and mandatory offers.
17. The State is not required to pay any moving expenses incurred by any employee who accepts a promotion, transfer, or demotion as a result of a reduction in force.
18. A permanent status employee (Except State Police Lieutenants) who refuses to accept an involuntary transfer outside of his/her geographic area with the thirty (30) day prior notice as outlined in the Workweek Article, etc., shall have mandatory reemployment rights except that there shall be no such rights to a vacancy caused by the subsequent transfer of another employee in the same class in lieu of the transfer refused, and the "grace period" shall run from the date the employee refuses the option not to accept the transfer, to the effective date of the transfer, not to exceed thirty days. Geographic Area is defined to mean 35 road mile radius.
19. Those employees who are in a reduction in force status prior to the effective date of this Agreement shall be afforded the above reemployment rights and benefits enumerated in this Article, only from the effective date of this Agreement through the date two years from the effective date of their reduction in force.
20. The Commissioner of Personnel may extend the time period in which RIF rights are held by an employee who is temporarily disabled at the time of the effective date of layoff.
21. An employee covered by this Agreement who, after being involuntarily designated or assigned to a "confidential" position, on or after July 1, 1984, is laid off from that position will be placed on the RIF recall list with bargaining unit seniority frozen at time of leaving the bargaining unit.
22. If an employee is laid off during a promotional probationary period, (s)he shall have the right of return (including bumping) to the class held immediately prior to promotion (but not necessarily to the same job) in the same department, with salary reduction to the previously held rate plus interim general salary increases.
23. When an employee receives a downward reallocation with change in class and pay grade resulting from a reorganization or a decision by management to implement a substantial change in the employee's job duties, (s)he may elect recall rights as outlined below:
- (a) The employee shall have full contractual recall rights as outlined in this Article, to vacant, classified bargaining unit positions (other than the original position subject to the personnel action) within the employee's department and geographic (35 road mile radius) area.
 - (b) The employee's recall rights shall be limited to the same pay grade of the employee's position just prior to the downward reallocation for vacant, classified bargaining unit positions, if outside the employee's department and/or geographic (35 mile) area.

(c) An employee who selects recall rights under this section waives the right to file a request for review or classification grievance over the downward reallocation.

(d) The employee may elect to resign his position and to volunteer for layoff and recall rights as provided in this section by filing a written notice with the Commissioner of Personnel, with concurrent copies to VSEA and the appointing authority, within five calendar days after receipt of the official notice of such personnel action (or fifteen days after being notified by the department, whichever is sooner). The effective date of layoff shall be thirty (30) days following the filing of the written notice under this Section.

(e) This section shall not apply to successive changes in duties over a period of time or to reallocations, reassignments or reclassifications made pursuant to the normal classification auditing process.

24. For purposes of this and the Reduction in Force Articles, the Agency of Transportation and the Agency of Development and Community Affairs shall be considered a department for definition purposes.

25. HEALTH INSURANCE COVERAGE.

(a) An employee who is laid off or separated from employment on or after July 1, 1994, under circumstances which entitle such employee to reemployment rights under this Article, other than pursuant to Section 23, may elect to continue membership in their health benefit plan, upon advance payment of the regular percentage contribution to the cost of the plan, during the first six (6) full pay periods next following the effective date of separation, so long as such employee retains reemployment rights. An employee whose reemployment rights are reinstated following separation during a working test period and who did not receive health benefit coverage for six (6) full pay periods of layoff status prior to placement in such working test period may elect to continue membership in his or her health benefit plan upon advance payment of the regular percentage contribution to the cost of the plan for the number of pay periods which, when added to the number of pay periods in which such person received health benefit coverage prior to such placement, equals six (6) full pay periods of health benefit coverage during layoff status with reemployment rights.

(b) An employee who accepts the offer under Section 8,d above to displace and become a temporary employee shall retain reemployment rights and shall be eligible for benefits under paragraph 1, above. Such reemployment rights shall terminate when such employee declines thereafter a single mandatory offer of reemployment.

26. STATE POLICE LIEUTENANTS

For the purpose of this Section seniority shall be defined as length of service in the current rank plus any continuous prior service in a higher rank. The procedures in a reduction in force are as follows:

(a) The appointing authority shall notify an employee that (s)he is to be laid off at least thirty (30) days prior to the effective date of reduction in force. If mutually agreed to, an employee may be given two weeks' pay in lieu of notice.

(b) The Department of Personnel shall identify and determine the order of separation of employees with permanent status, by rank, in the following manner:

(1) Employees shall be selected for layoff within rank in reverse order of seniority, calculated as length of service in the current rank plus any continuous prior service in a higher rank. A Lieutenant who is identified for layoff may bump into the State Police Bargaining Unit. The employee with the least seniority in the higher rank may bump the employee with the least seniority in the next lower rank. The employee with the next higher seniority in the higher rank may bump the employee with the next higher seniority in the next lower rank.

(2) If two employees have equal seniority, the order of layoff will be determined by the last annual performance evaluations. The employee who rates "Outstanding" or better will be separated last.

(3) In the event of equal seniority and annual performance ratings, a non-veteran will be laid off before an employee entitled to Veterans' preference under 20 VSA, Section 1543.

(c) An employee with permanent status who would otherwise be laid off shall not be laid off provided there are original probationers in permanent classified positions within the bargaining unit, at the same or lower pay scale, and the employee about to be laid off meets the minimum qualifications

and is willing and able to perform the duties of the position.

