UNIT 3 AGREEMENT

This Agreement is made by and between the Hawaii Government Employees Association, AFSCME Local 152, AFL-CIO, hereinafter called the Union, and the State of Hawaii, the City and County of Honolulu, the County of Hawaii, the County of Maui, and the County of Kauai, hereinafter called the Employer.

ARTICLE 1 - RECOGNITION

A. The Employer recognizes the Union as the exclusive bargaining agent of the unit certified by the Hawaii Labor Relations Board consisting of white-collar non-supervisory Employees employed by the State of Hawaii, the City and County of Honolulu, the County of Hawaii, the County of Maui, and the County of Kauai.

B. The term "Employee" as used in this agreement refers to Employees in the bargaining unit.

ARTICLE 2 - CONFLICT

If there is any conflict between the provisions of this Agreement and any of the rules and regulations of any Civil Service or other personnel regulations applicable to Employees, or any contracts between the Employer and the Employees, the terms of this Agreement shall prevail.

ARTICLE 3 - MAINTENANCE OF RIGHTS AND BENEFITS

Except as modified herein, Employees shall retain all rights and benefits pertaining to their conditions of employment as contained in the departmental and Civil Service rules and regulations and Hawaii Revised Statutes at the time of execution of this Agreement, but excluding matters which are not negotiable under Chapter 89, HRS.

ARTICLE 4 - PERSONNEL POLICY CHANGES

A. All matters affecting Employee relations, including those that are, or may be, the subject of a regulation promulgated by the Employer or any Personnel Director, are subject to consultation with the Union. The Employer shall consult with the Union prior to effecting changes in any major policy affecting Employee relations.

B. No changes in wages, hours or other conditions of work contained herein may be made except by mutual consent.

ARTICLE 5 - RIGHTS OF THE EMPLOYER

The Employer reserves and retains, solely and exclusively, all management rights, powers, and authority, including the right of management to manage, control, and direct its work forces and operations except those as may be modified under this Agreement.

ARTICLE 6 - UNION SECURITY

A. The Employer shall maintain a list of Union members in this bargaining unit who have payroll assignment forms on file with the Employer. This list will be made available to the Union by request and contain information listing the names of Union members, unit Employees, and total Union deductions made without cost to the Union on a form supplied by the Employer.

B. The Employer shall also maintain a list of Employees from whom service fees are deducted from wages to defray the cost for services rendered by the Union in the negotiation and administration of this Agreement; such list will be made available to the Union without cost and on a form supplied by the Employer.

C. The Employer shall maintain and update the above listings and notify the Union of any changes.

D. Union dues, initiation fees, service fees, and other Employer authorized deductions shall be collected twice a month and transmitted to the Union not later than the 15th day of the following month by check drawn to the order of the Union. Upon the issue of such check and transmission of same to the Union, all responsibility on the part of the Employer shall cease with respect to any amount so deducted. The Employer shall not be bound in any manner to see to the application of the proceeds of any such check, nor to investigate the authority of any designated officer of said Union to sign any request, to accept any such check, or to collect the same. The Union hereby undertakes to indemnify and hold blameless the Employer from any claim that may be made upon it for or on account of any such deduction from the wages of any Employee.

E. Scattergrams reflecting Employee distribution on the salary schedule as of July 15 of each year shall be provided to the Union by each jurisdiction.

ARTICLE 7 - UNION REPRESENTATION RIGHTS

A. The Union may call four (4) meetings per year of all Employees in each department during working hours for informational and educational purposes, including the interpretation, application, and administration of this Agreement. The year for this purpose shall begin with the effective date of this Agreement. The Employees may be divided into groups of convenient size and one meeting held for each group so that all Employees will have an opportunity to attend each of said four (4) meetings. The meetings shall last no longer than two (2) hours. The Union may use the Employer's conference rooms and similar building facilities for such meetings. The Union will notify the Employer in writing of the time and place of the meetings at least ten (10) days before they are held, provided, however, that the hours during which the meetings are held shall be mutually acceptable. In addition to the foregoing meetings, additional meetings may be held by agreement of the Employer and the Union.

B. The Union shall be provided adequate space on bulletin boards for posting of usual and customary Union notices.

C. Full-time Union representatives shall be permitted to visit and confer with Employees at their work sites regarding complaints and grievances and to assure that the Agreement is being properly administered. The Union representatives will notify the appropriate supervisor when they arrive at the work site. While on the Employer's premises or work site, the representative will not interfere with normal operations.

D. The Union shall appoint a sufficient number of stewards from among the Employees whose function shall be to investigate complaints, handle grievances, and assure that the Agreement is being properly administered in their work areas, during working hours without loss of pay or benefits. The Employer assures privacy to the steward and the Employee while discussing the Employee's grievance.

E. Stewards who are shift workers may be scheduled by the Employer for the day shift on a day that the monthly unit island division steward meeting is held. Such scheduling shall not result in any overtime penalty because of the Employer's attempt to accommodate the Employee. Stewards shall be responsible for informing their supervisors of the scheduled monthly meeting sufficiently in advance so as to minimize any effects on other Employees because of the work schedule changes.

F. Representatives of the Union shall be permitted to attend orientation meetings held by the Employer during working hours for new Employees, and shall be allowed up to thirty (30) minutes to address the Employees at the conclusion of the meeting.

G. The Union shall provide the Employer with a list of duly certified officers, representatives, and stewards and maintain its currency.

H. The Executive Director or designee shall be entitled to participate during the biennial review of the Compensation Plan by the Conference of Personnel Directors, but may not vote. The Executive Director shall receive copies of the policies and standards, rules and regulations, identification and pricing of bench mark classes, including proposed amendments therefor and notices of meetings, agenda, and requests for repricing.

I. Employees may be permitted to use the Employer's conference rooms or other similar facilities for meetings during non-working hours.

ARTICLE 8 - DISCIPLINE

A. Regular Employees shall not be disciplined without proper cause. Grievances regarding these matters shall be handled in accordance with the provisions of Article 11, Grievance Procedure.

B. Exempt Employees who meet all of the conditions listed below shall not be disciplined without proper cause. Such Employees shall be identified in a Letter of Understanding executed by the State and the Union. Grievances regarding these matters shall be handled in accordance with the provisions of Article 11, Grievance Procedure.

