The word "public", as used in this section, shall refer to any documents, reports, statistics, studies, and other such information in the form in which they are regularly kept. Materials prepared in multiple form for distribution to the public and/or media shall be provided to the Union at no cost. If additional information is requested by the Union and said material does not exist in multiple form, the Union shall pay for the actual cost of duplication of such material, not to exceed fifteen (15) cents per sheet.

2. Teachers serving on committees, councils, or other advisory groups shall be selected by the Superintendent from a list of recommended representatives elected by a majority vote of the teachers in each school, department, and/or grade level, whichever is applicable. No subject which is properly a matter of negotiations shall be considered by any teacher committee not authorized by this Agreement.

3. The principal of the school shall meet at mutually agreed times during the school year with the representatives of the Union, at the request of the Union, to discuss questions and problems as well as matters relating to the implementation of this Agreement. Such meeting shall not be construed to replace the grievance procedure for any matter normally the subject of a grievance.

4. The Union shall appear on the Board agenda at all Board meetings as a regular agenda item. Further, the Union representative shall be recognized upon request to speak on issues before the Board in the same manner as any other individual. A copy of the agenda and all supporting data will be provided to the Union by the Secretary of the Board. Said materials shall be sent to the Union office at the same time they are sent to the Board members.

5. Duly authorized representatives of the Union may visit schools to investigate employee complaints. Upon arrival at the school, Union representatives shall make their presence known to the school principal or his/her designee. If the principal does not approve the representatives' investigation at that particular time, he/she will explain the reason to the representatives. Such investigation visits shall not be carried out during pupil contact time of the involved teacher(s).

6. Whenever teachers are scheduled by the Board or its agents to participate during working hours in conferences, meetings, or in negotiations respecting the Collective Bargaining Agreement, they shall be granted the necessary time and shall suffer no loss in pay.

7. Each year upon reaching a tentative Agreement in negotiations and prior to ratification, a district meeting shall be conducted by USEP for Union representatives during the school day for the purpose of explanation of the tentative Agreement and contract ratification procedures. Each school shall be allowed to send up to two (2) representatives selected by the USEP president. The representatives attending the district meeting shall be granted one-half (1/2) day leave and shall suffer no loss in pay. The cost of substitutes shall be paid for by the Board.

8. A roster of all teachers assigned to a school or schools shall be provided to the Union representative of said school by September 10, and revised rosters shall be provided when issued. Each teacher in the bargaining unit will receive a directory of all instructional personnel by November 15 of each school year. This directory shall be listed alphabetically for all affected personnel as well as school-by-school. Copies of this directory shall not be distributed to any outside parties for commercial or solicitation purposes, except as required by law.

9. Following ratification and printing, copies of all Agreements and addenda thereto between the parties shall be distributed to the worksites by the Union and the Board. The Union will distribute a copy to each employee covered by this Agreement at each worksite. The Union will make every effort to distribute this Agreement to teachers hired after each year's initial distribution within twenty (20) working days of the date the newly-hired teacher is approved by the Board. a) All funds collected by the Board as a result of dues deductions shall be remitted by the Board to the Union within ten (10) days of the deduction.

b) Dues deductions shall be continuous from year to year so long as the employee organization remains the certified bargaining agent for the unit.

c) Authorizations are revocable by the employees with thirty- (30) days notice to both the Board and the Union.

2. The Board shall supply to the Union a list of those teachers from whom said payroll deductions have been made after each pay period.

1. The Union may use school building facilities for meetings upon prior approval of the school principal. Approval will be withheld only for good and sufficient reason, which shall be stated to the person making the request. In each school, for a maximum of five (5) times per year, a meeting called by the Union for that school's teachers may be scheduled during fifteen (15) minutes of the teacher workday provided that such a schedule does not interfere with student contact time. Further, two (2) additional meetings not to exceed two (2) hours each may be held during the school day for the purpose of contract explanation and/or ratification.

2. The Union shall have the right to conduct regularly scheduled Building Representative Council meetings in school building facilities.

3. The Union may use school building facilities for countywide or area meetings, upon prior approval of the school principal. Approval will be withheld only for good and sufficient reason, which shall be stated to the person making the request. The meetings are to be conducted after the teacher's working day is completed.

2. Further, the Board and the Union, including their agents, mutually agree not to discriminate against any teacher in regard to any of the rights, guarantees, or privileges afforded teachers under the terms of this Agreement.

SECTION B

Nothing contained herein shall be construed to deny or restrict rights to any teacher he/she may have under the Florida School Laws or other applicable laws and regulations.

END OF ARTICLE IV

ARTICLE V - SENIORITY

SECTION A

1. Seniority shall be the length of continuous service of a teacher in the school system. Continuous service shall be determined in reference to unbroken service in the district with each year in which a teacher has been under contract for at least one (1) day more than one-half (1/2) the normal contract length for the position counted as one (1) year of service with the following exception: If a teacher takes ten (10) or more successive days of unpaid leave, these days shall be deducted from the contract length, and if this deduction reduces the contract length to less than one (1) day more than one-half (1/2) the normal contract length for the position, the year shall not be counted.

2. If it becomes necessary to establish precedence among teachers with the same seniority, the beginning date of employment shall be used. Leave duly authorized and granted in accordance with provisions of this Agreement shall not constitute a break in service.

SECTION B

The Board shall provide to the Union an alphabetical list of the names of all teachers employed in the district. Said list shall also contain total number of years of continuous service in the district as determined by the District School Board of Pasco County. This list shall be made available by October 1 of each school year. Further, the Board agrees to provide the Union monthly with a list of all teachers employed after the original list was submitted to the Union. Teacher seniority lists will be posted in each school when notification is given that an involuntary transfer from that school is planned. The cost of this service to the Union shall be \$60 per year.

