EFFECT OF AGREEMENT

3.1 This Agreement constitutes the entire Agreement of the Trustees and the Union, arrived at as a result of meeting and conferring. This Agreement supersedes all previous Agreements, understandings, policies, and prior practices related to matters included within this Agreement.

3.2 The parties acknowledge that, during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to offer proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Except as provided for in this Agreement, the Employer and the Union, for the life of this Agreement, voluntarily and unqualifiedly waive the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter referred to or covered by this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge of or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

Informal Level
5.7 An employee shall have the right to present an informal request for reconsideration and to have such request considered in good faith by an appropriate administrator.

5.8 An employee, whenever possible, shall attempt to resolve an alleged policy violation with the appropriate administrator. A resolution of the alleged policy violation shall not be precedent-setting.

5.9 If the issue is not resolved through informal discussions, the employee may file a Level I formal request for reconsideration with the appropriate administrator no later than twenty-one (21) days after the event giving rise to the request, or no later than twenty-one (21) days after the employee knew or reasonably should have known of the event giving rise to the request.

Level I - Formal

5.10 The formal request for reconsideration shall state clearly and concisely on a form, a copy of which appears as Appendix F:

a. The specific written CSU policy or rule alleged to have been violated, misapplied, or misinterpreted.

b. A detailed description of the reasons for the request, including names, dates, places and times necessary for a reasonable understanding.

c. The remedy sought.

The employee shall include in the request a written statement indicating the reason that any proposed settlement at Level I was unsatisfactory.
Level II - Presidential Review

5.13 The President may hold a meeting with the employee at a mutually acceptable time and location. At this meeting, pertinent information may be presented, orally or in writing, to the President. The President shall respond to the employee in writing no later than twenty-one (21) days after the filing of the Level II request or twenty-one (21) days after a Level II meeting, if such a meeting occurs.

A designated individual in the Office of the Chancellor shall respond to the employee in writing no later than twenty-one (21) days after the filing of the Level III request, or twenty-one (21) days after a Level III meeting if such a meeting is held. This response shall be a final decision.

General Provisions

5.19 Failure of the employee to comply with the time limitations of this Article shall render the request null and void and bar subsequent filing of the request.

5.20 Failure by the appropriate administrator, or the President, to respond in a timely manner under this Article shall permit the request to be filed at the next level.

5.21 Prior to filing a request, the employee and representative, if any, shall each be provided with one (1) hour release time for preparation and reasonable time for presentation of the request for reconsideration at the Informal Level.
5.22 After the request has been filed, a representative and the employee shall be provided reasonable release time for the purpose of preparation and presentation of the request.

5.23 Both parties agree that files pertaining to a request for reconsideration shall be confidential.

5.24 The parties, by mutual agreement, may consolidate requests on similar issues at any level.

5.25 A decision by an employee to submit a request for reconsideration pursuant to the terms of this Article shall constitute a waiver of all other remedies and access to procedures provided for anywhere else in this Agreement.

5.26 Time limits set forth in this Article may be extended by mutual agreement.

5.27 An employee may withdraw a Request for Reconsideration at any time. The employee shall not file any subsequent request on the same alleged incident.

5.30 An employee may present Requests for Reconsideration and have such requests adjusted without the intervention of the Union provided that the Employer will not agree to a resolution of the request until the Union has received a copy of the request and the proposed resolution and has been given the opportunity to file a response.

5.31 An employee shall not suffer reprisals for participation in the processing of a Request for Reconsideration filed pursuant to this Article.

5.32 When the employee alleges a violation, misapplication or misinterpretation of a CSU policy which prohibits sexual harassment and/or discrimination on the basis of race, religion, color, sex, sexual preference, age, disability, marital status and/or national origin, the employee may address his/her complaint to the campus Affirmative Action Officer or other appropriate administrator specifically designated to review sexual harassment and/or discrimination complaints. This may be instead of the appropriate administrator as provided in Articles 5.7 and 5.11 above, and shall be at the employee's option.
ARTICLE 6

6.1 The CSU retains and reserves unto itself, without limitation, whether exercised or not, all powers, rights, authorities, duties and responsibilities which have not been specifically abridged, delegated or modified by this Agreement.
Article 7

CONTRACTING OUT

7.1 When the President deems it necessary in order to carry out the mission and operations of the campus, the President may contract out work.

7.2 The Union may request to meet and confer on the impact of contracting out work when such contracting out is to be on a long-term basis. “Long term basis” in this provision means six (6) months or more. The CSU shall meet with the Union for this purpose within thirty (30) days of such a request.
ARTICLE 8

UNION RIGHTS

8.1 Upon request of the APC, the CSU shall provide at no cost facilities not otherwise required for campus business for union meetings that may be attended by employees during non-worktime.

8.2 The APC shall bear the cost of all campus materials and supplies incident to any union meeting or union business conducted on campus. The APC shall also bear the cost of any overtime pay or other extraordinary clean-up costs which may be incurred as a result of the union meeting. When a meeting request is submitted and the APC inquires, the campus shall inform the APC whether or not costs shall be charged.

8.3 Intra-campus mail service shall be available to the APC at no cost for official union communications. The APC shall package and label materials for convenient handling according to the normal specifications of the campus, which shall be communicated upon request of the APC. The name of the APC shall appear on all union materials sent through the campus mail service.

8.4 The APC shall have the use of an adequate number of designated bulletin boards for the posting of union material. Such bulletin boards shall be visible and accessible to employees and in areas frequented by employees.

8.5 A copy of union material posted on bulletin boards and union material extended for general distribution to employees through campus mail service shall be provided in a timely manner to the appropriate administrator.

8.6 Union business involving employees shall be conducted during non-worktime except as provided for elsewhere in this Agreement. Union business shall not interfere with campus programs or operations.

8.7 APC Representatives shall have the right to visit members of the unit on the campuses during non-worktime. The appropriate administrator shall be notified of the presence of an APC Representative who is not a campus employee either upon the representative's arrival at the campus or by telephone in advance of arrival.

8.8 The campus personnel office shall provide to the APC upon request, a monthly list of all employees new to the bargaining unit, employees reclassified, and those who have terminated their employment. Such lists shall contain names and work locations and shall be provided at no cost to the APC.

8.9 Upon request of the APC, employee lists and public information shall be provided to the APC. An employee's home address shall be released to the APC unless the employee has officially informed the CSU that he/she wishes the home address
withheld. The cost of such employee lists and public information shall be borne by the APC.

8.10 No more than two (2) stewards shall be designated by the APC from among bargaining unit employees at each campus. The APC shall, within fourteen (14) days of the execution of this Agreement and thereafter within fourteen (14) days of a change in designation of a steward, advise the President and the Office of the Chancellor in writing of the name of the union steward(s) and alternate on each campus.

8.11 The CSU shall provide release time of one (1) full day for each scheduled meet and confer session for up to six (6) employees in the bargaining unit. Additional release time shall be provided on an individual basis to meet special needs related to transportation and work schedules.

Up to three (3) APC representatives shall be provided with release time to attend Board of Trustees meetings. Requests to attend such meetings shall be submitted to the Office of the Chancellor far enough in advance to permit scheduling of APC speakers pursuant to rules and regulations of the Trustees and to arrange the appropriate release time.

8.12 Upon request of the APC made pursuant to (1) or (2) below, the CSU shall grant a union leave without loss of compensation as follows:

(1) **Statewide Officer Leave Effective July 1, 2000:**

   (a) The APC shall submit to the CSU in advance of the first date of leave requested a list of employees who are entitled to leave as APC Statewide Officers pursuant to this provision. Not more than two such Officers at any one campus may be designated. Such a list shall include the employee's name and campus.

   (b) Leave hereunder shall not exceed an aggregate amount for all Statewide Officers of 780 days per contract year to conduct union business. No more than 260 days of union leave taken under this provision may be used at any one campus in a contract year. Notice of any absence must be given to the campus by the employee at least 5 working days in advance of the absence. No carry over from one FY to another is permitted. The CSU reserves the right to refuse union leave requests for bona fide work reasons. APC must report to the CSU when the statewide or campus maximum is reached.

   (c) Such leaves may be partial or full time and for any individual employee shall not exceed 260 days. An employee on such a leave shall continue to earn service credit and retirement credit. Vacation, holiday and sick leave credit(s) shall not accrue during such a leave. The employee on such a leave shall have the right to return to his/her former position upon expiration of the leave. Such a leave shall not constitute a break in service for the purpose of salary adjustments, sick leave, vacation, or seniority.

(2) **Steward Leave Effective July 1, 2000:**
APC shall furnish to the CSU per 8.10 an up-to-date list indicating the one or two stewards assigned to each campus that will be eligible for union leave hereunder. Such leave shall not exceed a total of 13 days per year at a campus for the steward(s) to conduct union business provided that all the requirements of provision 8.6 are met. Notice of any absence must be given to the campus by the employee at least 5 working days in advance of the absence. No carry over from one FY to another is permitted. APC must report to the President when the maximum is reached at each campus. The CSU reserves the right to refuse union leave requests for bona fide work reasons.

8.13 APC may request unpaid leaves of absence for a specified period of time for members of the bargaining unit designated by APC. Such leaves shall be subject to provisions of Article 22, Leaves of Absence Without Pay.

8.14 It is the intent of this provision to provide payroll dues deduction for APC members to be deducted from their pay warrants insofar as permitted by law. The CSU agrees to request that the Controller deduct and transmit to APC all authorized deductions from all APC members within the bargaining unit who have signed and approved authorization cards for such deductions on a form provided by APC, less necessary administrative costs incurred by the State Controller. Such employee authorization may be withdrawn at any time, provided the employee follows APC's procedures for withdrawal.

8.15 The amount of dues deducted from APC members' pay warrants shall be set by APC and changed by the CSU upon written request of APC. APC shall give the University thirty (30) days notice of any changes in deduction amounts.

8.16 Employees shall be free to join or not to join APC.

8.17 APC agrees to indemnify, defend, and hold the CSU harmless against any claim made of any nature and against any suit instituted against the CSU arising from its payroll deduction for APC dues and deductions.

8.18 An employee shall not suffer reprisals for participation in union activities.
ARTICLE 9

CONCERTED ACTIVITIES

9.1 Employees shall not engage in strikes or any other concerted activity which would interfere with or adversely affect the operations or mission of the CSU.

9.2 The Union shall not promote, organize, or support any strike or other concerted activity which would interfere with or adversely affect the operations or mission of the CSU.

9.3 The Union shall play a responsible role in preventing any employee from participating in any concerted activity and shall notify employees of such prohibitions.

9.4 The CSU agrees that it will not lock out any bargaining unit employee(s).

10.3 Level I - Formal

a. The formal grievance shall state clearly and concisely on a grievance form, a copy of which appears as Appendix E:

the grievant of the expedited grievance. Level III time limits shall commence on the date
the grievant was so notified.

e. In the event the grievance is not settled at Level II, the grievant may

b. In the event the grievance is not settled at Level III, the exclusive
representative may, by written notice to the Office of the Chancellor no later than thirty
(30) days after the Level III response, file for arbitration of the grievance.