1. Employee is in an exempt position in an ongoing program and whose appointment does not have a termination date.

2. Employee occupies a position which is within the authorized position ceiling as provided in the State Appropriations Act.

3. Employee has at least six (6) continuous months of service in the present position.

Exempt Employees in the Hawaii Housing Authority who are identified in the Letter of Understanding above, shall not be disciplined without proper cause. Grievances concerning the discipline of these Employees shall also be handled in accordance with the provisions of Article 11, Grievance Procedure, notwithstanding that such Employees are appointed for a definite term, provided that they meet conditions 2 and 3 listed above. It is understood and agreed that the Grievance Procedure shall not apply to the non-renewal of the employment contracts of such Employees or to the non-reappointment of such Employees after their employment termination dates.

Paragraph B does not apply to Employees in programs which provide temporary public service employment, such as SCET and CETA.

C. Disciplinary action taken against any Employee in writing shall be considered confidential.

D. When an Employee is orally reprimanded, it shall be done privately.

ARTICLE 9 - REDUCTION-IN-FORCE

A. All personnel actions under this Article shall be restricted to members and positions of this bargaining unit and shall be confined to the governmental jurisdiction in which the reduction-in-force occurs.

B. When there is an impending reduction-in-force because of lack of work or funds, the appointing authority shall inform the respective Central Personnel Agency and the Union, in writing, as soon as possible but in any case at least ninety (90) calendar days before the impending reduction-in-force will take place.

C. The Employer shall consult with the Union on its plans for the reduction-in-force.

D. Waiver of Bumping Rights. The Employee affected by the reduction-in-force may waive bumping rights, in writing to the Central Personnel Agency, thereby limiting placement to vacant positions.

E. Retention Points for Regular Employees. In the event of a reduction-in-force, the displacement or termination of services of an Employee shall be based on the Employee's total continuous creditable service within the Employee's applicable governmental jurisdiction but not excluding the combined service time of classes of Employees whose functions are transferred from one jurisdiction to another through action of the legislature. Except for Employees who are laid off and rehired within one (1) year, service prior to separation from service with the Employer is not creditable, in which case, creditable service shall begin on the date of the Employee's return to service. Retention points shall be computed on the basis of one (1) point for each full month of employment in the applicable jurisdiction, including service in another jurisdiction prior to any transfer of the Employee's position to the applicable jurisdiction through legislative action. A fraction of a month of service shall be used to break "ties." Retention points shall be computed up to the day on which the work or funds terminate. Creditable service for purposes of computing retention points shall include all authorized nondisciplinary leaves of absence, however, suspensions (including unauthorized leave charged in lieu of suspension) shall not constitute a break in continuous service.

F. Conditions for Placement of Regular Employees.

1. The Employee must meet the minimum qualification requirements of the class of the position in which the Employee is to be placed.

2. The Employee is a regular Employee of the jurisdiction.

3. The Employee shall have priority for placement in the vacant position to which the Employee is referred under the provisions of this Article.

4. The Employee shall be referred for placement in a position on the basis of the Employee's indication of the geographic location(s) (island and district) where the Employee is willing to be placed; the minimum pay range not higher than that of the Employee's present position, that the Employee will accept; and the type of appointment, regular and/or non-regular, that the Employee will accept. The appointing authority shall provide the Union with a listing of all vacant positions which meet the conditions under which the Employee has indicated the Employee would be willing to accept.

5. The Employee shall be entitled to only one referral for placement in a position which is in accordance with the terms the Employee specified as provided for in (4) above. If the Employee should fail to accept the offer of employment in the position, the Employee's services shall be terminated on the abolishment date of the position or termination of funds or work, or the date of displacement, and the Employee's name shall be placed on the recall list.

G. Bumping Procedures for Regular Employees with the Employing Department. If the Employee cannot be placed in a vacant position, a reduction-in-force will be effectuated. In the order of utilization outlined below, the appointing authority shall provide the Union with a list of all positions and their classification, the incumbents' names, and the incumbents' retention points. Subject to the conditions set forth in (F) above, the following order shall be observed in bumping and layoff of Employees.

1. Non-regular Employee who occupies a permanent position in the same class when there is more than one such Employee, in the following order: first, an Employee serving an emergency appointment; second, temporary appointment outside the list; third, provisional appointment Employee; fourth, a limited-term appointment Employee; and fifth, a probational appointment Employee.

2. Regular Employee who occupies a position in the same class and has the least retention points.

3. Non-regular Employee who occupies a permanent position in a related class of the same pay range. When there is more than one (1) such Employee, the order of bumping will be as provided in (1) above.

4. Regular Employee who occupies a position in a related class of the same pay range and has the least retention points.

5. Non-regular Employee who occupies a permanent position in a class of a lower pay range in the same series. Where there is more than one (1) such Employee, the order of bumping will be as provided in (1) above.

6. Regular Employee who occupies a position in a class of a lower pay range in the same series and has the least retention points.

7. Non-regular Employee who occupies a permanent position in a class of a lower pay range in a related series. Where there is more than one (1) such Employee, the order of bumping will be as provided in (1) above.

8. Regular Employee who occupies a position in a class of a lower pay range in a related series and has the least retention points.

When the Employee cannot be placed in another permanent position, the same order of bumping may be repeated for temporary positions prior to layoff. In the event that a regular Civil Service Employee has less than twenty-four (24) retention points and cannot be placed in the Employee's department, the appointing authority shall notify the affected Employee, the Union, and the Central Personnel Agency in writing at least sixty (60) calendar days prior to the layoff. The appointing authority shall also notify the Central Personnel Agency in writing that a jurisdiction-wide reduction-in-force needs to be effectuated provided that the Employee has at least twenty-four (24) retention points and is a regular Civil Service Employee.