ARTICLE VI - GRIEVANCE PROCEDURE

SECTION A - Definitions

1. A grievance is a complaint by a teacher or by a group of teachers that there has been a violation, misinterpretation, or misapplication of this Agreement and shall be subject to settlement under all provisions of this article.

Such complaint shall be subject to settlement under all provisions of this article excluding Step Five.

SECTION B - General Application

1. With regard to items of the Agreement covering Union rights, the Union shall have the right to present, process, or appeal a grievance at any level in its own behalf.

2. The Union has the right to represent the teacher at any level of the procedure. The teacher shall have the right to be represented by legal counsel or any person(s) he/she deems necessary at any step of this procedure.

3. A grievance shall be first filed at the level where the alleged action(s) occurred that led to the filing of the complaint and processed in accordance with all subsequent steps thereafter as outlined in this article.

4. No decision or adjustment of a grievance shall be contrary to any provision of this Agreement existing between the parties hereto.

5. The Union shall have the right to be present at all meetings after Step One regarding a grievance regardless of the party filing the grievance.

6. Failure to communicate the decision of a grievance at any step of this procedure within the specified time limit shall permit the Union to submit an appeal at the next step of this procedure. However, time limits, as specified, may be extended at any time by mutual agreement in writing.

7. In the event that a grievance is filed at such time that it cannot be processed through all of the steps in the grievance procedure by the end of the school year, the time limits set forth herein shall be reduced to the extent possible so that Steps One to Three of the procedure may be completed prior to the end of the school year.

8. No reprisal of any kind shall be taken by or against any participant in the grievance procedure by reason of such participation. No entry of any kind concerning a teacher's participation in a grievance shall be entered into his/her personnel file.

9. All parties agree that these proceedings shall be kept as confidential as may be appropriate at each level of the procedure.

10. Whenever meetings for resolving grievances are scheduled during the school day, the Union representative and/or grievant will be allotted released time without loss of pay, and a substitute shall be provided by the Board.

11. No member of the bargaining unit shall be represented by another employee organization.

SECTION C - Procedure

Step One: Any teacher who feels that he/she may have a grievance may first discuss the grievance with the principal, either directly or accompanied by the Union representative, with the object of solving the matter informally.

Step Two: In the event that the matter is not resolved informally, the formal grievance stated in writing may be submitted to the immediate supervisor at the level of filing, the Union, and the Superintendent, with one copy for the grievant. A formal grievance shall be filed as soon as possible after the action giving rise to the grievance but no later than twenty (20) days after the grievant knew or could reasonably have been expected to know of the occurrence giving rise to the grievance.

a) Within five (5) days after the receipt of the formal grievance, the principal shall hold a formal hearing on the grievance.

b) The grievant and the Union representative shall be given at least one (1) day's written notice of the hearing.

c) Within five (5) days after the hearing, the principal shall communicate his/her decision in writing together with supporting reasons.

- b) The grievant, the Union representative, and the principal shall be given at least two (2) days written notice of the hearing. Said notice shall contain the time and place of such hearing.
- c) The grievant shall be present at the hearing unless there is mutual agreement that no facts are in dispute and that the sole question before the Superintendent is one of interpretation of a provision of the Agreement between the parties thereof or of what is established policy or practice.
- d) Within five (5) days after the hearing on the appeal, the Superintendent shall communicate his/her decision in writing together with supporting reasons. The Superintendent shall furnish one (1) copy to each grievant, one (1) copy to the Union representative and one (1) copy to the Union president.

Step Four: If the grievance is not resolved satisfactorily, the Union may appeal the grievance within five (5) days to the Board. If this step is waived, the grievance may be appealed directly to Step Five upon mutual agreement of the Board and the Union if no satisfactory resolution has been reached at Step Three.

- a) Within fifteen (15) days after receipt of the appeal, the Board shall hold a hearing.
- b) The grievant, the Union representative or representatives, the principal, the Superintendent, and the president of the Union shall be given written notice at least two (2) days prior to the hearing.

Step Five: If a grievance involving the application or interpretation of this Agreement is not resolved satisfactorily at Step Four, the grievant, through the Union, may appeal within five (5) days directly to the American Arbitration Association for binding arbitration.

- e) Nothing in the foregoing shall be construed to empower the arbitrator to make any decisions amending, changing, subtracting from, or adding to the provisions of this Agreement.

END OF ARTICLE VI

ARTICLE VII - WORKING CONDITIONS

b) If a teacher has previously held a PSC in the district or from another district within the state, the teacher may be granted a PSC upon recommendation for his/her second year of employment in the district.

c) A continuing contract (CC) is not subject to being issued after July 1, 1984. If a teacher has previously held a continuing contract within the state and is employed or reemployed, the teacher may be granted a PSC upon recommendation for his/her second year of employment in the district.

4. Positions which the district is obligated to provide to outside agencies or for nonrecurring special grants will be considered non-continuous employment positions.

Any teacher new to the district or returning, after a break in service employed in a non-continuous position, will be informed that the district owes no further obligation to him/her should his/her position be eliminated. Such a teacher will be given written notice of his/her non-continuous employment status and be required to sign confirmation of notification each year. The Board will provide to the Union a copy of the confirmation of notification signed by teachers filling non-continuous positions.

A teacher transferring from a regular teaching position to a non-continuous position will be placed in a position for which he/she is qualified in the judgment of the Superintendent should his/her non-continuous position be eliminated.

1. Any teacher who resigns from his/her position during the term of his/her individual contract shall be released from employment by the Board without prejudice provided that said teacher has given notice of such intent at least thirty- (30) calendar days prior to the termination date. However, as provided by 231.36(3)(a)4, Florida Statutes, any teacher in the 97-day probationary period of his/her initial annual contract may resign upon immediate notice. Such resignation will not be a breach of contract.