10.6 Level IV - Arbitration

a. Grievances filed for arbitration following both parties’ ratification
of this Agreement through the expiration date of this Agreement shall be submitted for
hearing to a Permanent Arbitrator. The parties appoint Douglas Collins to serve as
Permanent Arbitrator during the foregoing period, subject to the provisions in b. below.
This appointment is subject to its acceptance by the Permanent Arbitrator. Grievances
filed for arbitration prior to both parties’ ratification of this Agreement shall be processed
in accordance with the prior Agreement. Grievances under this Agreement shall be
normally heard in the order that they were filed for arbitration unless the parties mutually agree otherwise.

b. In the event that (1) the appointment is not accepted by the Permanent Arbitrator, or (2) the Permanent Arbitrator becomes unavailable, for any reason, to hear cases for a period of 4 months or more, the parties shall attempt to agree upon a successor Permanent Arbitrator during the next thirty day period. If no agreement is reached, the parties will use the procedures of the Voluntary Labor Arbitration Rules of the American Arbitration Association to select arbitrators to hear grievance disputes on a case-by-case basis. The Permanent Arbitrator may be replaced at any time upon mutual agreement of the parties.

c. If an arbitrability question exists, a two-stage hearing will be required. The parties, pursuant to the procedures described herein, shall select an arbitrator to convene a formal hearing and render a written decision relative to the question of arbitrability.

1. If the grievance is found not arbitrable, the grievance shall be deemed null and void.

2. If the grievance is found arbitrable, the arbitrator shall hear the merits of the grievance. This provision shall not prohibit the parties from mutually agreeing to address both the arbitrability and merits of the grievance in one hearing, or from mutually agreeing to select a second arbitrator to hear the merits of the grievance.

3. Nothing contained herein shall prevent the parties from settling the grievance prior to the second arbitration hearing.

4. The arbitrator's decision on arbitrability shall be in writing and shall set forth his/her findings, reasonings, and conclusions on the issues submitted.

d. At least twenty-one (21) days prior to the scheduled date of arbitration, there shall be a pre-arbitration conference at which representatives of the parties shall discuss issue statements, documents and evidence to be presented at the hearing.

e. The Voluntary Labor Arbitration Rules of the American Arbitration Association shall apply at Level IV, except when the specific language of this Agreement is in conflict, in which case the specific language of the Agreement shall apply.

f. It shall be the function of the arbitrator to rule on the specific grievance. The arbitrator shall be subject to the following limitations:

1. The arbitrator’s awards shall be based solely upon the evidence and arguments appropriately presented in the hearing and upon any post-hearing briefs.
2. The arbitrator shall have no power to alter, add to, detract from, or amend the provisions of this Agreement. The arbitrator shall be without power to make any recommendation which requires the commission of an act prohibited by law, or which is violative of the specific terms and conditions of this Agreement.

3. The arbitrator shall not consider any issue not raised by the parties at Level III of this Agreement.

4. An arbitrator shall not make an award which will supersede the substance of the President's professional judgment. An arbitrator shall not make awards concerning the amount, or granting or denial of performance pay, nor shall he/she have authority to order monetary relief in any grievance concerning the performance pay program.

5. The award of the arbitrator may or may not include back pay provided, however, that any back pay award shall not be in excess of twenty-four (24) months salary less the difference of any compensation including unemployment benefits that the employee received. Under no circumstances may interest be included in an award.

6. The standard of review for the arbitrator is whether the CSU violated a specific term of the Agreement.

7. The arbitrator's decision on the merits shall be in writing and shall set forth his/her findings, reasonings, and conclusions on the issues submitted.

8. A final decision or award of the arbitrator shall be made within thirty (30) calendar days of the close of the hearing.

g. The arbitrator's award shall be final and binding upon both parties.

h. Each party shall bear the expenses of preparing and presenting its own case. Expenses, wages, and other compensation of any witnesses called before the arbitrator shall be borne by the party calling such witnesses. The cost for the services of the arbitrator shall be borne equally by the parties.

i. Upon appointment, the Arbitrator shall have authority to rule on pre- and post-hearing procedural disputes between the parties, including hearing continuances and/or extensions of briefing schedules. Such decisions shall be in writing and made on a case-by-case basis based on the facts of the situation.

j. Except as provided in this Provision 10.6j, all hearings shall be held on the campus on which the formal Level I grievance arose and was filed. The following types of hearings shall, at the request of either party, be held at a mutually agreeable location in the Los Angeles area: (1) arbitrability hearings that do not involve any campus witnesses (excluding APC stewards and the campus Employee Relations Designee), and (2) arbitrability or merits hearings for a grievance accepted by the Chancellor’s Office as a systemwide grievance.
General Provisions

10.7 Failure of the grievant to comply with the time limitations of this Article shall render the grievance null and void and bar subsequent filing of the grievance. Failure by the appropriate administrator, President, or designated individual in the Office of the Chancellor to timely respond under this Article shall permit the grievance to be filed at the next level.

10.8 Prior to filing a grievance, the potential grievant and representative, if any, shall each be provided with one (1) hour release time for grievance preparation and reasonable time for grievance presentation at the Informal Level.

10.9 After the grievance has been filed, a representative and the grievant shall be provided reasonable release time for the purpose of preparation and presentation of the grievance.

10.10 A reasonable number of witnesses for a grievant who are CSU employees shall be provided with reasonable release time for presenting testimony at an arbitration hearing. 10.11 The parties agree that all grievance files and/or the content of grievance meetings shall be confidential. Grievance records shall be kept in a file separate from the grievant's personnel file.

10.12 An employee may present grievances and have such grievances adjusted without the intervention of the exclusive representative as long as adjustment is reached prior to arbitration. Such adjustment shall be consistent with the terms of the written Agreement then in effect. Once a request for arbitration has been made, the Employer will not agree to a resolution of a grievance until the exclusive representative has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response.

10.13 Time limits set forth in this Article may be extended by mutual agreement.

10.14 In cases where it is necessary for the grievant or his/her representative to have access to information for the purpose of investigating a grievance, the grievant or his/her representative shall make a written request for such information to the appropriate administrator. The grievant or his/her representative shall have access to all information which would assist in adjusting the grievance exclusive of information defined as "confidential" or "personal" pursuant to the Information Practices Act of 1977 or the HEERA.
10.15 Except for cases already assigned to an arbitrator, the processing of grievances filed and unresolved prior to the effective date of this Agreement shall proceed under the provisions of the grievance procedure as amended by this Agreement.

10.16 By mutual agreement, a grievance may be filed at the step at which the authority to resolve the grievance resides.

10.17 A grievant may withdraw a grievance at any time. The grievant shall not file any subsequent grievance on the same alleged incident.

10.18 The parties, by mutual agreement, may consolidate grievances on similar issues at any level.

10.19 A grievance settled prior to a final arbitration award shall not be precedent-setting.

10.20 A decision by the APC to submit a grievance to arbitration shall automatically be a waiver of all other remedies (except as provided otherwise by statute).

10.21 No representative or agent of the exclusive representative may solicit complaints or grievances during the employee’s worktime.

10.22 An employee shall not suffer reprisals for participation in the processing of a grievance filed pursuant to this Article.

An employee shall normally be sent a copy of any material to be placed in the personnel file at the time of placement. An employee shall be provided with a copy of material which could lead to an adverse personnel action no later than fourteen (14) days after the placement of such material in his/her personnel file.

11.2 An employee shall have the right of access to reports, documents, correspondence, and other material officially maintained in his/her campus personnel file.

11.3 An employee may request an appointment for the purpose of inspecting his/her personnel file. Such requested appointments shall be scheduled during normal business hours. The manner of inspection shall be subject to reasonable conditions.

The employee shall bear the cost of duplicating such materials, except as provided for in Article 10, Grievance Procedure, or Article 18, Evaluations, or when such materials have bearing on disciplinary action or corrective action matters.

11.6 If, after examination of his/her records, an employee does not agree with the contents of any material in the file, the employee may submit a written rebuttal. This written rebuttal shall become part of the employee's personnel file.

11.7 If, after examination of his/her records, an employee believes that any portion of the material is not accurate, relevant, or complete, the employee may request, in writing, correction of the record. Within twenty-one (21) days of an employee's request for correction of the record, the President shall notify the employee in writing of his/her decision regarding the request. If the President denies the request, the President shall state the reason(s) for denial in writing, and this statement shall be sent to the employee. If the President grants the request for correction of the record, the record shall be corrected. The employee shall be sent a copy of the corrected record and a written statement that the incorrect record in question has been permanently removed from the employee's personnel file.

11.8 Final personnel decisions relating to promotion, retention, tenure/permanency for permanent or probationary employees shall be based primarily on material contained in the employee's personnel file and open to the employee's
inspection. Final personnel decisions relating to disciplinary actions shall be based primarily on material contained in the employee's personnel file and open to the employee's inspection.

11.9 If a personnel decision as referenced in provision 11.8 above must be based on information not contained in the employee's personnel file, that information shall be committed to writing and this written statement shall be a part of the employee's personnel file. The appropriate administrator shall respond in writing. Such a request shall not be unreasonably denied.

11.10 Materials submitted by an employee during a performance evaluation shall be deemed incorporated by reference in the official personnel file, but need not be physically placed in the file. An index of such materials shall be prepared by the employee and submitted with the materials. Such an index shall be permanently placed in the personnel file. Materials incorporated by reference in this manner shall be considered part of the personnel file for the actions set forth in provision 11.8 of this Article. Upon the completion of a performance evaluation, indexed materials may be returned to the employee.

11.11 No one shall have access to pre-employment materials in the personnel file, except when such access is required pursuant to the Information Practices Act of 1977 or when such material may have an effect on a personnel action under consideration.

11.12 Attendance and payroll records maintained separately from the personnel file may be reviewed by the employee within a reasonable period of time after the request is made. Such attendance and payroll records shall be excluded from provisions of Article 11, Personnel File.

11.13 Upon the employee's request, a reprimand in the personnel file shall be permanently removed three (3) years from its effective date. If a notice of disciplinary action has been served on the employee and such a reprimand is related to the disciplinary action, this provision shall not be implemented.

11.14 Employees' personnel files shall be held in confidence and shall be subject to inspection only by persons with official business.

11.15 The classification/reclassification of a position to which an employee is assigned shall not be considered a personnel decision as defined in provision 11.8 above.

16.22 An employee eligible for Continuing Education training may request to participate in such activities in accordance with campus procedures and provision 16.12 above.
ARTICLE 17

ASSIGNMENT/REASSIGNMENT

17.1 An employee shall receive an initial assignment at the time of appointment.

17.2 The President may, consistent with the provisions of this Article, reassign an employee any position/duties which the President determines to be necessary and desirable to the CSU's operations/programs.