H. Jurisdiction-wide Reduction-in-Force for Regular Employees. A jurisdiction-wide reduction-in-force action will be effectuated only for a regular Civil Service Employee who has not been referred for placement or cannot be placed in an appropriate position within the employing department and if the Employee has regular or permanent Civil Service status with the jurisdiction with at least twenty-four (24) retention points. A regular Employee with less than twenty-four (24) retention points will have retention rights only within the department in which the Employee is employed. The Employee affected by reduction-in-force shall be referred for placement in another position on the basis of Section F, Conditions for Placement of Regular Employees. In a jurisdiction-wide reduction-in-force action, the order used shall be in accordance with Section G, Bumping Procedures for Regular Employees within the Employing Department. The Employer shall furnish the Union with information similar to the information requirements of Sections F and G. When a regular Employee cannot be placed in another position, the Central Personnel Agency shall notify the Employee and the Union, at least sixty (60) calendar days prior to the date the Employee's services will be terminated, and the Employee's name will be placed on the appropriate recall list.

I. Placement of Laid Off Regular Employees on the Recall List. A regular Employee who have been laid off shall have the Employee's name placed on the recall list for the class of work from which the Employee's services were terminated and any related class at the same salary range for which the Employee meets the minimum qualification requirements provided there is no recall list for such related class. The Employee's eligibility may be terminated for any of the following reasons:

1. The Employee is no longer able to perform satisfactorily the duties of the class of work.

2. The Employee is appointed to a permanent position.

3. The Employee refuses two (2) offers of employment under the conditions that the Employee had previously indicated the Employee would accept.

4. The Employee fails to respond without good cause within ten (10) days to a written inquiry sent to the last address the Employee provided.

5. The Employee is no longer available for employment.

6. The Employee fails to report to duty after the Employee's appointment, without good cause, within the time prescribed by the appointing authority.

A laid off Employee's eligibility may be terminated for other valid reasons provided that if such an Employee's eligibility is so terminated, the Employee shall have the right to challenge the validity in accordance with the provisions of Article 11, Grievance Procedure.

J. Rank on the Recall List. Employees shall be ranked on the appropriate recall list and shall be certified to vacancies on the basis of retention points. The Employee with the highest retention points shall be ranked number 1, the next higher, number 2, etc.

K. Laid off Employees on the recall list shall be given first preference in the selection for vacancies over any other eligible lists. The laid off Employee with the highest retention points from the appropriate recall list shall be certified first. Certification of the next highest laid off Employee and subsequent eligibles shall be made only upon the refusal of the position by the higher laid off Employee or should such laid off Employee not be appointed for good cause.

L. The Employer upon request of the Union shall provide the Union, once annually, with copies of current recall lists showing the names of the regular Employees laid off, the departments in which they were last employed, and their total creditable service at the time of their layoff.

M. The time limits for notices contained herein shall not apply to the elimination of a Federally funded position where the Employer has insufficient notice by the Federal government to meet the time requirements.

ARTICLE 10 - TECHNOLOGICAL CHANGES

A. The Employer and the Union recognize that changes in operations resulting from technological innovations may occur. When such changes occur, the Employer shall give first consideration to the utilization of affected Employees in the changed operations. In the event the affected Employees do not possess the requisite skills or knowledge to perform the required work in the new operation and such skills and knowledge can be acquired within a reasonable length of time, the Employer shall provide the necessary training to Employees during working hours and at the Employer's expense.

B. If the job of any Employee is eliminated because of the implementation of new technological innovations, the Employer shall, in the following order of priority: 1) place the Employee in a position comparable in level to the Employee's original position; 2) place the Employee in a lower level position, provided that the Employee shall retain the Employee's existing rate of compensation so long as the Employee remains in the position, or 3) follow the procedure under Article 9, Reduction-In-Force.

C. Any Employee affected by this Article shall be required to meet the minimum qualification requirements for the class in which the Employee may be placed.

ARTICLE 11 - GRIEVANCE PROCEDURE

A. Any complaint by an Employee or the Union concerning the application and interpretation of this Agreement shall be subject to the grievance procedure. Any relevant information specifically identified by the Employee or the Union in the possession of the Employer needed by the Employee or the Union to investigate and process a grievance, shall be provided to them upon request within seven (7) working days. The grievance shall be presented to the appropriate supervisor within twenty (20) working days after the occurrence of the alleged violation, or if it concerns an alleged continuing violation, then it must be filed within twenty (20) working days after the alleged violation first became known or should have become known to the Employee involved, except that in the case of an alleged payroll computational error, such allegation shall be presented to

the department head or designee in writing within twenty (20) working days after the alleged error is discovered by the Employee, or the grievance may not be considered.

B. An individual Employee may present a grievance without intervention of the Union, up to and including Step 3, provided the Union has been afforded an opportunity to be present at the meeting(s) on the grievance. Any adjustment made shall not be inconsistent with the terms of this Agreement. By mutual consent of the Union and the Employer, any time limits within each step may be extended.

C. Informal Step. A grievance shall, whenever possible, be discussed informally between the Employee and the immediate supervisor within the twenty (20) working day limitation provided for in paragraph "A" above. The Employee may be assisted by a Union representative. If the immediate supervisor does not reply by seven (7) working days, the Employee or the Union may pursue the grievance to the next step.

D. Step 1. If the grievance is not satisfactorily resolved at the informal step, the Employee or the Union may submit a written statement of the grievance within seven (7) working days after receipt of the reply to the informal complaint to the division head or designee; or if the immediate supervisor does not reply to the informal complaint within seven (7) working days, the Employee or the Union may submit a written statement of the grievance to the division head or designee within fourteen (14) working days from the initial submission of the informal complaint; or if the grievance was not discussed informally between the Employee and the immediate supervisor, the Employee or the Union may submit a written statement of the grievance to the division head or designee within the twenty (20) working day limitation provided for in paragraph "A" above.

A meeting to discuss the grievance shall be held within seven (7) working days after receipt of the written grievance. Either side may present witnesses. The division head or designee shall reply in writing to the Employee and the Union within seven (7) working days after the meeting.

E. Step 2. If the grievance is not satisfactorily resolved at Step 1, the Employee or the Union may appeal the grievance in writing to the department head or designee within seven (7) working days after receipt of the reply at Step 1. The department head or designee need not consider any grievance in Step 2 which encompasses different alleged violations or charges than those presented in Step 1.