SECTION C - Dismissal

1. Any teacher who is suspended, discharged, returned to annual contract status, or retained on a fourth-year annual contract shall be notified in writing of the reason for such action. However, as provided by 231.36(3)(a)4, Florida Statutes, any teacher in the 97-day probationary period of his/her initial annual contract may be terminated without cause.

2. Any teacher who is to be returned to annual contract or retained on fourth-year annual contract or nonreappointed on annual contract shall be notified in writing by April 1 of his/her contractual status for the next school year.

3. For the purposes of dismissal, return to or continuation of annual contract status, and suspension, the procedures in Florida Statutes shall prevail.

4. All recommendations regarding individual contract status or for continued employment shall be based primarily upon information contained in the teacher's official file except in the following cases:

a) positions affected by a reduction in personnel, or

b) positions filled by teachers in their 97-day probationary period of their initial annual contract as provided by 231.36(3)(a)4, Florida Statutes.

5. Any teacher required to attend a meeting called by the administration for the purpose of a reprimand which will become part of the teacher's record or for action leading to suspension or for an investigatory interview shall have the right of Union representation at such a meeting. If during a meeting as described above, the teacher believes that the discussion could lead to disciplinary action, the teacher may ask that the meeting be delayed or rescheduled until Union representation can be provided. This section shall not be interpreted to apply to conferences relating to observation or evaluation of instruction.

6. The district supports the concept of "progressive discipline" and encourages its application when appropriate.

7. A teacher will be advised immediately if the Board has initiated or is cooperating with the Education Practices Commission in an investigation of said teacher.

SECTION D - Promotional Vacancies

1. Whenever a promotional vacancy shall occur in a professional position in the school district for which certification is required, the Board shall publicize the same by giving written notice to the Union and by providing for appropriate posting in all schools.

2. A teacher who desires to apply for any such vacancy shall file his/her application in writing with the District Office.

3. When in judgment of the Board qualifications and ability are relatively equal, preference in filling vacancies within the bargaining unit shall be given to the employee with the greatest length of service in the school district.

4. The Board agrees to give full consideration to the professional background and attainments of applicants for administrative openings.

SECTION E - Transfers and Reassignments

1. A notice of all known teaching vacancies, including newly created positions, shall be sent to the Union and posted in each school and in the District Office. The Board shall have posted in each school and the Human Resources Director's office a list of those known vacancies recorded in the District Office for the coming year by April 15.

2. Teachers who desire a change in grade or subject assignment or who desire to transfer to another building or position shall file a written statement of such desire on the appropriate form. One (1) copy of the form shall be filed with the District Office and one (1) copy may be filed with the Union if the teacher so desires. Such request shall be reviewed by the principals at least once each year and will remain valid for a period of twelve (12) months following date of application.

3. Teachers who desire to transfer to a specific position(s) in another school(s) shall make their interest known to the principal within the advertised period.

4. No assignment of teachers to a specific position in the school district shall be made until all pending requests for reassignment or transfer to that position have been given due consideration. District seniority shall be given due consideration in assignments for voluntary transfers.

5. Teachers who have requested transfers or reassignments shall be notified in writing of the administration's action on said transfer or reassignment as soon as possible.

SECTION F - Involuntary Transfers

1. Staff Reduction

a) Involuntary transfers may occur due to staff reduction in a department and/or grade level within a school or the closing of an existing facility. The Board shall notify the Union within ten (10) days after the determination that involuntary transfers must occur. Teachers shall not be subject to involuntary transfer to an alternative school for disruptive students.

b) In case of staff reduction in a school, volunteers will be transferred first to positions for which they are qualified in the judgment of the Superintendent. Involuntary transfers will then be assigned to positions for which they are qualified in the judgment of the Superintendent. Teachers who are being involuntarily transferred by the district for reasons of staff reduction in a school shall have priority on assignment to open positions over all voluntary transfers.

c) Involuntary transfers as described in paragraph "a" shall be based on seniority in Pasco County. The teacher with the least amount of seniority among those assigned to the school in which the reduction occurs, within the area of assignment affected, shall be first transferred. In grades Pre-K (K)-5 "area of assignment" shall mean: Pre-K and K, or elementary grades 1-5.

d) Teachers transferred under this provision shall not be again subject to involuntary transfers for a period of one (1) year. Should a position become available at the same school from which a teacher was involuntarily transferred due to a staff reduction, the teacher shall have the opportunity to return to such school, subject to all of the following conditions:

- 1) The same or similar position needs to be filled no later than the end of the school year following the school year of the transfer.
- 2) The position is in the same area of assignment from which the teacher was transferred.
- 3) The teacher is certified for the position.
- 4) The teacher is qualified for the position in the judgment of the Superintendent.

In cases in which more than one teacher has been involuntarily transferred from the same area of assignment, at the same school, and meet the above conditions, the teacher with the most seniority shall first be given the option to return.

e) Should it become necessary to reduce the number of staff members at an alternative school for disruptive students the school principal after receiving the recommendations relative to the program needs from the staff, will determine the teacher(s) to be transferred. Teachers selected for involuntary transfers shall be given notice of the involuntary transfers and the reason therefore in writing.

f) The procedures described in paragraphs "a" through "e" are not intended to apply to individual involuntary transfers related to performance or other problems.

2. Teacher Replacing a Teacher on Extended Leave

A regular employed teacher on annual contract, professional service contract, or continuing contract who transfers to an open position replacing a teacher on extended leave shall be subject to an involuntary transfer should the person on leave return to his/her position. Upon accepting such position, the teacher will be notified in writing

that he/she may be subject to such transfer. This does not apply to a person newly hired to the district to replace a person on leave as governed by Article VIII, Section A-7.