17.3 Unless a reassignment is for training purposes, an employee who believes he/she has been reassigned to a position for which his/her qualifications are not commensurate may:

   a. request a meeting with the appropriate administrator to discuss the employee's qualifications;

   b. place in his/her personnel file a written statement indicating the reasons the employee believes the reassignment is not commensurate with his/her qualifications.

17.4 An employee may be temporarily assigned to a position in a higher or lateral classification by the President for up to one (1) year, when the President determines such an assignment is in the best interests of the campus. An employee shall be provided with notice of such a temporary assignment at least fourteen (14) days prior to the effective date of such a temporary assignment.

   Said notification shall include a copy of his/her position description.

If a position description is to be altered, the employee shall be provided with a copy of the altered position description at least seven (7) days prior to its effective date. Position descriptions shall reflect the employee's assigned duties and responsibilities.

17.5 After thirty (30) consecutive calendar days in a temporary assignment at a higher classification, an employee shall begin to receive the appropriate compensation of the higher classification. If any such future assignments within a twelve (12) month period extend for more than fourteen (14) consecutive calendar days, the employee shall receive the appropriate compensation of the higher classification from the first day of such an assignment. Days on which an employee is absent from work on a paid leave shall not constitute a break in "consecutive calendar days" as the term is used in this Article.

17.6 An employee serving such a temporary assignment of duties of another classification shall be provided with a letter of verification of such service upon request.
of the employee. A copy of such a verification shall be placed in the personnel file of the employee.

17.7 At the end of the temporary assignment of duties of another classification, the employee shall be returned to his/her former position or an equivalent position in the same classification from which he/she was temporarily reassigned.

17.8 Student assistants may be assigned to perform work for which the President determines they are qualified. Such work may be work performed by employees in the bargaining unit.

17.9 Appropriate administrators may perform work normally performed by employees in the bargaining unit when the President determines that the performance of such work is necessary and desirable to the CSU’s operations/programs.

17.10 When the CSU determines that there may be a need for implementation of any procedures in Article 33, Layoff, the number of student assistant hours and the number of administrators shall not be increased for the purpose of performing bargaining unit work.

Teaching Responsibilities

17.11 A qualified employee, as part of his/her assigned duties, may develop, develop and teach, or teach University approved courses related to student services.
ARTICLE 18

EVALUATION

General Provisions

18.1 The appropriate administrator shall inform the employee in writing that a performance evaluation shall take place. Performance evaluation procedures shall be determined by the President. Such procedures shall be put in writing and made available to employees.

18.1 A. The following provisions 1-4 are effective commencing with 1999/2000 evaluations:

1. Employees shall be evaluated on at least an annual basis utilizing the following criteria:
   a. Quality of the employee’s work
   b. Quantity of the employee’s work
   c. Professional judgment and responsibility (also including attendance abuse and working relationships)
   d. Specific contributions to the campus/CSU and/or specific contributions to the community in areas directly related to the employee’s work assignment, if applicable.

2. Performance evaluations shall be based on the direct observation or supervision of the employee’s work during the period since the employee’s last performance evaluation. In the event the evaluator has not directly observed or supervised the employee’s work, the evaluation shall be based primarily on the content of the employee’s official personnel file.

3. Performance evaluations shall be prepared in draft form. Such evaluation shall refer to key incidents relied on if they are not documented in the personnel file. A copy will be given to the employee who shall have 14 days to submit a rebuttal (if any) to the evaluator before the evaluation is finalized. An employee may elect to submit any such rebuttal (accompanied by the draft evaluation it rebuts) to his/her personnel file. Any documents referenced in the draft evaluation which are not part of the employee’s official personnel file at the time the draft is submitted to the employee shall be placed in the file at that time.

4. An employee may submit materials for consideration during the performance evaluation process, including evaluative material from campus and community sources generated by individuals familiar with the employee’s work.
18.2 A written record of a final performance evaluation shall be placed in the employee's personnel file and subject to the provisions of Article 11, Personnel File. The employee shall be provided with a copy of the written recommendation, if any, made at each level of the review.

18.3 If an employee disagrees with the record of a final performance evaluation which has been placed in his/her personnel file, the employee may submit a rebuttal statement which shall be attached to the record of the performance evaluation.

18.4 A performance evaluation shall not be considered a final personnel decision as referred to in Article 11.

18.5 All final decisions regarding permanency shall be made by the President.
ARTICLE 19

SICK LEAVE

19.1 Following completion of one (1) qualifying pay period, a full-time employee shall accrue eight (8) hours of credit for sick leave with pay. Thereafter, for each additional qualifying pay period, eight (8) hours of credit for sick leave with pay shall be accrued.

19.2 Employees who are appointed less than full time shall accrue credit for sick leave with pay on a pro rata basis.

19.3 Sick leave may be accumulated without limits, and no additional sick leave with pay beyond that accumulated shall be granted, except as provided for in provision 19.24.

19.4 An employee shall be responsible for promptly reporting an absence to the appropriate administrator.

19.5 An employee shall be responsible for promptly completing and signing the campus absence form and returning the absence form to the appropriate administrator or his/her designee.

19.6 The President may require an employee to verify the claimed reason(s) for absence of more than three (3) consecutive days by submission of a physician's statement or other verification.

19.7 When the appropriate administrator has reasonable cause to believe there has been an abuse of sick leave, an employee may be notified that he/she is required to provide a physician's statement or other appropriate verification for any future absences.

19.8 Under no circumstances may an employee be granted sick leave for days during which the employee is laid off, or on a leave of absence without pay or during periods when the campus or department is closed and the employee is not required to work.

19.9 An employee on vacation who becomes ill or injured and submits a physician's statement or other appropriate verification may request his/her vacation leave for such days be converted and charged to his/her accumulated sick leave. Such requests shall not be granted during any period after notice of pending separation.

19.10 Absences Chargeable to Sick Leave

The use of sick leave may be authorized by the President only when an employee is absent because of:
a. illness or injury;

b. exposure to contagious disease;

c. dental, eye, or other physical or medical examinations or treatments by licensed practitioners;

d. illness or injury in the immediate family;

e. death of a person in the immediate family; and

f. childbirth or disability related to pregnancy.

19.11 "Immediate family" shall mean a close relative or person residing in the immediate household of the employee, except domestic employees and roomers.

19.12 Sick leave for family care is primarily for emergency situations. Up to five (5) days of accrued sick leave credit may be used for family care during any one (1) calendar year. The appropriate administrator may authorize the use of additional sick leave for family care.

19.13 The President may authorize up to forty (40) hours of accrued sick leave for bereavement pursuant to provision 19.10e. When one (1) or more deaths occur in a calendar year, up to forty (40) hours of accrued sick leave credit may be authorized for each death.

19.14 Any disability caused by, or contributed to by, pregnancy is a justification for the use of sick leave and should be handled in the same way as illness or injury. A female employee in work status is entitled to use ten (10) days sick leave for childbirth. A physician's verification may be required for use of sick leave in excess of these ten (10) days.

19.15 A female employee on a maternity leave pursuant to Article 22 of this Agreement shall be entitled upon return to work status to use earned sick leave for the period of time she was disabled immediately prior to and immediately following childbirth. Earned sick leave shall only be charged for workdays in such a period of time. Normally, ten (10) days of earned sick leave may be charged. A physician's verification may be required for the use of earned sick leave pursuant to this provision in excess of ten (10) days.

19.16 Upon request by an employee, the President may authorize the use of unpaid sick leave or the use of vacation for an employee who has exhausted his/her accumulated sick leave.

19.17 An employee may be required to undergo a medical examination as directed by the President if the President questions the employee's ability to perform
his/her required duties. When such an examination is by a physician selected by the Employer, the CSU shall bear the cost of such medical examination. Time required to travel to and from the physician's office and time spent at the physician's office shall be considered time worked.

19.18 In the event an employee disagrees with the medical findings of the CSU-selected physician, the employee shall have the right to examination by a physician of his/her choice. The employee shall be required to bear the cost of such examination. The President shall consider the medical report from the employee's physician.

19.19 When an employee has restricted ability to carry out his/her duties due to illness as indicated by medical evidence or when an appropriate administrator observes an employee unable to perform his/her duties, the President may direct an employee to take sick leave.

Supplement to Industrial Disability Leave

19.20 Upon written notification to the CSU by an eligible employee, he/she may elect to supplement Industrial Disability Leave (IDL) payments with charges to his/her accrued sick leave. Such an election shall be made no later than fifteen (15) days after the report of the injury for which IDL is being paid.

19.21 Such supplement shall continue until the employee has exhausted his/her accrued sick leave or until the employee provides to the CSU written notification he/she wishes to discontinue the supplement. Such a notice shall be provided fifteen (15) days prior to the effective date of such a discontinuation.

19.22 Such a supplement to IDL payments shall not result in the employee receiving a payment in excess of his/her regular salary or wage.

19.23 All payments received by an employee while on IDL shall be subject to mandatory and authorized voluntary deductions.

Catastrophic Leave Donation Program

19.24 Any CSU employee who accrues vacation or sick leave credits may voluntarily donate either of those credits to any other CSU employee on the same campus, if the recipient employee has exhausted all accrued leave credits i.e., sick leave, vacation, and CTO due to a catastrophic illness or injury. Catastrophic illness or injury is an illness or injury that has totally incapacitated the employee from work.

The following provisions shall apply:

a. An employee, his/her representative or the employee's family member must request the employee's participation and provide appropriate verification of illness or injury as determined by the campus President. The President shall then
determine the employee's eligibility to receive donations based upon the definition provided above.

b. An incapacitated employee may elect to defer a request to participate during a period of Industrial Disability Leave eligibility.

c. Employees may donate a maximum of thirty-two (32) hours of leave credits per fiscal year in increments of one hour or more. Donations are irrevocable.

d. Donated leave credits may be used to supplement only Industrial Disability Leave, Non-Industrial Disability Leave or Temporary Disability payments from the State Compensation Insurance Fund upon the application for these benefit(s) by an eligible employee. The total amount of leave credits donated and used may not exceed an amount sufficient to ensure the continuance of the employee's regular monthly rate of compensation.

e. The total donated leave credits shall normally not exceed an amount necessary to continue the employee for three calendar months calculated from the first day of catastrophic leave. The President may approve an additional three-month period in exceptional cases. The leave should not be deemed donated until actually transferred by the campus record keeper to the record of the employee receiving leave credits.

f. For employees whose appointments have not been renewed, donated time may not be used beyond the employee's appointment expiration date in effect at the beginning of the disability.

g. Only vacation and sick leave credits may be donated.

h. Donated leave credits may not be used to receive service credit following a service or disability retirement.

i. Any CSU union may solicit leave donations from bargaining unit employees for direct transfer to employees eligible to receive such leave credits.

j. Catastrophic illness or injury may also include an incapacitated member of the employee's immediate family if this results in the employee being required to take time off for an extended period of time in order to care for the family member and the employee has exhausted both all of his/her accrued vacation credits and all of his/her accrued sick leave credits which may be used for family care in accordance with the appropriate collective bargaining agreement. Only donated vacation credits may be used for such family care catastrophic leave. Immediate family member shall be defined in accordance with the definition contained in the sick leave provisions of the collective bargaining agreement covering the recipient employee.
k. The provisions of this program shall be subject to the grievance procedure contained in the collective bargaining agreement covering the grieving employee.

l. Pledged leave credits will be formally transferred to the recipient employee only at the end of a pay period, and then in chronological order of the dates actually pledged. This will insure that any unused leave credits are never actually transferred until they can in fact be used by the recipient employee. In the event that an employee is unable to use all pledged credits in a pay period, the most recently donated leave credits which cannot be utilized will then never formally be transferred, thereby guaranteeing that they are in no way lost by an employee who wants to donate them in order to help a co-worker who needs the credits.
ARTICLE 20

LEAVES OF ABSENCE WITH PAY

Judicial Leave

20.1 An employee who serves on jury duty shall receive his/her regular salary only if he/she remits the amount received for such duty to the CSU. Payment for travel expenses and subsistence received by the employee need not be remitted. If the employee elects to retain the jury duty fees, his/her time off for jury duty is not compensable. The employee may elect to use vacation or CTO to cover the time off.