(d) The employee who has received notice that he or she is to be laid off shall:

(1) Advise the appointing authority and the Department of Personnel of an interest in employment with the State and availability and willingness to work, by filling an updated employment application and establishing reemployment parameters with the Department of Personnel.

(2) Notify the Department of Personnel of his or her current address and availability to work.

(e) The employee who is offered reemployment must accept the offer within five workdays from the date he or she actually received written notice of the reemployment opportunity. Failure to accept within this time will constitute a decline of the offer. If he or she accepts the position the employee must report for duty within two calendar weeks of the date of acceptance unless the appointing authority or designee waives the two weeks' requirement.

(f) Beginning thirty days immediately prior to the effective date of the layoff and continuing for two years beyond such effective date, Lieutenants who are in a reduction in force status, and have not bumped into a lower rank under subsection (b) (1) above, will have mandatory reemployment rights to vacant bargaining unit positions which management intends to fill: as a Lieutenant in the Department of Public Safety; in the State Police Bargaining Unit on an equal basis with any State Police Bargaining Unit employees having mandatory reemployment rights; in other bargaining units as provided for other Supervisory Unit employees under this Article. Reemployment rights shall apply if: such position is at the same or lower pay grade as the position from which laid off; and if the employee meets the minimum qualifications for the position; and if the employee has indicated a desire and willingness to accept the job by stating so in "parameters" established with the Department of Personnel before implementation of these reemployment rights can begin.

A former permanent status employee, reemployed in accordance with the provisions of this subsection shall be paid the rate of pay being received at the time of the layoff, plus any general wage increases which would have been received, had the layoff not occurred, because of an adjustment to the pay grade or compensation plan, provided, however, this salary shall not exceed the maximum of the pay grade for the class to which reemployed and shall not include any step increments. Employees reemployed to a position in a lower pay grade shall be treated in the same manner as a reallocation downward for pay adjustment purposes, subject to the maximum of the new pay grade. An employee who bumps into the next lower rank shall be paid as if voluntarily demoted to such position.

2. The shift assignments shall be for a period of 3-6 months as determined by a simple majority vote of the Shift Supervisors. After 6 months, management may determine the assignments for the next three months. Upon conclusion of the 3 months assignment by management, the Shift Supervisors may again utilize the shift bidding process for up to 6 months.
3. If any Shift Supervisor has less than 12 months length of continuous service in the class, management shall retain the discretion of assigning him/her to shifts based upon training needs as determined by management. The shift options for the remainder of the Shift Supervisors for that 3-6 month period shall be limited to the other available shifts. It shall be incumbent upon the facility management to provide information to the Shift Supervisors relative to management's shift assignment plans for a new supervisor, in order that the Supervisors' bidding process can be properly administered. If the Shift Supervisors opt for a period of time in excess of three months for their assignments, management may displace a Shift Supervisor on a shift for a period not to exceed 3 months for the purpose of allowing the new (i.e., less than 12 months in title) Shift Supervisor to train on that shift. At the end of the 3 months, the Shift Supervisor who was displaced shall be permitted to return to the shift unless precluded otherwise by a change in shift assignments pursuant to the bidding process.
4. If any Shift Supervisor is in a Prescriptive Period of Remediation (PPR) or Warning, as outlined in the Disciplinary Article of the State-VSEA contract, management shall retain the discretion of assigning him/her to shifts, based upon performance assessment needs, for a period up to 12 months. The shift options for the remainder of the Shift Supervisor staff for that period shall be limited to the other available shifts. It shall be incumbent upon the facility management to provide information to the Shift Supervisors relative to management's shift assignment plans due to imposition of a PPR or Warning, in order that the Supervisors' bidding process can be properly administered.
5. If any Shift Supervisor wishes to propose bidding for shift assignments based upon seniority, she/he must follow these guidelines. The determination of whether or not shift assignments shall be enacted under this bidding process shall be made by a simple majority vote of the Shift Supervisors in each facility. Seniority, for Shift Supervisor shift bidding purposes shall be defined as the length of continuous Departmental service.
6. If any Shift Supervisor wishes to propose bidding for shift assignments based upon seniority, she/he must follow these steps:
 - (a) Complete the form entitled Request for Shift Bidding Review.
 - (b) Ensure that each Shift Supervisor in that facility receives a copy of the form.

(c) Ensure that the issue is discussed and voted upon at a meeting which is warned in writing and distributed to each Shift Supervisor in the facility at least 14 days in advance of the date of such meeting, and at which all the Shift Supervisors are present, or have had an opportunity to vote by absentee mail ballot. If a Shift Supervisor wishes to be present at the meeting, but cannot attend the first scheduled meeting, the meeting shall be postponed for not more than 10 days which shall be reasonable time for the Shift Supervisor to make arrangements to attend. If a Shift Supervisor does not attend the meeting nor turn in a sealed absentee ballot, she/he shall be considered to have waived the opportunity to vote.

(d) If no simple majority is reached among the Shift Supervisors on the issue of shift assignments through bidding, then the issue may not be proposed again for a period of three months.

(e) If any dispute arises as a result of this process, it shall be called to the attention of the facility Superintendent and the VSEA Field Representative who shall discuss and attempt to resolve the matter.

(f) All voting shall be by Australian ballot and shall require only a simple majority. Absentee ballot voting shall be permitted only when a Shift Supervisor is on extended leave due to illness. Absentee ballots may be obtained from the petitioner(s), and submitted in a sealed envelope to the petitioner(s) who shall ensure that the sealed envelope is turned in to the Shift Supervisor designated as the ballot clerk for the meeting.