3. Performance Problems

Before recommending an involuntary transfer based upon any performance problems, the Superintendent or his designee shall give notice of the performance problem(s) and time to address and respond to the concerns, and unless extenuating circumstances exist, the instructional bargaining unit member will be offered assistance and time to address and resolve the concerns. In addition, the following procedures shall apply:

a) Instructional bargaining unit members affected by recommendations for such an involuntary transfer which have been proposed for the upcoming year will be notified on or before May 1, unless extenuating circumstances exist.

b) A conference will be held, if requested by the instructional bargaining unit members, between the instructional bargaining unit member and the Superintendent and/or his/her designee to discuss the reasons for recommending a transfer, and to allow the instructional bargaining unit members the opportunity to present his/her side of the matter and his/her position regarding being transferred. Any instructional bargaining unit member attending a conference will have the right of Union representation upon the instructional bargaining unit member's request. A written report of the conference with an instructional bargaining unit member concerning a recommended transfer will be given to the instructional bargaining unit member within ten (10) working days of the conference.

c) The instructional bargaining unit members will receive written notice of the recommendation of the Superintendent of a transfer and will have the opportunity to appear at the School Board meeting at which the transfer will be presented for approval. Instructional bargaining unit members affected by involuntary transfer shall be notified in writing on or before July 1 as to their assignment for the upcoming year except in an emergency.

d) The recommendation of the Superintendent and notice of transfer will be placed in the instructional bargaining unit member's official file, along with any conference report as described above concerning an instructional bargaining unit member to be used for official purposes in regard to a transfer, which report will be placed in the instructional bargaining unit member's official file according to provisions of Article VII, Section Q of the Instructional Master Contract.

For the purposes of this paragraph: (a) the term "spouse" means a husband or wife as defined or recognized under State law for purposes of marriage; (b) the term "parent" means a biological parent or an individual who stands or stood *in loco parentis* to an employee when the employee was a child -- this term does not include parents "in law"; (c) the terms "son" or "daughter" mean a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing *in loco parentis*, who is either under age 18, or age 18 or older and incapable of self-care because of a mental or physical disability.
- 5) the treatment of a serious health condition which prevents the employee from performing his/her job. A "serious health condition" means an illness, injury, impairment or physical or mental condition that involves:
 - a. any period of incapacity or treatment in connection with or consequent to in-patient care (i.e., an overnight stay in a hospital, hospice or residential medical care facility);
 - b. any period of incapacity requiring absence from work, school, or other regular daily activities, of more than three calendar days, that also involves continuing treatment by (or under the supervision of) a healthcare provider; or
 - c. continuing treatment by (or under the supervision of) a healthcare provider for a chronic or long-term health condition that is incurable or so serious that, if not treated, would likely result in a period of incapacity of more than three calendar days; or for prenatal care.

Voluntary or cosmetic treatments which are not medically necessary are not "serious health conditions" unless inpatient hospital care is required.

- b) The twelve-month period for entitlement under this section will be measured from July 1 through June 30.
- c) In order to be eligible, the employee must have been employed by the Board for at least one year, and the employee must actually have received pay for 1,250 or more hours from the Board during the twelve-month period immediately preceding the unpaid leave. Holidays, earned sick leave, and vacation time for which the employee has been paid but has not worked shall be included in the calculation above. Sick Leave Bank, Workers' Compensation, suspension with pay, and sabbatical leave time will not be counted.
- d) Leave, except for certain exceptions described in Part (e) for instructional employees, commences upon the absence of the employee from work and ends on the day and time the employee reports back to work.
- e) Instructional employees are subject to additional rules and procedures with regard to leave periods associated with Family and Medical leave. For the purposes of Family and Medical leave, "instructional employees" are defined as those employees who are included in the instructional bargaining unit and whose principal function is to teach and instruct students in a class, a small group, or an individual setting.

If an eligible instructional employee requests intermittent or reduced leave which is based upon planned medical treatment and this leave would be for more than 20% of the total number of working days over the period the leave would extend, the Board may require the employee to choose either to:

- 1) take leave for periods of a particular duration, not greater than the duration of the planned treatment; or
- 2) transfer temporarily to an available alternative position for which the employee is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of leave than the employee's regular position.

Intermittent or reduced leave under this provision will begin no sooner than the first day where leave is granted and end no later than the last day where leave is granted and will include all dates granted between the beginning and ending dates.

If an instructional employee takes leave near the end of a semester, the Board may require the employee to stay out on leave until the end of the semester according to the following guidelines:

- 1) ***Leave beginning more than five weeks before the end of the semester.*** The Board may require the instructional employee to continue taking leave until the end of the semester if:
 - a. the leave will last at least three weeks, and
 - b. the employee would return to work during the three week period before the end of the semester.
- 2) ***Leave beginning less than five weeks before the end of the semester.*** If an employee begins leave for a purpose other than the employee's own serious health condition during the five week period before the end of the semester, the Board may require the instructional employee to continue taking leave until the end of the semester if:
 - a. the leave will last more than two weeks, and
 - b. the employee will return to work during the two-week period before the end of the semester.
- 3) ***Leave beginning with less than three weeks before the end of the semester.*** If an employee begins leave for a purpose other than the employee's own serious health condition during the three week period before the end of the semester, and the leave will last more than five working days, the Board may require the employee to continue taking leave until the end of the semester.