20.2 An hourly employee shall be eligible for time off with pay for jury duty only for those hours he/she was scheduled to work.

20.3 An employee who is called for jury duty shall promptly notify the appropriate administrator and shall make efforts to arrange jury duty at a time least disruptive to his/her work schedule.

20.4 The employee is required to notify in writing the appropriate administrator prior to taking leave for jury duty. Verification of actual service for jury duty shall be provided by the employee when requested by the appropriate administrator.

Military Leave

20.5 Emergency military leave, temporary military leave, and indefinite military leave shall be granted to eligible employees in accordance with state and federal law. This provision shall not be subject to Article 10, Grievance Procedure, of this Agreement.

Absence as a Witness

20.6 Employees serving as court-subpoenaed witnesses or expert witnesses in the interest of the CSU shall seek the payment of witness fees. Whenever possible, employees shall confer with the attorney requesting their appearance to determine whether certified copies of appropriate documents would be suitable and would eliminate the need for a court appearance.

20.7 An employee who is absent as a court-subpoenaed witness or expert witness in the interest of the CSU shall be paid the normal salary for the corresponding period of absence. All court fees (except personal travel and/or subsistence payments) shall be remitted to the CSU. If the employee does not remit such fees, an amount equal to the fees shall be deducted from the employee's salary. No vacation or compensatory time off (CTO) shall be used in such cases.
20.8 An employee who is party to a suit or who is an expert witness not serving in the interest of the CSU shall appear on his/her own time and may seek the payment of witness fees. The employee shall be charged vacation or CTO, and if no vacation or CTO is available, the employee shall be docked for the period of absence.

Funeral Leave

20.9 For each death of a significantly close person, upon request to the President, the employee shall be granted two (2) days leave with pay. If such a death of a significantly close person requires the employee to travel over five hundred (500) miles from his/her home, upon request such a leave with pay shall be granted for three (3) days.

20.10 A leave granted in accordance with provision 20.9 above may be supplemented in accordance with the bereavement provision in Article 19, Sick Leave, if requested by the employee.

20.11 The term "significantly close person" as used in this Article shall only mean a spouse and the employee's or his/her spouse's mother, father, grandmother, grandfather, grandchild, son, son-in-law, daughter, daughter-in-law, brother, sister, or person living in the immediate household of the employee except domestic employees and roomers.

Citizen's Necessity Leave

20.12 Any non-citizen unit member who is completing a process for becoming a U.S. citizen upon written request may be granted two (2) hours time off without loss of pay to attend oath of allegiance ceremonies.

20.13 An employee who would otherwise be unable to vote outside of his/her regular working hours may be granted up to two (2) hours of worktime without loss of pay to vote at a general, direct primary, or presidential primary election. An employee shall be required to request such leave time from the appropriate administrator at least two (2) working days prior to the election.

Maternity/Paternity/Adoption Leave

20.14 An employee shall be entitled to up to twenty (20) workdays "maternity/paternity/adoption leave" (as defined in Provision 22.5 and subject to the requirements of provision 22.8) with pay, which shall commence with the arrival of the new child. A maximum of twenty (20) workdays with pay per calendar year shall be provided in connection with the placement of one or more foster children with the employee. Such leave runs concurrently with any other related leaves for which the employee is eligible.
ARTICLE 21

NON-DISCRIMINATION

21.1 It is the policy of the CSU to prohibit discrimination against bargaining unit employees on the basis of race, color, religion, national origin, sex, sexual orientation, marital status, pregnancy, age, disability, or veteran’s status. Any allegations by an employee that he/she has been the victim of such discrimination shall be adjudicated solely under the grievance procedure provided in Executive Order No. 419 as hereby amended in this Article.

21.2 Executive Order 419 is amended to provide for advisory fact-finding upon appeal to Level III as follows. If a complaint response at Level II is unsatisfactory to the complainant, and the complainant appeals the complaint to Level III, the complainant may request in writing, to the Office of the Chancellor, an advisory fact-finding investigation of the complaint. The request for the supplemental advisory fact-finding investigation must be filed no later than fourteen (14) days after the Level II response. If a request for advisory fact-finding is not made, and a Level III complaint is not filed in the fourteen (14) day period, the complaint will be considered settled. Upon receipt of an appeal to Level III, the Office of the Chancellor may also exercise the option of an advisory fact-finding investigation.

21.3 Upon receipt of the request for an advisory fact-finding investigation, a member of a panel drawn from the resources of the American Arbitration Association will be asked to review all issues and evidence presented for the Level II complaint. A written report of the outcomes of the advisory fact-finding investigation shall be sent to the Office of the Chancellor and to the complainant. The advisory fact-finding report will be considered in the determination of the Level III complaint.

21.4 The advisory fact-finding hearing will be held in accordance with the Voluntary Labor Arbitration Rules of the American Arbitration Association. The cost of such hearing, excluding advocate, unilateral withdrawal, postponement, or cancellation fees, shall be borne equally by the parties. Expenses for witnesses, however, shall be borne by the party who calls them.

21.5 If the Union is not representing the complainant, then the complainant will bear the costs associated with his/her processing of a complaint under Executive Order 419 as hereby amended in this Article.
ARTICLE 22

LEAVES OF ABSENCE WITHOUT PAY

22.1 A full-time employee or a less than full-time permanent employee may be granted a full or partial leave of absence without pay. Leaves of absence without pay shall normally be limited to one (1) year.

22.2 Leaves of absence without pay may be granted in accordance with this Article for the following purposes or reasons:

a. loan of an employee to another governmental agency;

b. outside employment that would lessen the impact of a potential layoff or a layoff;

c. temporary incapacity due to illness or injury;

d. family care or medical leave

e. to care for a “significantly close person” as defined in provision 20.11 with a serious health condition; and

f. other satisfactory reasons.

Leaves of absence without pay granted for c. and d. above shall also be subject to Article 19, Sick Leave. Periods of disability related to pregnancy are subject to the provisions of Article 19, Sick Leave. Leaves under e. above to care for a “significantly close person” other than a child, parent or spouse of the employee, shall not be considered a family care or medical leave under provisions 22.4 and 22.6 though 22.16.

22.3 A written application for a leave of absence without pay or an extension of a leave of absence without pay shall be submitted to the President. The President shall determine if such a leave shall be granted and the conditions of such a leave. The applicant shall receive a written response regarding granting or denial of the leave.

22.4 Family care or medical leave shall refer to a leave for reason of the birth of a child of the employee, the placement of a child with an employee in connection with the adoption or foster care of the child by the employee; or to care for a child, parent or spouse of the employee who has a serious health condition; or for the employee's own serious health condition. Family care leave shall be pursuant to provisions 22.6 through 22.16 of this Article.

22.5 "Maternity/paternity/adoption leave" shall refer to a leave for the purpose of a parent preparing for the arrival of a new infant and the care of a new infant.
A permanent employee is entitled to a maternity/paternity/adoption leave without pay of up to twelve (12) months upon his/her written request, subject to the conditions of provision 22.12 of this Article. This leave shall satisfy the family care leave requirements of permanent employees for reason of the birth of a child of the employee, the placement of an infant child with an employee in connection with the adoption or foster care of the child by the employee; or to care for an infant child who has a serious health condition. At least thirty (30) days prior to the ending date of the leave, the employee shall inform the appropriate administrator in writing of his/her intention to return from leave. Changes in the terms of the leave may be made by mutual agreement of the appropriate administrator and the employee.

22.6 An employee who has at least one academic year or twelve (12) months of service, is entitled to a family care or medical leave without pay.

22.7 Eligible employees may take up to a total of twelve (12) weeks of family care or medical leave in a twelve (12) month period, including any periods of absence with pay for family care or medical leave purposes.

22.8 For family care or medical leave taken for reason of the birth of a child or adoption/foster care of a child by an employee, any leave taken shall be initiated within one (1) year of the birth of a child or placement of a child with the employee in the case of adoption/foster care.

22.9 Before granting a family leave for the serious health condition of a child, parent or spouse, the President may require certification of the serious health condition from the health care provider.

22.10 Upon expiration of the period which the health care provider originally estimated that the employee needed to care for the child, parent or spouse, the President may require the employee to obtain re-certification if additional leave is requested.

22.11 An employee may use sick leave during the period of family leave upon mutual agreement between the employee and appropriate administrator, and the use of such sick leave during the period of family leave shall not be limited to forty (40) hours as required in provision 19.12 of this Agreement. The use of sick leave shall be in accordance with the appropriate provisions of Article 19 of this Agreement.

22.12 Family care and medical leave are separate and distinct from the right of a female employee to take a pregnancy disability leave under Government Code Section 12945, subdivision (b) (2). If a female employee takes part or all of the maximum four (4) months of pregnancy disability leave, she may request up to twelve (12) weeks additional family care or medical leave for reason of the birth of her child, or due to her own serious medical condition. Any combination of family care or medical leave and pregnancy disability leave shall run concurrently with the period of maternity/paternity/adoption leave available to a permanent employee pursuant to provision 22.5 of this Article.
22.13 An employee shall provide the President with reasonable written notice of the need for family leave as soon as the event necessitating the leave becomes known to the employee. In general, as much advance notice as possible will be provided. In cases of emergency, when no advance notice is possible, written notice of the need for leave shall be provided within five (5) working days of learning of the need for the leave.

22.14 If the employee's need for family leave is foreseeable due to the planned medical treatment or planned supervision of a child, parent or spouse with a serious health condition, the employee shall provide the President with not less than fourteen (14) days notice of the need for the leave. The employee shall consult with the appropriate administrator regarding the scheduling of the treatment or supervision so as to minimize disruption of the operations of the University.