A meeting to discuss the grievance shall be held within seven (7) working days after receipt of the appeal. The department head or designee shall reply in writing to the Employee and the Union within seven (7) working days after the meeting.

F. If the Union has a class grievance involving Employees within a department, it may submit the grievance in writing to the department head or designee. Time limits shall be the same as in individual grievances, as prescribed in Paragraph "A", and the procedures for appeal shall be the same as in Step 3.

If the Union has a class grievance involving Employees from more than one (1) department, it may submit the grievance in writing to the Governor and/or the respective Mayors, or their designees, as the case may be. Time limits shall be the same as in individual grievances, as prescribed in Paragraph "A", and the procedures for appeal shall be the same as in Step 4.

G. Step 3. If the grievance is not satisfactorily resolved at Step 2, the Employee or the Union may appeal the grievance in writing to the Employer or designee within seven (7) working days after receipt of the reply at Step 2. The Employer or designee need not consider any grievance in Step 3 which encompasses different alleged violations or charges than those presented in Step 2.

A meeting to discuss the grievance shall be held within seven (7) working days after receipt of the appeal. The Employer or designee shall reply in writing to the Employee and the Union within seven (7) working days after the meeting.

H. Step 4. Arbitration. If the grievance is not satisfactorily resolved at Step 3 and the Union desires to proceed with arbitration, it shall serve written notice on the Employer or designated representative of its desire

to arbitrate within ten (10) working days after receipt of the reply at Step 3. Representatives of the parties shall attempt to select an Arbitrator immediately thereafter.

If agreement on an Arbitrator is not reached within ten (10) working days after the notice for arbitration is submitted, either party may request the Hawaii Labor Relations Board to submit a list of five (5) Arbitrators. Selection of an Arbitrator shall be made by each party alternately deleting one (1) name at a time from the list. The person whose name remains on the list shall be designated the Arbitrator. No grievance may be arbitrated unless it involves an alleged violation of a specific term or provision of the Agreement.

If the Employer disputes the arbitrability of any grievance, the Arbitrator shall first determine whether the Arbitrator has jurisdiction to act; and if the findings show that the Arbitrator has no such power, the grievance shall be referred back to the parties without decision or recommendation on its merits.

The Arbitrator shall render an award in writing, no later than thirty (30) calendar days after the conclusion of the hearings or if oral hearings are waived then thirty (30) calendar days from the date statements and proofs were submitted to the Arbitrator. The decision of the Arbitrator shall be final and binding upon the Union, its members, the Employees involved in the grievance, and the Employer. There shall be no appeal from the Arbitrator's decision by either party, if such decision is within the scope of the Arbitrator's authority as described below:

1. The Arbitrator shall not have the power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement.
2. The Arbitrator's power shall be limited to deciding whether the Employer has violated any of the terms of this Agreement.
3. The Arbitrator shall not consider any alleged violations or charges other than those presented in Step 3.
4. In any case of suspension or discharge where the Arbitrator finds such suspension or discharge was improper, the Arbitrator may set aside, reduce or modify the action taken by the Employer. If the penalty is set aside, reduced or otherwise changed, the Arbitrator may award back pay to compensate the Employee, wholly or partially, for any wages lost because of the penalty.

The fees of the Arbitrator, the cost of transcription, and other necessary general costs, shall be shared equally by the Employer and the Union. Each party will pay the cost of presenting its own case and the cost of any transcript that it requests.

ARTICLE 12 - TEMPORARY ASSIGNMENTS

A. A temporary assignment shall mean the assignment by a competent authority and the assumption, without a formal change in position assignment, of the significant duties and responsibilities of another position due to:

1. The incumbent of the position not being able to perform the duties of the position,
2. The incumbent of the position also serving on a temporary assignment and the department head certifies that the need for the services is immediate, essential, and in the best interest of the public, or
3. A vacancy that cannot be filled temporarily or permanently by a non-competitive promotion, a provisional appointment from within or outside the service, a transfer or a movement of another Employee and that the department head certifies that the immediate rendition of services is essential and in the best interest of the public and that such temporary assignment shall not exceed one hundred twenty (120) working days; provided however, upon consultation with the Union a temporary assignment may be extended up to an additional sixty (60) working days.

B. When Employees are being considered for a temporary assignment to a position in a higher class, priority shall be given to Employees within the work place who are in the class immediately below the class of the temporary assignment, provided such Employees are capable of satisfactorily performing such assignment. If there is no such Employee in the new lower class in the same series, then to related series in descending order. In the event there is no capable Employee available in the work place, the above order of priority shall be accorded to Employees within the division. In the course of selecting an Employee for temporary assignment consideration shall be given to an Employee's continuous length of service in the class within the jurisdiction. For purposes of this Article, work place shall be defined as that organizational segment which contains the position to which a temporary assignment is to be made, including its subordinate organizational segment. In the event an Employee with greater class seniority is not selected for the temporary assignment, the Employee shall, upon request, be given a written statement of the reason for non-selection.

C. The Employer shall compensate Employees for temporary assignments within thirty (30) days (approximately two pay periods) from the end of each payroll period in which the temporary assignments are performed.

D. Whenever an Employee performs a temporary assignment, the Employer shall provide the Employee with a record of the temporary assignment as evidence of such service for the Employee's personal use and file. Applicable temporary assignment experience may be claimed by an Employee when applying for promotions.

ARTICLE 13 - PROMOTIONS

A. Seniority shall mean an Employee's continuous length of creditable government service in the State and County jurisdictions. Seniority shall not apply to an Employee until the Employee has completed the initial probationary period. Upon satisfactory completion of the Employee's initial probationary period, the Employee shall be credited with seniority from the date of hire.

All authorized leaves without pay shall not constitute a break in service and shall be creditable from computing total continuous length of service. If an Employee's service is involuntarily terminated in good standing and the Employee returns to the governmental jurisdiction which the Employee left within one year, the break in service shall be disregarded, but shall not be considered as creditable service.

B. When making promotions, Civil Service statutes, rules, regulations, and procedures governing promotions which exist on the effective date of this Agreement shall be applied, except as modified below.