All leave taken under Part (e) will count against the employee's twelve-week entitlement. If the instructional employee's twelve weeks of leave entitlement under the FMLA run out before the leave period is completed, the Board will continue health benefits, restore the employee to his/her previous position unless the employee's position has been affected by reduction in force and/or layoff, and provide other FMLA entitlement throughout the whole period of the leave.

f) Leave for the birth, adoption or placement of a child with an employee as described in Subparagraphs a-1, a-2, and a-3, must conclude within one year from the date of the birth, adoption or placement of the child.

g) The leave mentioned in this section is subject to the following restrictions and privileges:

- 1) An employee must first use all available unused earned paid sick leave before unpaid FMLA leave will be granted.
- 2) The employee will be restored to his/her former position unless the employee's position has been affected by reduction in force and/or layoff.
- 3) The Board shall require materials documenting the reason for the leave before granting a leave of absence under this section.
- 4) It is the responsibility of the employee to obtain the necessary documentation and to furnish the documentation to the Board.
- 5) The Board may request verification of a medical condition for which leave has been granted under this section at any reasonable interval, but not more often than once every thirty days, unless:
 - a. the employee requests an extension of leave;
 - b. circumstances described by the original documentation have changed significantly (i.e., the duration of the illness, the nature of the illness, complications); or
 - c. the employer receives information that casts doubt upon the continuing validity of the documentation.
- 6) If the Board pays the employee contributions missed by the employee while on leave, the employee will be required to reimburse the Board for delinquent payments (on a payroll deduction schedule) upon return from leave. The employee will be required to sign a written statement at the beginning of the leave period authorizing the payroll deduction for delinquent payments. If an

employee fails to return to work for the Board after FMLA leave, the Board shall take necessary steps to recover its share of the health benefit premium payments made on the employee's behalf during a period of unpaid FMLA leave unless the employee's position has been affected by reduction in force and/or layoff.

7) An employee may continue coverage by continuing to pay the employee's portion of the premiums, including dependent coverage, while on leave.

8) The employee must notify the Board as soon as practicable once the employee knows that a leave will be needed. For a foreseeable leave, such as for birth, adoption or planned medical treatment, the employee must provide at least 30 days notice to the Board. In all cases, the employee must furnish a request to the Board on a form provided by the Board.

9) Prior to the employee's return to work from an employee disability, the employee shall submit medical certification of the employee's fitness to return to work.

10) The Board retains the right to implement reasonable rules and regulations with regard to the use of leaves of absence within the requirements of the FMLA. This includes but is not limited to requiring a second opinion, at the Board's discretion, from a Board-paid doctor with regard to a medical disability, and the use of forms for requests for leave, physician documentation and fitness to return to work.

11) In the event that the Board exercises its right to a second medical opinion and the opinion conflicts with the first doctor's opinion in the medical certification, then a third opinion may be required by a Board-paid physician mutually agreed upon by the Board and employee. This third opinion will be final and binding upon the Board and the employee.

h) Intermittent Leave or Reduced Leave --An eligible employee who is entitled to a twelve-week leave under the provisions of this section may take that leave on an intermittent or reduced leave schedule in certain cases. An intermittent leave schedule is one in which the employee may take the allowable leave intermittently, or in blocks of days at a time, as needed. A reduced leave schedule is one in which the employee's daily or weekly hours are reduced, as needed. Leave will be granted intermittently or on a reduced leave basis in the case of the serious health condition of the employee or of the child, spouse or parent of the employee, provided that it is medically necessary and that a certification from a physician is obtained. The amount of Family and Medical Leave used where an employee takes leave intermittently or on a reduced leave schedule will be determined in accordance with the applicable regulations of the Family and Medical Leave Act of 1993, currently §825.205 of the Interim Regulations.

i) Effect of Leave on Board-Paid Benefits -- During the period of leave governed by this section, the Board will pay the portion of the insurance premium which it normally paid prior to the leave, such as major medical, surgical, dental, vision, life, and VISTA benefits.

1. Injury and Illness

a) In the event a teacher is injured in the discharge of duty and/or suffers from an illness arising out of such injury and/or contracts an infection or disease resulting from teacher-pupil contact time, said teacher shall be entitled to illness-in-the-line-of-duty leave for a period not to exceed ten (10) days. In addition, the Board may grant additional leave for such term as deemed appropriate.

b) During the course of absences under this section, the teacher shall receive an amount not to exceed his/her normal compensation and shall be entitled to continue full benefits for the school year in which the injury occurred. Benefits are to include but are not limited to credit for seniority, step increase and contributions to the Florida Retirement System as provided by FRS. In addition, payments shall be made to teachers for damage to dentures, eyeglasses, prosthetic devices, and artificial limbs when the damage results from an accident occurring in the normal course of employment.

c) When a teacher is absent from his/her teaching responsibilities as a result of any provision in this section, there shall be no deduction made for sick leave allowance credited to such teacher.

2. Any teacher who has any claim for compensation while absent under this section shall file a claim in the manner prescribed in Florida Statute 231.40(2) by the end of each month during which such absence has occurred. The Board shall approve such claims and authorize the payment thereof provided that the Board shall satisfy itself that the claim correctly states the facts and that such claim is entitled to payment in accordance with the provisions of this section.

SECTION C - Assault and Disability

1. Assault

No claim covered under other provisions of this Agreement shall be paid from this account.

If any portion of this account is not expended in any year of this Agreement, an amount equal to the unexpended sum shall be budgeted in addition to the \$2000.00 for the following year.

2. If said clothing and/or personal property is insured, the employee must submit a claim to the appropriate insurance company. In the event of full reimbursement for such claim, the Board shall make no payment. If the insurance company reimburses all but the deductible amount specified in the employee's policy, the Board will pay an amount equal to the deductible amount not to exceed \$500. If the claim is for less than the deductible amount specified or the clothing or personal property is not insured, the Board will pay an amount equal to the current value of the property not to exceed \$500.

3. To be eligible for reimbursement as described in paragraph 1, the teacher must report the damage to the worksite supervisor as soon as possible and complete the Comprehensive Accident-Injury/Loss form and submit it to the worksite supervisor.

The reimbursement of damaged or vandalized personal property (other than motor vehicle) is limited to those items that the teacher uses to perform his/her job and/or duty responsibilities.