22.15 The granting of a family care or medical leave assures to the employee a right to return to his/her former position or a comparable position upon expiration of the family leave. If the former position and any comparable position has ceased to exist due to legitimate business reasons unrelated to the leave, the University shall make reasonable accommodation by alternative means only if such alternative means would not cause an undue hardship on the campus. Such alternative means shall include, but not be limited to, offering the employee any other position which is available and for which the employee is qualified. The University is not required, however, to create additional employment which would otherwise not be created, discharge or layoff another employee, transfer another employee, or promote another employee who is not qualified to perform the job. The family care or medical leave shall not constitute a break in service for the purposes of length of service and/or seniority under this Agreement.

22.16 An employee on family care or medical leave shall retain employee status and shall continue to accrue seniority points pursuant to Article 33 of the Agreement during the period of the family care or medical leave. During a family care or medical leave an employee may continue to participate in benefits to the same extent and under the same conditions as would apply to any other personal leave of absence without pay pursuant to this Agreement. However, if any paid portion of the family care or medical leave is less than 12 weeks, upon request of the employee to continue coverage, the CSU shall continue to make Employer contributions toward health, dental and vision coverage for the unpaid remainder of the twelve (12) week period. If an employee fails to return at the end of the family care or medical leave, the CSU may require repayment of insurance premiums paid during the unpaid portion of the leave. The CSU shall not require repayment of premiums if the employee's failure to return is due to his/her serious health condition or due to circumstances beyond the employee's control.

22.17 The leave of absence of a temporary employee eligible for such leave pursuant to this Article shall terminate upon the expiration of that employee’s temporary appointment.
22.18 Upon the expiration of an authorized leave of absence without pay, an employee has the right to return to his/her former position or an equivalent position within his/her classification and the time lost shall not constitute a break in service.

22.19 An employee who is on a leave of absence without pay shall not return to active pay status prior to the expiration of such a leave without written approval of the President.

22.20 Service credit shall not be granted to an employee on a leave of absence without pay, except when the leave is granted pursuant to provision 8.13, Article 8, Union Rights, or when the President determines that the purpose of the leave is of benefit to the campus and expressly grants such service credit.

22.21 When requested by the President, an employee granted a leave of absence without pay shall provide verification that the conditions of the leave were met.

22.22 An employee on a leave of absence without pay for more than fifteen (15) working days may opt to continue his/her benefits at his/her own expense. An employee on a leave of absence without pay for fifteen (15) working days or less shall receive benefits only if the employee earns a sufficient amount to cover his/her share of any benefit costs.
ARTICLE 23

SALARY

23.1 The salary schedule that pertains to employees in this bargaining unit shall be the schedule found in Appendix G of this Agreement.

Employees may receive GSIs, MSIs, Performance Pay Increases, and/or salary adjustments due to in-range progression on the salary schedule.

23.2 An employee shall be assigned to a rate within the open salary range appropriate to his/her classification.

General Salary Increase For 2000/01

23.3 For fiscal year 2000/01 the salary ranges in Appendix G and the individual salary rates of employees shall be increased by three percent (3.00%), effective July 1, 2000.

Merit Service Increases - 2000/01

23.4 A Merit Service Increase (MSI) is upward movement on a salary range. For the fiscal year 2000/01, employees eligible and authorized to receive an MSI shall receive a one and two tenths percent (1.2%) increase effective July 1, 2000 if the employee has completed the required consecutive months of qualified monthly service per provision 23.6.

In no event shall an employee’s salary exceed the maximum of her/his salary range as a result of an MSI.

23.5 Upon determination by the appropriate administrator as to whether or not the employee has performed in a satisfactory manner as of July 1, 2000, the adjustment shall be authorized or denied in writing. Employees who have not received a performance evaluation with an overall rating below satisfactory (or its equivalent) during the 12-month service period (July, 1999 – June, 2000) shall be deemed to have performed in a satisfactory manner. The employee shall be provided with a copy of the written authorization or denial.

Decisions regarding the granting or denial of MSIs shall not be subject to Article 10, Grievance Procedure. However, APC may grieve an alleged violation of a specific term of this provision 23.5, subject to provision 10.6.f.4.

23.6 An employee who is eligible for an MSI may receive such adjustment effective on July 1, 2000. The required service for a ten (10) month or 10/12 employee is the completion of twelve (12) pay periods and ten (10) months of qualifying service. The required service for an eleven (11) month or 11/12 employee is the completion of twelve
The parties expressly agree that any MSI program in effect in fiscal year 2000/01, 2001/02 and 2002/03 will not continue forward or survive after the expiration of this Agreement. Any MSI program in effect in a fiscal year shall not continue forward to another fiscal year, or survive, unless the parties expressly so agree.

No MSIs will be granted above, nor shall the granting of an MSI result in a salary rate above, the range maximum. An employee eligible and authorized to receive an MSI who is below the range maximum shall receive only that part of a 1.2% (for FY 2000/01) increase necessary to raise his/her salary to the range maximum.

23.7 Bonus/Stipend Programs

a. Bonus/stipend programs shall be established as provided in 23.7b., 23.9b.2 and 23.9c.2. Such programs shall consist of one-time lump-sum payments to employees which are not re-occurring base salary increases. An amount equal to the budgeted cost of a six tenths percent (.6%) GSI effective July 1, 2000 [10% of the total budgeted Unit 4 compensation increase pool] shall be provided to pay for the bonus/stipend programs in each year of this Agreement (FY 2000/01, 2001/02 and 2002/03). The provision of this amount shall not diminish the GSI provided in 23.3.

Upon the expiration of this Agreement, the bonus programs provided in the Agreement shall continue in effect utilizing the available funds as specifically provided in this Agreement, unless modified in accordance with HEERA. However, CSU shall not be required to provide additional funds for the bonus programs unless such additional funds are provided in a successor collective bargaining agreement.

b. Long-Term Satisfactory Service Bonus Program Effective 7/1/00

A lump sum bonus shall be paid to all eligible employees who, during the period 7/1/00 through 6/30/01, complete a 5-year anniversary of continuous campus employment beginning at the employee’s 10th year (employee’s 10th, 15th, 20th, 25th, 30th, 35th, 40th, etc. years of qualified monthly service on the campus). To be eligible, the employee must not have received a performance evaluation with an overall rating below satisfactory (or its equivalent) during the 5-year period immediately preceding the employee’s appropriate 5-year anniversary (10th, 15th, 20th, 25th, 30th, 35th, 40th, etc.). For eligible employees paid on a 12-month basis, the bonus amount shall be equal to 5% of the employee’s monthly salary rate as of the employee’s 5-year anniversary date, multiplied by 12. Eligible employees on other pay plans shall receive an appropriate pro-rata amount. Each employee’s bonus amount shall be expressed as a percentage of the employee’s previous calendar year’s earnings (including overtime, if any).
Decisions regarding the granting or denial of a Long-Term Satisfactory Service Bonus shall not be subject to Article 10, Grievance Procedure. However, APC may grieve an alleged violation of a specific term of this provision 23.7, subject to provision 10.6.f.4.

**Performance Pay**

23.8

A. Performance pay for Unit 4 employees shall be in the form of a permanent increase in the base salary of the individual, on the salary schedule in Appendix G, or shall be in the form of a one-time bonus (not a permanent increase in the base salary of the individual) in the case of Unit members who have reached the maximum rate of his/her salary range in Appendix G. Such bonus will not be added to, or considered part of, any employee’s base salary. Bonuses do not apply to MSIs.

B. The maximum performance salary increase and/or performance bonus per employee in one fiscal year is 7.5% (in addition to any MSI that is awarded that year).

C. The effective date of Performance Pay Increases shall be July 1, 2000, for 2000/01 performance increases.

D. During contract year 2000/01, the CSU may expend twenty percent (20%) of the total budgeted Unit 4 FY 2000/01 compensation increase (including associated benefits costs), on performance pay for Unit 4 employees.

E. For FY 2000/01, each campus will be allocated an amount of money from the systemwide Unit 4 performance pool per D. above. Funds dedicated to this program on each campus shall be based on the most recent available actual FY salaries paid to bargaining unit positions.

F. There shall be the following distribution of the funds for the performance pay program on a campus:

(1) President withholds 10%.

(2) All remaining funds (90%) distributed to campus organizational units to be determined by the President who will consult with the campus steward or APC designee concerning the campus organizational units selected.

The funds from F(2) above will be allocated on a prorated basis to said campus organizational units based upon the Unit 4 salary pool for the units (without affecting the President’s 10% pool in F(1)).

Any performance pay money not expended in the fiscal year for either base pay increases or bonus awards will be rolled over for use on that campus for performance pay during the succeeding fiscal year.
G. In addition to the performance pay fund established for General Fund employees, a similar fund shall be established for all non-General Fund employees on each campus. The amount of the performance pay pool for non-General Fund employees shall be the same percentage amount of their salaries and related benefit cost as is the case for General Fund employees. An individual campus may augment its General Fund employee performance pay pool above the amount specified in the contract, and the non-General Fund performance pay pool may exceed the amount provided for herein.

H. The following procedure applies to performance pay only but not MSIs: Employees may be nominated by a supervisor/administrator, or may self-nominate. The head of the campus organizational unit, or designee, will review nominations in accordance with I, below and then will submit his/her recommendation on recipients and amounts to the President. The President, or designee, may concur or disagree with the recommendations, may change the amount of any recommended increase, and/or may grant an increase for any Unit 4 employee that was not recommended by the head of his/her campus organizational unit. The total amount awarded at this level shall not exceed the President’s pool in F(1) above. The President or designee shall, after consideration of all appropriate recommendations in accordance with I, below, select the recipients and determine the appropriate amount of the increases to be granted.

I. Performance pay decisions shall be based on the employee’s most recent performance evaluation completed prior to the performance pay recommendation deadline. Prior to making performance pay recommendations or decisions, the evaluation, in conjunction with all supporting documentation used as the basis for the evaluation, shall be reviewed at each level.

J. Grievability: Decisions regarding the granting or denial of performance pay, or the amount, shall not be subject to Article 10, Grievance Procedure. However, APC may grieve an alleged violation of a specific term of this provision 23.8, subject to provision 10.6.f.4.

K. Timelines for nominations, recommendations, decisions, communication to recipients, etc., to be determined at each campus by the President who will consult with APC.

FY 2001/02 and 2002/03 Total Compensation Increase and Distribution

23.9 a. The 2nd (Fiscal 2001/02) and 3rd (Fiscal 2002/03) year total compensation increases will be equal in percent to the CSU’s final State Budget Appropriations for increases in staff bargaining unit compensation for the relevant year. If discretionary funds are appropriated and used for an additional general staff bargaining
unit compensation increase, such additional percentage increase will be applicable to Unit
4 employees. Budgeted and appropriated funds earmarked for specific staff bargaining
unit compensation increases, or for faculty or non-represented bargaining unit
compensation increases shall not be applicable to Unit 4 employees.