1. For competitive promotions, the existing policies on announcement shall remain in effect. For non-competitive promotions, all notices to fill authorized vacancies shall be posted on appropriate bulletin boards for at least ten (10) calendar days prior to the closing date for receipt of applications. If the Employer does not post the notice for the specified number of days as provided in this section, the Employee shall be entitled to submit a late application;

2. With respect to tests and/or examinations used in selecting Employees for promotions, the Employer assures the Union that continuing efforts will be made to use tests and/or examinations that directly relate to the skills, abilities, and qualifications required for the class;

3. An Employee selected for promotion must meet the minimum qualifications;

4. Other factors being relatively equal, seniority shall prevail;

5. In the event an Employee with the greatest seniority applies and qualifies for a promotion and is denied the promotion, if the Employee so requests, the Employee shall be given a written statement of the reasons for denial;

6. Notice of selection shall be posted on the appropriate bulletin board where the vacancy existed;
7. When making promotions, the Employer shall consider the following order of priority:
 - a. In the case of the respective County jurisdictions:
 - 1) Employees within the division where the vacancy occurs;
 - 2) Employees within the department where the vacancy occurs;
 - 3) Employees within the respective jurisdiction.
 - b. In the case of the State jurisdiction:
 - 1) Employees within a division on the island where the vacancy occurs;
 - 2) Employees within the department on the island where the vacancy occurs;
 - 3) Employees within the division (statewide) where the vacancy occurs;
 - 4) Employees within the department (statewide) where the vacancy occurs;
 - 5) Employees within the jurisdiction on the island where the vacancy occurs;
 - 6) Employees within the jurisdiction (statewide).

(Note: The island of Maui includes the islands of Molokai, including Kalaupapa and Lanai.)

ARTICLE 14 - COMPENSATION ADJUSTMENT

A. General Provisions.

1. For purpose of clarification, the provisions of this Article shall not be applicable where an Employee moves from one (1) governmental jurisdiction to another, except as specifically provided herein.

2. For purposes of this Article, "basic rate of pay" means the rate of pay assigned to the salary range and step an Employee is receiving as compensation. H. Compensation for Temporary Assignment Performed.

Compensation for temporary assignment shall be as follows:

1. Except as provided in subparagraph 6., the basic rate of an Employee who performs temporary assignment involving a position assigned to a class in a higher pay range in the salary schedule shall be adjusted in the manner as adjustments for promotion except that any temporary differential which the Employee was receiving shall not be added to the basic rate of pay but shall be retained by the Employee while performing the temporary assignment. Any Employee who performs temporary assignment involving a position for which an adjusted entry rate has been prescribed by the Employer, and whose rate of pay, when adjusted hereunder is below the adjusted entry rate, shall be entitled to an additional amount of compensation which shall be the difference between the Employee's adjusted rate of pay and the adjusted entry rate prescribed by the Employer. This difference, to be referred to as a temporary assignment differential, (TAD) shall not be considered as part of the Employee's base pay. The TAD shall end upon completion of the temporary assignment.

2. An Employee who performs a temporary assignment involving a position assigned to the same or lower pay range in the salary schedule shall continue to be compensated at the Employee's basic rate of pay prior to the temporary assignment. It is provided that any Employee who performs temporary assignment involving a position for which an adjusted entry rate has been prescribed by the Employer, and whose basic rate of pay is below the adjusted entry rate, shall be entitled to an additional amount of compensation which shall be the difference between the Employee's basic rate of pay and the adjusted entry rate prescribed by the Employer. This difference, to be referred to as a temporary assignment differential, (TAD) shall not be considered as part of the Employee's base pay. The TAD shall end upon completion of the temporary assignment.

3. Whenever a temporary assignment involves the assumption of duties and responsibilities of an exempt position not assigned to a salary range (regardless of whether the exempt position is within the bargaining unit or outside of the bargaining unit), Employees will be compensated at the prescribed statutory rate of pay if such rate is higher than the Employee's existing basic rate of pay. If there is no prescribed statutory rate, the appointing authority may exercise discretion in setting compensation for temporary assignment; provided, the compensation shall be no less than the Employee's basic rate of pay.

4. Whenever a temporary assignment is made for an exempt Employee whose position is not assigned to the salary schedule, and whose temporary assignment involves the assumption of the significant duties and responsibilities of a position assigned to a salary schedule outside of the bargaining unit, the following will be used to determine whether the assignment is to a higher pay range:

The maximum rate for the class to which temporary assignment is made is higher than the Employee's existing rate; provided, the dollar difference between the two (2) is more than five percent (5%) of the Employee's existing basic rate of pay.

If the temporary assignment is to a position in a higher pay range, as determined above, the Employee will be compensated at that step in the higher pay range which exceeds the Employee's existing rate by five

percent (5%). If there is no step in the higher pay range which rate exceeds the Employee's basic rate of pay by at least five percent (5%), the Employee shall be compensated at the maximum step in the higher pay range or at the Employee's basic rate of compensation, whichever is greater.

If the temporary assignment does not involve a higher pay range as determined above, the Employee shall be compensated pursuant to subparagraph 2.

TAD shall be provided in the same manner as provided in subparagraphs 1. and 2.

5. Whenever a temporary assignment involves the assumption of the duties and responsibilities of a position in the Excluded Managerial Compensation Plan (EMCP), the following will be used to determine whether the assignment is to a higher pay range:

The excluded managerial position is in a class for which the maximum rate for the class is higher than the maximum rate for the Employee's class; provided, the dollar difference between the two (2) maximum rates is more than the dollar difference between the minimum and second step of the Employee's pay range.

If the temporary assignment involves a position in a higher pay range, as determined above, then the Employee will be compensated by whichever of the following methods of pay computation nets the Employee a greater amount:

a. by adding the dollar difference between the minimum rate of the EM salary range and the Employee's existing salary range to the Employee's existing rate of pay; or

b. by adjusting the Employee's basic rate of pay as though a promotion had occurred within the same salary schedule. (To determine the adjustment, use the following equivalency table: EM-01 equates to SR-24, EM-02 equates to SR-25, EM-03 equates to SR-26, etc.)

If the temporary assignment does not involve a higher pay range as determined above, the Employee shall be compensated pursuant to subparagraph 2.