In the event the claim is for vandalism to the teacher's personal vehicle, a copy of his/her automobile insurance policy declaration page and an estimate for repair must be included with the Comprehensive Accident/Injury/Loss Form.

Payment of the claim is subject to the approval by USEP President and Director of Employee Relations.

The Board shall process all claims filed in accordance with this section provided that the claim falls within the incidents covered under such policy.

3. Each teacher assigned to a supplemented activity shall receive a written statement of the additional responsibilities for which he/she is responsible and the amount of the supplement to be awarded for such.
4. Mileage shall be reimbursed at the standard rate established by the District School Board of Pasco County but shall not be at a lesser rate than allowed by the State Department of Education rules and regulations in effect at the time the mileage was accrued.

SECTION B - Fringe Benefits

1. Health Insurance

- a) The Board agrees to contribute at an annual rate of no more than \$3,357.60 toward the cost of the benefits package for the 2001-2002 school year. An alternative Health Opt-Out Program shall be provided to bargaining unit members who do not choose one of the Board-approved health plans.
- b) It is agreed that the Board and the Union shall appoint an Insurance Committee consisting of six (6) members - three (3) representing the Board and three (3) representing the Union - for the purpose of reviewing rates and investigating and recommending coverages to the Board and the Union for the purpose of negotiating the aforementioned insurance in subsequent years. The Committee shall meet no later than April 1 of each school year.
- c) Teachers who work four (4) hours per day or twenty (20) hours or more per week for ninety (90) days or more per year shall be eligible for health insurance to the same extent as full-time teachers.
- d) All teachers shall be given the option of choosing dependent coverage, and the cost of such coverage which exceeds the individual premium cost shall be deducted, upon authorization, from said teacher's paycheck. The rates for dependent coverage shall be furnished to the bargaining unit members and provided to the Union prior to the annual open enrollment date.
- e) The open enrollment for health insurance shall be a minimum of thirty- (30) calendar days. Date of open enrollment will be held prior to the anniversary date of the policy.
- f) Any teacher whose dependent status changes who wishes to add or delete dependent coverage after the enrollment period shall be restricted only by the provisions as stated in the Benefit Enrollment/Change Form (MIS#161).

2. Retirement

The Board agrees to comply with the Florida Retirement System's rules and regulations relative to employee contributions.

SECTION C - Payroll Deduction for Additional Benefits

- 1. The parties agree that the Union will be provided with two (2) payroll deduction slots in addition to the dues deduction slot. These slots will be used for Union-designated programs to include but not be limited to purchasing additional insurance, annuity, or other related benefits; voluntary Political Action Committee (PAC) donations; or other Union-sponsored voluntary deduction programs for bargaining unit members.
- 2. The Union agrees to reimburse the Board for any actual start-up or programming cost incurred which are normally charged to other groups who benefit from payroll deduction services.
- 3. A single payment will be remitted after each pay period to a depository designated by the Union for each of the two (2) additional payroll deduction slots.

SECTION D - Early Retirement Monthly Benefit

1. Effective January 1, 1997, the Board shall provide a retirement benefit for all bargaining unit members based on the following early retirement monthly benefit, payable to those participants who retire between the ages of 50 and 55 in accordance with the following:

a) Retirement Benefit Table

Retirement Age	1996-1997	1997-1998	1998-1999	1999-2000	2000-2001	2001-2002
50	60%	55%	50%	45%	40%	35%
51	55%	55%	50%	45%	40%	35%
52	50%	50%	50%	45%	40%	35%
53	45%	45%	45%	45%	40%	35%
54	40%	40%	40%	40%	40%	35%

At the age of 55, the employee will be provided 100% of the FRS reduced benefit.

- b) who have 25 or more years of creditable FRS service;
- c) teachers employed on or before June 30, 2001 and who have reached Step 13 on the teacher salary schedule, or whose number of years of experience in the Pasco school district is equal to the number of years of service on Step 13 of the teacher salary schedule, or teachers hired on or after July 1, 2001 who have twelve (12) years of Pasco service, the last ten (10) of which must be Pasco continuous service; and
- d) who have retired under the Florida Retirement System (FRS).

Such benefit shall yield an annual amount of money equal to the difference between what the employee would have received if the employee retired at age 62 with the same amount of present retirement credit and what he/she would receive from FRS due to early retirement.

In lieu of the above, for any employee meeting the above eligibility criteria and who has out-of- state service and is eligible to purchase such service according to FRS rules and regulations, the district may purchase such

service if the purchase of such service would total 30 years and entitle the employee to full retirement under FRS. It is clearly understood that the Board shall provide the monthly benefit or out-of-state service whichever is more economical for the Board.

2. This provision shall not prohibit the Board from paying additional retirement bonuses provided for in this Agreement or future bonuses agreed to by the Board and the Union.

3. No employee shall be required by the Board to take advantage of the provisions of this article.

4. An employee shall have the right to receive a cash settlement upon early retirement equal to the amount which would have been paid by the Board for the most economical single-payment annuity or to elect to have the Board purchase for this amount an annuity with options similar to those available through the Florida Retirement System. In no case shall the cash settlement or cost of the optional annuity choice exceed the cost of the most economical single payment annuity. This option will not be available after December 31, 1996.

5. If an employee chooses one of these aforementioned early retirement options, the Board will have no further obligation toward his/her retirement benefits.

6. A teacher who selects one of these aforementioned early retirement options is required to retire from the Florida Retirement System (FRS) and terminate his/her employment with the district. Therefore, such teacher is not eligible to participate in the Deferred Retirement Option Program (DROP) as the DROP requires a teacher to retire from the FRS yet continue to work within the district.