Each year’s compensation percentage increase shall be distributed to Unit 4
employees in accordance with the following formula established for allocating the
total compensation increase:

50% for a General Salary Increase, 20% for a discretionary base Performance Pay
Increase, 20% for a Merit Service Increase, 10% for the Bonus/Stipend Programs.

b. Fiscal Year 2001/02

1. General Salary Increases, Merit Service Increases and discretionary base
Performance Pay Increases will be effective July 1, 2001, in amounts determined by the
formula in 23.9a. above. These increases will be applied in the same manner as provided
for FY 2000/01.

2. Bonus/Stipend Programs Effective 7/1/01

a) The Long-Term Satisfactory Service Bonus Program in 23.7b. above shall be
continued, utilizing available Bonus/Stipend Pool funds accumulated per provision 23.7a.
and the formula in 23.9a. above.

b) Educational Achievement Stipend Program

A lump sum stipend shall be paid to employees who have received a masters or doctoral
degree from an accredited institution during their current employment with the CSU. The
amount of the stipend shall be determined by dividing the available Stipend Program
funds by the eligible employees, with doctoral degree recipients receiving a stipend 25%
above the amount paid to masters degree recipients. The available Stipend Program
funds shall be determined by subtracting the cost of the Fiscal Year 2001/02 Long-Term
Satisfactory Service Bonus Program from the available total Bonus/Stipend Program
funds for Fiscal Year 2001/02 accumulated per provision 23.7a. and the formula in 23.9a.
above.

c. Fiscal Year 2002/03

1. General Salary Increases, Merit Service Increases and discretionary base
Performance Pay Increases will be effective July 1, 2002, in amounts determined by
the formula in 23.9a. above. These increases will be applied in the same manner as
provided for FY 2000/01.

2. Bonus/Stipend Programs Effective 7/1/02
a) The Long-Term Satisfactory Service Bonus Program in 23.7b. above shall be continued, utilizing available Bonus/Stipend funds accumulated per provision 23.7a. and the formula in 23.9a. above.

b) The Educational Achievement Stipend Program shall be continued for employees who receive a masters or doctoral degree during Fiscal Year 2002/03. The amount of the stipend shall be the same as paid to eligible employees in Fiscal Year 2001/02 per 23.9b.2.b) above, and shall be paid out of available Bonus/Stipend funds accumulated per provision 23.7a. and the formula in 23.9a. above.

c) Funds remaining in the Fiscal Year 2002/03 Bonus/Stipend pool accumulated per provision 23.7a. and the formula in 23.9a. above, after payment of the 2002/03 Long-Term Satisfactory Service Bonuses and Educational Achievement Stipends, shall be expended on professional development activities in accordance with Article 16.

Salary Adjustments Due to Change in Classification

23.10 When an employee moves to a class with a lower salary range within the same series, the appropriate rate in the salary range shall be determined by considering any previous related service in a higher or lower class. Notwithstanding the above, in no case shall the new salary exceed the rate previously received in the higher class.

23.11 When an employee moves to a class with a lower salary range in another series, the appropriate rate in the salary range shall be determined by the appropriate administrator. Notwithstanding the above, in no case shall the new salary exceed the rate previously received in the higher class. Determination of the appropriate rate in such cases shall be made by applying the criteria that would normally be used for making an initial appointment to that class.

23.12 When an employee moves without a break in service to a class with a higher salary range, the appropriate rate in the salary range shall be determined by the appropriate administrator. The rate in the higher salary range shall approximate an increase of four and eight tenths percent (4.8%).

Additional Bonus Programs - Campus Funded

23.13 The CSU may award lump sum bonuses (not a permanent increase in base salary) for reasons other than performance as described in provision 23.8. Such
bonuses may be awarded at the discretion of the President at any time and may be used only for the following three reasons:

a. A recruitment bonus may be offered to a candidate as an inducement to commit to employment with the CSU. If the candidate does not complete the probationary period, the bonus must be returned to the CSU.

b. A retention bonus may be awarded to an employee for staying with the CSU and who is in a position in a classification that is critical to the ongoing operations of the CSU, is in short supply in the labor market, and is difficult to recruit for classification. The requirements for the retention bonus must be in writing. The minimum time period that an employee must commit to stay with the CSU in order to receive a retention bonus is twelve (12) months.

c. A critical skills bonus may be awarded to an employee who possesses and uses skills that are necessary and critical to the ongoing operations of the CSU. The employee must be actively using the skills in order to receive the bonus.

d. Provision 23.13 shall not be subject to Article 10, Grievance Procedure. The decision of the President to award or not award a bonus under this provision, or regarding the amount of such a bonus, shall be final and non-grievable. However, APC may grieve an alleged violation of a specific term of this provision 23.13, subject to provision 10.6.f.4.

e. The bonuses in this provision 23.13 shall be campus funded.

23.14 For non-exempt employees, all bonus and stipend awards per this Agreement are based on a percentage of the employee’s annual gross salary, including overtime.

23.15 An increase in an employee’s pay rate within a salary range of a classification due to increased responsibilities and skills of the employee, or for market or pay equity reasons, is referred to as in-range progression. When an in-range progression occurs, the appropriate salary increase shall be determined by the President. Such increases shall be campus funded. This provision 23.15 shall not be subject to Article 10, Grievance Procedure. The decision of the President to award or not award an in-range increase under this provision, or regarding the amount of such increase, shall be final and non-grievable. However, APC may grieve an alleged violation of a specific term of this provision 23.15, subject to provision 10.6.f.4.

23.16 a. The name, classification and campus of each recipient of a GSI (described in provision 23.3), a discretionary base Performance Pay Increase (described in provision 23.8), an MSI (described in provision 23.4), in-range progression increase
(described in provision 23.15) or other base salary increase, together with the salary as of June 30th and the dollar amount of each increase awarded each recipient, shall be reported annually to the APC systemwide office no later than 90 days following the end of each Fiscal Year. Increases shall also be reported by amount of increase, gender and ethnicity (but without individual names) for each campus. Reports shall identify all increases, including performance awards, by category: GSI, Performance Pay, MSI or in-range progression increase.

b. Reports containing information described in 23.16a. above regarding Long-Term Satisfactory Service Bonuses (described in provision 23.7), Performance Pay Bonuses (described in provision 23.8) and bonuses described in provision 23.13 shall be provided annually to the APC systemwide office no later than 90 days following the end of each Fiscal Year.

If said PERS regulations are revised, Circular Letter 600-18 regulations as amended will control the implementation of health, dental and vision benefits for the domestic partners of Unit 4 benefit eligible employees. 26.10 Requests for scheduling vacation shall be submitted in writing to the appropriate administrator at least thirty (30) days in advance. When authorized to do so by the appropriate administrator, an employee may take vacation without submitting such a request. Vacations shall be scheduled and taken only as authorized by the appropriate administrator. If a conflict in vacation requests arises, the appropriate administrator may give consideration to the employee(s) having the longest length of service at the campus provided that operational needs are met.

26.11 Upon separation from service without fault on his/her part, an employee is entitled to a lump sum payment as of the time of separation for any unused or accumulated vacation or CTO.

27.7 An employee on the 10/12 or 11/12 pay plan shall accrue sick leave and vacation during the full twelve (12) month period.

27.8 Ten (10) or eleven (11) months of service by an employee in the 10/12 or 11/12 pay plan shall constitute one (1) year of service for Merit Service Increases, Long-Term Satisfactory Service Bonuses and retirement.

27.9 Approval and denial of written employee requests by the President as specified in provision 27.3 and 27.4 shall be in writing and shall not be subject to Article 10, Grievance Procedure.

Travel Reimbursement

27.10 Employee expenses incurred as a result of travel on official CSU business shall be reimbursed in accordance with CSU travel regulations.
ARTICLE 28

HOURS OF WORK

28.1 Academic year employees shall be available for assignment on each academic workday as specified on the campus academic calendar.

28.2 Ten (10) and eleven (11) month employees shall be available for assignment on all workdays within the assigned ten (10) or eleven (11) months, respectively.

28.3 Twelve (12) month employees shall be available for assignment on all workdays within the assigned twelve (12) months.

28.4 For those employees assigned a five (5) day workweek, the workday shall normally consist of eight (8) hours. The workweek for such employees shall normally be Monday through Friday, inclusive.

28.5 For those employees assigned a four (4) day workweek, the workday shall normally consist of ten (10) hours.

28.6 Less than full-time employees shall be assigned hours and days of work as determined by the appropriate administrator.

28.7 Daily and weekly work schedules shall be established by the appropriate administrator. An employee shall be provided with notification of a permanent work schedule change or a summer work schedule change at least twenty-one (21) days prior to the effective date of the work schedule change.

Meal Periods

28.8 An employee shall be entitled to a meal period not to exceed sixty (60) minutes. The time of such a meal period shall be designated by the appropriate administrator. The appropriate administrator may adjust meal periods to account for variations in work schedules. Such meal periods shall not count toward hours worked, except as provided for in provision 28.9.

28.9 An employee in a classification listed in Appendix D who is required to remain on the job at his/her work station for a full workday shall be permitted to take a meal period, not to exceed thirty (30) minutes, during worktime.

Meal Allowance

28.10 When an employee is required to work more than two (2) hours before or two (2) hours after a regularly scheduled workday, he/she may claim the actual cost of each overtime meal up to the maximum allowed for lunch in accordance with CSU travel
regulations. All claims for overtime meal reimbursements must be supported by a voucher. The time taken to consume the overtime meal will not be included in the computation of overtime for the purposes of this allowance.

28.11 An employee shall not be required to interrupt his/her work to consume his/her overtime meal. Overtime meals may be taken before, after or during the overtime period. This provision shall not apply to employees receiving a per diem rate.

Employee Request for Work Schedule Change

28.12 An employee(s) may submit a written request to the appropriate administrator for a permanent change in the work hours and/or workdays of his/her work schedule and/or work year. Such request shall be submitted twenty-one (21) days prior to the requested effective date of the change. An employee shall not submit more than four (4) such requests per year. The appropriate administrator shall respond in writing to the employee regarding approval or denial of such a request.

Rest Periods

28.13 An employee in a classification listed in Appendix D shall be allowed rest periods each workday of fifteen (15) minutes for each four (4) hours worked. Rest period schedules shall be determined by the appropriate administrator in accordance with the requirements of the department. Rest periods shall be counted toward hours worked. Rest period time not taken shall not be cumulative.

Overtime

28.14 Overtime is defined as authorized time worked in excess of forty (40) hours in the designated workweek.

28.15 For full-time employees in classifications listed in Appendix D, the workweek shall consist of seven (7) consecutive twenty-four (24) hour periods beginning at 12:01 a.m. on Sunday and ending at 12:00 midnight the following Saturday. The President may approve alternate workweeks of any other seven (7) consecutive twenty-four (24) hour periods. These employees shall work a minimum workweek of forty (40) hours and are eligible for overtime compensation. Authorized work may include participation in committee assignments and participation in approved career development activities.