TAD shall be provided in the same manner as provided in subparagraphs 1. and 2.

6. Compensation adjustments shall not be provided for the following:

a. An Employee whose position includes assuming the duties and responsibilities of the Employee's superior in the absence of the superior and which assignment is recognized in the Employee's position classification and pricing.

b. An Employee who performs duties in accordance with the terms of a formal training agreement entered into with the Employee's department head and approved by the director.

2. The TD pay shall not be considered part of an Employee's basic rate of pay.

3. The TD pay shall be reduced by an amount equal to any adjustment in the Employee's basic rate of pay due to promotion, upward reallocation, or repricing upward actions. When the adjustment due to these actions is greater than or equal to the TD pay, the TD pay shall be terminated.

4. When an Employee with TD pay is demoted or transferred, or whose position is reallocated to a class in the same or lower pay range, the TD shall be continued in the new pay range.

J. Compensation Adjustment for Non-Regular Employees.

1. Movements of non-regular Employees to other civil service positions shall not be classified as promotions, transfers, or demotions, but shall be considered as new appointments and compensation adjustments upon these new appointments shall be as prescribed in this paragraph.

3. A non-regular Employee who is moved from the position in which the Employee was serving a temporary appointment to another position in the same salary range and salary schedule and in the same department shall continue at the same basic rate of pay.

4. Non-regular Employees serving temporary appointments who are converted to initial probational or permanent appointments in the same positions that the Employees were serving temporary appointments will continue to receive the same basic rate of pay they were receiving while serving temporary appointment.

Exempt Employees who move to civil service positions or who are granted civil service status pursuant to legislation shall not have the transaction considered as promotions, transfers, or demotions. Such transactions shall be considered new appointments and pay adjustments upon these new appointments shall be as prescribed in this paragraph.

2. An exempt Employee who is granted civil service status pursuant to legislation shall retain the basic rate of pay the Employee was receiving immediately prior to being granted civil service status; provided:

a. If the Employee's rate of pay falls between two (2) steps in the salary schedule, the Employee shall be compensated at the lower step.

b. If the Employee's rate of pay falls below the minimum step of the salary schedule, the Employee shall be compensated at the minimum step.

c. If the Employee's rate of pay falls above the maximum step of the salary schedule, the Employee shall be compensated at the maximum step.

3. Exempt Employees selected from an open competitive list to civil service positions other than as described in subparagraph 1., shall be compensated at the initial step of the salary range.

L. Compensation Adjustment for Employees Moving to Exempt Appointments.

Movements of Employees to exempt positions shall not be classified as promotions, transfers, or demotions, but shall be considered as new appointments and compensation adjustments upon these new appointments shall be as follows:

N. Compensation Adjustments Following an Intergovernmental Movement Made Pursuant to Law.

When an intergovernmental movement has been made pursuant to law, the compensation of the regular Employee involved shall be adjusted as follows:

1. If the result of the intergovernmental movement is that the Employee moves to a position assigned to a class with a higher pay range in the salary schedule than the previous pay range, the Employee's compensation shall be adjusted in the manner as adjustments for promotion.

2. If the result of the intergovernmental movement is that the Employee moves to a position assigned to a class with the same pay range in the salary schedule as the previous pay range, the Employee's compensation shall be adjusted in the manner of adjustments for transfer.

G. Evidence of satisfactory completion of any training courses or programs shall be placed in the Employee's personnel file and may be used as a factor in giving consideration in the Employee's future promotion; however, said consideration shall not be construed as affording the Employee precedence or preference over other Employees who have demonstrated greater job proficiency or have greater experience.

D. All derogatory material shall be destroyed after five (5) years.

E. The employment history record shall not be destroyed.

F. Such leave shall be for a period not to exceed one (1) year and may not be granted again to the same Employee until the Employee has served an additional period of six (6) continuous years within the applicable governmental jurisdiction. For the purpose of computing continuous years of service in this Article, periods of unauthorized leaves without pay shall not be counted; however, such leaves shall not constitute a break in service.

C. The Employer shall consider at least the following matters in reviewing a request for sabbatical leave:

1. The purpose of the leave is mutually beneficial to the Employee and the Employer;
2. The nature, length and pertinency of educational course work, research, or other professional/educational activity which the Employee plans to undertake during the sabbatical leave are consistent with the needs of the service;
3. The Employee's absence will not adversely affect the operations of the department; and
4. The Employee's work performance record and seniority (continuous length of service in the applicable governmental jurisdiction).

D. In the event a request for sabbatical leave is denied, the Employee may request and shall be provided the reasons for denial in writing from the Employer.

E. Employees on sabbatical leave shall be paid an amount equal to one-half of the basic compensation which the Employee was receiving at the commencement of the leave. Basic compensation shall include any negotiated increase in the schedule as may be provided for in the Agreement. The payments shall be made in accordance with regular pay periods.

F. An Employee granted sabbatical leave may engage in other employment provided the primary purpose for which the leave was granted is met.

G. Before being granted a sabbatical leave, an Employee shall enter into a contract with the Employer which shall provide for the following:

1. The Employee shall agree to return to work upon termination of sabbatical leave or any other leave which may be granted by the Employer immediately following the sabbatical leave. If the Employee fails to report for work upon termination of sabbatical and/or any other leave granted under this Agreement, the Employee shall be considered to have resigned and shall refund all monies received while on sabbatical leave.
2. Upon return from sabbatical leave and/or any other leave granted under this Agreement, the Employee shall agree to work in the appropriate department for a period of two (2) continuous years. If the Employee fails to do so, the Employee shall refund all monies received from the Employer while on sabbatical leave; provided, however, in the event of the death of the Employee, the requirement to refund all monies shall be waived. In the event the Employee is unable to continue employment due to illness or injury, the Employer and the Union, by mutual agreement, may shorten the return period.

3. The Employee shall be guaranteed a return to the Employee's position or an equivalent position at the expiration of the sabbatical leave and/or any other leave granted under this Agreement. Upon the Employee's return, the Employee shall have the same salary range and step that the Employee had at the time of taking the leave and the Employee's increment date shall be advanced equivalent to the duration of the leave, provided it is not inconsistent with terms of this Agreement.