SECTION E - Deferred Retirement Option Program (DROP)

1. Effective July 1, 1998, employees who qualify for the Deferred Retirement Option Program (DROP) may elect to participate in that program as provided by the procedures set forth by the district and by Florida Statute 121.091. An employee's salary, benefits, terms, and conditions of employment, as specified in this Agreement will remain in full force during the employee's participation in the DROP. An employee can void his/her DROP participation at the DROP termination date, re-enroll in FRS and continue in his/her current position in the district, by making such request in writing to the Board at least thirty (30) calendar days prior to his/her original DROP termination date. An employee may resign his/her employment with the Board and terminate his/her participation in DROP prior to the original DROP termination date by submitting an amended resignation to the Board.

2. Employees who elect to enter DROP on or after the date of ratification of this Agreement and who elect to receive a lump-sum payment of accrued vacation (annual) leave earned in accordance with Board policy upon beginning participation in DROP, shall have said lump-sum payment paid into a Board-approved 401(a) Qualified Retirement Plan subject to annual contribution limits. Employees who receive a lump-sum payment of accrued (annual) leave upon termination of DROP and termination of employment shall have said lump-sum payment paid into a Board-approved 401(a) Qualified Retirement Plan subject to annual contribution limits.

3. Effective July 1, 1999, employees who enter the Deferred Retirement Option Program (DROP) and are eligible for one hundred percent (100%) of their accumulated terminal sick leave in accordance with the Meritorious Attendance Incentive Pay, Article X, Section G of the Instructional Master Contract, shall have their accumulated terminal sick leave paid into a Board-approved 401(a) Qualified Retirement Plan subject to annual contribution limits and according to the following.

4. The initial payment will be made on June 30th following the employee's DROP effective date. Subsequent payments shall be made each June 30th following the employee's DROP effective date anniversary.

Payment	Payment Date	Maximum Percentage of Accumulated Terminal Sick Leave Days
1	June 30 th	23.3%
2	June 30 th	25.6%
3	June 30 th	36.0%
4	June 30 th	50.8%
5	June 30 th	86.1%
6	Upon Separation	100%

5. The rate of pay used to calculate the amount to be placed in the 401(a) Program shall be the employee's rate of pay upon entering DROP or the employee's rate of pay on each payment date. The employee must elect the rate of pay option upon entering DROP.

6. The 401(a) Qualified Retirement Plan allows participating employees to defer federal income tax and permanently avoid the payment of Social Security tax and Medicare tax on eligible plan contributions.

7. Employees/DROP participants do not have access to these funds until after they terminate their employment.

8. Employees of the Board who enter the Deferred Retirement Option Program (DROP) remain eligible for Sick Leave Bank participation. However, terminal sick leave days that have been paid to the Board approved 401(a) Qualified Retirement Plan shall be treated as if those days still remain in the employee's accumulated terminal sick leave balance when determining commencement of sick leave bank benefits, so long as the employee has met the requirements of the Sick Leave Bank appropriate to his/her bargaining unit contract.

Fund Withdrawal: Employees under fifty-five (55) years of age.

9. All participating employees who are under fifty-five (55) years of age at the time of termination and choose at the time of termination to take a cash distribution in the amount of one hundred percent (100%) of their respective balance from the Board approved 401(a) Qualified Retirement Plan and are assessed a ten percent (10%) withdrawal penalty, shall be reimbursed 2.35% of the withdrawal by the Board. This reimbursement is an amount equal to the difference between the ten percent (10%) withdrawal penalty and the current Social Security and Medicare combined tax contribution rate of 7.65%. If the withdrawal penalty and/or Social Security and Medicare tax rates change, the Board and Union agree to renegotiate the reimbursement rate. The Board will also reimburse these same employees the one-time \$40.00 administrative fee for processing the IRS 1099 Form.

SECTION F - Retiree Healthcare Premium

1. Teachers who retire after January 1, 1997, the Board agrees to contribute the same amount toward the retiree's health premium each year as it does towards the regular employee's premium. This contribution will begin upon retirement and continue until the retiree is eligible to receive Medicare Benefits. This contribution is contingent upon the retiree meeting all of the following conditions:

- a) 30 years of service under the FRS or at least 25 years of service under FRS and is at least age 50 at retirement;
- b) at least 20 years of service in the district;
- c) contributes his/her health insurance subsidy received from the State of Florida toward the cost of this medical premium; and,
- d) continues to participate in a Board-sponsored health plan after his/her retirement.

2. Effective July 1, 2000, if a teacher retires as a result of full disability, funds from the insurance funds retained earnings will be used to contribute the same amount toward the retiree's health premium (medical, dental, and vision) each year as the Board does toward the premium of a regular employee. The contribution will begin upon retirement and continue until the retiree receives Medicare benefits or until twenty-four (24) months have elapsed from the date of retirement, whichever comes first.

This condition is contingent upon the retiree meeting all of the following conditions:

- a) the teacher must have completed at least ten (10) years of creditable service under the Florida Retirement System (FRS);
- b) the teacher must have completed at least ten (10) years of service in the district;
- c) the teacher must be approved for full disability retirement under FRS and have provided the district with proof of application for full disability retirement under the Social Security Administration;
- d) the teacher must contribute his/her health insurance subsidy received from the State of Florida toward the cost of the health premium; and
- e) continues to participate in a Board-sponsored health plan after his/her retirement.

SECTION G - Meritorious Attendance Incentive Pay

1. Retirement Incentives

The District School Board of Pasco County will provide meritorious attendance incentive pay to members of the bargaining unit at normal retirement (retirement under any established retirement plan with full or reduced benefits as provided by law) or to the bargaining unit member's beneficiaries if service is terminated by death. Meritorious attendance incentive pay shall be determined as follows:

- a) During the first three (3) years of service in a Florida school district, the daily rate of pay multiplied by 35 percent (35%) times the number of days of accumulated sick leave credited with the District School Board of Pasco County.
- b) During the next three (3) years of service in a Florida school district, the daily rate of pay multiplied by 40 percent (40%) times the number of days of accumulated sick leave credited with the District School Board of Pasco County.
- c) During the next three (3) years of service in a Florida school district, the daily rate of pay multiplied by 45 percent (45%) times the number of days of accumulated sick leave credited with the District School Board of Pasco County.