28.16 Overtime shall be compensated at one and a half (1 1/2) times the employee's regular hourly rate.

28.17 Paid holiday, paid sick leave, and paid vacation time shall be counted as time worked for the purposes of this Article.
28.18 All overtime hours worked shall be compensated by cash or compensatory time as determined by the appropriate administrator. However, all overtime worked beyond the accrual of two hundred and forty (240) hours of compensatory time shall be paid in cash.

28.19 The only official methods for the computation and accumulation of overtime in this bargaining unit are those provided in this Article.

28.20 Overtime shall be authorized and assigned by the appropriate administrator.

28.21 The appropriate administrator shall endeavor to equalize the overtime work among all qualified employees who have expressed interest in overtime work. An employee shall be required to work overtime if no qualified volunteer is available.

28.22 Requests for scheduling CTO shall be submitted to the appropriate administrator at least seven (7) days in advance. CTO shall be scheduled and taken only as authorized by the appropriate administrator. When authorized to do so by the appropriate administrator, an employee may take CTO without submitting such a request.

28.23 Upon seven (7) days notice to the employee, the appropriate administrator may direct the employee to take earned CTO. When possible, the scheduling of such CTO shall be by mutual agreement of the employee and the appropriate administrator.

28.24 Upon request of the employee, the appropriate administrator shall provide an accounting of the employee's CTO balance.

28.25 When an employee is separated from service, he/she is entitled to a lump-sum payment for any earned CTO by reason of previous overtime worked.

**Exempt Employees**

28.26 For full-time employees in classifications listed in Appendix C, the workweek shall be a minimum average of forty (40) hours per week during any six (6) consecutive pay periods. The CSU’s policy regarding wage and hour issues for Unit 4 exempt employees is governed by the July 15, 1993 memorandum of Vice Chancellor June M. Cooper (HR 93-17). If the CSU changes this policy during the term of the Agreement, the CSU will bargain with APC over the impact of such a policy change on Unit 4 employees. Employees shall not be assigned an unreasonable or excessive workload. The intent of this section 28.26 is to be consistent with the Fair Labor Standards Act. Authorized work may include performance of specialized professional services, participation in committee assignments, and participation in approved professional activities. Work in excess of the minimum average workweek is not compensable in cash or CTO, and shall not be deemed overtime.
The provisions of this section 28.26 are subject to the grievance procedure, but the sole and exclusive remedy for the CSU’s violation of its terms shall be limited to a prospective cease and desist order. Each individual’s case will be decided on its own merits and grievance/arbitration decisions concerning this section 28.26 shall not operate as a precedent for other cases. The Arbitrator shall issue a written award but no opinion.

At the option of APC, in the event a grievance alleging a violation of this section 28.26 is not settled at Level I, APC may submit solely the issue of whether a violation of this section 28.26 occurred (including the limited remedy provided above) directly to arbitration in accordance with section 10.5b. In considering whether this provision 28.26 has been violated, the Arbitrator shall not be precluded from reviewing the contract as a whole. Such arbitration hearings shall be held on a mutually-agreeable date within 45 days of the date of the arbitration submission. Any party, its witnesses or the Arbitrator may elect to participate in such arbitration hearings via conference telephone call. Such arbitrations concerning this section 28.26 shall be conducted without court reporter’s transcripts or briefs.
ARTICLE 29

AUTHORSHIP OF CSU-PRINTED MATERIAL

29.1 Upon the request of an employee(s), the appropriate administrator may recognize authorship by including the name(s) of a principal contributor(s) as determined by the appropriate administrator on a page of the appropriate CSU publication(s). Decisions made by the appropriate administrator pursuant to this Article are final and not subject to Article 10, Grievance Procedure, of this Agreement.
ARTICLE 30

OUTSIDE AND ADDITIONAL EMPLOYMENT

Outside Employment

30.1 Outside employment shall not conflict with regularly scheduled work assignments, overtime requirements, or satisfactory performance of all duties of the employee.

Additional Employment

30.2 For any employee, the maximum aggregate timebase of all appointments within the CSU shall be the equivalent of one (1) full-time position except as provided below.

30.3 Additional employment shall mean a compensated appointment in addition to a timebase equivalent to one (1) full-time position.

30.4 The maximum allowable additional employment for employees is twenty-five percent (25%) above the equivalent of a full-time appointment. Such a maximum shall apply regardless of funding source for employee compensation.

30.5 An employee shall indicate, on a form provided by the CSU at the time of the offer of appointment, all current employment commitments within the CSU.

30.6 The granting or denial of an additional employment appointment to an employee is at the sole discretion of the President. The decision to deny an additional employment appointment to an individual shall not be subject to Article 10, Grievance Procedure.

30.7 During periods of approved vacation, employees may be appointed to position(s) in any CSU classification, up to the maximum aggregate timebase of one (1) full-time position.

30.8 During periods between academic years and academic terms AY employees may be appointed to position(s) in any CSU classification.

30.9 During periods outside of the assigned ten (10) or eleven (11) month work year, ten (10) or eleven (11) month employees may be appointed to position(s) in any CSU classification.

Limitations on Additional Employment

30.10 Employees are eligible for additional employment appointments to any classification except those listed in Appendix A.
30.11 Additional employment appointments shall be in addition to, and outside of, scheduled work hours and/or workdays of any other CSU employment. No employee is eligible to receive release time from his/her position in order to pursue or perform additional employment within the CSU.

30.12 An employee may, within the limitations set forth in provisions 30.2 through 30.12 of this Article, and pursuant to provision 28.12 of Article 28, Hours of Work, request an adjustment in his/her work schedule for the purpose of performing additional employment.
ARTICLE 31

SAFETY

31.1 The CSU recognizes the importance of safe and healthful working conditions and shall endeavor to maintain such conditions conducive to the health and safety of employees.

31.2 Safety equipment deemed necessary by the President shall be provided to the employee in accordance with campus procedures.

31.3 An employee shall endeavor to maintain safe working conditions and shall adhere to CSU-established safety rules, regulations, and practices.

31.4 An employee who observes or detects any safety hazard shall immediately report it to his/her immediate supervisor or appropriate administrator. All work-related injuries and illnesses shall be reported immediately to the appropriate administrator.

31.5 Recommendations and suggestions regarding safety and requests for safety equipment presented by an employee shall be considered. When such recommendations and suggestions are submitted to the appropriate administrator in writing, the appropriate administrator shall respond in writing.

31.6 When an employee in good faith believes that he/she is being required to work under unhealthy or unsafe conditions or without adequate safety equipment, he/she shall notify the appropriate administrator. The appropriate administrator or Environmental Health and Safety Officer shall investigate as soon as possible the alleged unhealthy or unsafe conditions or lack of safety equipment and shall immediately communicate with the employee as to the results of such an investigation and, if deemed necessary, the steps that shall be taken to correct the conditions.

31.7 An employee may request a temporary relocation when he/she believes in good faith that his/her present assignment presents a clear danger to his/her health or safety. The appropriate administrator shall respond promptly to such a request. Such a request shall not be unreasonably denied during the preliminary aspect of any investigation. If such an unsafe or unhealthy condition is found during such an investigation, a temporary relocation shall continue until a remedy is implemented.

31.8 One (1) employee from the bargaining unit on each campus shall be designated by APC to represent the safety interest of employees in the bargaining unit. Such representation shall be by membership on the existing campuswide safety committee. Such a representative may submit agenda items related to health and safety. This provision shall not preclude other bargaining unit employees from serving on the campuswide safety committee when appointed by means other than those provided in this provision.
31.9 Upon request of, and at the expense of APC, the CSU shall provide APC with copies of existing reports in the possession of the CSU pertaining to employee and/or workplace health and safety, exclusive of information defined as "confidential" or "personal" pursuant to the Information Practices Act of 1977. Nothing in this provision shall require the Employer to draft new or unique reports at the request of the Union.
ARTICLE 32

WORK ENVIRONMENT

32.1 An employee or group of employees may make recommendations and suggestions regarding maintenance/improvement of a professional work environment.

32.2 When such recommendations and suggestions are submitted to the appropriate administrator in writing, the appropriate administrator shall respond in writing giving the disposition of such recommendations or suggestions.

Library Privileges

32.3 In addition to current library privileges of unit members, an employee who teaches a university-approved course shall be entitled to full library privileges.

Recreational Facilities

32.4 Employees shall have access to campus recreational facilities during non-scheduled work hours unless the President has determined that such access interferes with the authorized use of the facilities. The standard campus fee may be charged for the use of CSU-operated facilities. The use of campus recreational facilities by employees, except when part of an assigned duty, shall be wholly voluntary and shall not be considered as time worked.

Parking

32.5 Employees wishing to park at any CSU facility shall pay the CSU parking fees. Such fees shall not be increased before July 1, 1992. The CSU shall provide for payroll deductions for this purpose upon written authorization by the employee.
ARTICLE 33

LAYOFF

33.1 When the President determines that a layoff is necessary on a campus because of a lack of work or lack of funds, the following procedures shall apply.

33.2 When the CSU determines that there may be a need for implementation of any procedures outlined in this Article, the CSU agrees to immediately notify the Union, and upon written request, meet and confer with the APC on the bargaining unit impact.

33.3 Involuntary reduced worktime shall refer to an involuntary reduction in the time base of full-time employees in one (1) or more classifications within the bargaining unit, and shall be subject to provision 33.2 of this Article.

33.4 Prior to implementing layoff procedures, voluntary programs to avoid layoff including, but not limited to, reduced worktime, unpaid leaves of absence, and use of the 10/12 and/or 11/12 pay plans, shall be made available.

33.5 Student assistants performing work that is the same as, or comparable to, the work performed by a probationary or permanent employee in a classification within an organizational unit undergoing layoff, shall be separated prior to laying off any probationary or permanent employee in the classification within the organizational unit undergoing layoff.

Order of Layoff

33.6 Layoff shall be within classifications determined by the President. Ten (10) month, eleven (11) month, twelve (12) month and Academic Year positions with the same class title shall, for the purposes of layoff, be considered a single class. The order of layoff shall be:

a. first, temporary employees;

b. second, probationary employees;

c. last, permanent employees.

Temporary and probationary employees in a classification shall be separated or laid off before permanent employees in the same classification. Non-reappointment of a temporary employee does not constitute a layoff.

33.7 Temporary and Probationary Employees
The President shall establish the order of layoff for temporary and probationary employees in a classification by considering only the following factors:

a. affirmative action needs of the campus;

b. specialized skills and competency of the employee in relation to program need; and

c. documentable meritorious service of the employee.

33.8 Permanent Employees

The order of layoff for permanent employees in a classification shall be in reverse order of seniority. Affirmative action needs of the campus may also be considered.

33.9 A permanent employee who possesses documentable specialized skills that are needed for the program, not possessed by other employees in classification(s) undergoing layoff, may be excluded by the President from the layoff list.