4. The Employee shall not accrue any vacation or sick leave credits during the period of sabbatical leave.

5. Any other provisions deemed necessary by the department to be included in the contract.

C. Any Employee elected or appointed to attend a Statewide Leadership Conference of the Union may be given a leave of absence without pay or vacation leave for the duration of the conference including reasonable travel time.

D. Unless otherwise provided by law, no Employee on leave of absence without pay shall be entitled to accrue or accumulate vacation allowance, sick leave, service credit for increments and longevity increases or other rights and benefits for the term of the leave but the Employee shall not lose seniority for the purpose of determining length of service.

1. All Employees shall earn vacation leave at the rate of one and three-quarters (1-3/4) working days for each month of service. For the purpose of this Article, a workday is defined as an eight-hour (8) workday.

2. If such Employees render less than a month of service, their vacation allowance for such month shall be computed as follows:

Actual Days of Service	Working Days of Leave
For 1 to 3	0
For 4 to 6	2
For 7 to 9	:
For 10 to 12	1
For 13 to 15	13
For 16 to 18	12
For 19 or more	1:

The term "actual days of service" shall include paid holidays.

3. Individuals who are employed on a temporary, contractual or substitute basis while on vacation from another position in the State government or any political subdivision of the State shall not earn vacation allowance for such employment.

4. Vacation allowance shall accrue to an Employee while on leave with pay unless specifically prohibited by the Agreement.

5. No vacation allowance shall accrue:

a. During the period of any vacation leave or sick leave granted when the employment terminates or is to terminate at the end of such leave.

b. During the period the Employee is on leave without pay, except for the period on leave for disability and is being paid Workers' Compensation therefor.

c. During any period of valid suspension which is sustained in the event an appeal is made by the Employee.

d. During any period of unauthorized leave.

e. During any period the Employee is on educational leave.

6. Vacation for an Employee Serving a Provisional Appointment. An Employee serving a provisional appointment shall not be entitled to a vacation leave with pay. However, a provisional appointee shall be entitled to earn and accrue vacation allowances during the term of provisional appointment and if upon the termination of provisional appointment the Employee receives probationary or limited term or permanent appointment in the same position, the Employee shall be credited with the allowances earned and accrued during the provisional appointment and if the Employee does not become such limited term, probationary, or regular Employee, the vacation allowance shall be automatically forfeited. It is provided, however, that a regular Employee who receives a promotion through a provisional appointment shall be considered to be a regular Employee and shall continue to earn vacation allowance.

7. Vacation for a Non-regular Employee Serving a Temporary Appointment Outside the List (TAOL). A non-regular Employee serving on a TAOL basis shall not be entitled to a vacation leave with pay. However, whenever the duration of the TAOL is for longer than one year, including any extensions granted for a specific appointment, the non-regular Employee shall be entitled to (a) earn vacation leave beginning with the first month of the second year in accordance with A.1. and A.2., and (b) use the vacation leave accrued in accordance with the provisions of this Article. Whenever a non-regular Employee's TAOL is ended, any vacation leave accrued shall be automatically forfeited.

B. Accumulation of Vacation Leave.

1. An Employee may accumulate up to twenty-one (21) days of vacation leave per calendar year until the Employee accumulated the first forty-two (42) days. Subsequently an Employee may accumulate not more than fifteen (15) days of vacation leave per calendar year, even if the total accumulated days fall below forty-two (42) days. However, vacation leave in excess of fifteen (15) days per year may be accumulated for good cause when a request for such accumulation is approved by the department head provided such request shall be accompanied by a stipulation that the Employee shall take such excess vacation days at a specified time. If the Employee fails to take this vacation at the time stipulated, the Employee shall forfeit the excess accumulation of vacation leave unless for good reason an extension of time is granted by the department head.

2. Vacation leave shall be administered on a calendar year basis and recorded at the end of each calendar year.

3. Any Employee who is entitled to an annual vacation may accumulate for the succeeding year or years such unused portion of vacation allowance as is permitted above, provided that the total accumulation shall not exceed ninety (90) working days at the end of the calendar year. If any recorded accumulation of vacation allowance at the end of any calendar year shall exceed ninety (90) working days, the Employee shall automatically forfeit the unused vacation allowance which is in excess of the allowable ninety (90) working days.

4. Nothing in this Article contained shall be construed to prohibit the taking or to require the forfeiture, of any vacation which is validly granted and the taking of which is commenced on or before the last working day of any calendar year, notwithstanding that the recording of the current accrued vacation allowance for such year on the last day thereof might result in an accumulation of more than ninety (90) working days including the working days of the vacation so granted and then being taken, but the period of such vacation shall be regarded for all purposes as if the same had been entirely taken on or before the last day of such calendar year.

5. Whenever the Employee's accumulated vacation credit exceeds ninety (90) working days the Employee shall receive cash payment in lieu of vacation to the extent of the excess if, upon investigation by the Comptroller of the State or the respective county director of finance, it is found that the excess vacation credit resulted from the Employee's inability to be allowed vacation time off because of orders of the appointing authority; otherwise the Employee shall automatically forfeit the excess.

6. Whenever an Employee is unable to take scheduled vacation because of illness, the Employee shall be permitted to reschedule the Employee's vacation; however, if the duration of illness is such that the vacation cannot be rescheduled within the calendar year and to protect against the forfeiture of excess vacation, the Employee shall be permitted to substitute vacation for sick leave or take such excess vacation immediately upon the conclusion of such sick leave.

C. Taking Vacation Leave Granted.

1. When a vacation is requested on a proper application by an Employee, it shall be granted and taken at such time or times as the department head may designate, provided, that it shall be as close to the requested period as conditions in the department will permit, and so as to prevent any forfeiture of vacation allowance.

2. When a vacation is granted, it may include, in accordance with the law and at the request of the Employee, all vacation allowance accrued up to the end of the Employee's last full month of service immediately preceding the commencement of the vacation. For non-regular Employees who earn vacation allowance pursuant to A.7, the vacation granted may include, at the request of the Employee, all vacation allowance accrued up to the commencement of the vacation.

3. Whenever an Employee's vacation leave which has been approved on the appropriate leave application form is rescinded, non-refundable travel and lodging expenses incurred by the Employee shall be reimbursed by the Employer.