- d) During and after the tenth (10th) year of service in a Florida school district, the daily rate of pay multiplied by 50 percent (50%) times the number of days of accumulated sick leave credited with the District School Board of Pasco County.
- e) During and after the fifteenth (15th) year of service in the Pasco school district, the daily rate of pay multiplied by 75 percent (75%) times the number of days of accumulated sick leave credited with the District School Board of Pasco County.
- f) During and after the twentieth (20th) year of service in the Pasco school district, the daily rate of pay multiplied by the number of days (100 percent) of accumulated sick leave credited with the District School Board of Pasco County.
- g) Payment of meritorious incentive pay shall be made no later than thirty (30) days after completion of all the following steps:
 - 1) Written statement regarding disposition of accrued sick leave.
 - 2) Last day of employment.
 - 3) Board action on termination.
- h) The Board will provide a 401(a) Qualified Retirement Plan that defers federal income tax and permanently avoids the payment of Social Security and Medicare tax on meritorious attendance incentive pay for those employees retiring under the Florida Retirement System (FRS) with full or reduced benefits and who meet the following:

YEARS OF SERVICE	MINIMUM ACCUMULATED SICK LEAVE BALANCE
Ten (10) years creditable FRS service	240 hrs.
During and after the 15 th year of service in the Pasco County School District	160 hrs.
During and after the 20 th year of service in the Pasco County School District	120 hrs.

Subject to annual plan contribution limits and the requirements specified above, payment to a Board-approved 401(a) Qualified Retirement Plan shall be credited in the name of the employee upon retirement.

Fund Withdrawal: Employees under fifty-five (55) years of age.

1. The cash incentive paid to an insured employee who discovers an overcharge on a medical bill for that employee or his/her dependent and paid as an allowable charge by the School Board group medical benefits carrier/administrator shall be fifty percent (50%) of the amount of the over-charge that is recovered by the group medical benefits carrier/administrator as a result of direct negotiations between the employee and the provider and shall be limited to a maximum of 1,000 dollars for each overcharge. The committee shall meet periodically during the school year and by May 1 of each year shall make recommendations to the Board and USEP for the purpose of further negotiating the improvement and/or revision of the program. The EAP Committee will function as a sub-committee of the current Insurance Committee. The Board and USEP will mutually agree to appoint members to the EAP sub-committee who are not current members of the Insurance Committee. The EAP Committee shall consist of an equal number of members selected by the Board and USEP.

ADDENDUM D
FEDERAL DRUG AND ALCOHOL TESTING PROGRAM FOR HOLDERS OF FLORIDA
CLASS A OR B COMMERCIAL DRIVERS LICENSES

The Board and Union recognize that employees who are required to hold a Class A or Class B Commercial Driver License (CDL) as a condition of employment (hereinafter referred to as covered employees) must comply with the Omnibus Transportation Employee Testing Act of 1991 (OTETA), regulations of the Federal Highway Administration contained in 49 CFR Parts 40 and 382, *et. al.* and Section 234.091, Florida Statutes.

Notification

The Board shall provide all covered employees with educational materials that explain the requirements of the Program and the Board's policies with respect to meeting these requirements. Each employee who has received a copy of these materials shall be required to sign a statement certifying that he/she has received a copy of these materials.

Testing

Testing of covered employees shall be done in accordance with applicable Federal and State law. The employee shall be paid his/her regular hourly rate for the time involved for such testing beyond the employee's normal working hours unless such testing results in an employee working beyond forty (40) hours that week. In such cases, the employee shall be compensated at 1-1/2 times his/her hourly rate. Refusal to report for testing when notified to do so shall be considered a positive test.

Positive Test Results for Alcohol or Prohibited Substances

If a covered employee tests .02 or .039 for breath alcohol, he/she shall be removed from performing the duties of his/her safety-sensitive position for twenty-four (24) hours. If the employee has accrued sick or vacation leave, he/she shall be entitled to use such leave during this period. A conference may be held with the employee in an attempt to determine why he/she tested .02 to .039 so as to prevent a recurrence.

If an employee tests .04 or higher for breath alcohol or tests positive for any prohibited substance, he/she shall be removed from performing the duties of his/her safety-sensitive position, and he/she shall be referred to a substance abuse professional. In addition, there will be other employment consequences which may include termination. In the event that the primary specimen confirms the presence of prohibited substances, and the employee believes there has been an error in the analysis, he/she may request that the split specimen be tested. The cost of this second analysis shall be the responsibility of the employee. However, should this analysis produce a negative result, the Board shall reimburse the employee for the cost.

Reasonable Suspicion

When a supervisor believes that a covered employee is in violation of OTETA regulations, he/she shall confer with the district OTETA administrator or designee who shall decide whether to proceed further. If the OTETA administrator or designee meets with the employee for the purpose of notifying him/her that reasonable suspicion testing will be required, he/she shall do so in conjunction with a trained supervisor. A Union representative shall be permitted to attend the meeting with the right to ask questions for the purpose of clarification. Because time is important when giving an alcohol test, the meeting will not be delayed if the Union representative is unable to be present at the specified time for the meeting to begin. During the meeting, the OTETA administrator will cite the indicators which led to the reasonable suspicion, and the employee shall be given an opportunity to give an explanation if he/she desires.

Confidentiality

Confidentiality required by OTETA regulations will be observed, and no voluntary report of a test required by these regulations shall be made to the Florida Department of Highway Safety and Motor Vehicles.