Computation of Seniority Points for Permanent Employees

33.10 All seniority points calculated for and earned by permanent employees prior to June 30, 1983, shall remain unchanged. Such seniority points shall serve as the base to which additional seniority points, earned pursuant to the terms of this Agreement, shall be added. The computation of seniority points pursuant to the following provisions shall replace the existing method of computation for points earned subsequent to June 30, 1983. Recalculated seniority points will become available as of August 1, 1994. Thereafter, seniority points shall be calculated and provided to the Union by the Office of the Chancellor upon written request by the Union, but no more often than two (2) times per year.

33.11 Full-time permanent ten (10) month employees, eleven (11) month employees, twelve (12) month employees, and academic year employees, shall earn one (1) seniority point of service credit in a given class for each qualifying month of employment. Part-time employees holding permanent status shall earn seniority points proportional to the time base served. In no case shall a permanent employee earn more than twelve (12) seniority points per year.

33.12 For the purpose of computing permanent employee seniority credit, length of service includes continuous time served on the campus as a temporary, probationary or permanent employee and is counted from the date of appointment to the current class held, consistent with provision 33.13 below plus any service in classes of equal or higher rank on the campus which has not been interrupted by a permanent separation.
The term "class of equal rank" as used in this Article shall mean a class of not more than one-half (1/2) step [approximately two and one-half (2-1/2) percent] above or below the maximum salary of the employee's current class.

The term "class of higher rank" as used in this Article shall mean a class which has a maximum salary of more than one-half (1/2) step [approximately two and one-half (2-1/2) percent] above the maximum salary of the employee's current class.

33.13 Seniority credit is counted from the first calendar month of appointment to the current classification held, or upon the return from leave without pay status (when such leave does not count for seniority credit pursuant to provision 33.15), if the appointment or return date is on or before the fifteenth (15th) calendar day of that month. Seniority credit is counted from the second calendar month of appointment to the current classification held, or upon the return from leave without pay status (when such leave does not count for seniority credit pursuant to provision 33.15), if the appointment or return date in the first calendar month is after the fifteenth (15th) calendar day in that month.

33.14 Seniority credit upon separation from a classification, or upon the commencement of leave without pay status (when such leave does not count for seniority credit pursuant to provision 33.15), shall terminate effective the end of the calendar month preceding the date of separation or leave if the date of separation is on or before the fifteenth (15th) calendar day of the month of separation. Seniority credit upon separation from a classification, or upon the commencement of leave without pay status (when such leave does not count for seniority credit pursuant to provision 33.15), shall extend until the end of the calendar month of separation or leave if the date of separation is after the fifteenth (15th) calendar day of the month of separation.

33.15 All time spent in family care, military, disability, loan of an employee to another governmental agency or leave with pay status shall count toward the accumulation of seniority points. All other time spent in leave without pay status, as well as periods of suspension without pay, shall not count toward the accumulation of seniority points, however, such time shall not constitute a break in continuous service.

33.16 In the event a class is abolished or the use of the class restricted and a new class established in its place, all time served in the prior comparable class shall be counted as service in the new class.

Tie-Breaking in the Order of Layoff

33.17 A tie exists when two (2) or more permanent employees in a classification undergoing layoff have the same number of seniority points.

33.18 The President shall break ties in establishing the layoff order of permanent employees by considering only the following factors:
a. documentable specialized skills and the competencies of the employee; and

b. affirmative action needs of the campus.

Employee Notice of Layoff

33.19 Except as provided in Article 13, Appointment, a temporary or probationary employee who is to be laid off shall receive notice of such layoff from the President no later than thirty (30) days before the effective date of layoff.

33.20 A permanent employee who is to be laid off shall receive notice of such layoff from the President no later than forty-five (45) days prior to the effective date of layoff.

33.21 All notices of layoff shall be in writing and mailed by certified mail, return-receipt requested, to the employee's last known mailing address.

Employee Options in Lieu of Layoff

33.22 A permanent employee who has received a notice of layoff may exercise his/her right to elect transfer to any vacancy on the campus in the bargaining unit for which he/she is currently qualified. Such qualifications shall be determined in the normal manner. When two (2) or more such permanent employees elect transfer to the same vacancy in accordance with this provision, the employee to be transferred shall be selected on the basis of any of the following factors:

a. affirmative action needs of the campus;

b. specialized skills and competencies of the employee; and

c. documented meritorious service of the employee.

33.23 A permanent or probationary employee who has received a notice of layoff may elect to be transferred or demoted to any classification in which he/she has served as a permanent employee during the period preceding the layoff, provided the class has not been abolished, there has been no break in service, and the employee is currently qualified for the position. If the class has been abolished and the University determines a comparable class has been established, the employee may, in accordance with the foregoing, transfer to the new class. An employee who elects transfer or demotion pursuant to this provision shall have his/her seniority points recomputed, pursuant to provisions of this Article, on the basis of the class to which he/she is moving.

33.24 In order to elect the options in provisions 33.22 - 33.23 above, an employee must notify the campus Personnel Office in writing not later than seven (7) days after receiving the notice of layoff.
An employee replaced by the demotion or transfer of an employee who has received a notice of layoff shall have the same rights as outlined in provisions 33.22 and 33.23 above of this Article.

**Reemployment Rights**

33.26 The name of a laid off permanent employee shall be entered on a reemployment list by class in order of seniority. A name may remain on a reemployment list for five (5) years. It is the obligation of the laid off person to notify the campus of address change.

33.27 Position vacancies in a class for which there are names of qualified individuals on the reemployment list shall not be filled without first making an offer of reemployment to those on the list. If any individual on the employment list declines two (2) such offers, he/she waives his/her reemployment rights. An individual on a reemployment list may request inactive status for up to one (1) year.

33.28 An employee reemployed under the conditions of this Article shall retain permanent status rights, service credit [subject to Public Employees’ Retirement System (PERS) regulations], salary rate, sick leave, and seniority credits he/she held at the date of layoff.

33.29 The CSU shall provide a job clearinghouse to advise and inform employees in classifications undergoing layoff of employment opportunities at other campuses. The services of the clearinghouse shall be available upon request to permanent employees in receipt of a notice of layoff or former permanent employees on a reemployment list. A campus may not fill a vacancy without ascertaining whether such an employee or former employee has applied. If such an employee has applied for a vacancy, his/her application shall be considered, and if qualified for the vacant position, he/she shall be granted an interview. Such qualifications shall be determined in the normal manner.
ARTICLE 34

DURATION AND IMPLEMENTATION

34.1    Except as provided below, this Agreement shall become effective on July 1, 2000 upon ratification of this Agreement by both parties, and shall remain in full force and effect up to and including June 30, 2003. Negotiations for a successor agreement shall commence when one of the parties delivers to the other its proposals in writing, no earlier than February 1 and no later than March 1, immediately preceding the expiration date.

34.2    Notwithstanding the commencement of this Agreement on July 1, 2000, all contractual provisions changed from the prior Agreement shall be effective upon ratification by both parties except that wherever a date is specifically indicated herein as the effective date for a change, such specifically indicated date shall govern.

34.3    Any term(s) of this Agreement which is deemed to carry an economic cost shall not be implemented until the amount required therefor is appropriated and made available to the CSU for expenditure for such purpose(s). If less than the amount needed to implement this Agreement is appropriated and made available to the CSU for expenditure, the term(s) of this Agreement deemed by the CSU to carry economic cost shall automatically be subject to the meet and confer process.

Memorandum of Understanding

Trainees

The parties hereby agree as follows:

2. The existing Unit 4 classification of Evaluator Trainee shall have a salary range with a minimum monthly salary rate of $2419 and a maximum monthly salary rate of $2782. In accordance with the existing classification standard, the training period for Evaluator Trainee shall be six to twelve months.

3. A new Unit 4 classification of Credential Analyst Trainee shall be established. It shall have a salary range with a minimum monthly salary rate of $2610 and a maximum monthly salary rate of $3001. The CSU will complete the process to create a classification standard for the Credential Analyst Trainee classification no later than November 1, 2001. Although a new classification standard is not immediately available, campuses may use the new classification upon the effective date of this MOU. Until the new classification standard is developed, the training period for Credential Analyst Trainee shall be six to twelve months. Once the classification standard is established, the training period shall be in accordance with the classification standard and shall be no longer than 12 months.

4. Trainees shall be appointed at a salary rate within the appropriate classification’s salary range. If at the time of appointment the trainee is a person employed on the campus, the salary rate shall be at the trainee’s current salary rate unless the rate is outside the trainee classification salary range. In such cases, the trainee’s salary shall be at the salary rate within the range which is closest to the trainee’s current campus salary.

5. Trainee classifications shall be temporary classifications and shall not be utilized beyond the training period specified in the classification standard or this Memorandum of Understanding.

6. The salary rates in 2. and 3. above shall be increased by the General Salary Increases for FY 2000/01, FY 2001/02 and FY 2002/03.

7. Upon the successful completion of training (as determined by the President), an employee shall be appointed to the appropriate Level I classification and shall be granted a salary increase of no less than five percent (5%). Such appointment shall not be considered within a classification series for purposes of Article 14.3. In such cases, the employee shall receive credit toward completion of his/her Level I two-year probationary period for the time worked in the trainee classification.
8. If at any time during or at the completion of the training period the President determines that an employee is not performing successfully, the employee shall return to the Unit 4 classification and salary held immediately prior to the training period only if such employee held permanent status in that classification.

APPENDIX L
INFORMATION REQUEST AGREEMENT

1. All APC information requests will be submitted in writing to a designated CSU representative at each campus or, for systemwide requests, at the Chancellor’s Office. Such requests shall include a statement of the necessity and relevance of the information sought as required by HEERA.

2. The CSU representative will respond in writing to APC’s request within ten working days of receiving the request. This response will indicate CSU’s willingness or ability to provide the information sought, the cost of providing said information, and the earliest date on which the information can be made available. In the alternative, if CSU is unwilling or unable to provide all or portions of the information sought by APC, it will state in writing the reason(s) for this unwillingness or inability.

3. If APC disagrees with any portion of the CSU response (willingness or ability to transmit information, cost or timing), it may submit the dispute to Doug Collins for resolution. Each party will have ten working days from receipt of notice of such submission to Mr. Collins to file its position and supporting arguments regarding the dispute to Mr. Collins. Mr. Collins will verbally inform APC and CSU of his determination on disputed issues within five working days and within ten working days in writing. The parties will split the fees for Mr. Collins’ services.

4. The parties agree to accept the determination of the third party and to fulfill whatever obligations may be set by the third party in conjunction with APC information requests. The third party’s remedial authority hereunder is limited solely to the issuance of an order to provide information required under HEERA or any currently effective APC/CSU CBA, and to setting the due date on which the information must be provided and the cost to be paid by APC to CSU. APC waives its right to file grievances or PERB charges for matters covered by this agreement. Procedures for enforcing or vacating Mr. Collins’ determination shall be the same as an arbitration award.

5. All communications with the third party must be in writing with a copy to the opposing representative or verbally (by teleconference or in-person meeting) with both parties present.