4. No vacation leave of less than one (1) hour may be granted. However, when payment in lieu of vacation is legally permissible, or when the Employee's service will not continue at the expiration of the vacation, such payment may include a prorated amount for any fraction of a working day of vacation allowance to which the Employee is entitled.

D. Vacation Charged Only for Working Hours.

1. Employees on vacation shall have charged against their vacation allowances all working hours or fraction to the nearest 1/4 hour thereof which occur during the period of the Employee's vacation.

2. Employees normally working eight-hour (8) days, other than between the hours of 7:45 a.m. and 4:30 p.m. and/or other than between Monday and Friday inclusive, shall have charged against their vacation allowances only those hours or fraction to the nearest 1/4 hour thereof they were scheduled to work or would have worked had they not taken vacations.

E. Priority of Scheduling Vacation Leave. Priority in scheduling annual leave shall be given to Employees on the basis of seniority within the office. The priority shall be rotated in descending order according to seniority to assure that each Employee will receive priority scheduling at least once.

F. Recall from Vacation.

1. An Employee may be recalled to duty before the expiration of any granted vacation when, in the opinion of the department head, the Employee's services are required. In such event the Employee shall be paid for all work performed at the rate of one and one-half (1 2) times the Employee's regular rate of pay during such period the Employee is recalled from vacation and shall be granted unused vacation days at a time mutually agreed upon.

2. An Employee who is summoned during vacation to serve as a witness or juror in any judicial proceedings, except those which may involve or arise out of the Employee's outside employment or personal

business or private affairs shall, if the Employee serves, be permitted to reschedule the Employee's vacation for another mutually agreed upon time.

G. Advance Vacation. Advance vacation shall be granted only where an Employee has exhausted all earned vacation allowance and is detained out of the State of Hawaii for a cause which the Employee establishes to the satisfaction of the department head to be out of the Employee's control. An Employee so detained shall immediately communicate with the department head and request such advance vacation and, if the same is granted, it shall be considered as taken with the express understanding that if such leave is not later earned during the term of employment the unearned portion of the vacation pay so advanced will be repaid, and on demand of the department head to the Employer by the Employee or the Employee's executors and administrators out of the Employee's estate, if the Employee is deceased, or deductions may be made for such unearned portion from any salary due the Employee, or from any monies in the annuity savings fund of the Employee's retirement system of the Employer to the credit of the Employee.

H. Effect of Transfer to Position in Which Vacation Allowance is Not Earnable. When an Employee is transferred from or otherwise relinquishes one position in which vacation allowance may be earned, and accepts employment in another position in the service of the Employer in which vacation allowance may not be earned, the Employee may be deemed, for purposes of receiving pay in lieu of vacation, to have terminated services. But in the event that the Employee is not eligible under the circumstances to receive pay in lieu of vacation, the acceptance of such new employment shall not of itself have the effect of forfeiting any vacation allowance to which the Employee is entitled. Pay for lapsed vacation in excess of the maximum allowed may be granted only as permitted by law.

I. Pay for Vacation Allowance Upon Termination.

1. Whenever a termination of services takes place, the Employee is to be paid, in accordance with law, for vacation allowance either in a lump sum or in the normal manner except as provided in subsection 2.

2. When payment in a lump sum is made, the sum payable for vacation allowance shall be equal to the amount of compensation to which the Employee would be entitled or which would be allowed during the vacation period if the Employee were permitted to take the Employee's vacation in the normal manner. It is provided that whenever an Employee is discharged for cause, the lump sum vacation allowance payable shall be computed on the basis of the Employee's accumulated vacation hours multiplied by the Employee's hourly rate of pay as of the effective date of discharge.

3. However, if the Employee is immediately rehired by the Employer and will continue to earn vacation allowance, such a payment shall not be made.

4. An Employee who, pursuant to the U.S. Universal Military Service and Training Act or other Federal statute is called or ordered and reports either voluntarily or involuntarily for active military duty with a branch of the U.S. Armed Forces shall be deemed to have terminated services for the purposes of this Article. The Employee's choice of lump sum payment for vacation allowance will not of itself cause the forfeiture of unused sick leave credits.

J. In the event that a vacation request is denied by the department head, the Employee may request the reasons for the denial in writing be furnished.

ARTICLE 36 - SICK LEAVE

A. Earning of Sick Leave.

1. All Employees shall earn sick leave at the rate of one and three-quarters (1 3/4) working days for each month of service. For the purpose of this Article, a workday is defined as an eight-hour (8) workday.

2. If such Employees render less than a month of service, their sick leave allowance for such month shall be computed as follows:

D. Application for Sick Leave.

1. Application for sick leave shall be filed on a form prescribed by the Employer or designee, within five (5) working days after return to duty; provided, that in the event such Employee dies before that time or before returning to duty, the Employee's executor or administrator or department head if deemed proper may file such application within six (6) months after the Employee's death. The department head shall require the Employee to submit a licensed physician's certificate for absences of five (5) or more consecutive working days to substantiate the fact that the period of absence was due entirely to sickness and that the Employee is physically and/or mentally able to resume the duties of the position. The department head may require the Employee to be examined by a physician of said department head's choice provided the department assumes the cost of the physician's services.

When an Employee resigns from a position to accept a position in another department of the Employer as the result of a transfer (including promotion, demotion, or original appointment) or in case of any other movement from one department to another of the Employer, the Employee shall not thereby forfeit any unused accumulated sick leave allowance credit in the department from which the Employee was transferred or moved. If, after the date of such transfer, the Employee uses any or all of such cumulative sick leave credit the appropriation of the department to which the Employee is transferred shall bear the entire charge thereof. In no event, shall the appropriation of the department from which the Employee was transferred or moved be charged for any cumulative sick leave taken after the date of transfer or movement.

H. Credit for Sick Leave during Vacation. When sickness lasting one or more consecutive working days occurs during a vacation, the period of sickness shall, upon submittal of a licensed physician's certificate or other satisfactory proof of such sickness as deemed necessary by the department head, be charged as sick leave, and the charge against vacation allowance shall be reduced accordingly.
